KEY=HEART - DOMINGUEZ GUERRA

Peace Treat Me Nurturing the Wounded Heart to Heal the Mind

Christian Faith Publishing, Inc. All through history, the toll of war has haunted the hearts and minds of its victims and survivors. The issue of internal conflict has paralyzed the victim's freedom to live in peace and at Peace Within. Separation anxiety has taken hold and created misery in the hearts of mankind. Fear and anxiety are epidemics in the world. The wages of fear, conflict, self-indulgence, and disconnect are felt in all of humanity. Throughout history, man has been searching for God, peace, purpose, and belonging. This is a universal truth sought after and longed for. At war or not, man has waged war within himself to live with a peaceful conscious and search for a place of belonging. All traditions of faith have made peace their core principle. To get out of human suffering, one must have connection

to true Peace Within. Using history, modern psychology, ancient wisdom, and forty years of journaling as supportive research, *Peace Treat Me* became a proposal for healing wounds, speaking truth, and connecting to God for sustainable Peace Within. *Peace Treat Me* will address primary issues of the heart and mind while renewing the Spirit of God within. Peace will rise up as a refuge to protect, nurture, heal, and guide you. The power of Peace Within is central to the recovering soul and the healing mind. RX: Medication will not heal the root of suffering or give sustainable peace. Only the presence of God and meditation on God's word will crown peace to reign in you. It is *pharmacia* for the mind and strength for the soul. *Peace Treat Me* is a cry for focused attention and validation for the wounds of war and traumas of all dimensions on the human heart and mind. *Peace Treat Me* is for all who want to walk gently through the land mines of the soul and defuse all power to trigger harm. It is the mission of this book to empower the human spirit to live in devotion, speak truth, safe guard the mind, know self-worth for eternity, and wave the flag peace has treated me. I believe healing peace in the mind of one human being creates the pathway to heal others.

Be Healed from High Blood Pressure

Healing Thoughts for a Sick Planet

Xulon Press A book of contemporary proverbs comparing the biblical worldview with many other worldviews. A must read for anyone interested in the controversial issues that divide the inhabitants of Planet Earth.

Healing with Whole Foods

Asian Traditions and Modern Nutrition

North Atlantic Books Used as a reference by students of acupuncture, Healing with Whole Foods is an invaluable guide to the theory and practice of Chinese medicine. With facts about green foods such as spirulina and blue-green algae and information about the "regeneration diets" used by cancer patients and arthritics, it is also an accessible primer on nutrition—and a inspiring cookbook with more than 300 mostly vegetarian, nutrient-packed recipes. The information on Chinese medicine is useful for helping to diagnose health imbalances, especially nascent illnesses. It's smartly paired with the whole-foods program: because the Chinese have attributed various health-balancing properties to foods, you can tailor your diet to help alleviate symptoms of illness. For example, Chinese medicine dictates that someone with low energy and a pale complexion (a yin deficiency) would benefit from avoiding bitter foods and increasing "sweet" foods such as soy, black sesame seeds, parsnips, rice, and oats. (Note that the Chinese definition of sweet foods is much different from the American one!) Pitchford says in his dedication that he hopes the reader finds "healing, awareness, and peace" by following his program. The diet is certainly ascetic by American standards (no alcohol, caffeine, white flour, fried foods, or sugar, and a minimum of eggs and dairy) but the reasons he gives for avoiding these "negative energy" foods are compelling. From the adrenal damage imparted by coffee to the immune dysfunction brought on by excess refined sugar, Pitchford spurs you to rethink every dietary choice and its ultimate influence on your health. Without being alarmist, he offers dietary tips for protecting yourself against the dangers of modern life, including neutralizing damage from water fluoridation. There's further reading on food combining, female health, heart disease, pregnancy, fasting, and weight loss. Overall, this is a wonderful book for anyone who's serious about strengthening his or her body from the inside out.

Healing with Shungite

The Complete Guide for Protecting, Detoxing, and Purifying Your Mind, Body, and Soul

*Ulysses Press Harness the restorative power of the shungite stone with this easy-to-read manual for cleansing energy at work or home, guarding yourself from EMFs, soothing anxiety and stress, and many more practical therapeutic solutions for healing with this incredible crystal. Many crystals and protective stones offer a variety of health benefits, but none quite so versatile as the popular mineral of shungite. Whether you're an experienced witch or a beginner looking for daily energy protection, *Healing with Shungite* offers a comprehensive overview of this protective stone, including what's so special about its properties, why it works, and how to use it in your everyday life. Separated into three, easy-to-read sections, this book includes: - The history of shungite use, from ancient traditions to modern-day healing - Where to find the mineral and what to look for when purchasing - How shungite can act as a powerful shield against EMFs, cell phone radiation, and more - An overview of auras and chakras for more effective healing - How this grounding stone can soothe anxiety and stress - Practical rituals and activities for using shungite at home and work Written by a professional writer and energy healer, this book combines the practical and the spiritual for an accessible, interesting look into this amazing protective mineral.*

The Healing Power of Angels: How They Guide and Protect Us

Duncan Baird Publishers This book will help you heal yourself of every kind of stress and dysfunction by tapping into the healing powers of angels. Uniquely, the Ambika Wauters presents angels in terms of an inner realm with a distinct spiritual hierarchy: nine levels of angels residing in the three levels of heaven. While based on traditional theology, this system offers a thoroughly effective way for the human mind to grasp the benevolent powers that angels can make available to all of us. We learn how angelic forces work in the human energy system, especially the chakras, to benefit our personal development and spiritual evolution. The Healing Power of Angels is aimed at everyone who is fascinated and moved by the notion of angels or is interested in making new discoveries in the realm of the spirit. It will be immensely helpful to all healers and all those interested in understanding energy fields. The meditations, affirmations and prayers that punctuate the book provide a practical dimension for interactive work, and there are also profound reflections that will

change the way we think about ourselves - and move us many steps closer to spiritual understanding.

Tackling Trauma

Global, Biblical, and Pastoral Perspectives

Langham Publishing Trauma is a universal phenomenon that can be caused by international catastrophes or individual, personal tragedy. Trauma is also a severely neglected topic in Christian literature, and while it can challenge someone's faith in Christ, God and the ministry of his Word is central to dealing with the emotional and psychological impact of trauma. By his Spirit, through his Word, and through his church, God is available to minister to people suffering from trauma and bring transformation to their lives. In this book, a team of experienced and informed Christian professionals from around the world promote a deep biblical response to trauma through clinical and theological wisdom and their first-hand experience of witnessing and experiencing trauma. The contributions provide practical responses to people's trauma, rather than mere descriptions of the problems, making it an ideal resource for pastors, counsellors, humanitarian workers and students.

The Heart of Trauma: Healing the Embodied Brain in the Context of Relationships (Norton Series on Interpersonal Neurobiology)

W. W. Norton & Company How each of us can become a therapeutic presence in the world. Images and sounds of war, natural disasters, and human-made devastation explicitly surround us and implicitly leave their imprint in our muscles, our belly and heart, our nervous systems, and the brains in our skulls. We each experience more digital data than we are capable of processing in a day, and this is leading to a loss of empathy and human contact. This loss of leisurely, sustained, face-to-face connection is making true presence a rare experience for many of us, and is neurally ingraining fast pace and split attention as the norm. Yet despite all of this, the ability to offer the safe sanctuary of presence is central to effective clinical treatment of trauma and indeed to all of therapeutic practice. It is our challenge to remain present within our culture, Badenoch argues, no matter how difficult this might be. She makes the case that we are built to seek out, enter, and sustain warm relationships, all this connection will allow us to support the emergence of a humane world. In this book, Bonnie Badenoch, a gifted translator of neuroscientific concepts

into human terms, offers readers brain- and body-based insights into how we can form deep relational encounters with our clients and our selves and how relational neuroscience can teach us about the astonishing ways we are interwoven with one another. How we walk about in our daily lives will touch everyone, often below the level of conscious awareness. The first part of The Heart of Trauma provides readers with an extended understanding of the ways in which our physical bodies are implicated in our conscious and non-conscious experience. Badenoch then delves even deeper into the clinical implications of moving through the world. She presents a strong, scientifically grounded case for doing the work of opening to hemispheric balance and relational deepening.

The Crystal Healing Guide for Beginners

Learn the Power and Rituals to Clean, Clear, and Activate Your Heart, Mind, and Soul

Speak Your Healing from the Homosexual Deception

WestBow Press The lies of homosexuality dissipate because a life of purity in Christ Jesus decidedly removes the homosexual deception. Each step toward Jesus brings us closer to His image, and we are changed. We emerge free to be exactly whom Father God created us to be. Leaving all secrets with honesty and transparency before God and man, forgiving ourselves and all abusers, we emerge in our true identity with a heterosexual desire. This desire for the opposite sex is as natural as apple pie. Leaving the judgments, the facades, the sins, and all idols, the stark truth remains. Our true identity is found in Jesus Christ alone.

Faith Hounds

A Relentless Pursuit

Wipf and Stock Publishers We are all in pursuit of something. Faith Hounds: A Relentless Pursuit shows what we should pursue and, even more, how to get it. The number one issue people seem to have with the concept of faith is that they think it is ineffective. The common phrase is, "Well I tried to believe, but it did not work." By

using biblically backed truths, this book goes into detail on what God says about pursuing him and his promises, walking the reader through the process of when they first set their hearts to ask God for something until it finally shows in their life, while also addressing the possible hindrances that could be stopping them from seeing their answer. If you or someone you know is tired of seeing nothing come from praying or has completely abandoned the concept of God and faith, give this book a read. It will change your world and set a fire in your belly to be a relentless faith hound and pursue everything the Lord has for you.

Be Healed in Your Heart

Christian Science Healing

Its Principles and Practice

In Times of Financial Troubles

Createspace Independent Publishing Platform Psalm 45:1 "My heart is stirred by a noble theme as I recite my verses for the king; my tongue is the pen of a skillful writer." "Financial troubles in a person's life are caused by circumstances, like; evil forces of the dark spiritual realm like the spirit of lack and poverty, war, social and economic instability in countries, economic recessions and financial market crushing, natural disasters, unforeseeable disasters, other people's evil doings against others, hearts and mind and hands that denies justified compensation to those who deserve, robbery, loss of jobs, brokenness of businesses, human conflicts like envy, malice and hatred, divorce, terminal, chronic and rare illnesses, wrong choices and mistakes made by individuals in their own financial matters and failure to save. The list goes on and on and each person afflicted by financial troubles has a peculiar circumstance or situation." This book of anointed verses for powerful financial healing is meant to draw people closer to God in matters concerning their finances and lacking. In everything to do with economical gains or losses, this book is healing and opens the mouth of the reader in supplication, asking from God and drinking his Word of giving in the form of his living and active Word from the Holy Bible. Metaphysical? If there is something you are failing to understand concerning your finances, turn to God Almighty for healing. These financial healing verses will become fruitful and fulfilling, removing and eradicating the spirit of poverty and lack from your life. Practical! When you listen, and follow the pattern and guidance in the verses, and do what the Word of God commands you to do, you breakthrough, there is good change. Supernatural! The floodgates of heaven will be unlocked and opened for you as the Word of God speaks to you, protects you in the areas that bring finances to your life and heal you with a smooth pouring of financial blessing healing flow that washes away and removes the spirit of lack from your life. The order of things will be rightly connected for you by God Almighty himself who causes a chain reaction of goodwill in your financial circumstances. You do not have to live a stressful and a losing life in terms of finances. Says the Almighty One who created heavens and earth.

Bulletproof Spirit

The First Responder's Essential Resource for Protecting and Healing Mind and Heart

New World Library If you are a police officer, firefighter, EMT, ER nurse, or soldier, or you love one . . . This book can save your life Suicide, depression, anxiety, post-traumatic stress disorder (PTSD), substance abuse, and many more emotional and stress-related problems plague the first-responder community. Hundreds of thousands of these brave public servants have unwittingly become victims of the professions they once loved. However, the suffering that results from a professional life of sacrifice and service can be prevented and mitigated. As a law-enforcement

veteran, police captain Dan Willis has witnessed the damage of emotional trauma and has made it his personal mission to safeguard and enhance the wellness and wholeness of police officers, firefighters, EMTs, emergency-room personnel, and soldiers. *Bulletproof Spirit* offers field-tested expertise designed to be used by all first responders — and their families — to heal themselves and continue serving with compassion and strength.

The Crystal Healer

How to Use Crystals to Heal Body and Mind

Hachette UK Harness the power of crystals to heal promote physical wellbeing, balance your emotions and achieve spiritual harmony. Beautiful and mysterious, crystals have been used for thousands of years for decoration, adornment, protection and healing, but they are so much more than beautiful objects. When crystals are formed, tremendous heat and pressure arranges their molecules into a regular pattern and this sacred geometry is what gives crystals their unique ability to absorb, store, generate and transmit energy. Working with crystals can therefore help us amplify, direct and balance the flow of our life-force in our bodies and surroundings. The Crystal Healer is your introduction to everything you need to know to get started with crystals so that you can benefit from the gentle natural healing properties of crystals. Discover 20 practical exercises to use crystals to improve your health, balance your emotions and find peace and harmony. Learn how to: - Choose and care for crystals, from selecting crystals for the colours, shapes and properties that best suit your needs to cleansing your crystals between uses - Connect with your chakras, helping you to balance and heal your chakras and connect with and heal specific parts of your body, - Promote physical wellbeing with exercises that help with pain relief, clearing nasal congestions, soothing sore throats, improving digestion, addressing hormonal imbalances, strengthening immune systems, improving sleep and detoxifying the body - Regulate your emotions with exercises that ease stress, combat anxiety and depression, release fears and phobias, push out anger and draw in forgiveness, clear brain fog and ease heartache - Reach for spiritual harmony by using crystals to enhance your intuition, guide your meditations and improve your ability to recall and decode your dreams

Traditional Magic Spells for Protection and Healing

Simon and Schuster An in-depth collection of ancient spells and magic practices drawn from rare and newly discovered texts • Presents more than 600 magical prescriptions for healing and protection from both pagan and Christian sources • Examines the practice of diagnosing illness through magic and explores ancient

beliefs about curses and other evil spells and about devils, demons, and ghosts • Includes spells from the heavily guarded gypsy tradition of magic and healing, drawn from newly discovered materials Since the beginning of history, people have sought remedies for the many ills that have beset them, from illnesses afflicting the body to threats posed by evil and hostile individuals. In many folk healing and pagan traditions, it was believed that one must gain the assistance of the guardian spirit of a healing plant or substance through prayers or offerings before its chemical properties would be effective. The Church decried these spells and practices as pagan superstition but did not seek to exterminate these beliefs, instead transferring the responsibility for their healing powers to the apostles and saints. Drawing on his extensive knowledge of ancient texts, Claude Lecouteux presents more than 600 magical prescriptions from both pagan and Christian sources from the last 2,000 years, covering everything from abscesses and shingles to curses and healing animals. He examines the practice of diagnosing illness through magic and looks at the origins of disease according to the evolving beliefs of magic practitioners over the centuries. He explores ancient beliefs about curses and about devils, demons, and ghosts and provides an in-depth look at protection magic, including protection of health, animals, and cultivated land, protection against curses, witchcraft, bad weather, and beasts, protection of a home, and protection while traveling. He includes spells from the heavily guarded gypsy tradition of magic and healing, drawn from newly discovered materials collected by two Romanian ethnologists who lived and traveled with gypsies in Transylvania in the mid-19th century. The author also reproduces rare texts on magic healing from the 14th and 15th centuries. Revealing the vitality of these practices in the remoter areas of Eastern Europe, Lecouteux shows how the influence of this pagan worldview is still detectable in the work of modern folk healers in France and Scandinavia. He also shows how the condemnation of unorthodox methods of healing has not vanished from the contemporary world: the medieval legislation against healing by wizards and bonesetters is echoed in modern health codes that challenge the authority of naturopaths and faith healers.

Sustainable Happiness

The Mind Science of Well-Being, Altruism, and Inspiration

Routledge Today's greatest health challenges, the so-called diseases of civilization—depression, trauma, obesity, cancer—are now known in large part to reflect our inability to tame stress reflexes gone wild and to empower instead the peaceful, healing and sociable part of our nature that adapts us to civilized life. The same can be said of the economic challenges posed by the stress-reactive cycles of boom and bust, driven by addictive greed and compulsive panic. As current research opens up new horizons of stress-cessation, empathic intelligence, peak performance, and shared happiness, it has also encountered Asian methods of self-healing and

interdependence more effective and teachable than any known in the West. Sustainable Happiness is the first book to make Asia's most rigorous and complete system of contemplative living, hidden for centuries in Tibet, accessible to help us all on our shared journey towards sustainable well-being, altruism, inspiration and happiness.

Be Healed from Depression

Createspace Independent Publishing Platform This anointed book drives away the spirit of depression, Suicide, Brain disorders, Psychotic behaviors, Schizophrenic disorder. It removes all mind brokenness and all fear... Be Healed From Depression This anointed mind and life healing book drives away the spirit of depression. It removes bad thoughts and behaviours. When you have this book and read it, all your troubles and struggles are gone; you rise above, you have peace...you are uniquely cleansed, healed, protected and liberated and you breakthrough...Yeah, you flourish.

Unity of the Heart

Transforming Consciousness to an Enlightened Humanity

Hillcrest Publishing Group In "Unity of the Heart" Peter Borys, Jr. presents a multidimensional mystical anthropology and transformation that forms a spirituality of the heart. A heart-centered consciousness opens the way to living a new vision of mystical transformation and spiritual creativity. Borys develops this new vision where we live from a transcendent consciousness in our everyday life of relationships, intention, creativity, and work in the world. The book supports our pathway to experience the meditative awareness, relational self-giving, and

intention of the heart-based consciousness. Within the heart, we can seamlessly express our nonlocal and nondual mystic self as a community of being within the universe. The awakening of a consciousness of the heart unites the sciences and the mystic way to form a spiritual-scientific view of our multidimensional humanity and spiritual cosmology. Within the new vision, personal transformation to the true self in Divine unity becomes part of the evolution to an enlightened humanity.

FILLED WITH THE FULNESS OF GOD

Prayers for Healing and Protection

A Gift from God

Strategic Book Publishing Dr. Modi, a board certified psychiatrist, has used hypnotherapy in her practice for 35 years. Under hypnosis, many of her patients regressed to a past life or recalled having human, demon or alien spirits within them, or having soul fragmentation and soul loss as the source of their mental, emotional and physical symptoms. By resolving these issues, patients often feel relief from their symptoms, sometimes in just one or two sessions. The wisdom she has derived from these experiences is the subject of Prayers for Healing and Protection. This fascinating book is full of hope, energy and life. People will be drawn to it and want to share it with others. The descriptions are incredible and very easy to visualize, especially the descriptions of the Light and how it connects and illuminates everything. Prayers for Healing and Protection is a very powerful and healing book.

Crystals for Mom

Learn How to Heal Yourself, Protect Your Child, and Find Balance with the Power of Crystals

Adams Media Now new moms, moms-to-be, stressed moms, and every mom in between can use the healing power of crystals to increase energy, improve focus, and stay calm throughout life's hectic moments. Protecting Her Heart

Healing Hearts: a Lesbian Medical Romance Drama Series

mtcassen Bella Strong has her life mapped out with full-time school, her relationship with Jackson, and her career blossoming. Then she meets Dr. Leona Guillano, and everything she thought she wanted, gets blurred. Luckily, Bella has too much on her mind, and that doesn't include falling in love with the beautiful doctor. She has a boyfriend, and will soon be graduating college and headed for a nursing career. Leona left New York City for a new chapter of her life. What she didn't anticipate was finding the younger woman appealing, to the extent that she would do anything to protect her, including risking her job. In Leona's eyes, their chemistry sparks flames immediately. However, Bella seems to be focused on her work and that causes Leona to take a step back. If the younger woman is distant, then perhaps she should tread lightly. It's best, anyway, because the last thing Leona needs is another broken heart. Yet, Bella's eyes have a way of drawing her in and tossing Leona towards her in a way that is hard to ignore. If only she could break through those barriers that Bella keeps putting up between them. Can Leona break through those barriers, revealing a secret that Bella has kept from her? Plus, will Bella allow her to get close enough to knock them down, when it includes being honest with everyone, including herself - especially herself? Bella and Leona share a love that could surpass all expectations, but it will take true courage for Bella to succumb to her deepest desires. And she's been protecting her heart long enough, will Leona be the woman that can let herself go? Protecting Her Heart is a story of two women who must be honest with each other and themselves if they truly want to risk everything and ignite the fire between them. Two women, one love. Sometimes, your heart knows better than to settle for comfortable safety! Lose yourself in confusion and courage with Tabby and Leona. What Do You Do If Everything You Worked For Is Pushing You Furthest From Everything You Want?
