Sylvia Day LLC Never mix business with pleasure. Never bring politics into the bedroom. In a way I did both when I took Jackson Rutledge as a lover. I can't say I wasn't warned. Two years later, he was back. Walking into a deal I'd worked hard to close. Under the tutelage of Lei Yeung, one of the sharpest businesswomen in New York, I had picked up a thing or two since Jax walked away. I wasn't the girl he once knew, but he hadn't changed. Unlike the last time we'd drifted into each other's lives, I knew exactly what I was dealing with... and how addictive his touch could be. The inner circle of glamour, sex, and privilege was Jax's playground--but this time, I knew the rules of the game. In the cutthroat business world, one adage rules all: keep your enemies close and your ex-lovers closer...

In The Flesh

Kensington Books A story of seduction and surrender by the #1 New York Times bestselling author . . . An infamous beauty. A daring warrior . . . For five years, Sapphire has been the king of Sari's most treasured concubine. Independent at last, she refuses to put herself in anyone's control again. But now another's meddling has led her into the path of proud, arrogant Wulfric, crown prince of the rival kingdom of D'Ashier . . . a man who is dangerous to her in every way. . . . and a seduction that could destroy them both. The daughter of Wulfric's fiercest opponent, Sapphire is a prized warrior in her own right and highly skilled in the sensual arts—in short, Wulfric's perfect match. A lasting union is unthinkable, but the bargain they strike—to spend one night together, and then part—proves impossible in the face of a desire powerful enough to bring two countries to the brink of war, and two hearts to the point of surrender . . . A Note from the Author: Dear Readers, Some of you may remember this story as Sapphire's Worth. Written in 2004, a few brief excerpts were posted on my website and they were never forgotten—I've been receiving emails about Sapphire and Wulf ever since! In the Flesh was my second completed novel and although I have written many more since then, this Arabian Nights tale of seduction, power, and ultimate surrender holds a special place in my heart. Wulfric remains one of my favorite heroes. I hope he'll become one of yours as well! With love, Sylvia

Eve of Darkness

A Marked Novel

Thrust into a world where sinners are drafted into service to kill demons, Eve's learning curve is short. A longtime agnostic, she begrudgingly maneuvers through a celestial bureaucracy where she is a valuable but ill-treated pawn. She's also become the latest point of contention in the oldest case of sibling rivalry in history... But she'll worry about all that later. Right now she's more concerned with learning to kill while staying alive. And saving the soul she'd never believed she had ... in S.J. Day's Eve of Darkness. Sylvia Day Crossfire Novels 1-4

Penguin Now in one deluxe collection, the first four novels in the #1 New York Times bestselling Crossfire series. *Bared to You* He was beautiful and brilliant, jagged and white-hot. I was drawn to him as I'd never been to anything or anyone in my life. I craved his touch like a drug, even knowing it would weaken me. I was flawed and damaged, and he opened those cracks in me so easily... *Gideon* knew. He had demons of his own. And we would become the mirrors that reflected each other's most private wounds... and desires. The bonds of his love transformed me, even as I prayed that the torment of our pasts didn't tear us apart... *Reflected in You* *Gideon* Cross. As beautiful and flawless on the outside as he was damaged and tormented on the inside. He was a bright, scorching flame that singed me with the darkest of pleasures. I couldn't stay away. I didn't want to. He was my addiction... my every desire...mine. My past was as violent as his, and I was just as broken. We'd never work. It was too hard, too painful... except when it was perfect. Those moments when the driving hunger and desperate love were the most exquisite insanity. We were bound by our need. And our passion would take us beyond our limits to the sweetest, sharpest edge of obsession... *Entwined with You* From the moment I first met *Gideon* Cross, I recognized something in him that I needed. Something I couldn't resist. I also saw the dangerous and damaged soul inside—so much like my own. I was drawn to it. I needed him as surely as I needed my heart to beat. No one knows how much he risked for me. How much I'd been threatened, or just how dark and desperate the shadow of our pasts would become. *Entwined by our secrets*, we tried to defy the odds. We made our own rules and surrendered completely to the exquisite power of possession... *Captivated by You* *Gideon* calls me his angel, but he's the miracle in my life. My gorgeous, wounded warrior, so determined to slay my demons while refusing to face his own. The vows we'd exchanged should have bound us tighter than blood and flesh. Instead they opened old wounds, exposed pain and insecurities, and lured bitter enemies out of the shadows. I felt him slipping from my grasp, my greatest fears becoming my reality, my love tested in ways I wasn't sure I was strong enough to bear. At the brightest time in our lives, the darkness of his past encroached and threatened everything we'd worked so hard for. We faced a terrible choice: the familiar safety of the lives we'd had before each other or the fight for a future that suddenly seemed an impossible and hopeless dream...

The Matchmaker's Replacement

Amazon Children's Publishing Wingman rule number two: never reveal how much you want them. Lex hates Gabi. Gabi hates Lex. But, hey, at least the hate is mutual, right? All Lex has to do is survive the next few weeks training Gabi in all the ways of Wingmen Inc. and then he can be done with her. But now that they have to work together, the sexual tension and fighting is off the charts. He isn't sure if he wants to strangle her or throw her against the nearest sturdy table and have his way with her. But Gabi has a secret, something she's keeping from not just her best friend but her nemesis too. Lines are blurred as Lex becomes less the villain she's always painted him to be...and starts turning into something more. Gabi has always hated the way she's been just a little bit attracted to him--no computer-science major should have that nice of a body or look that good in glasses--but "Lex Luthor" is an evil womanizer. He's dangerous. Gabi should stay far, far away. Then again, she's always wanted a little danger.

Twin Flame Soul Connections

Recognizing the Split Apart, the Truths and Myths of Twin Flames, Soul Love Connections, Soul Mates, and Karmic Relationships

Warrior of Light Press Twin Flames have a shared ongoing sentiment and quest from the moment they're a spark shooting out of God's love that explodes into a blinding white fire that breaks apart causing one to be two, until two become one again, separate and whole, and back around again. Looking into the eyes of your Twin Flame is like looking into the eyes of God, because to know love is to know God. When one thinks of a Soul Mate or Twin Flame, they might equate it to a passionate romantic relationship where you're making love on a white sandy palm tree lined beach in paradise for the rest of your lives. This beautiful mythological notion has caused great turmoil in others who long for this person that fits the description of a lothario character in a romance novel. It is also an unrealistic and misguided interpretation of the Soul Mate or Twin Flame dynamic. Twin Flame Soul Connections discusses and lists some of the various myths and truths surrounding the Twin Flames, and how to identify if you've come into contact with your Twin Flame, or if you know someone who has. The ultimate goal is not to find ones Twin Flame, but to awaken ones heart to love, and to work on becoming complete and whole as an individual soul through spiritual self-mastery, life lessons, growth, and raising your consciousness. Your soul's life was born out of love and will die right back into that love. Chapter Topics Include: Karmic Soul

Educating

LaRee has spent her life educating from a young girl teaching a primary class through teaching her 7 children at home as well as teaching classes on herbs, oils, homeopathy, and more. Thisbook is her memoir. This book is my memoir- a memoir that for several years now, I have known I would write one day. But let's set the record straight right here. Part, but only part, of the impetus for writing my memoir at this time, is the publishing of our daughter's book, Educated. I want to tell the story of my life as I really lived it and not in the dramatically fictionalized way others, based on my daughter's book, are telling it for me. I want my grandchildren to know who their grandmother is and was, I want to be a force for good in their lives. Also, I feel a compelling desire to shine a light on homeschooling, herbal medicine, and the living og a conservative and Christian way of life.

A Novel of Discworld

Harper Voyager Something new has come up between the Discworld's ancient rival cities of Ankh-Morpork and Al-Khali. Literally It's up island, rising out of Discworld's sea, uninhabited and claimed by both cities. Under International Law this situation clearly falls under the ancient doctrine of Acquiris Quodcumque Rapis ("You Get What You Grab"). And everyone wants to grab. Besides, the Al-Khaliens may have invented algebra, astronomy and alcohol, but hey don't have a word for lawyer, and how can you talk to people like that? Since there's no basis for negotiation, it's down to the long-suffering Commander Vimes of the City Watch to deal with a crime as awful that there's no law against it. It's called war. Ankh-Morpork has been at peace for a century, and so has Al-Khali. But now there are people on both sides who think it's time to give was a chance, and will happily help it on its way with a few murders... Modern war needs modern weapons. Unfortunately, Ankh-Morpork got rich making and selling them to Al-Khali. But it's just possible that salvation lies in the hands of the great inventive genius Leonard of Quirm, whose sketchbooks are filled with devices for killing people, flying through the air, and weighing cheese.
