ERMIAS Lamsi Publishing Many young people and their families sacrifice a lot for the sake of pursuing a good education. Some leave their loved ones and dear friends behind to cross boundaries and even oceans, besides footing the bill for college education. But what if, in spite of apparent academic success, and with it improved career prospects, you still wonder where your life is headed? What if your new reality doesn't match your expectations, and instead of mere homesickness, you succumb to loneliness, instead of fulfilling your dreams, you flounder for want of direction and wholeness? ERMIAS is a story about a young African student who comes to Europe in pursuit of a good education, but along the way struggles to determine what differentiates his primary desire from all other desires, including the desire to fall in love with a married woman. **Ethiopia Perspectives for Change and Renewal New Trends in Ethiopian Studies: Social sciences Sub-Saharan Africa Report Historical Dictionary of Ethiopia** Scarecrow Press Ethiopia is one of the world's oldest countries; its Rift Valley may be the location where the ancestors of humankind originated more than four million years ago. With a population of 67 million people today, it is the third most populous country on the African continent after Nigeria and Egypt. It is the source of 86 percent of the water reaching the Aswan Dam in Egypt, most of it carried by the amazing Blue Nile. Ethiopia offers major historical sites such as the pre-Christian palace at Yeha, the stele and tombs of the old Kingdom of Axum, and the rock-carved churches of Lalibela. For anyone interested in Ethiopia, this historical dictionary, through its individual and carefully cross-referenced entries, captures the importance and intrigue of this truly significant African nation. Historical Dictionary of Ethiopia appeals to all levels of readers, providing entries for each of Ethiopia's 85 ethnic groups and covering a broad range of cultural, political, and economic topics. Readers interested in the cultural aspects or who are planning to visit Ethiopia will find a wealth of entries on art, literature, handicrafts, music, dance, bird life, geography, and historic tourist sites. Practitioners in

government and non-governmental organizations will find entries on pressing economic, social, and political issues such as HIV/AIDS, female circumcision, debt, human rights, and the environment. The important historical role of missionaries and the combination of conflict and cooperation between Christians and Muslims in the region are also issues reviewed. And, finally, many of the entries highlight relations between Ethiopia and her neighbors-Eritrea, Somalia, Somaliland, Djibouti, Kenya, and Sudan. In the bibliography, considerable emphasis has been placed on including both new and old materials covering all facets of Ethiopia, organized for easy identification by areas of major interest.

Bond Without Blood, a Study of Ethiopian-Caribbean Ties, 1935-1991 Oromay This is the first complete English translation of Bealu Girma's classic. Originally published in 1983 in Ethiopia, the novel served as a critical account of the Red Star Campaign, the Communist Derg government's attempt at a final comprehensive victory over the secessionist rebellion in Eritrea. A passionate and turbulent story of love and war, Oromay mocked high-level members of Ethiopia's communist regime and criticized the Derg's actions in Eritrea. The criticism contained in this incisive political allegory put Bealu in considerable danger owing to the repressive environment in which it was published. The novel was almost immediately banned after publication. Government officials attempted to confiscate all available copies but bootleg versions continued to circulate. In the aftermath, Bealu was fired from his job in Ethiopia's Ministry of Information and a few months later disappeared. It is generally believed that he was abducted and killed on the orders of government officials in retaliation for Oromay. Bealu's life had a dramatic arc of its own. Born in rural Ethiopia to an Ethiopian mother and Indian father, he was a graduate of Addis Ababa University and later studied journalism in the United States. In addition to serving as editor of several of Ethiopia's most respected magazines and newspapers (including Addis Zemen and The Ethiopian Herald) he also worked as a civil servant in Ethiopia's Ministry of Information. This position allowed him access to government officials during both the Imperial and Communist governments. Prior to Oromay, he wrote five other popular and critically-acclaimed Amharic-language novels: Beyond the Horizon, The Bell of Conscience, The Call of the Red Star, Haddis, and The Author. His integrity as a journalist, courageous criticism of repressive regimes, and martyrdom to the cause of literary freedom make him a significant figure in modern Ethiopian history and Amharic literature.

Africa Writes Back The African Writers Series & the Launch of African Literature This title looks at the story of African literature and its dissemination in the latter half of the 20th century.

Black Lions The Creative Lives of Modern Ethiopia's Literary Giants and Pioneers Red Sea Press(NJ) This is a fascinating portrait of Ethiopian writers of fiction of the 20th century and an in-depth analysis of the history of the development of Amharic literature and those who have shaped it. The range of writers covered varies from the aristocrats, educators and pioneers to the latest revolutionary writers. A vivid picture of the personal development and progress of these writers is given, as well as the impact these writers have had on Ethiopian society at large in changing old ideas, contributing towards the modernization of the country and revolutionizing the educational, social and political systems. All in all, this volume presents the portraits and sketches of thirty-two Ethiopian writers, including such notable literary giants as Hiruy Welde-Sillase, Girmacchew Tekle-Hawariyat, Kebede

Mikael, Haddis Alemayehu, Abbe Gubennya, Mammo Widdneh, Tsegaye Gebre-Medhin, Mengistu Lemma, Dannyachew Werqu, Birhanu Zerihun, and last but not least Be'alu Girma. **Clap When You Land** Bonnier Zaffre Ltd. The stunning New York Times bestselling novel from the 2019 Carnegie Medal winning, Waterstones Book Prize shortlisted author of THE POET X. 2020 Goodreads Choice Award Winner of CLAP WHEN YOU LAND. Camino Rios lives for the summers when her father visits her in the Dominican Republic. But this time, on the day when his plane is supposed to land, Camino arrives at the airport to see crowds of crying people... In New York City, Yahaira Rios is called to the principal's office, where her mother is waiting to tell her that her father, her hero, has died in a plane crash. Separated by distance - and Papi's secrets - the two girls are forced to face a new reality in which their father is dead and their lives are forever altered. And then, when it seems like they've lost everything of their father, they learn of each other. In a dual narrative novel in verse that brims with both grief and love, award-winning and bestselling author Elizabeth Acevedo writes about the devastation of loss, the difficulty of forgiveness, and the bittersweet bonds that shape our lives. **Silence is Not Golden A Critical Anthology of Ethiopian Literature** Red Sea Press(NJ) This anthology, which is the first of its kind ever on Ethiopian literature, aspires to provide insights into a body of literature which had been marginalized more than other post-colonial literatures. The articles collected here trace and analyze the development of Ethiopian languages and literatures from Ge'ez to the first Amharic novel, T'obbia. In an attempt to create balance, effort has also been made to incorporate representative critical works from almost all modern literary forms. This collection intends to provide readers with a general insight and an increased awareness of the richness of Ethiopian literature. The volume brings together a number of scholars and practitioners of the world whose interest in the subject matter is rivaled only by an equally compelling interest in reading and situating Ethiopian literature in the wider context of world literature. In this sense, other scholars and interested readers will have at their disposal the means/tools to engage in inter- and intra-literary studies. Since this volume has a pre-cursorial contour, and since it is the first, it is hoped that it will engender discussion and pique the interest of the reading public. **In Order To Live A North Korean Girl's Journey to Freedom** Penguin UK 'I am most grateful for two things: that I was born in North Korea, and that I escaped from North Korea.' Yeonmi Park was not dreaming of freedom when she escaped from North Korea. She didn't even know what it meant to be free. All she knew was that she was running for her life, that if she and her family stayed behind they would die - from starvation, or disease, or even execution. This book is the story of Park's struggle to survive in the darkest, most repressive country on earth; her harrowing escape through China's underworld of smugglers and human traffickers; and then her escape from China across the Gobi desert to Mongolia, with only the stars to guide her way, and from there to South Korea and at last to freedom; and finally her emergence as a leading human rights activist - all before her 21st birthday. 'Clear-eyed and devastating' Observer **The Thirteenth Sun A Novel** Red Sea Press(NJ) A young radical is unwillingly taking his dying nobleman father on a pilgrimage to an Ethiopian shrine by a mountain lake. The journey becomes not only a search for a cure, but also a last attempt to bridge the generation gap in the family. Their relationship is set against the background

of the conflict between the ancient Christianity of Ethiopia and the superstition of the people. Deeply symbolic, this novel evokes the rich contrasts of life in present day Ethiopia. **The Cambridge History of African and Caribbean Literature Words from a Man of No Words** Osho Media International The book offers a radically different approach to life and to seeing the world. Short excerpts from Osho are selected to inspire, to provoke, and to trigger a self-reflection that leads to change. It is easy to read but perhaps difficult to digest . . . in essence, it is a meditation book! "The truth that you will find — you will be surprised — is nowhere written, cannot be written. It is impossible to write it. It has never been uttered by anybody and it is not going to be uttered by anybody." You are looking at a bit of magic here. It is as though the vast ocean is contained in a very small volume. Open this book anywhere and you come upon such a depth of wisdom, such utter truth, that even just a sentence can be the start of a new way of looking at life, a new way of living life to the fullest. This is a lovely gift to yourself or to share with a friend. "I teach you to be authentic, integrated individuals with immense self-respect." — Osho **I Am Not Your Perfect Mexican Daughter** Ember When the sister who delighted their parents by her faithful embrace of Mexican culture dies in a tragic accident, Julia, who longs to go to college and move into a home of her own, discovers from mutual friends that her sister may not have been as perfect as believed. **Ethiopian Amharic Phrasebook 2nd Edition** This book contains essential words and phrases for effective communication with local people. White which appeared in the book A Solemn Appeal Relative to the Solitary Vice and Abuses and Excesses of the Marriage Relation, published in 1870 by the Steam Press of Battle Creek. Articles include Appeal to Mothers, The Marriage Relation, Obedience to the Law of God, Female Modesty, and Sentimentalism. About the Author Ellen Gould (Harmon) White, co-founder of the Seventh-day Adventist Church, writer, lecturer, and counselor, and one upon whom Seventh-day Adventists believe the gift of prophecy was bestowed, was born in Gorham, Maine, November 26, 1827, one of eight children of Robert and Eunice Harmon. During her seventy years of active service to the church, she found time to write voluminously. She is credited with having written 100,000 manuscript pages. This remarkable legacy to the church could alone have occupied Ellen White's entire life, had she dedicated her time to little else but writing. However, her service for the church embraces much more than writing. Her diaries tell of her public work, her travels, her personal labor, hostessing, contacts with neighbors, as well as of her being a mother and housewife. God blessed her abundantly in these activities. Her ambitions and concerns, her satisfactions and joys, her sorrows--her whole life--were for the advancement of the cause she loved. Ellen G White is reputed to be the most translated woman author and the most translated author in American history. After a full life dedicated to the service of God and others, she died on July 16, 1915, confidently trusting in Him whom she believed. **Ethiopian Literature in Amharic Jesus In Ethiopia** Xulon Press JESUS: IN ETHIOPIA...A mysterious island...guardian monks...exotic locations...the Ark of the Covenant...and one of the most revealing stories ever discovered about the early years of Jesus Christ, all come together in this intriguing true adventure. Analysis and Application of Analog Electronic Circuits to Biomedical Instrumentation CRC Press This book introduces the basic mathematical tools used to describe noise and its propagation through linear systems and provides a basic description of the improvement of signal-to-noise ratio by signal averaging and linear filtering. The text also demonstrates how op amps are the keystone of modern analog signal conditioning systems design.

Structural Engineering The Nature of Theory and Design Ellis Horwood Limited Challenging the conventional view that engineering design has its roots in "theory" and consists in the application of theory in "practice", this book aims to increase awareness of the philosophy of engineering amongst practising engineers, students and academics.

The Greatest Story Ever Told-- So Far Why Are We Here? Simon and Schuster Internationally renowned, award-winning theoretical physicist, New York Times bestselling author of A Universe from Nothing, and passionate advocate for reason, Lawrence Krauss tells the dramatic story of the discovery of the hidden world of reality—a grand poetic vision of nature—and how we find our place within it. In the beginning there was light. But more than this, there was gravity. After that, all hell broke loose... In A Universe from Nothing, Krauss revealed how our entire universe could arise from nothing. Now, he reveals what that something—reality—is. And, reality is not what we think or sense—it's weird, wild, and counterintuitive; it's hidden beneath everyday experience; and its inner workings seem even stranger than the idea that something can come from nothing. In a landmark, unprecedented work of scientific history, Krauss leads us to the furthest reaches of space and time, to scales so small they are invisible to microscopes, to the birth and rebirth of light, and into the natural forces that govern our existence. His unique blend of rigorous research and engaging storytelling invites us into the lives and minds of the remarkable, creative scientists who have helped to unravel the unexpected fabric of reality—with reason rather than superstition and dogma. Krauss has himself been an active participant in this effort, and he knows many of them well. The Greatest Story challenges us to re-envision ourselves and our place within the universe, as it appears that "God" does play dice with the universe. In the incisive style of his scintillating essays for The New Yorker, Krauss celebrates the greatest intellectual adventure ever undertaken—to understand why we are here in a universe where fact is stranger than fiction.

Asma Giyorgis and His Work History of the Gällā and the Kingdom of Šawā Sound Unseen Acousmatic Sound in Theory and Practice Oxford University Press, USA Sound coming from outside the field of vision, from somewhere beyond, holds a privileged place in the Western imagination. When separated from their source, sounds seem to manifest transcendent realms, divine powers, or supernatural forces. According to legend, the philosopher Pythagoras lectured to his disciples from behind a veil, and two thousand years later, in the age of absolute

music, listeners were similarly fascinated with disembodied sounds, employing various techniques to isolate sounds from their sources. With recording and radio came spatial and temporal separation of sounds from sources, and new ways of composing music. Sound Unseen: Acousmatic Sound in Theory and Practice explores the phenomenon of acousmatic sound. An unusual and neglected word, "acousmatic" was first introduced into modern parlance in the mid-1960s by avant garde composer of musique concrète Pierre Schaeffer to describe the experience of hearing a sound without seeing its cause. Working through, and often against, Schaeffer's ideas, Brian Kane presents a powerful argument for the central yet overlooked role of acousmatic sound in music aesthetics, sound studies, literature, philosophy and the history of the senses. Kane investigates acousmatic sound from a number of methodological perspectives -- historical, cultural, philosophical and musical -- and provides a framework that makes sense of the many surprising and paradoxical ways that unseen sound has been understood. Finely detailed and thoroughly researched, Sound Unseen pursues unseen sounds through a stunning array of cases -- from Bayreuth to Kafka's "Burrow," Apollinaire to Zizek, music and metaphysics to architecture and automata, and from Pythagoras to the present-to offer the definitive account of acousmatic sound in theory and practice. The first major study in English of Pierre Schaeffer's theory of "acousmatics," Sound Unseen is an essential text for scholars of philosophy of music, electronic music, sound studies, and the history of the senses. **How to Super Tune and Modify Holley Carburetors** CarTech Inc In How to Super Tune and Modify Holley Carburetors, best selling author Vizard explains the science, the function, and most importantly, the tuning expertise required to get your Holley carburetor to perform its best for your performance application. **Korean A Comprehensive Grammar** Routledge Korean: A Comprehensive Grammar is a reference to Korean grammar, and presents a thorough overview of the language, concentrating on the real patterns of use in modern Korean. Updated and revised, this new edition includes lively descriptions of Korean grammar, taking into account the latest research in Korean linguistics. More lower-frequency grammar patterns have been added, and extra examples have been included throughout the text. The unrivalled depth and range of this updated edition of Korean: A Comprehensive Grammar makes it an essential reference source on the Korean language. **Amharic-English dictionary** Otto Harrassowitz Verlag **Orphan's Song Heartbreak and Hope in Ethiopia** Pegasus Bridge Simon and Schuster In the early morning hours of June 6, 1944, a small detachment of British airborne troops stormed the German defense forces and paved the way for the Allied invasion of Europe. Pegasus Bridge was the first engagement of D-Day, the turning point of World War II. This gripping account of it by acclaimed author Stephen Ambrose brings to life a daring mission so crucial that, had it been unsuccessful, the entire Normandy invasion might have failed. Ambrose traces each step of the preparations over many months to the minute-by-minute excitement of the hand-to-hand confrontations on the bridge. This is a story of heroism and cowardice, kindness and brutality -- the stuff of all great adventures. **The Life and Struggles of Our Mother Walatta Petros A Seventeenth-Century African**

Biography of an Ethiopian Woman Princeton University Press This is the hardcover scholarly edition of the award-winning English translation of the earliest-known book-length biography of an African woman, and one of the few lives of an African woman written by Africans before the nineteenth century. As such, it provides an exceedingly rare and valuable picture of the experiences and thoughts of Africans, especially women, before the modern era. It is also an extraordinary account of a remarkable life—full of vivid dialogue, heartbreak, and triumph. The Life and Struggles of Our Mother Walatta Petros (1672) tells the story of an Ethiopian saint who led a successful nonviolent movement to preserve African Christian beliefs in the face of European protocolonialism. When the Jesuits tried to convert the Ethiopians from their ancient form of Christianity, Walatta Petros (1592-1642), a noblewoman and the wife of one of the emperor's counselors, risked her life by leaving her husband, who supported the conversion effort, and leading the struggle against the Jesuits. After her death, her disciples wrote this book, praising her as a friend of women, a devoted reader, a skilled preacher, and a radical leader. One of the earliest stories of African resistance to European influence, this biography also provides a picture of domestic life, including Walatta Petros's life-long relationship with a female companion. Richly illustrated with dozens of color illustrations from early manuscripts, this groundbreaking volume provides an authoritative and highly readable translation along with an extensive introduction. Other features include a chronology of Walatta Petros's life, maps, a comprehensive glossary, and detailed notes on textual variants.

Chronicle of King Gälawdewos (1540-1559) Peeters The Chronicle of King Galawdewos (r. 1540-1559), reporting the nineteen years of the king's reign, is one of the most useful and significant historical sources for the history of Christian-Muslim relation in the sixteenth century of Ethiopia and the Horn. It represents a peculiar text in Gə'əz historiography both because of its narrative structure and the underlying sources used by the chronicler. Numerous Arabisms appear in the text, which eventually suggest that the Chronicle was written by a person with an outstanding knowledge of Arabic, in 1561. The book presents a new critical edition based on all available manuscripts and provides some detailed introductory notes and an English translation. The new edition yields philological findings concerning the Chronicle of King Galawdewos in particular and new inputs that call for re-editing the Ethiopian royal chronicles in general. It also adds valuable by now not recorded items for Gə'əz lexicography and corrects historical distortions resulted from the previous edition. Above all, the work provides a text-critically established edition of the Chronicle of King Galawdewos accompanied by an up-to-date concisely annotated translation, which offer new insights into the late medieval history and historiography of Ethiopia and the Horn of Africa.
