Great Journal for Notes & to write down your Thoughts **Animalkind Remarkable Discoveries about Animals and Revolutionary New Ways to Show Them Compassion Simon & Schuster** The founder and president of PETA, Ingrid Newkirk, and bestselling author Gene Stone explore the wonders of animal life with "admiration and empathy" (The New York Times Book Review) and offer tools for living more kindly toward them. In the last few decades, a wealth of new information has emerged about who animals are: astounding beings with intelligence, emotions, intricate communications networks, and myriad abilities. In *Animalkind*, Ingrid Newkirk and Gene Stone present these findings in a concise and awe-inspiring way, detailing a range of surprising discoveries, like that geese fall in love and stay with a partner for life, that fish "sing" underwater, and that elephants use their trunks to send subsonic signals, alerting other herds to danger miles away. Newkirk and Stone pair their tour through the astounding lives of animals with a guide to the exciting new tools that allow humans to avoid using or abusing animals as we once did. Whether it's medicine, product testing, entertainment, clothing, or food, there are now better options to all the uses animals once served in human life. We can substitute warmer, lighter faux fleece for wool, choose vegan versions of everything from shrimp to marshmallows, reap the benefits of animal-free medical research, and scrap captive orca exhibits and elephant rides for virtual reality and animatronics. *Animalkind* provides a fascinating look at why our fellow living beings deserve our respect, and lays out the steps everyone can take to put this new understanding into action. **Bunny Love Women I Love I Heart I Pets | Animal | Bunny | Rabbit** This Rabbit Pet Lover & Bunny Journal Notebook is the perfect Gift for any Women who loves her Rabbit & Bunny & to take Notes and Thought into this cute Journal **Bunny Mom Women I Love I Heart I Pets | Animal | Bunny | Rabbit** This Rabbit Pet Lover & Bunny Journal Notebook is the perfect Gift for any Women who loves her Rabbit & Bunny & to take Notes and Thought into this cute Journal **Rabbit** Rabbit is one of an exciting new series of pet care books designed to help young animal owners learn about and care for their pets. Just a few years ago, most pet rabbits were kept outdoors in hutches. That time is past. Today, pet rabbits are considered to be members of the family. They are spayed/neutered pets kept indoors and pampered with special toys and treats. In *A House Rabbit Primer*, author Lucile C. Moore, Ph.D., provides pet rabbit owners with valuable information about the total care of their pet. Part one tells owners just what to expect from their new member of the family and gives detailed information on how to house, feed, and train a rabbit. Part two contains a comprehensive medical section. In addition to detailed information on many rabbit diseases, there are tips on creating a first-aid kit for rabbits as well as providing emergency care. With more and more pet owners choosing to keep their rabbits indoors full time, this informative guide lays out practical information for making rabbits a healthy part of any family. **Stories Rabbits Tell Lantern Books** Revered as a symbol of fertility, sexuality, purity and childhood, beloved as a children's pet and widely represented in the myths, art and collectibles of almost every culture, the rabbit is one of the most popular animals known to humans. Ironically, it has also been one of the most misunderstood and abused. Indeed, the rabbit is the only animal that our culture adores as a pet, idolizes as a storybook hero and slaughters for commercial purposes. *Stories Rabbits Tell* takes a comprehensive look at the rabbit as a wild animal, ancient symbol, pop culture icon, commercial "product" and domestic. **Fun Rabbit Facts Fun Animal Facts for Kids (Bunny FACTS BOOK WITH ADORABLE PHOTOS) PET LOVERS!** What Surprising Things Can Your RABBIT Do? If you love Rabbit or Bunny, you won't want to miss this fun rabbit facts book! This is the perfect educational children's book with colorful pictures and simple everyday words for children to help them develop early language skills and vocabulary. This book is also a great choice for all the animal lovers who wish to learn more about rabbits. You'll love this fun and beautiful rabbit book! **Rabbits For Kids - Amazing Animal Books For Young Readers JD-Biz Corp Publishing** Rabbits For Kids Amazing Animal Books For Young Readers Table of Contents Introduction What are rabbits? What do rabbits eat? Rabbits and their appearance How do rabbits act? Rabbits as pets European Rabbits Cottontail Rabbits Volcano Rabbits Pygmy Rabbits Amami

Rabbits Australian Rabbits Pikas Hares Conclusion Author Bio Introduction Rabbits are adorable animals that many people keep as pets. They exist both in the wild and as pets in great numbers; in fact, rabbits are known for having babies, and lots of them. The reason there are so many rabbits is because they have so many babies, and with short gaps in between. The rabbit has been shown as a trickster in many tales throughout the world; it's also considered a symbol of life and fertility, particularly in the Christian tradition. Easter is a time of year that decorations of rabbits are put up, and the rabbit is celebrated. Along with foxes, they are one of the most popular animals for folk tales. Rabbits have long been prey animals, meaning that they are hunted by bigger predators, such as wolves or foxes. They make up for their fragile build and health by pure numbers; a lot of rabbits may not make it, but because there are so many, it doesn't make a difference. Most rabbits are not endangered. If you want cute and cuddly, rabbits are almost the cutest pet around. They also love being petted, like a lot of domestic (tamed) animals. Rabbits make great pets. **Flemish Giant Rabbits, A Pet Owner's Guide to Flemish Giant Bunnies How to Care for Your Flemish Giant, Including Health, Breeding, Personality, Lifespan, Colors, Diet, Facts and Clubs Ekl Publications** "...covers all aspects of caring for your pet, including what to consider before buying, daily care, personality, health, temperament, diet, breeders, colors and facts, the equipment you need, along with your responsibilities as owner."--Back cover. **Why Does My Rabbit... ? Souvenir PressLtd** Rabbits are now the third most popular animal pet in the United Kingdom, following cats and dogs, but few owners understand their behavioural needs. Many pet rabbits develop problems which could be avoided if their living conditions were adapted to allow them to follow their natural instincts, and in this important book Anne McBride explains how this can be done and why it should. She describes the influences on behaviour, the history of the domesticated rabbit, how rabbits live and breed and the instincts, inherited from the wild rabbit, which make a rabbit do what it does. She also deals with a whole range of rabbit problems, arranged alphabetically, which owners have asked her to solve. The book covers both hutch and house rabbits and the specific problems of each, revealing an animal which is highly intelligent, learns quickly and has a very complex social life. A happy rabbit can be an affectionate and delightful companion. **Rabbits For Dummies John Wiley & Sons** Your hands-on guide to being a responsible rabbit owner Want to raise a happy, healthy bunny? This book will be your go to book for everything rabbit related. Learn the essentials! Make your rabbit friend proud! **Borrowing Bunnies A Surprising True Tale of Fostering Rabbits Farrar, Straus and Giroux (BYR)** Newbery Honor author Cynthia Lord likes fostering rabbits—or, as she fondly calls it, “borrowing bunnies.” This is the heartwarming true story of the author’s own journey with two very special rabbits. In the spring of 2016, Peggotty and Benjamin were saved by Maine’s Cottontail Cottage Rabbit Rescue after their previous owners had neglected them. But before the two Netherland Dwarf rabbits could be adopted, Cynthia had to help them learn to trust people and feel safe inside a home. The bunnies slowly settled in, enjoying their clean pens, nibbling new foods, and playing with fun toys, while Cindy’s husband, John Bald, photographed Benjamin and Peggotty’s every step toward adoption. At that time, hundreds of viewers were drawn to Cindy’s Facebook page to watch their progress. Now, she has adapted the rabbits’ true story into a picture book that explores love, responsibility, empathy, and letting go—along with fostering’s many surprises, both big and small. Young readers will delight in watching these bunnies thrive while also learning a few fun animal facts. With Cindy’s pitch-perfect blend of warmth and real-life experience, *Borrowing Bunnies* is a new classic in narrative nonfiction.
