## My Life with Noel Coward

**Hal Leonard Corporation Other men made fabulous careers out of the opportunities Noel Coward declined. But Coward's inner compass charted him on his own course to greatness. And when he couldn't find the destination on his maps, he invented Samolo, his own South Sea island complete with its own indigenous rituals and customs. And of course, we revisit Coward's worlds constantly in revivals of his classic plays, Hay Fever, Private Lives, Tonight at 8:30, Design for Living and Blithe Spirit. This is the definitive memoir of the private Noel Coward by the only man with the compassionate insight and first-hand experience to write it. Graham Payn, star of many of Coward's shows, shared the Master's professional and private life for thirty years. When Coward kept the rest of the world at bay, Payn remained at his side as confidant and friend. No one else was as privy to Coward's doubts and dreams.**

## Design for Living

**A&C Black** 'The actual facts are so simple. I love you. You love me. You love Otto. I love Otto. Otto loves you. Otto loves me. There now! Start to unravel from there.' **Design for Living** is a wickedly witty dark romantic comedy by Noel Coward. Initially banned in the UK, this provocative play portrays three amoral, glib and stylish characters and their hopelessly inescapable, if also unconventional, emotional entanglement. From 1930s bohemian Paris to the dizzying heights of Manhattan society, a tempestuous love triangle unravels between a vivacious interior designer, Gilda, playwright Leo and artist Otto - three people unashamedly and passionately in love with each other. They are trapped in what Coward called 'a three-sided erotic hodge podge.' With Coward's trademark piquant style, this lively, funny but also atypical play looks at dazzling, egotistical creatures and their self-destructive dependence on each other. Exploring themes of bisexuality, celebrity, success and self-obsession, **Design for Living** is a stylish and scandalous comedy.

## Noel Coward In His Own Words

**Bloomsbury Publishing** 'In my time I have said some noteworthy and exceptionally memorable things' Noël Coward. A delightful and revealing collection of quotations from the master wordsmith, Noël Coward. In his plays, verse, song lyrics, stories and everyday life, he chose his words to uniquely stylish and truthful effect. This insightful portrait includes not only his best-loved witticisms, bons mots and lyrics but also excerpts from his private papers and hidden gems from unpublished material. Barry Day delves into the whole range of Coward's talents, as well as his thoughts on theatre, England, the Arts, religion, life and the man himself. **In His Own Words** displays the usual frivolity, and a surprising capacity for depth and compassion.

### Noël Coward on (and in) Theatre

Knopf Noël Coward on theatre was as dazzling and entertaining as his masterful plays and lyrics. Here his ideas and opinions on the subject are brilliantly brought together in an extraordinary collection of commentary, lyrics, essays, and asides on everything having to do with the theatre and Coward's dazzling life in it. The book Noël Coward wanted, promised, threatened to write—and never did. Including essays, interviews, diary entries, verse, his views on his fellow playwrights: "My Colleague Will," Shaw, Wilde, Chekhov, Barrie, Maugham, Eliot, Osborne, Albee, Beckett, Miller, Williams, Rattigan, Pinter, and Shaffer. Coward on the critics—many of whom irritated him over the years but came to admire him: James Agate, Alexander Woolcott, Graham Greene, Kenneth Tynan among them. And on the plays he wrote, among them: *The Vortex*; *Hay Fever*; *Private Lives*; *Design For Living*; *Blithe Spirit*. Here is the Master on the producers who crossed his path: André Charlot, C. B. Cochran, Binkie Beaumont. And the actors in the Coward galaxy: John Gielgud, Laurence Olivier, Gertrude Lawrence, the Lunts, etc. . . . His views on the art of acting: auditions, rehearsals, learning the lines, clarity of delivery, timing, control, range, stage fright, fans, theater audiences, revivals, comedy, "the Method," plays with a "message," taste, construction, "Star Quality," etc. . . . And last, but Noël Coward least, his experience in, and thoughts on: revue, cabaret, television, and musical theater, *Bitter Sweet*, *Conversation Piece*, *Pacific 1860*, *After the Ball*, *Ace of Clubs*, *Sail Away*, *The Girl Who Came to Supper*, *Words and Music*, *This Year of Grace*, *London Calling!* . . . and much more. Ingeniously, deftly compiled, edited, and annotated by Barry Day, Coward authority and editor of *The Noël Coward Reader* and *The Letters of Noël Coward*.

## Brief Encounter

**Bloomsbury Publishing Noël Coward's Brief Encounter is remembered as one of the most haunting love stories on screen ever. Drawing on the characteristic wit and musicality of Kneehigh, Emma Rice, former Joint Artistic Director of the Company, has adapted Coward's classic 1945 screenplay, and the one-act play Still Life on which it was based, into a richly theatrical, imaginative and vibrant piece of theatre. From an original idea by David Pugh & Dafydd Rogers, Kneehigh's production received its world premiere in 2008. This edition is published to coincide with the production's run live at the Empire Cinema in London's West End for 2018, co-produced by Steve and Jenny Wiener and The Old Vic. With an updated foreword by Emma Rice. 'Surely the most enchanting work of stagecraft ever inspired by a movie.' Ben Brantley, The New York Times 'Moving, funny, gripping and even at its most inventive, true to the original and its all-English heart' The Times**

## Coward Plays: 3

## Design for Living; Cavalcade; Conversation Piece; Tonight at 8.30 (i); Still Life

**A&C Black The third volume of Coward's plays contains some of his best work from the thirties. Design for Living is about a triangular alliance between two men and a woman, based on friends of Coward's, which he waited to write "until she and he and I had arrived by different roads in our careers at a time and a place when we felt we could all three play together with a more or less equal degree of success." Cavalcade was Coward's most**

ambitious stage project, set during the Boer War, which cost £30,000 in its day and which includes scenes of the relief of the sinking of the Titanic and the coming of the Jazz Age. *Conversation Piece* is a musical comedy that Noël wrote for the Parisian star Yvonne Printemps and includes the song "I'll Follow My Secret Heart". Also in the volume are three short plays from *Tonight at 8.30* including *Hands Across the Sea*, a gentle satire of colonials and *London Society*; *Still Life* which became the film *Brief Encounter* and *Fumed Oak* a suburban comedy about a 'worm who turns'.

## The Letters of Noël Coward

Bloomsbury Publishing 'A uniquely charming and enticing journey through a remarkable life. Coward's own record is made all the more delightful by the wise and helpful interpolations of Barry Day, the soundest authority on the Master that there is.' Stephen Fry 'Precise, witty, remarkably observed and gloriously English' Dame Judi Dench 'Barry Day's analysis is both perceptive and irresistible' Lord Richard Attenborough With virtually all the letters in this volume previously unpublished - this is a revealing new insight into the private life of a legendary figure. Coward's multi-faceted talent as an actor, writer, composer, producer and even as a war-time spy(!), brought him into close contact with the great, the good and the merely ambitious in film, literature and politics. With letters to and from the likes of: George Bernard Shaw, Virginia Woolf, Winston Churchill, Greta Garbo (she wrote asking him to marry her), Marlene Dietrich, Ian Fleming, Graham Greene, Evelyn Waugh, Fred Astaire, Charlie Chaplin, FD Roosevelt, the Queen Mother and many more, the picture that emerges is a series of vivid sketches of Noel Coward's private relationships, and a re-examination of the man himself. Deliciously insightful, witty, perfectly bitchy, wise, loving and often surprisingly moving, this extraordinary collection gives us Coward at his crackling best. A sublime portrait of a unique artist who made an indelible mark on the 20th century, from the Blitz to the Ritz and beyond.

### A Biography of Noel Coward

**Simon and Schuster The definitive biography of one of the twentieth century's most celebrated and controversial dramatists. To several generations, actor, playwright, songwriter, and filmmaker Noël Coward (1899-1973) was the very personification of wit, glamour, and elegance. Given unprecedented access to the private papers and correspondence of Coward family members, compatriots, and numerous lovers, Samuel Johnson Prize-winning biographer Philip Hoare has produced an illuminating and sophisticated biography of Coward, whose relentless drive for success and approval fueled the stunning bursts of creativity that launched the once-painfully middle class boy from the suburbs of London into a pantheon of theatrical deities that includes Gilbert and Sullivan, Oscar Wilde, and George Bernard Shaw. As much the embodiment of a lifestyle as an actual inhabitant of it, Coward's carefully cultivated image defined the aspirations of untold numbers of actors, artists, and writers who succeeded him, and Hoare's meticulously researched biography peels away the layers of this complex persona to reveal the man underneath it all, whom The Times of London decreed upon his death to be the most versatile of all the great figures of the English theater.**

## Home Chat

**Bloomsbury Publishing** I am shirking off the chains that have shackled me for so long - I have suddenly come to realise that I am a woman - a living, passionate, pulsating woman - it never occurred to me before. Janet Ebony and her best friend, Peter Chelsworth, are innocently sharing a sleeping compartment when their train to Paris is involved in a disastrous railway accident. Outrage and scandal ensue as Janet's husband, Paul, and her fearsome mother-in-law accuse Janet and Peter of adultery. Aghast at their families' accusations, Janet and Peter decide to take revenge by inventing an adulterous affair ... Written with Noël Coward's trademark wit and insight, Home Chat is a distinctly modern comedy about female sexuality and fidelity in a society rigidly governed by decorum and reputation. This edition was published to coincide with the first revival of the play since its premiere in 1927.

## The Noel Coward Diaries

**Da Capo Press** Noël Coward is remembered as the most witty and elegant of theatrical personalities. He left behind over fifty plays, twenty-five films, hundreds of songs, and several books. Fortunately, he also left behind these diaries chronicling the last thirty years of his life, from 1941 to 1973. Moving through the theatrical, social, political, and historical worlds on both sides of the Atlantic, the impressive cast of characters includes Laurence Olivier, Frank Sinatra, Lauren Bacall, John and Jackie Kennedy, Harold Pinter, members of the Royal Family, and the Beatles, among a host of others. The Noël Coward Diaries is a social and theatrical chronicle as stylish and irresistible as the man himself.

### Present Indicative

## The First Autobiography of Noël Coward

Bloomsbury Publishing "I was photographed naked on a cushion very early in life, an insane, toothless smile slitting my face and pleats of fat overlapping me like an ill-fitting overcoat. Later, at the age of two, I was photographed again. This time in a lace dress, leaning against a garden roller and laughing hysterically. If these photographs can be found they will adorn this book." Thus begins the life story of one of the most celebrated characters in British theatrical history, in the first of Coward's autobiographies, first published in 1937. Displaying an early dedication to the theatre, Present Indicative hints at the success that would come to Coward as actor, playwright, novelist and performer. Each line is punctuated with his trademark effervescent wit, making this book a comic tour de force in it's own right, as well as a "must read" for anyone with an interest in the British stage. "He is simply a phenomenon, and one that is unlikely to occur ever again in theatre history" Terence Rattigan
