The New Interpreter's Bible One-Volume Commentary *Abingdon Press* Pastors and students who want a one-volume commentary to complement the New Interpreter's Study Bible will be pleased to find in this resource the quality of scholarship that is a hallmark of other New Interpreter's Bible resources. The portability, accessibility, and affordability of the one-volume commentary will appeal to professors and students as well as lay persons and pastors. This commentary contains articles on all the books of the Bible, including the Apocrypha, as well as numerous general articles on biblical interpretation, geographical and historical setting, religion, text, canon, translation, Bible and preaching/teaching, with bibliographies for each article. Extra value includes: chronology/timeline, table of measures and money, and a subject index. Old Testament Editor: Dr. David L. Petersen, Franklin Nutting Parker Professor of Old Testament, Emory University. Professor Petersen's current research focuses on the book of Genesis and on prophetic literature. An ordained Presbyterian minister, Dr. Petersen has written, coauthored, or coedited a number of scholarly and popular books and articles. He was the senior Old Testament editor for The New Interpreter's Bible. Professor Petersen is a past president of the Society of Biblical Literature. New Testament Editor: Dr. Beverly Roberts Gaventa, Helen H.P. Manson Professor of New Testament Literature and Exegesis, Princeton Theological Seminary. Dr. Gaventa, whose specialties within the field of New Testament are the letters of Paul and Luke-Acts, is widely published. She is a member of the advisory board for the New Testament Library, a new commentary series for Westminster John Knox Press; editor of the Society of Biblical Literature's Resources for Biblical Studies and a member of the editorial board of its Journal of Biblical Literature; and associate editor of the Catholic Biblical Quarterly. **The Unbeatable Squirrel Girl Vol. 11 Call Your Squirrelfriend** *Marvel Entertainment* Collects The Unbeatable Squirrel Girl #42-46. Squirrel Girl takes on none other than...Kang the Conqueror! It's a battle for the ages across space and time as Kang attacks Doreen Green in three distinct eras! And if that isn't cosmic enough for you, what would you say to Squirrel Girl jumping headfirst into the War of the Realms?! When Doreen's good pal Loki recruits her as part of a secret mission, you might wonder whether he's up to something. And he probably is — he's the God of Lies, after all. But this isn't Doreen's first Asgardian rodeo! And whose side is her old nemesis, the Asgardian chaos squirrel god, Rataatoskr, on in this insane conflict? Get ready to experience Squirrel Girl's first big event crossover — and don't miss the shocking reveal that's been in the works for literal years! Collecting UNBEATABLE SQUIRREL GIRL (2015B) #42-46. **The 2011 Pfeiffer Annual Consulting** *John Wiley & Sons* The Leader in Resources for Training & HR Professionals for the Past Four Decades The challenges of organizational consulting are ongoing. To stay on top of the game, consultants need access to the latest thinking in the field, cutting-edge approaches and techniques from practicing consultants, organizational systems experts, and academics. The 2011 Pfeiffer Consulting Annual is a ready-made toolkit of ideas, methods, techniques, and models that assist and support your work as an internal or external organizational consultant. The Annual addresses the broad range of topics that are of most interest to professionals in the field. The materials provide highly accessible means of interacting with a diverse variety of systems and processes—from collaborative work systems and executive coaching to strategic planning and organizational development. This year's Annual presents a "organizational dynamics" theme. The contributions to The Annual focus on organizational dynamics and include information on team building, leadership, communication, and problem solving. The volume includes a variety of tools. For example, Experiential Learning Activities (ELAs) are the mainstay of the Annual and cover a broad range of consulting topics. The activities are presented as complete and ready-to-use designs for working with groups: facilitator instructions and all necessary handouts and participant materials are included. Check out the ELAs by several well-known consultants including David Piltz and Jim Eicher. The Inventories, Questionnaires, and Surveys section includes tools for measuring team effectiveness, determining corporate responsibility and scale of intellectual capital for organizations. The articles section presents the best current thinking about workplace communications. Jan M. Schmuckler and James Eicher have contributed must-read articles. Year after year, the Consulting edition of the Pfeiffer Annual has provided thousands of trainers, consultants, facilitators, and managers with up-to-date information and tools to help make organizations more effective. Find out how other practitioners are improving organizations day by day: delve into the indispensable 2011 Pfeiffer Consulting Annual. You will understand why it is the best and most reliable source for practical, professional, performance-boosting tools and fresh ideas. **The Secret Doctrine: The Synthesis of Science, Religion, and Philosophy Volume II: Anthropogenesis** *Lulu.com* The last book in the monumental work of Theosophic thought. This book focuses on gaining occult power in the formation of the humanity and the earth. This group sought to learn the secrets of nature, science and divinity in order to empower themselves to godhood and this book reveals their secrets as to how knowledge to do this can be attained. It does not reveal what the ultimate saving knowledge is that can do this but it gives guidelines on how to start the journey for yourself. **The Secret History of Gender Women, Men, and Power in Late Colonial Mexico** *Univ of North Carolina Press* In this study of gender relations in late colonial Mexico (ca. 1760-1821), Steve Stern analyzes the historical connections between gender, power, and politics in the lives of peasants, Indians, and other marginalized peoples. Through vignettes of everyday **Bangladesh Past and Present** *APH Publishing A. P. H.* **The Secret Power of Criminal Organizations A Social Psychological Approach** *Springer Nature* This Brief presents a social psychological approach to understanding the reaction of communities to organized crime and illegal groups. Based on a new theoretical framework and the latest empirical evidence, this book explores questions of how criminal organizations are able to gain power and exert governance over entire territories. This book draws on the prototypical example of Italian organized crime and analyzes the thesis that the power of criminal groups is grounded in dynamics of legitimization rather than fear or coercion. The compliance of a community is seen here as stemming from the endorsement of specific cultural values and norms. These cultural values are actively appropriated, mobilized and transmitted by criminal groups, a dynamic the authors have labeled Intra-cultural Appropriation Theory. The book emphasizes what can be learned from using this emerging theory in similar settings such as those of terrorist groups and violent gangs, and points the way to solutions for this social problem. **New York Magazine** New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea. **Isis Unveiled, Vol. II** *Lulu.com* **The ... Annual, Developing Human Resources The Correspondence of Elizabeth Stuart, Queen of Bohemia** *Oxford University Press* The Correspondence of Elizabeth Stuart is the first complete edition of Elizabeth Stuart's letters ever published. Volume II covers the years between 1632 and 1642: Elizabeth's life as a widow controlling the regency during her eldest son's minority and imprisonment. **Web-Spinning Heroics Critical Essays on the History and Meaning of Spider-Man** *McFarland* This volume collects a wide-ranging sample of fresh analyses of Spider-Man. It traverses boundaries of medium, genre, epistemology and discipline in essays both insightful and passionate that move forward the study of one of the world's most beloved characters. The editors have crafted the book for fans, creators and academics alike. Foreword by Tom DeFalco, with poetry and an afterword by Gary Jackson (winner of the 2009 Cave Canem Poetry Prize). **The 2008 Pfeiffer Annual Training** *John Wiley & Sons* This annual focuses on change management. It is designed as a ready-made toolkit of ideas, methods, techniques and models. **The Collected Works of Samuel Taylor Coleridge, Volume 11 Shorter Works and Fragments: Volume II** *Princeton University Press* Volume 2 of 2. Coleridge's Shorter Works and Fragments brings together a number of substantial essays that were not long enough to require volumes to themselves, among them his "Theory of Life," "Essays on the Principles of Genial Criticism," "Treatise on Method," "Confessions of an Inquiring Spirit," "On the Passions," and "On the Prometheus of Aeschylus." To these are added more than four hundred other pieces, some of them fragmentary, many of them previously unpublished, ranging in date from school essays of the early 1790s to a discussion of the bullion controversy in 1834. As might be expected, the subject matter includes literature and language, theology, philosophy, politics, and science, but in many less predicatable topics (such as child labor laws, marriage, suicide, church history, the abolition of slavery, the state of the colonies) also appear. By gathering this material and presenting it in chronological order, Shorter Works and Fragments reveals the development and major characteristics of Coleridge's seemingly inexhaustible variety. H.J. Jackson and J.R. de J. Jackson, Professors of English at the University of Toronto, are the editors of Coleridge's Marginalia and Logic, respectively, in the Collected Works of Samuel Taylor Coleridge. Bollingen Series LXXV Originally published in 1995. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905. **Remembering the Road to World War Two International History, National Identity, Collective Memory** *Routledge* 'This is comparative history on a grand scale, skilfully analysing complex national debates and drawing major conclusions without ever losing the necessary nuances of interpretation.' Stefan Berger, University of Manchester. UK Remembering the Road to World War Two is a broad and comparative international survey of the historiography of the origins of the Second World War. It explores how, in the case of each of the major combatant countries, historical writing on the origins of the Second World War has been inextricably entwined with debates over national identity and collective memory. Spanning seven case studies – the Soviet Union, Germany, Italy, France, Great Britain, the United States and Japan – Patrick Finney proposes a fresh approach to the politics of historiography. This provocative volume discusses the political, cultural, disciplinary and archival factors which have contributed to the evolving construction of historical interpretations. It analyses the complex and multi-faceted relationships between texts about the origins of the war, the negotiation of conceptions of national identity and unfolding processes of war remembrance. Offering an innovative perspective on international history and enriching the literature on collective memory, this book will prove fascinating reading for all students of the Second World War. **The Annual 1980 Pfeiffer** Abstract: Materials are presented for use by human relations trainers, organization development practitioners, educators, and other group facilitators. Structured experience activities presented include ice breakers, awareness expansion, intergroup communication, leadership, group process, group problem solving, and competition, leadership, group process, group problem solving, and competition. Pencil and paper activities deal with individual thought and action, organizational dianosis, and interaction of individuals and organizations. Brief conceptual presentations discuss individuals and organizations. Brief conceptual presentations discuss individual, group and organization relationships. Papers designed for professional development cover group development, training, human service programs, and program assessment themes. Resource tools presented include a glossary for organizational development and planned change. **Feasting on the Gospels--Matthew, Volume 1 A Feasting on the Word Commentary** *Westminster John Knox Press* Feasting on the Gospels is a new seven-volume series that follows up on the success of the Feasting on the Word series to provide another unique preaching resource, this time on the most prominent and preached upon New Testament books, the four Gospels. With contributions from a diverse and respected group of scholars and pastors, Feasting on the Gospels will include completely new material that covers every single passage in the New Testament Gospels, making it suitable for both lectionary and non-lectionary use. Moreover, these volumes will incorporate the unique format of Feasting on the Word, with four perspectives for preachers to choose from for each Gospel passage: theological, pastoral, exegetical, and homiletical. Feasting on the Gospels will provide a special resource for all who preach, either continuously or occasionally, on the Gospels. **New York Magazine** New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea. **The Oxford Handbook of Multicultural Identity** *Oxford University Press* Multiculturalism is a prevalent worldwide societal phenomenon. Aspects of our modern life, such as migration, economic globalization, multicultural policies, and cross-border travel and communication have made intercultural contacts inevitable. High numbers of multicultural individuals (23-43% of the population by some estimates) can be found in many nations where migration has been strong (e.g., Australia, U.S., Western Europe, Singapore) or where there is a history of colonization (e.g., Hong Kong). Many multicultural individuals are also ethnic and cultural minorities who are descendants of immigrants, majority individuals with extensive multicultural experiences, or people with culturally mixed families; all people for whom identification and/or involvement with multiple cultures is the norm. Despite the prevalence of multicultural identity and experiences, until the publication of this volume, there has not yet been a comprehensive review of scholarly research on the psychological underpinning of multiculturalism. The Oxford Handbook of Multicultural Identity fills this void. It reviews cutting-edge empirical and theoretical work on the

psychology of multicultural identities and experiences. As a whole, the volume addresses some important basic issues, such as measurement of multicultural identity, links between multilingualism and multiculturalism, the social psychology of multiculturalism and globalization, as well as applied issues such as multiculturalism in counseling, education, policy, marketing and organizational science, to mention a few. This handbook will be useful for students, researchers, and teachers in cultural, social, personality, developmental, acculturation, and ethnic psychology. It can also be used as a source book in advanced undergraduate and graduate courses on identity and multiculturalism, and a reference for applied psychologists and researchers in the domains of education, management, and marketing. **A Dictionary of the English Language In which the Words are Deduced from Their Originals, and Illustrated in Their Different Significations by Examples from the Best Writers. To which are Prefixed, a History of the Language, and an English Grammar Master of the House Stalin and His Inner Circle** *Yale University Press* Based on meticulous research in previously unavailable documents in the Soviet archives, this compelling book illuminates the secret inner mechanisms of power in the Soviet Union during the years when Stalin established his notorious dictatorship. Oleg V. Khlevniuk focuses on the top organ in Soviet Russia's political hierarchy of the 1930s--the Political Bureau of the Central Committee of the Communist Party--and on the political and interpersonal dynamics that weakened its collective leadership and enabled Stalin's rise. Khlevniuk's unparalleled research challenges existing theories of the workings of the Politburo and uncovers many new findings regarding the nature of alliances among Politburo members, Sergei Kirov's murder, the implementation of the Great Terror, and much more. The author analyzes Stalin's mechanisms of generating and retaining power and presents a new understanding, unmatched in texture and depth, of the highest tiers of the Communist Party in a crucial era of Soviet history. **Power, Politics, and Tradition in the Mongol Empire and the Ilkhānate of Iran** *Oxford University Press* This study provides a new interpretation of how political authority was conceived and transmitted in the Early Mongol Empire (1227-1259) and its successor state in the Middle East, the Ilkhanate (1258-1335). Authority within the Mongol Empire was intimately tied to the character of its founder, Chinggis Khan, whose reign served as an idealized model for the exercise of legitimate authority amongst his political successors. Yet Chinggis Khan's legacy was interpreted differently by the various factions within his army. In the years after his death, two distinct political traditions emerged within the Mongol Empire, the collegial and the patrimonialist. Each of these streams represented the economic and political interests of different groups within the Mongol Empire, respectively, the military aristocracy and the central government. The supporters of both streams claimed to adhere to the ideal of Chinggisid rule, but their different statuses within the Mongol community led them to hold divergent views of what constituted legitimate political authority. Michael Hope's study details the origin of, and the differences between, these two streams of tradition; analyzing the role that these streams played in the political development of the Mongol Empire and the Ilkhanate; and assessing the role that ideological tension between the two streams played in the events leading up to the division of the Ilkhanate. Hope demonstrates that the policy and identity of both the Early Mongol Empire and the Ilkhanate were defined by the conflict between these competing streams of Chinggisid authority. **Encyclopedia of Information Science and Technology, Fourth Edition** *IGI Global* In recent years, our world has experienced a profound shift and progression in available computing and knowledge sharing innovations. These emerging advancements have developed at a rapid pace, disseminating into and affecting numerous aspects of contemporary society. This has created a pivotal need for an innovative compendium encompassing the latest trends, concepts, and issues surrounding this relevant discipline area. During the past 15 years, the Encyclopedia of Information Science and Technology has become recognized as one of the landmark sources of the latest knowledge and discoveries in this discipline. The Encyclopedia of Information Science and Technology, Fourth Edition is a 10-volume set which includes 705 original and previously unpublished research articles covering a full range of perspectives, applications, and techniques contributed by thousands of experts and researchers from around the globe. This authoritative encyclopedia is an all-encompassing, well-established reference source that is ideally designed to disseminate the most forward-thinking and diverse research findings. With critical perspectives on the impact of information science management and new technologies in modern settings, including but not limited to computer science, education, healthcare, government, engineering, business, and natural and physical sciences, it is a pivotal and relevant source of knowledge that will benefit every professional within the field of information science and technology and is an invaluable addition to every academic and corporate library. **The Eagle and the Dragon Globalization and European Dreams of Conquest in China and America in the Sixteenth Century** *John Wiley & Sons* In this important new book the renowned historian Serge Gruzinski returns to two episodes in the sixteenth century which mark a decisive stage in global history and show how China and Mexico experienced the expansion of Europe. In the early 1520s, Magellan set sail for Asia by the Western route, Cortes seized Mexico and some Portuguese based in Malacca dreamed of colonizing China. The Aztec Eagle was destroyed but the Chinese Dragon held strong and repelled the invaders - after first seizing their cannon. For the first time, people from three continents encountered one other, confronted one other and their lives became entangled. These events were of great interest to contemporaries and many people at the time grasped the magnitude of what was going on around them. The Iberians succeeded in America and failed in China. The New World became inseparable from the Europeans who were to conquer it, while the Celestial Empire became, for a long time to come, an unattainable goal. Gruzinski explores this encounter between civilizations that were different from one another but that already fascinated contemporaries, and he shows that our world today bears the mark of this distant age. For it was in the sixteenth century that human history began to be played out on a global stage. It was then that connections between different parts of the world began to accelerate, not only between Europe and the Americas but also between Europe and China. This is what is revealed by a global history of the sixteenth century, conceived as another way of reading the Renaissance, less Eurocentric and more in tune with our age. **Turkey Identity, Democracy, Politics** *Routledge* This volume aims to shed light on Turkish political issues. The discussions range over national and international politics, democracy and freedom of the press, voting patterns, official control of indigenous music, and conditions in industrial estates. **The American Bibliography of Slavic and East European Studies for 1994** *M.E. Sharpe* This text provides a source of citations to North American scholarships relating specifically to the area of Eastern Europe and the former Soviet Union. It indexes fields of scholarship such as the humanities, arts, technology and life sciences and all kinds of scholarship such as PhDs. **The Annual for Facilitators, Trainers, and Consultants The Preacher's Commentary, Complete 35-Volume Set: Genesis - Revelation** *Thomas Nelson* Written BY Preachers and Teachers FOR Preachers and Teachers The Preacher's Commentary, Complete 35-Volume Set: Genesis-Revelation offers pastors, teachers, and Bible study leaders clear and compelling insights into the entire Bible that will equip them to understand, apply, and teach the truth in God's Word.
