THE IRRESISTIBLE COLLECTION

5 EROTIC NOVELLAS

If you were given the opportunity to step out of your comfort zone and act, would you? Do you have the courage to grab the one you want most? In these stories you will read about women who take a chance and risk it all for the sex they so desperately crave. Five women - five stories - 5 gratifying moments. Indulge in these five erotic novellas that are steaming hot and emotionally satisfying. Each novella is a standalone and they can be read in any order. Irresistible Indulgence - In the deep dark recesses of our minds we all have a fantasy. What if one night that fantasy presented itself? Would you shy away? Or reach out and grab it with both hands? Irresistible Revenge - Anger, betrayal, and disappointment can be devastating and it can also lead to a need for REVENGE. What would you do if you found out your husband had been having an affair? In this short novella, you'll discover one scenario that will leave you hot and breathless, shocked and aroused. A shattering phone call. A trip to the supermarket. An impromptu romp with a sexy stranger. Irresistible Revenge is just one way to deal with ridding yourself of the past and beginning a new chapter in your life. Irresistible Desire - Have you ever wanting something so badly

but didn't have the guts to reach out and take it? Irresistible Desire will have you breathing heavily as the heroine does exactly that. A mouse no longer, she takes a risk and claims all that she wants. Her desire is most definitely fulfilled. Irresistible Attraction - It's my 15th year high school reunion. I'm so nervous about what to wear. Will he be there? Would you have the guts to go after the guy that you were too shy to ask out in high school? It's been fifteen years and there he is... standing right in front of you... smiling... handing you a drink. It's now or never. Irresistible Passion - When sex takes a backseat to all the other priorities like kids, work, house remodeling, etc., what do you do to get out of the rut? Try to spice up the bedroom with kinky ideas from a popular romance novel, that's what! And what could possibly go wrong?

CYNTHIA

A COMPANION TO THE TEXT OF PROPERTIUS

Oxford University Press A lucid new commentary on the Latin poet Propertius, consisting of a commentary on the whole corpus and a prose translation which includes alternative versions of ambiguous phrasing. In its clear exposition of technical problems, Cynthia will serve as an introduction to Latin textual criticism in the modern age, and to elegiac poetic style.

MINNESOTA TWINS

THE COMPLETE ILLUSTRATED HISTORY

MVP Books Major League Baseball came to the Minnesota prairie in the spring of 1961, and in the fifty years since, the Minnesota Twins have held a cherished place in the hearts of sports fans throughout the region. With Hall of Famers like Harmon Killebrew, Rod Carew, and Kirby Puckett and beloved characters from Billy Martin to Kent Hrbek to Joe Mauer, the history of the Twins encompasses highs and lows, heroes and goats, but always nonstop excitement. Minnesota Twins: The Complete Illustrated History provides an in-depth and entertaining look at the team, its players, its stadiums, and the memorable moments through the years. Illustrated with photos from the Star Tribune's archives, it is the ultimate celebration of a beloved franchise.

FIRST CLASS TO NEW YORK

ABCs Legacy, LLC A year after losing her husband, her high school sweetheart and the love of her life to cancer, Janie Anderson embarks on a once-in-a-lifetime trip to New York City. Trying to escape the oppressive loss and hopelessness of a life without him, Janie sets off on the adventure she has dreamed about since she was a little girl. Exploring the Big Apple, New York City, she secretly hopes that this landmark event will free her from her grief and unlock a future as wonderful as the life she had lost with Robert's passing. After a series of embarrassing encounters with a man in a dark grey suit during the flight, Janie wonders if this trip might be more than she bargained for. At 42, she is much too young to spend the rest of her days as a lonely widow, but is resolved to the fact that, like lightning, a love like that of her first marriage rarely strikes twice. When she accepts his invitation to dinner that evening, Janie is terrified at the realization that she's actually attracted to him. The handsome and wealthy Matt Lathem is sexy as hell, but, as Janie comes to realize, has baggage of his own. Can they help to heal each other in time to realize that a second chance at love is within their grasp? 'First Class to New York' is a contemporary, adult romance novel, written by AJ Harmon. It is the first book in the 'First Class' series, with Janie's story concluding in 'First Class to Portland.'

INDEX MEDICUS

ROLE OF EXOSOMES IN BIOLOGICAL COMMUNICATION SYSTEMS

Springer Nature This book reviews the role of exosomes and extracellular vesicles in both normal and pathological conditions. It first explains isolation methods for exosomes, and analyzes their fine structure and biological functions. Further, it highlights exosomes' role as the key regulator in embryonic-maternal communication, and in the pathogenesis of various diseases, including cancer and urogenital, infectious, and neurodegenerative diseases. Moreover, it reviews the latest advances in using stem-cell-derived exosomes as a cell-free strategy in regenerative medicine, as well as the potential of exosomal microRNA as a promising

non-invasive biomarker and targetable factor in cancer diagnosis and treatment. Lastly, it explores the use of natural and synthetic exosomes as nano-vehicles for efficient drug delivery.

Brief history of Hereford cattle: v. 1, p. 359-375.

THE CANADIAN SHORTHORN HERD BOOK

SOCIAL PSYCHOLOGY, THIRD EDITION

HANDBOOK OF BASIC PRINCIPLES

Guilford Publications This definitive work--now extensively revised with virtually all new chapters--has introduced generations of researchers to the psychological processes that underlie social behavior. What sets the book apart is its unique focus on the basic principles that guide theory building and research. Since work in the field increasingly transcends such boundaries as biological versus cultural or cognitive versus motivational systems, the third edition has a new organizational framework. Leading scholars identify and explain the principles that govern intrapersonal, interpersonal, intragroup, and intergroup processes, in chapters that range over multiple levels of analysis. The book's concluding section illustrates how social psychology principles come into play in specific contexts, including politics, organizational life, the legal arena, sports, and negotiation. New to This Edition *Most of the book is entirely new. *Stronger emphasis on the contextual factors that influence how and why the basic principles work as they do. *Incorporates up-to-date findings and promising research programs. *Integrates key advances in such areas as evolutionary theory and neuroscience.
