Call it a tapestry of turmoil: A noisy pictorial in which the golden threads of triumph knot against the black, frazzled strings of tragedy. Call it a symphony of emotions: A sunrise-to-sunset orchestration of extremes. One score is brassy with exuberance -- the next moans with sorrow. Whatever you call it -- call it real. Author Max Lucado calls it "the second most stressful day in the life of our Savior." Before the morning becomes evening Jesus has reason to weep, then run, then shout, the curse, then praise, then doubt. Within a matter of moments his world is turned upside down. Sound familiar? The pink slip comes. The doctor calls. The divorce papers arrive. The check bounces. The life that had been calm is now chaotic. The world that had been serene is now stormy. Assailed by doubts. Pummeled by demands. If you've ever wondered if God in heaven can relate to you on earth, then read and re-read this pressure-packed day in the life of Christ. It is the only day, aside from the crucifixion, that all four gospels recorded. Lucado has interwoven their accounts in such a way that you will be assured that God knows how you feel. And you will be assured that within every torrent there is a calm center -- a place you can stand when your world gets windy. The Eye of the Storm. Lucado 2in1 (In the Eye of the Storm and Applause of Heaven)** *Thomas Nelson* **In the Eye of the Storm and The Applause of Heaven is authored by Max Lucado and bundled into a 2-in-1 collection. Homespun Gospel The Triumph of Sentimentality in Contemporary American Evangelicalism** *Oxford University Press* **Through an examination of the literary works of popular ministers Max Lucado, Rick Warren, and Joel Osteen, Todd M. Brenneman offers insight into a previously unexplored aspect of American evangelical identity: sentimentality. Is Mormonism Now Christian?** *Wipf and Stock Publishers* **For years, Mormonism has taught that all the creeds of Christianity were an abomination and all other churches were corrupt (Pearl of Great Price, Joseph Smith 1:19). Joseph Smith was told not to join with any of them, but to help lead in what would be a restoration of the true church. In the same way, Christianity has never accepted Mormons among their ranks, considering them teachers of a different gospel (Galatians 1:6). But a new ecumenical spirit of openness might suggest that the doctrinal distance between these two groups is shrinking. Are the two sides actually moving closer together? Is there significant change within the ranks of Mormonism? If so, is the change widespread? Does this new direction reflect the views of the leadership, or is it simply the belief of a few? Worse yet, is it a deceptive media ploy on behalf of the Church of Jesus Christ of Latter-day Saints (LDS) to appear to be something it is not? This work is a fresh new look at the distinctives between Christianity and Mormonism in an attempt to answer the question: "Is Mormonism Now Christian?"** **Heart of the Living God Love, Free Will, Foreknowledge, and Heaven / a Theology on the Treasure of Love** *AuthorHouse* **Maness asks us to tie up our sneakers, for we are going to have some fun as we hike into the Grand Canyon of Love. Love is the treasure of life. It is Love all the way. Nothing else really matters outside of Love. Best of all, our Love will only get better in heaven. The treasured ability to have loving relationships is Gods gift to us in our Imago Deithe image of God we all share. Likewise, what we know of Love this side of heaven is but a dusty image of what God experiences. I want to get personally involved, says Maness. Can we have a free-will relationship with anyone, even God, if all of what we do and think is settled? I dont think so. Love is greater than that, and I shall prove that, and that is indeed a Grand Canyon. Manes brings some of the brain-splitting complexities of this to light with good humor, introduces dynamic foreknowledge, and challenges Classical Theisms avoidance of Love. And he exposes some foul play in the process. Thats the first half of the book. For those wanting to strike out on their own (wanting to see more of the depth and diversity of the Grand Canyon), the second half contains reviews of about 60 major authors, a 4,000+ Abysmal Bibliography, and a huge index to just about everything in the book. Maness has thrown a gauntlet before the Classical Theists. So tie up your sneakers and take a hike with Michael G. Maness as he walks with you into the Grand Canyon. see more at [www.PreciousHeart.net](http://www.PreciousHeart.net)** **God's Amazing Grace, Loving Mercy & Abiding Peace** *Xulon Press* **The purpose of my autobiography is to give my heart-felt thanks to the Lord for what He has done for me for the past 60 years beginning from 1950 when I became a Christian during the war of Pohang in the boundary of life and death to 2010 when I officially closed the Lord's ministry as pastor of International Bible Church in Los Angeles. The desire of writing this book is totally on my own, for neither did the Lord ever ask me to write this book, nor did He ever need this book to be written. When a person receives God's amazing grace, loving mercy and abiding peace, in him is welling up a spring of water of thanksgiving from his inner heart without ceasing until he shares its amazing grace and loving mercy and abiding peace with others. This is just what I have done in this book. I am giving the Lord my heart-felt thanksgiving for the 20 miracles that have happened to me for the past 60 years without which I wouldn't be here today. To God be the glory and honor forever, Amen! Mark E. Oh, PhD, DMin, is a graduate of Keimyung University (Korea), San Francisco Theological Seminary, New Orleans Baptist Theological Seminary, Western Seminary, California Graduate School of Theology, and Fuller Theological Seminary. They're talking layoffs at work, slowdowns in the economy, flare-ups in the Middle East, turnovers at headquarters, downturns in the housing market, upswings in global warming. Oversized and rude, fear herds us into a prison of unlocked doors. Wouldn't it be great to walk out? Imagine your life, wholly untouched by angst. What if faith, not fear, was your default reaction to threats? If you could hover a fear magnet over your heart and extract every last shaving of dread, insecurity, or doubt, what would remain? Moving from Fear to Freedom A Woman's Guide to Peace in Every Situation *Harvest House Publishers* Fear was not part of God's original agenda for his creation. It slithered onto the scene when Adam and Eve sinned, causing a tear in their relationship with God. And even though fear touches every life and can still debilitate people today, the news isn't all bad. Popular speaker and author Grace Fox demonstrates how believers can face their fear and actually let it be a catalyst for change. Readers will learn how to stop hiding from God and instead develop a deeper relationship with Him. This is what she calls "the upside of fear": When we cry out to God for help, He answers, and we experience Him in new ways. Each chapter highlights a particular area where readers can begin to experience freedom from fears about their personal identity, their finances, their kids, the future, and more.
