MORE THAN HER (MORE THAN SERIES, BOOK 2)

Independently Published Please note that this is the second book in the series and should not be read prior to reading More Than This."For every action there is an equal and opposite reaction."For every choice you make there are rewards, or there are consequences.It was my choice to walk away the first time.And my choice to chase her the second.But sometimes you don't get a choice, and all you get are the consequences."Being deeply loved by someone gives you strength, while loving someone deeply gives you courage."Unless that someone is Logan Matthews. Because loving him didn't give me the strength to walk away.It didn't give me the courage to fight for him.And when it was over, all it gave me was a broken heart.

MORE THAN THIS

Amazon Children's Publishing When a distressing discovery on her prom night is followed by devastating tragedy, Mikayla finds herself turning to Jake, a boy she barely knows.

MORE THAN ENOUGH

Createspace Independent Publishing Platform There's no emotion greater than fear. No ache greater than grief. No sound greater than silence. *** I'm grateful he showed up on my doorstep, pissed off and angry at the world. If he hadn't, I wouldn't be here. And I don't just mean here on this journey with him. I mean here, in this world. * I wonder what events in all our lives-hers included-are The Turning Points? The points where we all determine that the fear of our pasts and the uncertainty of our futures are greater than our need for happiness. Here. Now. While time and everything around us stands unmoving... who's to say we can't have it all? *** We wanted it all. We wanted it with each other. We thrived on the chaos we created. And ignored the Mayhem that ensued. Because falling in love was easy. But sometimes, love isn't enough.

MORE THAN FOREVER (2015)

CreateSpace Series reading order: More Than This (Book one) More Than Her (Book two) More Than Him (Book three) -LUCY- There is a love so fierce it cannot be measured. A heart so strong it will never slow. There is a promise so sure it can never lie. He promised me that love forever. Even when it wasn't enough. -CAMERON- Forever. Everlasting. Eternal. There is no measure of time. No sounds of the ticking of a clock. Just the rising and falling of the sun. And our own sense of forever. But our forever isn't always.

COAST (KICK PUSH 2)

Jmac Publishing One life-changing summer. One boy. The boy. The boy who offered me safe touches and heart-stopping smiles - smiles he shared with his son. We filled our days with porch-step kisses, filled our ears with laughter, filled our hearts with love. Deep, soul-aching, desperate love. But love is misleading. It's an invisible, fleeting moment. Somewhere between false adoration and pure hatred comes an emotion, a vulnerable need, a single desire. It lives within the ones who miss it, who crave it, who know better than to expect it. Love is relentless. Even when that love turns to hate, turns to loathing, turns to pain. Love should heal you. But it can also break you. Believe me, I know... Because I'm Becca Owens - a broken girl... ...And he's Josh Warden - the boy who broke me.

HEARTACHE AND HOPE

PIECES OF YOU (ALTERNATE COVER)

Pieces Duet They could've been perfect.In another time. Another world.Where his wasn't falling apart.And hers wasn't already in pieces.-High school senior Holden Eastwood only has one fear in life: growing up.He spends his days unmotivated, moving from one game to the next, searching for his next challenge.He never expected that challenge to come in the form of a girl?A girl with zero fashion sense, a filthy mouth, and a bullsh*t attitude.Unlike Holden, Jameson Taylor had no choice but to grow up.Neglected, isolated, and forced to raise herself, Jameson only has one goal in life: graduate and move on.The last thing she needs is some guy she can't stand suddenly declaring her as his new hobby.Their lives couldn't be more opposite.Their pasts a complete paradox.But in each other, they find the unexpected?They find solace.Fragments of forever?A forever that might tear them to pieces.

THE FEDERALIST PAPERS

Read Books Ltd Classic Books Library presents this brand new edition of "The Federalist Papers", a collection of separate essays and articles compiled in 1788 by Alexander Hamilton. Following the United States Declaration of Independence in 1776, the governing doctrines and policies of the States lacked cohesion. "The Federalist", as it was previously known, was constructed by American statesman Alexander Hamilton, and was intended to catalyse the ratification of the United States Constitution. Hamilton recruited fellow statesmen James Madison Jr., and John Jay to write papers for the compendium, and the three are known as some of the Founding Fathers of the United States. Alexander Hamilton (c. 1755-1804) was an American lawyer, journalist and highly influential government official. He also served as a Senior Officer in the Army between 1799-1800 and founded the Federalist Party, the system that governed the nation's finances. His contributions to the Constitution and leadership made a significant and lasting impact on the early development of the nation of the United States.

DARKNESS MATTERS

Createspace Independent Publishing Platform It's the same old story, really. Good versus evil. Heroes versus villains. Light versus dark. For two years, college freshman Noah Morgan lived his life somewhere in the middle, fighting darkness and light, always searching for answers to a single question: Why, Noah, why? The same three words keep him up at night, struggling for air while gripping a plastic cylinder containing white pills to match the white label with his name printed in ink as deep and dark as his memories-memories that turned him into a recluse. A shut-in. An introvert. Luckily for him, that's not how the girl next door sees him.

DESTRUCTIVE

Some villains are made.Some villains are born. And some villains aren't villains at all. Nate DeLuca was born into a life he didn't want.Forced to walk a path that was already chosen for him. Grandson to a mob boss, he's forever torn between his duty, his honor, his legacy, and the truth. But the truth is never simple, and it's not at all what it seems. In a world full of secrets, heartache, and betrayals, Nate only has one thing on his mind: redemption. But with redemption comes destruction. And that destruction might cost him his heart.***Three Lives. Two Loves.One ticking time bomb...Tick tock.

LUCAS - A PRESTON BROTHERS NOVEL

A MORE THAN SERIES SPIN OFF

Createspace Independent Publishing Platform In a sprint, every millisecond counts. When you're waiting for love, those milliseconds can feel like eons. High school senior Lucas Preston has it all: star of the track team, a scholarship waiting for him, an apartment to himself and a revolving door of girlfriends. He also has an older sister, five younger brothers and a father who relies on him to make sure those brothers don't kill each other. His saving grace? Lois "Laney" Sanders, a girl he started to fall in like with when he was just eleven. A girl who became his best friend, his confidant, his courage. It took only sixteen clicks and eight seconds for Lucas to realize that his like for Laney had turned into love. Eight life-

changing seconds. It's also the exact length of time it took to lose her."

STRENGTHENING FORENSIC SCIENCE IN THE UNITED STATES

A PATH FORWARD

National Academies Press Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. Strengthening Forensic Science in the United States: A Path Forward provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. Strengthening Forensic Science in the United States gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

DEAD FISH DON'T SWIM UPSTREAM

REAL LIFE LESSONS IN ENTREPRENEURSHIP

Business Expert Press Business academia offers an excellent entrepreneurial foundation. Then reality sets in. This book bridges the gap between academia and real business, to counsel by example, and to deliver timely, actionable recommendations to capitalize on opportunities, or to sidestep hidden business grenades. Advice is best delivered by those who have successfully walked the entrepreneurial trail, but not without incurring some scars along the way. That's us. For the university instructor or professor, this book adds another dimension to what is being taught, and facilitates the lecturers' ability to convey important business lessons in bite-size morsels.

WHERE THE ROAD TAKES ME

Skyscape Chloe has one plan for the future, and one plan only: the road. She's made a promise to herself: don't let anyone in, and don't let anyone love her. Blake Hunter is a basketball star who has it all--everything about him looks perfect to those on the other side of his protective walls. He can't let anyone see the shattered pieces behind the flawless facade or else all his hopes and dreams will disappear. One dark night throws Chloe and Blake together, changing everything, when the so-called perfect boy starts to notice the invisible girl.

FIRST AND FOREVER

HEARTACHE DUET BOOK TWO

First and Forever is the second book in the Heartache Duet, and must be read after Heartache and Hope. There are no more goodnight kisses. No knocks on windows. No lengthy text messages. No late-night phone calls. And no game day balloons. There's just Connor. And Ava. Existing in a world filled with nothing but heartache. While searching the darkness for glimmers of hope. Because with hope, comes magic. And magic is forever.

THE PSYCHOSOCIAL IMPLICATIONS OF DISNEY MOVIES

MDPI In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

REDEMPITIVE

Createspace Independent Publishing Platform It's said that your life flashes before your eyes when you die. It must only happen to those whose lives were worthy. Clearly, mine was not. The only thing that happened to me was a repeat of what I thought was my death. The blast of the gun as it went off. The loss of my breath as two hundred pounds of dead weight dropped on top of me. And then darkness. This replayed over and over. When the guy squatted down next to me and asked if I was hurt, the only thing I could see, feel, hear, were those few seconds. Even now, as I sat in the back of a blacked out van-it was the only thing that ran through my mind. Gunshot, breath, darkness.

THE BELL JAR

e-artnow This carefully crafted ebook: "The Bell Jar" is formatted for your eReader with a functional and detailed table of contents. Esther Greenwood, a young woman from the suburbs of Boston, gains a summer internship at a prominent magazine in New York City, under editor Jay Cee; however, Esther is neither stimulated nor excited by either the big city or the glamorous culture and lifestyle that girls her age are expected to idolize and emulate. She instead finds her experience to be frightening and disorienting. From hereafter her mental state keeps deteriorating until she starts feeling helpless as if being kept inside a glass bell jar! The Bell Jar is the only novel written by the American writer and poet Sylvia Plath. Originally published under the pseudonym "Victoria Lucas" in 1963, the novel is semi-autobiographical, with the names of places and people changed. The book is often regarded as a roman à clef because the protagonist's descent into mental illness parallels Plath's own experiences with what may have been clinical depression or bipolar II disorder. Plath died by suicide a month after its first UK publication. The novel was published under Plath's name for the first time in 1967 and was not published in the United States until 1971, in accordance with the wishes of both Plath's husband, Ted Hughes, and her mother.

Createspace Independent Publishing Platform As a kid, Logan Preston was a brat. Through his teens, he became the bad boy. Now, at nineteen, no one knows what the hell to expect. High school dropout, Logan Preston is a good-for-nothing stoner. A black sheep. A disappointment. The worst Preston Punk of the lot. At least that's how everyone in his small town makes him feel. But Logan Preston has secrets. Secrets so dark and so deep below the surface that the only way he can fight them is to stay high, high, high. He wears cockiness as a mask. Arrogance as his armor. Until one girl, one night, asks one life-changing question: What's beneath the bravado, Logan Preston?

COMBATIVE

CreateSpace We all play victims to our pasts; to the choices we make and the lives we create. They define who we are. And sometimes if we're lucky enough, the past stays where it belongs: in the past. I'm not one of the lucky ones. I never have been. Because now the past is knocking on my door, offering deals I have no choice but to take... deals that will help bring justice-not just for me, but for my brothers. The problem? The deal is a ticking time bomb. One I didn't know existed. Tick. Tock.

THE NEW YALE BOOK OF QUOTATIONS

Yale University Press A revised, enlarged, and updated edition of this authoritative and entertaining reference book —named the #2 essential home library reference book by the Wall Street Journal “Shapiro does original research, earning [this] volume a place on the quotation shelf next to Bartlett's and Oxford's.”—William Safire, New York Times Magazine (on the original edition) “A quotations book with footnotes that are as fascinating to read as the quotes themselves.”—Arthur Spiegelman, Washington Post Book World (on the original edition) Updated to include more than a thousand new quotations, this reader-friendly volume contains over twelve thousand famous quotations, arranged alphabetically by author and sourced from literature, history, popular culture, sports, digital culture, science, politics, law, the social sciences, and all other aspects of human activity. Contemporaries added to this edition include Beyoncé, Sandra Cisneros, James Comey, Drake, Louise Glück, LeBron James, Brett Kavanaugh, Lady Gaga, Lin-Manuel Miranda, Barack Obama, John Oliver, Nancy Pelosi, Vladimir Putin, Bernie Sanders, Donald Trump, and David Foster Wallace. The volume also reflects path-breaking recent research resulting in the updating of quotations from the first edition with more accurate wording or attribution. It has also incorporated noncontemporary quotations that have become relevant to the present day. In addition, The New Yale Book of Quotations reveals the striking fact that women originated many familiar quotations, yet their roles have been forgotten and their verbal inventions have often been credited to prominent men instead. This book's quotations, annotations, extensive cross-references, and large keyword index will satisfy both the reader who seeks specific information and the curious browser who appreciates an amble through entertaining pages.

PRIEST OF BONES

Hachette UK 'Charismatic and very more-ish' - Mark Lawrence, bestselling author of Red Sister 'Sixty-five thousand battle-shocked, trained killers came home to no jobs, no food and the plague. What did Her Majesty think was going to happen?' Tomas Piety takes his duties seriously: as a soldier, as a priest of Our Lady of Eternal Sorrows and as a leader of men. He has come home from the war to reclaim his family business, to provide for his men and to ensure the horrors of Abingon can never happen in Ellinburg. But things have changed: his crime empire has been stolen and the people of Ellinburg - his people - have run out of food and hope and places to hide. With his best friend Bloody Anne, his war-damaged brother Jochan and his new gang, the Pious Men, Tomas sets out to reclaim what was his. And as Tomas is dragged into a web of political intrigue by the sinister Queen's Men, forced to work against the foreign infiltrators lurking in the backstreet taverns, brothels and gambling dens of the Stink, one thing becomes clear. The war has just begun. 'Fans of Daniel Polansky, Mark Lawrence or, dare I say, Blackwing will most appreciate this book' - Ed McDonald, author of Blackwing

BERLIN

INSPIRATION FOR PUBLIC SERVICE BROADCASTING'S HIT NEW ALBUM BRIGHT MAGIC

Hachette UK The first single-volume biography of Berlin, one of the world's great cities - told via twenty-one portraits, from medieval times to the twenty-first century. A city devastated by Allied bombs, divided by a Wall, then reunited and reborn, Berlin today resonates with the echo of lives lived, dreams realised and evils executed. No other city has repeatedly been so powerful and fallen so low. And few other cities have been so shaped and defined by individual imaginations. Through vivid portraits spanning five centuries, Rory MacLean reveals the varied and rich history of Berlin, from its brightest to its darkest moments. We encounter an ambitious prostitute refashioning herself as a princess, a Scottish mercenary fighting for the Prussian Army, Marlene Dietrich flaunting her sexuality and Hitler fantasising about the mega-city Germania. The result is a uniquely imaginative biography of one of the world's most volatile yet creative cities.
