Born On A Blue Day

Inside the Extraordinary Mind of an Autistic Savant

Simon and Schuster A journey into one of the most fascinating minds alive today—guided by the owner himself. Bestselling author Daniel Tammet (*Thinking in Numbers*) is virtually unique among people who have severe autistic disorders in that he is capable of living a fully independent life and able to explain what is happening inside his head. He sees numbers as shapes, colors, and textures, and he can perform extraordinary calculations in his head. He can learn to speak new languages fluently, from scratch, in a week. In 2004, he memorized and recited more than 22,000 digits of pi, setting a record. He has savant syndrome, an extremely rare condition that gives him the most unimaginable mental powers, much like those portrayed by Dustin Hoffman in the film *Rain Man*. Fascinating and

inspiring, *Born on a Blue Day* explores what it's like to be special and gives us an insight into what makes us all human—our minds.

## Key Stage 2 Comprehension

Key Stage 2 Comprehension provides a unique collection of stimulating texts that appeal strongly to both boys and girls, together with questions that both build and stretch comprehension skills and widen vocabulary.

## The Important Bits

Coordination Group Publication Provides a revision summary of the key topics children need to understand for their Science SATS. This book, suitable for final preparation ahead of the exams, covers the core content of the course in an easy to follow style. It is aimed at helping children boost their SATS score right up to the very last minute before the tests.

## Talking Turkeys

Penguin UK A reissue of *TALKING TURKEYS* by street poet Benjamin Zephaniah. *Talking Turkeys* is an unconventional collection of straight-talking poems about heroes, revolutions, racism, love and animal rights, among other subjects, that will entice many new readers to poetry. It is his very first ground-breaking children's poetry collection - playful, clever and provocative - this is performance poetry on the page at its very best. Benjamin Zephaniah was born in Birmingham and then spent some of his early years in Jamaica. He came to London when he was 22 and his first book of poetry for adults was published soon after. He appears regularly on radio and TV including a *Desert Island Discs* appearance, literary festivals, and has also taken part in plays and films. He is most well-known for his performance poetry with a political edge for both children and adults and gritty teenage fiction. His collections *Talking Turkeys*, *Wicked World* and *Funky Chickens* broke new ground in children's poetry. He is the only Rastafarian poet to be short-listed for the Chairs of Poetry for both Oxford and Cambridge University and has been listed in *The Times'* list of 50 greatest postwar writers. Benjamin now lives in Lincolnshire.

### The Unluckiest Boy in the World

**Penguin UK** Nicholas Frith has always considered himself to be about as lucky as the average boy. But while on holiday with his mum, Nicholas accidentally disturbs an ancient tomb and everything changes. Nicholas falls under an ancient curse and suddenly misfortune, calamity and disaster follow him everywhere! The curse can't touch Nicholas himself, but bad things happen to everyone else around him. Forced to move from school to school, Nicholas loses hope of ever lifting the curse or ever finding someone who will risk being his friend. But one day he meets Fiona - the one person who is prepared to take that risk. Through Fiona's friendship, Nicholas learns to believe in himself and break the curse at last, changing his luck for ever.
