Annual Report of the Department of Atomic Energy, Government of India

Annual Report

India of My Dreams

Prabhat Prakashan A book, which places before the reader not only those basic and fundamental principles, but also indicates how we can help to fulfill them through our freedom by establishing a polity and social life, and through the instrumentality of a constitution and the dedication of the human material which this vast country will now throw up to work without any external fetters or internal inhibitions, will be welcomed by all. Shri R. K. Prabhu has proved his skill in making a selection of the most telling and significant passage from Mahatma Gandhi's writings and have no doubt that this volume will be a useful addition to the literature on the subject.

Yoga Sutras of Patanjali

Progres Et Declin Sa Yoga Sutras of Patanjali (Yoga Elements) by Maharishi Patanjali

The Room on the Roof

Penguin UK The Room on the Roof is a timeless coming-of-age novel that will resonate with a whole new generation of readers.

Written by renowned author Ruskin Bond when he was just seventeen, it is the story of Rusty, a teenage Anglo-Indian boy who is orphaned and has to live with his English guardian in the stifling European quarter of Dehra Dun. Unhappy with the strict ways of his guardian, Rusty runs away from home to live with his Indian friends into the dream-bright world of the bazaar, Hindu festivals and all manner of Indian life. Rusty is enthralled, and is lost forever to the prim proprieties of the claustrophobic European community.

The Discovery of India

Bunty

National Publishing House Mannu Bhandari's writing disproves the myth that acceptance of a literary work by a wider readership is necessarily at the cost of its artistic qualities.

On Liberty

The Subjection of Women

Long Walk To Freedom

Hachette UK These memoirs from one of the great leaders of our time are 'essential reading for anyone who wants to understand history - and then go out and change it' Barack Obama The riveting memoirs of the outstanding moral and political leader of our time, Long Walk to Freedom brilliantly re-creates the drama of the experiences that helped shape Nelson Mandela's destiny. Emotive, compelling and uplifting, Long Walk to Freedom is the exhilarating story of an epic life; a story of hardship, resilience and ultimate triumph told with the clarity and eloquence of a born leader. 'Enthralling . . . Mandela emulates the few great political leaders such as Lincoln and Gandhi, who go beyond mere consensus and move out ahead of their followers to break new ground' Sunday Times 'The authentic voice of Mandela shines through this book . . . humane, dignified and magnificently unembittered' The Times 'Burns with the luminosity of faith in the invincible nature of human hope and dignity . . . Unforgettable' Andre Brink

An Essay on the Principle of Population

Cosimo, Inc. Around 1796, Mr. Malthus, an English gentleman, had finished reading a book that confidently predicted human life would continue to grow richer, more comfortable and more secure, and that nothing could stop the march of progress. He discussed this theme with his son, Thomas, and Thomas ardently disagreed with both his father and the book he had been reading, along with the entire idea of unending human progress. Mr. Malthus suggested that he write down his objections so that they could discuss them point-by-point. Not long after, Thomas returned with a rather long essay. His father was so impressed that he urged his son to have it published. And so, in 1798, appeared An Essay on Population, by British political economist and demographer THOMAS ROBERT MALTHUS (1766-1834). Though it was attacked at the time and ridiculed for many years afterward, it has remained one of the most influential works in the English language on the general checks and balances of the world's population and its necessary control. This is a replica of the 1826 sixth edition. Volume 1 includes: Book I: "Of the Checks to the Population in the Less Civilised Parts of the World and in Past Times" and Book II: "Of the Checks to the Population in the Different States of Modern Europe."

An Agricultural Testament

Lulu.com

One Day in the Season of Rain

The Play that launched modern Hindi theatre

Penguin UK In a remote village in the foothills of the Himalayas, a gifted but unknown poet named Kalidas nurtures an unconventional romance with his youthful muse, Mallika. When the royal palace at Ujjayini offers him the position of court poet, Kalidas hesitates, but Mallika persuades him to leave for the distant city so that his talent may find recognition. Convinced that he will send for her, she waits. He returns years later, a broken man trying to reconnect with his past, only to discover that time has passed him by. // A classic of postcolonial theatre, Mohan Rakesh's Hindi play is both an unforgettable love story and a modernist reimagining of the life of India's greatest classical poet. It comes alive again in Aparna and Vinay Dharwadker's new English translation, authorized by the author's estate. This literary rendering is designed for performance on the contemporary cosmopolitan stage, and it is enriched by extensive commentary on the play's contexts, legacy, themes and dramaturgy.

Self-Reliance

The Unparalleled Vision of Personal Power from America's Greatest Transcendental Philosopher

Hachette UK The Extraordinary Manifesto of Independent Living -Newly Abridged and Introduced in this Powerful Condensation Self-Reliance is a life-changing experience-its message of nonconformity, self-expression, and personal independence can awaken you to a new, and better, way of living. Now, historian and New Thought scholar Mitch Horowitz has deftly and faithfully retained the most powerful ideas of Ralph Waldo Emerson's original classic, and reintroduced this work in this one-of-a-kind condensation. Listenable

within the space of an average commute or lunch hour, the experience of Self-Reliance may represent a true turning point in your life.

Education and Social Mobility

Routledge The study of education and social mobility has been a key area of sociological research since the 1950s. The importance of this research derives from the systematic analysis of functionalist theories of industrialism. Functionalist theories assume that the complementary demands of efficiency and justice result in more 'meritocratic' societies, characterized by high rates of social mobility. Much of the sociological evidence has cast doubt on this optimistic, if not utopian, claim that reform of the education system could eliminate the influence of class, gender and ethnicity on academic performance and occupational destinations. This book brings together sixteen cutting-edge articles on education and social mobility. It also includes an introductory essay offering a guide to the main issues and controversies addressed by authors from several countries. This comprehensive volume makes an important contribution to our theoretical and empirical understanding of the changing relationship between origins, education and destinations. This timely collection is also relevant to policy-makers as education and social mobility are firmly back on both national and global political agendas, viewed as key to creating fairer societies and more competitive economies. This book was originally published as a special issue of the British Journal of Sociology of Education.

Wings of Fire

An Autobiography

Universities Press Avul Pakir Jainulabdeen Abdul Kalam, The Son Of A Little-Educated Boat-Owner In Rameswaram, Tamil Nadu, Had An Unparalleled Career As A Defence Scientist, Culminating In The Highest Civilian Award Of India, The Bharat Ratna. This Is The Story Of Kalam`S Rise From Obscurity And His Personal And Professional Struggles, As Well As The Story Of Agni, Prithvi, Akash, Trishul And Nag--Missiles That Have Become Household Names In India And That Have Raised The Nation To The Level Of A Missile Power Of International Reckoning.

Introduction to Globalization

Larsen and Keller Education The worldwide interaction and integration of people, companies and governments is known as globalization. It is an economic process which has cultural and social aspects. The advances in transportation and communication technology are generally cited as the reasons for the growth of globalization. There are four fundamental facets of globalization - trade and enterprise, capital and investment movements, migration and displacement of people, and propagation of knowledge. Academically, globalization is subdivided into three main fields- cultural globalization, economic globalization and political globalization. Variables such as trade, foreign direct investment, gross domestic product and income are used to measure economic globalization. The topics covered in this extensive book deal with the core subjects of globalization. It presents researches and studies performed by experts across the globe. Students, researchers, experts and all associated with this field will benefit alike from this book.

Bengali Language Handbook

Rich Dad, Poor Dad

Lulu Press, Inc Although we have been successful in our careers, they have not turned out quite as we expected. We both have changed positions several times-for all the right reasons-but there are no pension plans vesting on our behalf. Our retirement funds are growing only through our individual contributions. Michael and I have a wonderful marriage with three great children. As I write this, two are in college and one is just beginning high school. We have spent a fortune making sure our children have received the best education available. One day in 1996, one of my children came home disillusioned with school. He was bored and tired of studying. "Why should I put time into studying subjects I will never use in real life?" he protested. Without thinking, I responded, "Because if you don't get good grades, you won't get into college." "Regardless of whether I go to college," he replied, "I'm going to be rich."

India 2020

A Vision for the New Millennium

Penguin UK In this ground-breaking vision document, first published in 1998, Dr A.P.J. Abdul Kalam and Y.S. Rajan offer a blueprint for India to be counted among the world's top five economic powers by the year 2020. They cite growth rates and development trends to show that the goal is not unrealistic. Past successes—the green revolution and satellite-based communication linking remote regions of the country, for instance—bear them out. The same sense of purpose can make us a prosperous, strong nation in a matter of years, assert Kalam and Rajan. This is a book that every citizen who hopes for a better India must read.

Indian Home Rule

The Floating Press Activist Mahatma Gandhi is best remembered as the freedom fighter who brought the concepts of passive resistance and civil disobedience to the world's attention in his quest for Indian independence from British rule. In the volume Indian Home Rule, Gandhi sets forth a compelling series of arguments against British colonialism in India, giving voice to the viewpoints that fueled his decades-long campaign.

Kamayani

Jaishankar Prasad's epic poem Kamayani (1936) is a feast for intellectuals. It operates at three different levels: the gross or mythological, the emotional and the spiritual. Prasad infused the vision of a rishi, a sage, into this work. The reader experiences poetic currents of human emotions - anxiety, hope, desire, love, shyness, sorrow, conflict - and finally emerges at an elevated level of consciousness.

Educational Research and Innovation The Nature of

Learning Using Research to Inspire Practice

Using Research to Inspire Practice

OECD Publishing This book brings together the lessons of research on both the nature of learning and different educational applications, and it summarises these as seven key concluding principles.

Poems about Trees

Everyman's Library POCKET POETS For thousands of years humans have variously worshipped trees, made use of them, admired them, and destroyed them- and poets have long chronicled the relationship. In this collection, Robert Frost's "Birches," Marianne Moore's "The Camperdown Elm," Gerard Manley Hopkins's "Binsey Poplars," and Zbigniew Herbert's "Sequoia" stand tall beside Eugenio Montale's "The Lemon Trees," Yves Bonnefoy's "The Apples," Bertolt Brecht's "The Plum Tree," D. H. Lawrence's "The Almond Tree," and A. E. Housman's "Loveliest of Trees." Whether showing their subjects being planted or felled, cherished or lamented, towering in forests or ?owering in backyards, the poems collected here pay lyrical tribute to these majestic beings with whom we share the earth.

The Evolution of Media

Rowman & Littlefield A concise introduction to the evolution of communication media, past, present, and future, this book is unique in that it treats both mass media--radio, television, and print--and interpersonal media--telephony, computer communication, and new technologies. The first part of The Evolution of Media describes the history and development of media technology. The second and third parts of the book develop a taxonomy for media and compare their technological requirements, applications, and other significant elements. The fourth part presents a simple methodology to help predict the success of new media products and services, using sample analyses to illustrate the process. The Evolution of Media is a useful supplement for foundational courses in mass communication and communication history, as well as a primer for anyone interested in understanding the big picture of communication media.

Biography of Malala Yousafzai

Prabhat Prakashan Malala was just 11 when the Taliban took control of the Swat Valley in Pakistan. Despite her very young age, when the Taliban invaded Valley and tried to take away what she valued the most in the world, her education, she spoke out and even blogged about it. On 9th October 2012, Malala was shot in the head at point-blank range while riding the bus home from school and her chances to survive were remote. But Malala's miraculous recovery has taken her on an extraordinary journey from a remote Valley in northern Pakistan to the halls of the United Nations in New York. At seventeen, she became a global symbol of peaceful protest and the youngest awardee ever for the Nobel Peace Prize in year 2014. This enthralling memoir brings you the remarkable tale of a family uprooted by global terrorism. Malala proved that the power of one person's voice to incite change can make lot of difference in the world. Malala is the symbol of enlightenment and courage in modern age.

The Wahhabi Movement in India

Routledge Founded by Sayyid Ahmad (1786-1831) of Rae Bareilly, the Wahhabi Movement in India was a vigorous movement for socio-religious reforms in Indo-Islamic society in the nineteenth century with strong political undercurrents. It stood for a strong affirmation of Tauhid (unity of God), the efficacy of ijtihad (the right of further interpretation of the Quran and the Sunnah, or of forming a new opinion by applying analogy) and the rejection of bid'at (innovation). It remained active for half a century. Sayyid Ahmad's writings show an awareness of the increasing British presence in the country and he regarded British India as a daru'l harb (abode of war). In 1826 he migrated and established an operational base in the independent tribal belt of the North Western Frontier area. After his death in the battle of Balakote, the Movement slackened for some time but his adherents particularly Wilayat Ali and Enayat Ali of Patna revived the work and broad-based its activities. The climax of the Movement was reached in the Ambeyla War (1863) during which the English army suffered serious losses at the hands of the Wahhabis. This led the Government to take stern measures to suppress the Movement. Investigations were launched, the leaders were arrested and sentenced to long-term imprisonments and their properties confiscated. That broke the back of the Movement but it continued to be a potential source of trouble to the

government. The Movement does not fit in neatly in any one of the groups and categories into which the history of the early resistance to British rule has been divided by some of the writers on the subject. It cut across some of them time-wise and theme-wise. The existing studies on the subject do not offer a comprehensive profile of the Movement and fail to analyse its nature and the reasons for its failure politically. This well researched study drawing on a vast array of contemporary records, many of them for the first time, seeks to fill this gap and presents an integrated account of the rise and growth of the Movement, its operation over the entire area and period of its existence, its impact and reasons for its failure. Please note: This title is co-published with Manohar Publishers, New Delhi. Taylor & Francis does not sell or distribute the Hardback in India, Pakistan, Nepal, Bhutan, Bangladesh and Sri Lanka

The Essays Or Counsels, Civil and Moral, of Francis Bacon

India After Gandhi: The History of the World's Largest Democracy

Pan Macmillan Ramachandra Guha's India after Gandhi is a magisterial account of the pains, struggles, humiliations and glories of the world's largest and least likely democracy. A riveting chronicle of the often brutal conflicts that have rocked a giant nation, and of the extraordinary individuals and institutions who held it together, it established itself as a classic when it was first published in 2007. In the last decade, India has witnessed, among other things, two general elections; the fall of the Congress and the rise of Narendra Modi; a major anti-corruption movement; more violence against women, Dalits, and religious minorities; a wave of prosperity for some but the persistence of poverty for others; comparative peace in Nagaland but greater discontent in Kashmir than ever before. This tenth anniversary edition, updated and expanded, brings the narrative up to the present. Published to coincide with seventy years of the country's independence, this definitive history of modern India is the work of one of the world's finest scholars at the height of his powers.

Chander and Sudha

Penguin UK In the idyllic university town, young women daydreamed as they lay on the grass and gazed up at the clouds. Young men took morning walks at Alfred Park. Hot summer afternoons were for drinking sherbet and eating watermelons, and evenings were meant for reading poetry. It was also a time of stifling social mores, and love was an unattainable ideal seldom realized. Allahabad of the 1940s is the serene backdrop to the turbulence of Chander's love for his professor's daughter Sudha. Driven by his passionate belief in the transcending purity of their love, Chander persuades Sudha to marry another man, to devastating consequences. Unhinged by his separation from Sudha and consumed by a restless desire to make sense of love—Is it really about sex? Is the purity of love a lie?—Chander spirals into a destructive affair with the seductive Pammi. Immensely popular since its publication more half a century ago, Chander & Sudha continues to seduce readers with its potent mix of tender passion and heartbreaking tragedy.

Ritusamharam

Penguin Random House India Private Limited Perhaps the most lively and exuberant of Kalidasa's extant works, Ritusamharam is a glorious ode to nature's bounty and the enduring emotional response it evokes in mankind as a whole. Recounted as a celebration of the passing seasons, it is a feast for the senses, capturing the myriad facets of love and longing in a kaleidoscope of sumptuous imagery: the mischievous moonlight that, like a pining lover, steals glances at sleeping maidens; the monsoon-bloated rivers that rush to the sea with a lustful urgency; the flame of lovemaking that is kindled anew at the onset of winter; the heady scent of mango blossoms that makes even the most unyielding of hearts quiver. Even animals, big and small, are swept into the playful pattern of the great poet's lyrical homage. A.N.D. Haksar's supple and spirited translation is accompanied by an absorbing introduction and notes that shed further light on this extraordinary work.
