## In My Father's Arms

*iUniverse* "In My Father's Arms is a beautiful reminder that peace and love are available to us at every moment if we so choose." —John Gray, Author of Men Are from Mars, Women Are from Venus Every day we make choices based on what we believe about ourselves. If we know ourselves to be the powerful, spiritual beings that we are, then all our choices are born of love. If we believe we're victims of the world we see, our choices are based on fear and a belief in lack, so anger, guilt and shame are what we experience. Through beautiful poems, thoughts and prayers, In My Father's Arms takes us back to our beginnings; helps us to remember ourselves as God created us: whole, pure, perfect, innocent and free. It reminds us that peace, joy, love and light are our true qualities and that this identity never changes no matter what we experience in this life. In My Father's Arms helps us to release fear and choose love for ourselves, our relationships and the world at large and to remember that only the love is real.

## Notes from a Postman - A Collection of Poems, Thoughts, and Prayers

*Lulu.com* An inspirational book based upon the author, Jonathan C. Hyatt's, spiritual journey as a Christian youth, throughout his adulthood. As a youth, Jonathan learns to unlock his heart by writing his thoughts and prayers in his letters to God; however, as a young man, life soon gets busy for Hyatt and he rarely finds the inspiration to write. His letters remain saved, tucked away, in a cedar chest, almost forgotten. Several years pass and his pen remains silent. At last, through the spontaneous kindness, of a young boy named Abel, Hyatt receives his inspiration to write once again. Suddenly, he begins to write his thoughts, reflections and prayers intertwined with Bible passages which speak to his heart. Inspiration later comes through his own personal struggles and his wife's battle with cancer. Encouraged by his family and friends, Hyatt's writing collection becomes a book, which he hopes will inspire many people, to a closer walk with God, in their spiritual journey.

## A Prayer As A Poem For Each Day

*Xulon Press* This book, A PRAYER AS A POEM FOR EACH DAY, gives everyone a spiritual connection with the lifeline of God. Although these poems seem to be primarily for the Christian but you will find that much of the meaning of the words concentrate on the individual as being compassionate and doing the right thing in this world relationship with one and another. The rhyming of the words is like a musical background. Some of the poems help the reader to cope with the hurts and torments of their inner self and understanding the pains of their fellowman. It is prudent that we fundamentally deal with one day at a time to simplify our lives and we should pray daily. This book will be an excellent guideline. Each poem is a story emphasizing the virtues of goodness as tools to resolve problems and to find peace in the spiritual world. I'm Richard A. Dixon, author of this book, A PRAYER AS A POEM FOR EACH DAY, and in this AUTHOR BIO it will give you a genuine insight of a perfect example of a compassionate heart that was initiated by an early foundation of living in a Christian atmosphere with my Grandparents. My religion is my driving force. I have formally written three other books as a series of Spiritual poems. My Bachelor of Science has also helped me in my current writing endeavor. My conclusion is a poetic reminder: This book is not just to read for a day or a week or a month or even a year, this is for a lifetime to build your character and to bring your heart spiritual cheer. ## The Poetry of Prayer

## Tehillim in Tefillah

Then, after an overview of the structure of the morning service, each chapter examines either a prayer adapted from a psalm or the entire psalm and explains the reason it was chosen as part of the liturgy. the words of my mouth praise God and all mankind will bless the holy name of God for eternity" (Psalm 145:21).

## Divine Poetry

*Xlibris Corporation* Lift up your voice with strength, seek the Lord and His strength, and seek His presence continually. Give thanks to the Lord, call upon His name, make known His deeds among the people, and proclaim that is name alone is exalted. The Lord is the everlasting God, the creator of the ends of the earth. Before Him no god was formed, nor shall there be any after Him. He is the Lord besides Him there is no savior. He is He who blots out our transgressions for His own sake and He will not remember our sins. He satisfies the longing soul, and the hungry soul He fills with good things. He makes His sun rise on the evil and on the good, and sends rain on the just and on the unjust. He rebuked the red sea and it became dry, He turns rivers into a desert, He turns desert into a pool of water, a parched land into spring of water. He provides food for those who fear Him, He heals the brokenhearted and binds up their wounds, wealth and riches are in His house. The Lord is gracious and merciful; slow to anger and abounding in steadfast love. The Lord is good to

all, and His mercy is over all that he has made, His understanding is beyond measure. He made the earth and created man on it, it was His hands that stretched out the heavens and He commanded all their host. He determines the number of stars; He gives to all of them their names. He covers the heavens with clouds; He prepares rain for the earth; He makes grass grow on the hills. He gives to the beasts their food, His delight is not in the strength of the horse nor His pleasure in the legs of man, but the LORD takes pleasure in those who fear Him, in those who hope in His steadfast love. Praise the Lord for who He is, Praise the Lord for His mighty deeds, praise Him according to His excellent greatness, praise Him in His sanctuary; praise Him in His mighty heavens. Let everything that has breath praise the LORD! Praise the LORD! Amen Prophet Joseph Patrick Oyone Meye Scribe of Christ

## Give Us This Day

## The Story of Prayer

*SteinerBooks* Gandhi called prayer "the key of the morning and the bolt of the evening." But what is a prayer? Do you need to believe in God in order to pray? Why are the words important? What is the difference between prayer and meditation? Should you ask for things when you pray? Do prayers change the world around us? Rufus Goodwin--writer, linguist, and former United Press correspondent to the Vatican--addresses these and other questions about prayer in this thoughtful book. He examines the various traditions of prayer through the ages. He discusses practices, ranging from the ancient Indian yoga of sound to the Christian monastic rules of prayer, giving examples of the various religious litanies that ritualize and celebrate the sense of a higher life. Goodwin's intention is not to compare different traditions, but to get at the essential technique and the attitude of prayer--its cognitive workings. Prayer is seen as key to an active inner life and an experience of the higher self. He shows us how prayer can bring about a cognitive restructuring that provides greater access to renewal, imagination, inspiration, and intuition, and provides an anchor for meaning in daily life.

## Thoughts of the Heart

## POEMS, PRAYERS AND PASSIONS

*Xlibris Corporation* Thoughts of the Heart, is a collection of snapshots from my personal moments. It was written to encourage every reader to have a good journey in spite of the difficult days you face! It is an easy read and it offers practical points for dealing with everyday life. The reflections are of poems, prayers, passions, keepsakes, and short stories. It provides a variety of feelings expressed in a slightly poetic way. It has an uncommon twist for reasoning with hidden thoughts. It reveals them! Wait, I know there are some things that we must keep to ourselves, and believe me I will! We all know that many thoughts are better off left unsaid. And we should constantly pray down the evil ones. Nevertheless, these thoughts are out! And as you read; you witness my love, my inspiration, my fears, my tears, my hopes, my dreams, and my desire to be open with you. In fact, I gift you with my found treasure. In a nutshell, this book reveals me in a uniquely different and real way! I hope you will find comfort, embrace love, and become moved to action as much as I was compelled to write. Ultimately, I pray you will be inspired to believe that all things are possible through Jesus Christ, think outside of the box of limits, and become motivated to share the amazing gift that God has given you! I encourage you to share your one of a kind self, the self that you were created to share, "Straight from the heart!" We can't do anything about the past, and we don't know what the future holds, but we can decide to make the most of the precious moments that we have left! And as you journey on to the end; show the love, make a difference, and highlight your lessons learned then pass them on! In the meantime remember to be simply you, and to find positive and creative ways to express the desires of your heart! Because keeping sentiments, emotions, and love pinned up inside aches the heart, despairs the mind, and keeps you from experiencing your many possibilities! I trust that my perspective will somehow connect with your innermost thoughts and aspirations in one way or another. I hope to spark a positive reaction within you that is unforgettable! So fasten your seat belt and get ready to travel with me through some of my "Memorable Moments," one page at a time. Please know I wish you well! And whenever you need Christ, He will always be there for you! I promise!

## The Healing Power of Prayer

## The Surprising Connection between Prayer and Your Health

*Baker Books* Prayer can heal you. It's not just hype or hope or a spiritual cliché. There is actual scientific evidence to support this. Recent medical and psychological studies claim that prayer can relieve stress, improve attitudes, and mend bodies. Prayer generates peace, power, and health—a triple preventative that guards against anxiety and disease. It's a simple act that heals. According to Chet Tolson and Harold Koenig prayer helps people function at their best when life serves them the worst. Even on good days, it enhances the mind-body-soul connection. In *The Healing Power of Prayer*, these authors explain the nature of prayer, what happens when we pray, the restorative benefits of prayer, how to organize prayer, and much more. Their facts and insights will encourage believers to increase, the fainthearted to revive, and skeptics to begin a life of prayer.

## The Soul of Rumi

## A New Collection of Ecstatic Poems

*Harper Collins* Inside A Lover's Heart There's Another World, And Yet Another Rumi's masterpieces have inspired countless people throughout the centuries, and Coleman Barks's exquisite renderings of the thirteenth-century Persian mystic are widely considered the definitive versions for our time. Barks's translations capture the inward exploration and intensity that characterize Rumi's poetry, making this unique voice of mysticism and desire contemporary while remaining true to the original poems. In this volume readers will encounter the essence of Sufism's insights into the experience of divine love, wisdom, and the nature of both humanity and God. While Barks's stamp on this collection is clear, it is Rumi's voice that leaps off these pages with a rapturous power that leaves readers breathless. These poems express our deepest yearning for the transcendent connection with the source of the divine: there are passionate outbursts about the torment of longing for the beloved and the sweet delight that comes from union; stories of sexual adventures and of loss; poems of love and fury, sadness and joy; and quiet truths about the beauty and variety of human emotion. For Rumi, soul and body and emotion are not separate but are rather part of the great mystery of mortal life, a riddle whose solution is love. Above all else, Rumi's poetry exposes us to the delight that comes from being fully alive, urging us always to put aside our fears and take the risk of discovering our core self: No one knows what makes the soul wake up so happy! Maybe a dawn breeze has blown the veil from the face of God. These fresh, original translations magnificently convey Rumi's insights into the human heart and its longings with his signature passion and daring, focusing on the ecstatic experience of the inseparability of human and divine love. The match between Rumi's sublime poetry and Coleman Barks's poetic art are unequalled, and here this artistic union is raised to new heights.

## Pure Love, Pure Poetry, Pure Prayer

## The Life and Work of Henri Bremond

*Wipf and Stock Publishers* By the time of his death in 1933 Henri Bremond, priest and member of the elite Académie française, had established himself in France, and increasingly in England and the United States, as a distinguished historian of Christian spirituality and as a Catholic modernist who helped to shake the church out of its dogmatic slumbers by embracing "pure love," artistic-poetic expression, and mystical prayer as the privileged manifestations of spiritual truth. Drawing on substantial new scholarship in France, that has resuscitated and reinterpreted Bremond's work for our own times, and that sees Bremond as an important precursor of current trends in literary interpretation as well as spirituality, Gorday surveys the entirety of Bremond's corpus of writing, setting his work in its context of his personal struggles, as well as the wider setting of French historical and cultural development.

Auden and R.S. Thomas.

## Prayers, Poetry and Invocation

*AuthorHouse* Many of my poems are indeed Goddess poems, prayers, and invocations acknowledging the feminine power of the universe. In my opinion they speak with a beautiful romantic expression and are in truth with the times. They are bold, passionate, and exciting, speaking with an original voice which I believe may capture the reader's imagination. My poems are confessional, extremely erotic with radical overtones that I will not apologize for. I simply wish to speak truthfully!

## Thinking about Prayer

*Wipf and Stock Publishers* Many people think of prayer and worship in terms that are too narrow. It is an invitation to engage with prayer and worship in ways that enlarge our capacity to think about, address, and encounter God through liturgy and theology, the arts and poetry, as well as basic critical thinking.
