**Noah Primeval Chronicles of the Nephilim Nephilim Giants, Watchers, Archangels. This is Not Your Sunday School Noah's Ark. A novel of the Genesis Bible story of Noah based on ancient historical research. In an ancient world submerged in darkness, fallen angels called Watchers rule as gods and breed giants called Nephilim. Mankind is enslaved to evil. Noah, a tribal leader, is a good family man who just wants to be left alone to make a living off the land with his wife and sons. But he soon learns that evil never leaves you alone. It comes after you, and your family, with a vengeance. But God has not left Noah alone either. He commands him to build a large boat in preparation for the coming Deluge. But first, Noah has to rescue his family from the grip of supernatural evil. He must face the truth that the only way that evil triumphs is when good men do nothing. A wild ride of spiritual redemption and action-adventure that takes the reader on a journey from the heights of heaven to the depths of the underworld. It's Biblically and historically faithful, with added ancient imagination. You will learn the origin of the Nephilim giants and the Watchers of Genesis 6. Many of the strange oddities of the Bible will finally begin to make sense. You will learn about a storyline thread in the Bible often overlooked: The War of the Seed. Learn About the Historical and Biblical Research Behind the Novel Author Godawa shares the scholarly research that undergirds the fictional action adventure. Noah Primeval has appendices that provide an explanation of Biblical concepts in the novel such as the Sons of God, Watchers, Nephilim, Giants, Leviathan, and fallen angels. A NOTE ON THE AGE APPROPRIATENESS OF THE NOVELS This Biblical Fiction series is rated PG-13. It deals with evil in a way that would be appropriate for mature teens and above, similar to the Bible. Written in the spirit of The Chronicles of Narnia and The Lord of the Rings. Noah Primeval Young Adult Edition This is not your Sunday School Noah's Ark. Noah Primeval is a speculative retelling of the beloved story of Noah for a new generation. In an ancient world submerged in darkness, fallen angels rule as gods and breed giants and monsters. Mankind is enslaved to evil. Noah, a tribal leader, has been prophesied to bring an end to the rule of these "gods" and save humanity from coming destruction. But Noah's wife and son are captives of these dark forces. To rise against this supernatural evil and rescue his family Noah will need an equally supernatural army. But why has God told him to build a huge box out of gopher wood? Godawa is known as an author who both entertains and educates. Inspired by Michael Crichton's novels, Godawa has adapted his Hollywood screenwriting background into his prose style to create a reading experience that is like watching a movie. Also similar to Crichton, Godawa has sought to provide the scholarly research that undergirds the fictional adventure. Noah Primeval has an additional 100 pages of special appendixes that provide an explanation of Biblical concepts in the novel such as the Sons of God, the Nephilim, Leviathan, and the ancient Mesopotamian Cosmography in the Bible. Noah Primeval is written in the spirit of The Chronicles of Narnia and The Lord of the Rings, blending fantasy and mythopoeia with history to retell the Biblical narrative with a fresh perspective, while staying true to the original spirit of the story. Enoch Primordial Embedded Pictures Before Noah, before the Flood, in a dark world of angelic Watchers and Nephilim giants, one man is called by God to take a stand: Enoch - holy man, wisdom sage, giant killer. Biblical Fantasy Amazon Bestseller from the series Chronicles of the Nephilim. Gilgamesh Immortal Young Adult Edition The Ancient Epic of Gilgamesh Brought to Life Gilgamesh Immortal: Young Adult Edition is a version of the original novel Gilgamesh Immortal edited to be appropriate for ages 13 and above, Grades 8 and above. It is the third book in the series, Chronicles of the Nephilim For Young Adults. The epic Journey of the great Mesopotamian King Gilgamesh who sought eternal life after Noah's Flood. In the primal age after the Great Flood, the sons of Noah fill the earth. But God has given man over to his wickedness. One giant warrior king named Gilgamesh sets out on an epic journey to seek eternal life in a world filled with death. Accompanied by his only friend, the wild-man Enkidu, his quest takes them from a giant's forest, to the mountain of the gods, to the Path of the Sun in the Underworld, and ultimately to a distant magical island to find the one man granted divine favor during the flood: Noah. And the secret Gilgamesh discovers will change history forever. Biblical Fantasy Based on History and Ancient Mythology Gilgamesh Immortal: Young Adult Edition is written in the spirit of The Chronicles of Narnia and The Lord of the Rings, blending fantasy and mythopoeia with history to retell the Biblical narrative with a fresh perspective, making it come alive in a new way, while staying true to the original spirit of the Bible story. The Rise and Fall of the Nephilim The Untold Story of Fallen Angels, Giants on the Earth, and Their Extraterrestrial Origins Red Wheel/Weiser The ancient books of Genesis and Enoch tell us that spirit beings known as the Watchers descended to the Earth, had sex with women, and begat a hybrid race of offspring known as the Nephilim. Such tales are as old as humanity itself. These histories and accounts of visitations and**

subsequent mixed-blood, alien-human races comprise the bulk of the world's myths, legends, religions, and superstitions. The Rise and Fall of the Nephilim examines: Elohim and the Bene Ha Elohim—God and the Sons of God The Watchers: UFOs, extraterrestrials, angels, infiltrators, and impregnators Biblical and apocryphal sources from Enoch to Moses The role of the Fae, Elves, Elementals, and ancient gods What if the old spiritualities and religions weren't just legends? What if there was something living and breathing beneath the surface, a tangible interlinking of religious thought and spirituality, science and myth, inter-dimensionality and cold, hard fact? The Nephilim walked among us... and still do today. Abraham Allegiant Young Adult Edition The Forefather and Patriarch You Thought You Knew. Abraham Allegiant: Young Adult Edition is a version of the original novel Abraham Allegiant edited to be appropriate for ages 13 and above, Grades 8 and above. It is the fourth book in the series, Chronicles of the Nephilim For Young Adults. After the Great Flood, the giant king Nimrod builds the Tower of Babel and unites the world in rebellion against the Creator. But God has other plans. He causes the confusion of languages and disperses Nimrod's kingdom upon the earth. He then chooses a simple nomad Abraham as next in the line of the Seed of Promise. Abraham is in the land of Canaan, a land that is filled with the Nephilim giants of Genesis 6, and the Watchers rule as gods. And Sodom and Gomorrah is the flashpoint for the Watchers' next diabolical plan. The Seed of the Serpent vs. the Seed of Promise. The War of the Seed is rising. Biblical Fantasy Based on History and Ancient Mythology Abraham Allegiant: Young Adult Edition is written in the spirit of The Chronicles of Narnia and The Lord of the Rings, blending fantasy and mythopoeia with history to retell the Biblical narrative with a fresh perspective, making it come alive in a new way, while staying true to the original spirit of the Bible story. Chronicles of the Nephilim Series Books 1-2 Noah Primeval and Enoch Primordial Hollywood Worldviews Watching Films with Wisdom and Discernment InterVarsity Press In this thoroughly revised and updated edition of his popular book, Brian Godawa guides you through the place of redemption in film, the tricks screenwriters use to communicate their messages, and the mental and spiritual discipline required for watching movies. "The" Bible History The Nephilim Virus Author Loyalty Nick Reese wakes from a three-year coma to find the world he once knew is gone. An ancient virus has infected two-thirds of the world's population, turning humans into either incredibly intelligent super-humans or large and indestructible animalistic creatures. For the survivors, there is no government, no antidote, and no safety. With the help of a beautiful hematologist named Faith and a man they call the Commander, Nick must survive long enough to discover the origin of the virus and learn how his blood could hold the key to a cure. But he has to do it while being hunted by the infected. And failure means the extinction of the human race. Author and Hollywood actor John Prather intertwines history and science to create a plausible post-apocalyptic tale. The Nephilim Virus is an intense thriller implementing spiritual ideas. The Nephilim Virus is a nonstop race against time from beginning to end. When Giants Were Upon the Earth The Watchers, the Nephilim, and the Biblical Cosmic War of the Seed Embedded Pictures The Biblical fantasy novel series Chronicles of the Nephilim has changed the landscape of Evangelical imagination. Author Brian Godawa shares the Biblical and ancient historical and mythical research that undergirds the fiction. For those who want serious study of the topics of the Watchers, Nephilim, and the Biblical Cosmic War of the Seed. Genesis and the Synchronized, Biblically Endorsed, Extra-Biblical Texts CreateSpace This book contains an introduction by Rob Skiba, followed by an example of how Genesis, 1 Enoch, Jasher and Jubilees can be synchronized to tell a very detailed story concerning "The Genesis Six Experiment." Following that section is a side-by-side comparison of the Brenton's Septuagint with King James Version of the book of Genesis. Finally, the remaining sections contain the complete works of 1 Enoch, Jasher and Jubilees. With all of this in one volume, the reader is sure to find this book a valuable resource for serious study and in-depth research. Devils and Demons and the Return of the Nephilim Exile of Lucifer Destiny Image Publishers As the Lord's Chief Angel of Worship, Lucifer glories in creating music and words of praise exalting the Father, the Son, and the Holy Spirit, but his pride demands he be recognized as better than the other angels. When his old friends Michael and Gabriel are promoted to archangel status, Lucifer turns his attention to being named steward of the Lord's latest wonder, the Creation, and he won't let anyone stop him not even an insignificant pest called man. Icons of Horror and the Supernatural An Encyclopedia of Our Worst Nightmares Greenwood Publishing Group Offers entries on 24 of the significant archetypes of horror and the supernatural, from the classical epics of Homer to the novels of Stephen King. In God's Image and Likeness Ancient and Modern Perspectives on the Book of Moses The Portent (the Façade Saga, Volume 2) Defender Ancient conspiracy. Relentless evil. The hunt for answers continues. The climactic ending of The Façade left Brian Scott and Melissa Kelley with only each other--and the terrible secrets they carry. The Portent finds them living under new identities, their future clouded by constant fear of being exposed. By the time Brian and Melissa learn they're being watched, their carefully constructed lives will be over. Follow Brian and Melissa into the center of an unthinkably vast, centuries-old conspiracy, conceived to turn the faith of millions against itself. Revelations from ancient tombs, long-forgotten Nazi experiments, UFOs, occult mythologies, biblical theology, and godlike technologies converge in answer to a terrifying question: Now that "they" are here, what do they want? The Façade Acid Test Press Moses Against the Gods of Egypt Don't Know Much About the Bible Everything You Need to Know About the Good Book but Never Learned Harper Collins With wit, wisdom, and an extraordinary talent for turning dry, difficult reading into colorful and realistic accounts, the creator of the bestselling Don't Know Much About®, series now brings the world of the Old and New testaments to life as no one else can in the bestseller Don't Know Much About® The Bible. Relying on new research and improved translations, Davis uncovers some amazing questions and contradictions about what the Bible really says. Jericho's walls may have tumbled down because the city lies on a fault line. Moses never parted the Red Sea. There was a Jesus, but he wasn't born on Christmas and he probably wasn't an only child. Davis brings readers up-to-date on findings gleaned from the Dead Sea Scrolls and Gnostic Gospels that prompt serious scholars to ask such serious questions as: Who wrote the Bible? Did Jesus say everything we were taught

he did? Did he say more? By examining the Bible historically, Davis entertains and amazes, provides a much better understanding of the subject, and offers much more fun learning about it. **Primeval History: Babylonian, Biblical, and Enochic An Intertextual Reading** BRILL The book offers a comprehensive analytic comparison between the images of primeval history in Babylonia, in the Hebrew Bible and the parallel Enochic traditions. It presents new interpretations of each of these traditions and how they relate to each other. **When Watchers Ruled the Nations Pagan Gods at War with Israel's God and the Spiritual World of the Bible Wake Up! the Lord is Returning El Shaddai** Publishers Megalithic Research in the Netherlands, 1547-1911 From "giant's Beds" and "pillars of Hercules" to **Accurate Investigations** Sidestone Press The impressive megalithic tombs in the northeastern Netherlands are called 'hunebedden', meaning 'Giants' graves'. These enigmatic Neolithic structures date to around 3000 BC and were built by the Funnelbeaker, or TRB, people. The current interpretation of these monuments, however, is the result of over 400 years of megalithic research, the history of which is recorded in this book. The medieval idea that only giants could have put the huge boulders of which they were made into position was still defended in 1660. Others did not venture to explain how hunebeds could have been constructed, but ascribed them to the most ancient, normally sized inhabitants. 16th-century writings speculated that Tacitus was referring to hunebeds when he wrote about the 'Pillars of Hercules' in Germania. Titia Brongersma is the first person recorded to do excavations in a hunebed, in 1685. The human bones she excavated were from normally sized men and suggested that such men, not giants, had constructed the hunebeds. Other haphazard diggings followed, but much worse was the invention of stone covered dikes which required large amounts of stone. This launched a widespread collection of erratic boulders, which included the hunebeds. Boundary stones were stole and several hunebeds were seriously damaged or they vanished completely. Such actions were forbidden in 1734, by one of the earliest laws protecting prehistoric monuments in the world. From the mid 18th century onwards a variety of eminent but relatively unknown researchers studied the hunebeds, including Van Lier (1760), Camper and son (1768-1808), Westendorp (1815), Lukis and Dryden (1878) and Pleytet (1877-1902). This intriguing history of ancient hunebed research ends in 1912, when the modern, systematic excavations of complete hunebeds began and continued until 1985. In the Introduction, a brief general review is given of the present knowledge and ideas about the Hunebed Builders, who lived some 5000 years ago during the Stone Age. The book is illustrated with a large number of drawing and prints from the 16th to the 20th century. An extensive summary in German is included. A brief description of all 53 existing hunebeds and 21-24 excavated demolished ones is included in the appendices. **Scientific Facts in the Bible** ReadHowYouWant.com An elderly lady once left 20,000 dollar and 'my Bible and all it contains' to her nephew. The young man knew what the Bible contained so he didn't bother to open it. He merely picked it up and put it on a high shelf in his house, and headed for Las Vegas. It wasn't long until all his money was gone. He lived the next 60 years as a pauper, scraping for every meal and barely having the clothes on his back. As he was moving to a convalescent home he reached up to grab that old Bible and accidentally dropped it from his trembling hands. It fell to the floor and opened, revealing a 100 dollar bill between every page. That man lived his life as a pauper when he could have lived in luxury, simply because of his prejudice. He thought he knew what the Bible contained. Most people don't know that the Bible contains a wealth of incredible scientific, medical and prophetic facts. The implications are mind boggling... **Reversing Hermon** Enoch, the Watchers, and the Forgotten Mission of Jesus Christ Defender **Reversing Hermon** is a groundbreaking work. It unveils what most in the modern Church have never heard regarding how the story of the sin of the Watchers in 1 Enoch 6-16 helped frame the mission of Jesus, the messiah. Jews of the first century expected the messiah to reverse the impact of the Watchers' transgression. For Jews of Jesus' day, the Watchers were part of the explanation for why the world was so profoundly depraved. The messiah would not just revoke the claim of Satan on human souls and estrangement from God, solving the predicament of the Fall. He would also not only bring the nations back into relationship with the true God by defeating the principalities and powers that governed them. Jews also believed that the messiah would rescue humanity from self-destruction, the catalyst for which was the sin of the Watchers and the influence of what they had taught humankind. The role of Enoch's retelling of Genesis 6:1-4 in how New Testament writers wrote of Jesus and the cross has been largely lost to a modern audience. **Reversing Hermon** rectifies that situation. Topics include:\* How the ancient Mesopotamian story of the apkallu aligns with Gen 6:1-4, was preserved in 1 Enoch, and sets the stage for the theme of reversing the evil of the Watchers\* How the theme of reversing the transgression of the Watchers colors the gospel accounts of the birth of Jesus, his genealogy, and his ministry.\* How the writings of Peter and Paul allude to the sin of the Watchers and present Jesus as overturning the disastrous effects of their sins against humanity.\* How the descriptions of the antichrist, the end-times Day of the Lord, and the final judgment connect to Genesis 6 and the nephilim. Though every topic addressed in **Reversing Hermon** can be found in scholarly academic literature, **Reversing Hermon** is the first book to gather this information and make it accessible to Bible students everywhere. **Jezebel Harlot Queen of Israel** **Chronicles of the Watchers** An epic Bible novel about the supernatural conflict between ruthless Queen Jezebel, fiery prophet Elijah and heroic warrior Jehu, protector of Israel. Hell is unleashed as the demonic gods of Canaan fight the archangels of God for control of the Land. Respected Christian author Brian Godawa reveals the unseen realm of this beloved Bible story. **The Theosophical Glossary** **The Transforming Word** One-volume Commentary on the Bible Abilene Christian University Press This is the first one-volume Bible commentary edited by ACU faculty. More than 30 contributors from various branches of the Stone-Campbell movement were selected, all of whom hold or are pursuing a doctoral degree in biblical studies. Readers will find a usable introduction to each book and each section without being bogged down by every possible detail. A bibliography will direct those who want to explore topics more in-depth. In illuminating the biblical texts, the authors of this commentary draw on their knowledge of the original languages and a deep awareness of the literary shape and flow of the Bible, the relevant archaeological and textual evidence from the

ancient Near East or Greco-Roman worlds, and the history of biblical interpretation, ancient, medieval, and modern. - Publisher. The Book of Enoch FilRougeViceversa As the Book of Enoch is, in some respects, the most notable extant apocalyptic work outside the canonical Scriptures, it will not be inappropriate to offer a few remarks here on the Apocalyptic Literature generally. In writing about the books which belong to this literature, Prof. Burkitt says very pointedly that "they are the most characteristic survival of what I will venture to call, with all its narrowness and its incoherence, the heroic age of Jewish history, the age when the nation attempted to realize in action the part of the peculiar people of God. It ended in catastrophe, but the nation left two successors, the Christian Church and the Rabbinical Schools, each of which carried on some of the old national aims. And of the two it was the Christian Church that was most faithful to the ideas enshrined in the Apocalypses, and it did consider itself, not without some reason, the fulfilment of those ideas. What is wanted, therefore, in studying the Apocalypses is, above all, sympathy with the ideas that underlie them, and especially with the belief in the New Age. And those who believe that in Christianity a new Era really did dawn for us ought, I think, to have that sympathy. . . . We study the Apocalypses to learn how our spiritual ancestors hoped again that God would make all right in the end; and that we, their children, are here today studying them is an indication that their hope was not wholly unfounded." Hard Sayings of the Bible InterVarsity Press Replaces Hard Sayings of the Old Testament, which received a 1990 Christianity Today Critics' Choice Award! Are you grappling with a difficult verse in the Bible? And are you looking for a short, easy-to-read answer that really makes sense without explaining away the verse? Hard Sayings of the Bible is the handy reference book you need. Here you will find explanations of over 500 of the most troubling verses to test the minds and hearts of Bible readers. Four seasoned scholars, all with a notable gift for communicating with people in the pew, take you behind the scenes to find succinct solutions to a wide variety of Bible difficulties, ranging from discrepancies about numbers to questions about God's justice. Historical, cultural and linguistic backgrounds shed light on these passages and not only help explain what they meant in biblical times but also show how they are relevant today. Now carefully cross-referenced with over 100 new verses explained, as well as a dozen new introductory articles on chronology, miracles, archaeology, prophecy and more, Hard Sayings of the Bible offers the combined resources of five previous volumes that have over 250,000 copies in print. If you find yourself tied up in scriptural knots, here's the book that will help you cut through them. Nephilim The Truth is Here Harper Collins Art "Mac" Mackenzie, an alcoholic reporter who is struggling to survive as a freelance journalist after his son's death, stumbles upon evidence of a government cover-up of alien abductions Joshua Valiant Chronicles of the Nephilim Book Five After escaping Egypt, Israel is facing a land of giants in the desert of Canaan. The giants are the Seed of the Serpent, linked to the nefarious Nephilim before the Flood. Only Joshua and Caleb have the faith to face these monsters whose murderous idolatry defies the land. They must first establish a bridgehead across the river to launch their invasion. The Goddess of War, Ashtart, has plans to destroy Israel with an evil occultic army. The War of the Seed is climaxing in this first of two companion novels, including Caleb Vigilant. The book is written in the mythic genre of The Lord of the Rings and Narnia, blending fantasy and mythopoeia with history to retell the Biblical narrative with fresh perspective. The Sons of God in Genesis 6:1-4 Analysis and History of Exegesis BRILL In The Sons of God in Genesis 6:1-4, Jaap Doedens offers an overview of the history of exegesis of the enigmatic biblical text about the 'sons of God', the 'daughters of men', and the 'giants'. The Heroes of Asgard Tales from Scandinavian Mythology From the Ashes of Angels The Forbidden Legacy of a Fallen Race Simon and Schuster Provides convincing evidence that angels, demons, and fallen angels were flesh-and-blood members of a giant race predating humanity, spoken of in the Bible as the Nephilim. • Indicates that the earthly paradise of Eden was a realm in the mountains of Kurdistan. • By the author of Gateway to Atlantis. Our mythology describes how beings of great beauty and intelligence, who served as messengers of gods, fell from grace through pride. These angels, also known as Watchers, are spoken of in the Bible and other religious texts as lusting after human women, who lay with them and gave birth to giant offspring called the Nephilim. These religious sources also record how these beings revealed forbidden arts and sciences to humanity--transgressions that led to their destruction in the Great Flood. Andrew Collins reveals that these angels, demons, and fallen angels were flesh-and-blood members of a race predating our own. He offers evidence that they lived in Egypt (prior to the ancient Egyptians), where they built the Sphinx and other megalithic monuments, before leaving the region for what is now eastern Turkey following the cataclysms that accompanied the last Ice Age. Here they lived in isolation before gradually establishing contact with the developing human societies of the Mesopotamian plains below. Humanity regarded these angels--described as tall, white-haired beings with viperlike faces and burning eyes--as gods and their realm the paradise wherein grew the tree of knowledge. Andrew Collins demonstrates how the legends behind the fall of the Watchers echo the faded memory of actual historical events and that the legacy they have left humanity is one we can afford to ignore only at our own peril. The Sacred & the Digital Critical Depictions of Religions in Video Games MDPI Video game studies are a relative young but flourishing academic discipline. But within game studies, however, the perspective of religion and spirituality is rather neglected, both by game scholars and religion scholars. While religion can take different shapes in digital games, ranging from material and referential to reflexive and ritual, it is not necessarily true that game developers depict their in-game religions in a positive, confirming way, but ever so often games approach the topic critically and disavowingly. The religion criticisms found in video games can be categorized as follows: religion as (1) fraud, aimed to manipulate the uneducated, as (2) blind obedience towards an invisible but ultimately non-existing deity/ies, as (3) violence against those who do not share the same set of religious rules, as (4) madness, a deranged alternative for logical reasoning, and as (5) suppression in the hands of the powerful elite to dominate and subdue the masses into submission and obedience. The critical depictions of religion in video games by their developers is the focus of this special issue. Song of War (Lion of War Series) David and the Mighty Men continue to struggle against the Philistines across the

dark forests and sun-drenched valleys of Israel, leading to an epic chariot battle on the plains of Philistia. As domestic turmoil begins to encompass the cities, David turns his attention to the capture of the impregnable fortress of Jebus to establish a new capital, and the Mighty Men must rely upon the mysterious supernatural power known as "the covering" in order to complete the task. The God Hater A Novel Simon and Schuster A cranky, atheistic philosophy professor loves to shred the faith of incoming freshmen. He is chosen by a group of scientists to create a philosophy for a computer-generated world exactly like ours. Much to his frustration every model he introduces—from Darwinism, to Existentialism, to Relativism, to Buddhism—fails. The only way to preserve the computer world is to introduce laws from outside their system through a Law Giver. Of course this goes against everything he's ever believed, and he hates it. But even that doesn't completely work because the citizens of that world become legalists and completely miss the spirit behind the Law. The only way to save them is to create a computer character like himself to personally live and explain it. He does. So now there are two of him—the one in our world and the one in the computer world. Unfortunately a rival has introduced a virus into the computer world. Things grow worse until our computer-world professor sees the only way to save his world is to personally absorb the virus and the penalty for breaking the Law. Of course, it's clear to all, including our real-world professor, that this act of selfless love has become a reenactment of the Gospel. It is the only possible choice to save their computer world and, as he finally understands, our own. The Revealing The Time Is Now Zondervan In this sequel to Nephilim and The Unholy Deception, events in the Middle East seem to be culminating in the fulfillment of ancient prophecies found in an unpublished Dead Sea Scroll that tells of a manifestation of hundreds of UFO's over the old city of Jerusalem and the revealing of the Antichrist. Book Three in the Nephilim Series.
