Analyses indicate that while economic and to a limited extent political competition between Chinese immigrants and white Americans affected the passage of the opium laws, economic and political competition had little effect on the Marihuana Tax Act or the Anti-Drug Abuse Act. While anti-minority sentiment during the opium legislation was clear and recognizable, it was almost non-existent during the marijuana legislation, and present in only nuances in the 1980COs. Thus, while racism was overtly embedded in three of the four opium laws it was more subtly embedded in the Anti-Drug Abuse Act."** **Education in National Politics** [New York : D. McKay Company](#) **United States Code Service, Lawyers Edition All Federal Laws of a General and Permanent Nature Arranged in Accordance with the Section Numbering of the United States Code and the Supplements Thereto CIS Index to Publications of the United States Congress United States Congressional serial set Citizens Look at Congress: Minnesota, Mississippi, Missouri, Montana, Nebraska, Nevada, New Hampshire, New Jersey, New Mexico, New York Serial set (no.13100-) CQ Weekly Report Congressional Serial Set Congressional Resolutions on Presidential Impeachment A Historical Overview** [This report summarizes instances in which Congress has considered proposals to impeach or to investigate the possibility of impeaching a President of the United States.](#) **Legislative History of the Toxic Substances Control Act Together with a Section-by-section Index Congress: the Sapless Branch Limiting Presidential and Congressional Terms, 1979, 96th Congress, 1st Session How the Irish Became Americans CRS Studies in the Public Domain A Centennial History of the American Administrative State Presidential Government in the United States The Unwritten Constitution** [Dangers of the increase in executive power within the U.S. government, and a proposal for a constitutional change providing for a responsible cabinet government.](#) **United States Code Congressional and Administrative News Our Own Time A History of American Labor and the Working Day** [Praeger Beginning with a picture of working hours in colonial America and the early republic, Roediger and Foner then analyze the movement for a ten-hour workday in the early nineteenth century. They demonstrate that the ten-hour issue was a key to the dynamism of the Jacksonian labor movement as well as to the unity of male artisans and female factory workers in the 1840s. The authors proceed to examine the subsequent demands for an eight-hour day, which helped to produce the mass labor struggles of the late nineteenth century and established the American Federation of Labor as the dominant force in American trade unionism. Chapters on labor movement defeats following World War I, on the depression years, and on the lack of progress over the last half-century.](#) **Correspondence Instruction Catalogue, 1926-1927 The Publishers**
