## Red Are the Apples

*Houghton Mifflin Harcourt Leads the reader through a bountiful vegetable garden in autumn while drawing particular attention to the variety of colors found within it.*

## Apples Should Be Red

*CreateSpace Recipe for Thanksgiving Dinner: Start with 62-year old politically incorrect, chain-smoking, hard-cussing curmudgeon. Add 59-year old sexually-repressed know-it-all in pearls. Throw in a beer can-turkey, a battle for horticultural supremacy, and nudist next-door neighbor. Serve on paper plates, garnished with garden gnome. Tastes like happily ever after. Penny Watson presents an over-fifty romantic comedy novella. 21,000 words. Story includes copious profanity and botanical references.*

## Ten Red Apples

*Arrow/Children's (a Division of Random House Group) There are ten red apples hanging on the tree. Yippee, fiddle-dee-fee! But one by one, along come the farm animals and soon there is just one apple left. .. The internationally acclaimed illustrator, Pat Hutchins, brings her celebrated style to this lively counting book.*

## The Red Apple

*Wingedchariot Press A tale of a mouse, rabbit, bear and fox who all want to eat the last red apple of the winter.*

## Ten Red Apples

*Bartholomew loves the old apple tree in his garden, and he loves to count how many apples grow on it. A brightly coloured margin to the side shows the number clearly in digits, words and a neat row of red apples, until the end, when George has baked all the apples into a pie and none are left!*

## One Red Apple

*Presents the story of a red apple from when it is picked from a tree to the time when its seed grows into a new tree and produces new red apples, ready to be picked.*

## Apples, Red Or Yellow

## Red Apple, Green Pear

## A Book of Colors

*Childrens Press Colorful photos of yummy fruits make it easy for your toddler to learn about colors.*

## Candy Apple Red

*Kensington Books A bartender-turned-process server chases after a missing suspect in this "fun, frantic, sexy murder mystery" (Lisa Jackson, #1 New York Times-bestselling author of You Betrayed Me). Jane Kelly is through following men. She left Southern California for the murky quaintness of Lake Chinook, Oregon, apparently so she could trade her bartending skills for much more glamorous work process serving. And the boyfriend, of course, is long gone. But things have been looking a little brighter lately. Her hobby doing PI work is kind of fun, especially when she lands a real case—that pays real money. But the case is about Bobby Reynolds, best friend of Tim Murphy, the only guy she's never gotten over. Everyone except Tim believed Bobby murdered his young family—isn't that why he vanished? Now Tim's coming home and Jane's on her way to talk to Bobby's father. Looks like Jane'll be trailing men after all—this time with a tape recorder and a camera. To top it off, she's being trailed herself, by a homely pug named Binky, left to her by a distant relative. With a job she's learning as she goes along and her ex back in town, Jane's life just went from stress-free to completely stressed-out. And then there's the dead body... "Jane will win readers' hearts as she tries to sort out a crime, her love life, and the aspirations of a pug named Binky."—Carolyn Hart, New York Times-bestselling author of Walking on My Grave "Funny sex scenes, good drinks and a likable dog lift Bush's first Jane Kelly mystery."—Publishers Weekly*

## In the Land of the Big Red Apple

*Harper Collins Eight going on nine, Rose Wilder is beginning to settle into her new life in Missouri, the Land of the Big Red Apple. Her father is building their farmhouse and she dreams of the day they'll have their own bright crop to harvest. But before that can happen, she has a fierce ice storm to contend with and her first real Christmas in the Ozarks to enjoy.*

## Stop at the Red Apple

### The Restaurant on Route 17

*SUNY Press* An entertaining inside story of how Reuben Freed's roadside eatery became the famous Red Apple Rest. The Red Apple Rest was a legendary restaurant open from the 1930s through the 1980s on New York's Route 17. Located midway between New York City and the resorts of the Catskill Mountains, the restaurant served as a who's who of entertainment luminaries. Elaine Freed Lindenblatt was born into restaurant royalty as the youngest child of the establishment's founder, Reuben Freed. For her, the Red Apple was the "family room" across the road—one she shared with over a million customers every year. In this book fifty-plus years unfold in a series of lively vignettes—enhanced with photos, memorabilia, and even a closely guarded recipe—as she recreates what it was like to be raised in the fishbowl of a round-the-clock family operation. *Stop at the Red Apple* is at once an account of growing up in 1950s small-town America, a glimpse into the workings of a successful food operation, and a swan song to a glorious slice of bygone popular culture. "Reading *Stop at the Red Apple* is like going down memory lane—I was instantly transported to happy memories of driving up to camp. Bravo, Elaine, and bravo to her family for the Red Apple." — Joan Nathan "Stop at the Red Apple is a true story of an important Catskill vacation tradition—from its embryonic stage until its 'terminal demise' as told by the founder's daughter. If you have been fortunate enough to enjoy the delicious food and warm hospitality, you will have many special memories rekindled. Should you not have had the chance to do so, the planning, hard work, and personal sacrifices the family made to create and maintain this 'landmark hospitality restaurant' will fascinate you. I truly enjoyed my 'stop' at the Red Apple, I know you will too." — Elaine Grossinger Etes, Executive Vice President and Co-owner of Grossinger's "The life of Red Apple Rest founder Reuben Freed is the quintessential immigrant success story. His restaurant is an icon of the golden age of American motor travel and the heyday of the Catskill resorts and borscht belt entertainers. Lindenblatt's book is entertaining, atmospheric, and poignant. To readers who didn't personally experience the Red Apple Rest, they will dearly wish that they had." — Deborah Harmon, Executive Director, Tuxedo Historical Society "In 1991, I had a hit Broadway show called *Catskills* on Broadway. At the opening of the show, we produced a seven-minute film about the Catskills, and the audiences would react to everything they saw on the screen ... but by far the biggest reaction came when, as part of the film, I drove up to the Red Apple Rest and took photographs of all the roadside signs ... 4 miles to Red Apple Rest, 2 miles to Red Apple Rest, and the Red Apple Rest. The audience was incredible when they saw those signs... it brought them back to their youth." — Freddie Roman, actor and producer

### Little Mouse and the Big Red Apple

Mouse does not want to share his big, juicy apple but he is too small to move it on his own. Can he get his friends to help and still eat it all himself? *Little Mouse and the Big Red Apple* is from Level 3 of *Ready Steady Read!* a fantastic graded reading scheme with four reading levels from Little Tiger Press. *Ready Steady Read!* makes learning to read fun. *Golden Books* The original classic touch and feel book that has been entertaining babies for over 60 years.

### Red is for Apples

An introduction to colors for the very young child.

### Red Apple

## Communism and McCarthyism in Cold War New York

*Fordham Univ Press* From the late 1940s through the 1950s, McCarthyism disfigured the American political landscape. Under the altar of anticommunism, domestic Cold War crusaders undermined civil liberties, curtailed equality before the law, and tarnished the ideals of American democracy. In order to preserve freedom, they jettisoned some of its tenets. Congressional committees worked in tandem, although not necessarily in collusion, with the FBI, law firms, university administrations, publishing houses, television networks, movie studios, and a legion of government agencies at the federal, state, and local levels to target "subversive" individuals. Exploring the human consequences of the widespread paranoia that gripped a nation, *Red Apple* presents the international and domestic context for the experiences of these individuals: the House Un-American Activities Committee, hearings of the Joint Anti-Fascist Refugee Committee, resulting in the incarceration of its chairman, Dr. Edward Barsky, and its executive board; the academic freedom cases of two New York University professors, Lyman Bradley and Edwin Burgum, culminating in their dismissal from the university; the blacklisting of the communist writer Howard Fast and his defection from American communism; the visit of an anguished Dimitri Shostakovich to New York in the spring of 1949; and the attempts by O. John Rogge, the Committee's lawyer, to find a "third way" in the quest for peace, which led detractors to question

which side he was on. Examining real-life experiences at the “ground level,” Deery explores how these six individuals experienced, responded to, and suffered from one of the most savage assaults on civil liberties in American history. Their collective stories illuminate the personal costs of holding dissident political beliefs in the face of intolerance and moral panic that is as relevant today as it was seventy years ago.

## A Study of the Factors Influencing the Red Color on Apples

### Red Panda's Candy Apples

*Candlewick Press While selling candy apples, Red Panda worries that he will not have enough for all his friends and himself.*

### Bartholomew Bear

### Five Toddler Tales

*Even when Bartholomew the bear is having a very bad day, patient George lets him know that he is still loved.*

### A Taste of Heaven

*CreateSpace "Create one perfect bite." Good little widow Sophia Brown always follows the rules. When the producer of a cooking competition requests an amuse-bouche, the chefs stick with proteins. Sauces. A savory concoction. She has only one shot to impress the judges on A Taste of Heaven. But in a moment of defiance, she creates an extraordinary dessert, one that combines both the bitter and the sweet, just like her own life. That one bite changes everything. After a year grieving for her dead husband, forty-seven-year-old Sophia is finally ready to break out of her shell. Unfortunately, there is a large, angry obstacle standing in her way. Scottish chef Elliott Adamson has a chip on his shoulder the size of Loch Ness, and he's blocking her path to victory. Spurred by her daughters, she embarks on a poignant adventure that takes her from the wildflower fields of Vermont to the wind-swept vista of North Berwick, Scotland. Fear, courage, and inspiration from unlikely places will mark this journey, and Sophia is determined to persevere until the very end. A TASTE OF HEAVEN is a 57,000 word short novel that includes a foodie romance, second chances, and a wee bit of haggis.*

### Big Red Bath

*Hachette UK Ben and Bella are having such a lovely, splashy time in the big red bath that soon everyone wants to join in the fun! But will there be room for all the animals . . . even Hippopotamus? A riotous story, brought to life by young, bright, friendly illustrations from a bestselling, award-winning artist.*

### Pepo and Lolo and the Red Apple

*Candlewick Press Pepo the pink pig and Lolo the yellow chick work together to obtain an apple from a branch too high for either of them to reach.*

### Odd Apples

*Hatje Cantz From perfect pink ladies to rough-skinned russets: a gorgeous study of the wondrous variety of apples William Mullan's obsession with apples began when he saw his first Egremont Russet at a Waitrose grocery store outside of London. Fascinated by its gnarled, potato-like appearance and shockingly fresh, nutty flavor, Mullan began searching for, and photographing, rare apple varieties. In Odd Apples, each apple is lovingly rendered and styled according to its individual "personality"--a combination of its looks and its flavors. The apples are set against complementary brightly colored backdrops; they are peeled or unpeeled, cut or whole, skin shriveled or perfectly smooth and shiny. It is precisely this odd charm combined with the hitherto unknown that makes these photographs fascinating studies of a supposedly commonplace fruit. Mullan embraces its idiosyncratic aesthetic qualities completely, and invites us, in this attractive gift book, to embark on a visual expedition into the world of the apple. By day, William Mullan (born 1989) works at an artisanal chocolate factory in Brooklyn, and by night, he photographs fruit. British-born, New York-based Mullan came to photography as an autodidact and his talent was quickly recognized. His Odd Appleproject developed into an influential and much talked-about series, reviewed by the New Yorker, the New York Timesand i-D Magazine, and released as a sold-out run of prints on his website.*

### The Red Apple

*Citlembik Publications A tale set in the decades leading up to the Ottoman conquest of Constantinople in 1453 follows the experiences of Manuel, a young boy who is stolen from his Greek village and indoctrinated into the elite Janissaries military corps before the violence he witnesses prompts his desertion and love for a beautiful peasant girl. Original.*

## Our New \$6, 000.00 Blood Red Stark Delicious [apple] : [catalog]

## Bright Red Apples of the Dead

## A Study of the Factors Influencing Red Color on Apples

## Handling Apples From Tree to Table (Classic Reprint)

*Forgotten Books Excerpt from Handling Apples From Tree to Table The blush, or red color, of an apple is not a reliable index of maturity. The ground color (underlying green or yellow), however, can be used as an index. The quality of a red apple can be judged ordinarily by the proportion of red to green; the 'more red, the better the eating quality. As most varieties of apples become mature the ground color changes from a green very much like that of the leaves to a lighter shade and eventually to yellowish. The time to pick most varieties is when the first signs of yellowing appear This is not always true with some varieties - Grimes Golden, Jonathan, and Yellow Newtown, for example - when grown under certain conditions. The red spots of some varieties usually become fully red before they are mature, with no underlying ground color left for observation. As a result, they have frequently been picked too soon and have suffered in popular esteem because they were judged to have poorer quality than the parent variety. Although ground color cannot be used as an index of maturity for red bud sports, the ground color of the parent varieties growing in the same vicinity can be so used, as their seasons of maturity are ordinarily about the same. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
