The Mirror of Her Dreams Del Rey Books Geraden, a mysterious man from a magical kingdom, enters Terisa Morgan's apartment through a mirror and asks her to come back with him in order to help save his land from the evil that threatens it. Reprint. **The Mirror of Her Dreams Hachette UK** The daughter of rich but neglectful parents, Terisa Morgan lives alone in a New York City apartment, a young woman who has grown to doubt her own existence. Surrounded by the flat reassurance of mirrors, she leads an unfulfilled life-until the night a strange man named Geraden comes crashing through one of her mirrors, on a quest to find a champion to save his kingdom of Mordant from a pervasive evil that threatens the land. Terisa is no champion. She wields neither magic nor power. And yet, much to her own surprise, when Geraden begs her to come back with him, she agrees. Now, in a culture where women are little more than the playthings of powerful men, in a castle honeycombed with secret passages and clever traps, in a kingdom threatened from without and within by enemies able to appear and vanish out of thin air, Terisa must become more than the pale reflection of a person. For the way back to Earth is closed to her. And the enemies of Mordant will stop at nothing to see her dead. **A Man Rides Through Hachette UK** Aided by the powerful magic of Vagel, the evil Arch-Imager, the merciless armies are marching against the kingdom of Mordant. In its hour of greatest need, two unlikely champions emerge. One is Geraden, whose inability to master the simplest skills of Imagery has made him a laughingstock. The other is Terisa Morgan, transferred to Mordant from a Manhattan apartment by Geraden's faulty magic. Together, Geraden and Terisa discover undreamed-of talents within themselves-talents that make them more than a match for any Imager...including Vagel himself. Unfortunately, those talents also mark them for death. Branded as traitors, they are forced to flee the castle for their lives. Now, all but defenseless in a war-torn countryside ravaged by the vilest horrors Imagery can spawn, Geraden and Terisa must put aside past failures and find the courage to embrace their powers-and their love-before Vagel can spring his final trap. **Mordant's Need, 1. Now he was regarded as a reincarnation of the Land's greatest hero—Berek Halfhand—armed with the mystic power of White Gold. That power alone could protect the Lords of the Land from the ancient evil of the Despiser, Lord Foul. Except that Covenant had no idea how to use that power. . . . **Reave the Just and Other Tales HarperCollins UK** A wonderful collection of fantasy short stories from the renowned author of the Thomas Covenant series. **Functions of the Fantastic Selected Essays from the Thirteenth International Conference on the Fantastic in the Arts Greenwood Publishing Group** This collection of 23 essays represents the best papers from the Thirteenth International Conference on the Fantastic in the Arts; it shows provocative applications of scholarly observations to readers' lives. **Mordant's Need The Mirror Of Her Dreams & A Man Rides Through Hachette UK** A compelling, unusual fantasy by one of the world's best-selling fantasy writers A lonely young woman feels isolated from the world: she uses mirrors to reassure herself that she is still alive - and then they change her life when, one night, a young man appears through the mirror and persuades her to come with him to his own land, where mirrors are magical gateways to other places.
