**The Gift of Happiness Large Print Edition** The beautiful new story from the bestselling author of *Christmas at Lilac Cottage*. The magic of Christmas has arrived in the little village of Happiness, where snow falls and love is in the air. This December Ruby Marlowe is relocating her little Christmas shop and everything she owns to the pretty seaside village of Happiness. With her best friend Willow already living there, and a heartbreaking past she'd rather forget, Ruby jumped at the offer of a cosy cottage and a fresh start on the Cornish coast. But she wasn't the only one... The last person Ruby expects to find in Happiness is her summer fling, the very gorgeous Jacob Harrington. He's the only man who has come close to unlocking her heart, and therefore the one man she knew she could never see again. But now he's here in the same village, and the chemistry between them is more electric than ever. Falling in love again is something Ruby has vowed never to do. But Jacob is determined to change her mind. As the village sparkles with Christmas lights and the snow begins to fall, can Jacob convince Ruby that love is worth the risk? And will Ruby accept the gift of happiness that Jacob is offering her before it's too late? Give yourself **The Gift of Happiness** this festive season, like a creamy hot chocolate with marshmallows, you won't want to put this deliciously heartwarming novel down. A gorgeous, feel-good love story to snuggle up with this winter. Perfect for fans of Sarah Morgan, Carole Matthews and Debbie Johnson. **The Gift. Be careful what you wish for. (Large Print Edition)** [Lulu.com](http://Lulu.com) Joe is Christmas's number one fan. He absolutely loves it and can't wait to spend it with his wife, Beth, doing what they love best: eating mince pies, drinking mulled wine, laughing and snuggling while *It's a Wonderful Life* plays on the TV. However, Beth has a slightly different idea this year. She wants to have a terrible time, or why else would she have invited her mother to stay - the demon mother-in-law from hell, who hates Christmas and everything about it? In fact, there is only one thing that the dreaded

**MIL hates more than Christmas ... and that is Joe. Thankfully, Joe has an ally in his war against the orange-haired, gum-chewing monster: a shopping centre Santa who isn't all that he seems. This larger-than-life Father Christmas presents Joe with a magical gift that he promises will make the problem disappear, but this innocent-looking parcel kick-starts an adventure that Joe will never forget.
