Winning Prayer Breaking Financial Hardship Religion, History, and Politics in Nigeria Essays in Honor of Ogbu U. Kalu University Press of America
Religion, History, and Politics in Nigeria is concerned with the problematic nature of religion and politics in Nigerian history. The book provides a lively and straightforward treatment of the relationship among religion, politics, and history in Nigeria, and how it affects public life today. By adopting various cultural, historical, political, and sociological perspectives, the text's contributors provide an excellent introduction to the volatile mix of religion and politics in Nigerian history, as well as a range of strategic choices open to religious adherents. The complexity of the relationship among religion, history, and politics is organized around four themes: indigenous values and the influence of Islam and Christianity, colonialism and religious transformation, the religious landscape of the post-colonial period, and the rise of evangelism and fundamentalism. The volume provides an insightful guide to contemporary history, contemporary religion, and contemporary politics, enabling the reader to reach informed and balanced judgments about the role in religion in Nigerian history and politics. This opens the door for serious examination and debate, and will be excellent for use by the general reader and in political science, history, and religion courses. The Winning Mentality Primedia E-launch LLC **Power Through Prayer** Wildside Press LLC **The contents of this message upon prayer should be read alike by preacher and teacher, evangelist and intercessor. amongst all who are looking for a revival of true religion in our land, and an exodus of ambassadors for Christ to heathen and Moslem populations. -- Albert A. Head. **Success in Marriage Pentecostalism and Politics in Africa** [Springer](#) As the epicenter of Christianity has shifted towards Africa in recent decades, Pentecostalism has emerged as a particularly vibrant presence on the continent. This collection of essays offers a groundbreaking study of the complex links between politics and African Pentecostalism. Situated at the intersection between the political, the postcolonial, and global neoliberal capitalism, contributors examine the roots of the Pentecostal movement's extraordinary growth; how Pentecostalism intervenes in key social and political issues, such as citizenship, party politics, development challenges, and identity; and conversely, how politics in Africa modulate the Pentecostal movement. **Pentecostalism and Politics in Africa** offers a wide-ranging picture of a central dimension of postcolonial African life, opening up new directions for future research. **Success Systems KEYS TO ANSWERED PRAYERS** [Trafford Publishing](#) Prayer is a two way communication between man and God. Christians commune with God through Prayer, but most Christians complain that they don't receive answers to their prayers. The **KEY TO ANSWERED PRAYERS** is very simple and it has only one name, it is called **COMMUNICATION**. It is not your length of prayers that matters, what matters is are you communicating? Imagine picking up your cell phone to make a call, the only way for you to be able to communicate with the person on the other side is to ensure that you have a dialing tone, and that there is a communication link available, to signify you have access to the receiver, without these in place you can't communicate nor even get a response. In this book you will learn the art of effective communication, the proper channel to link heaven directly and get rapid answers to your prayers. You will also learn how to walk under an open heavens every second, every minute, every hour, 24 hours a day, 365 days a year and continually till Jesus comes. **Prayer Rain** [Mountain of Fire and Miracles Ministries](#) This 125 chapter, page turner accurately diagnoses and proffers fail-proof prayers for breakthroughs in diverse, challenging life-situations; ranging from Prayers for Spiritual growth, Profitable sales, Divine favour, Marital breakthroughs, Salvation of loved ones, Victory in Court, Success in Exams, Career Breakthroughs, Victory over Nightmares, Success in Ministry, Breaking Curses, Divine Healing leading to Divine health guarantees, Deliverance from satanic attacks and many more. **Prayer Rain** provides a way out for all those wallowing helplessly under satanic harassment. Teach Us to Pray [Xulon Press](#) Teach Us To Pray Prayer creates a sweet smelling fragrance around God's throne. Every church and every Christian must practice the act of prayer in order to create that fragrance before the throne of God. We pray to instigate war in the heavenlies-we command the fight in the spirit realm. We bring the forces of heaven-the angels to collide with the forces of darkness-satanic princes over nations that resist the angels from delivering God's answers to prayer. The prophet Daniel committed himself to fasting and prayer for twenty-one days. The angel bringing Daniel's answer could not deliver the message because the prince of Persia-a satanic principality-hindered him. The angel had to call for backup from heaven. God sent Archangel Michael to take up the fight. The first angel slipped through the fight and conveyed the message to Daniel. Your prayers can do the same. The Healing Balm New Media and the Mediatisation of Religion An African Perspective [Cambridge Scholars Publishing](#) New media, including digital and social media, play a central role in producing and reproducing socio-cultural and religious practices. Its presence has not only resulted in changes to the ways in which religious beliefs are practiced, but has also altered the way religious meanings are expressed. How has new media technology informed and influenced religious engagement and participation? In what ways has new media technology enabled religious groups to practice and preach their religious beliefs to a broader audience? To what extent has the emergence of social media and social networking sites shaped religious discourses and religious practices? This volume offers a unique, Africa-centred perspective in response to these questions. While presenting new scholarly developments in the fields of media, religion and culture in Africa, this book also provides empirical and theoretical insights into the intersection between new media and religion. 191 MOTIVATIONAL QUOTES ON PRAYER SUCCESS IMPACT ENT. This subject is not taught as much in the body of Christ again for many reasons. We just feel that it puts fear in people and we live in a time and age where people should not be made to be afraid. Unfortunately, if we do not teach about the reality of the afterlife, that there is eternity beyond this realm, we'll be cheating them. This is the heart of the Christian experience. So, we started last week. Part one was proving to us from scripture that there is a place called heaven and there is a place called hell. Incase you've been indoctrinated to believe there is no heaven, it doesn't make any difference there is because one day you'll see one of those places for sure whether you believe it or not. The question is not 'will you spend eternity?' that's a wrong question. It's the location that matters because you'll spend eternity for sure **Pray Or Be Preyed** [Lulu.com](#) **Victory over Death** [WestBow Press](#) The fear of death is Satans snare that leads to the grave. Introduction Believers continue to struggle with the tragedy of unfulfilled prophecies. Here and there, men and women of God all over the world continue to speak the counsel of God to individuals. Then we notice that people receive these prophecies sincerely but most of them never come to pass. Today is an attempt to show us what may be wrong and also to reveal to us the place of the prophetic and the place of the word of God. This is because there are people, for instance, who have seen things in visions and dreams or have received prophetic word from genuine and anointed men of God. Some of these prophecies may not have been consistent with the dealings of God. Some of them may have been negative prophecies and they have remained helpless believing that just because a man anointed and accredited by God made a pronouncement to them means that nothing could be done about it. So they sit down and allow this prophecies happen. **1 Tim 1:18** This charge I commit unto thee, son Timothy, according to the prophecies which went before on thee, that thou by them mightiest war a good warfare. Paul was talking to his son in the gospel, Timothy. And he is encouraging him that prophetic word have been released to go ahead of him. Then he tells him that by those prophecies that have gone ahead of him, he should war a good warfare. So it is possible that prophetic word can be sent ahead of a person, whether in ministry, family life, business, etc. There are people here and there who, probably because of their religious affiliations or the kind of the structure of mentorship they have received, they have been trained to ignore and despise the prophetic. Some persons have been very vocal about the fact the prophetic is no longer useful in

today's church. All versions of sarcasm have been communicated as regards the prophetic. Whereas, the Bible u settled it once and for all in 1 Thess 5:20. It says "despise not prophesyings." This is a warning. It is telling you that you must not despise prophecy in your journey through life. This means that the Bible recognize that there is a place for the prophetic. If you find yourself in an environment where people or even the leaders there continually despise prophecy, you don't have to fight anybody or create a scene there. Just let it be a settled conviction within you that in the journey of a believer, there is a place for the prophetic. When it comes to prophecy, the Bible tells us that even the scripture is a prophecy. **Living A Productive Life** Lulu.com You were created to be productive and produce fruits of godly character; You were born to make positive impact in life and not to live an average life style, so let your light shine. Drawing on performance studies' emphasis on radicality and breaking of social norms as devices of social transformation, the book demonstrates how Christian groups with dominant cultural power but who perceive themselves as embattled wield the ideas of performance activism. Combining religious studies with ethnography, **Powerful Devices** explores Nigerian Pentecostals and US Evangelicals' praxis of transnational spiritual warfare. By closely studying spiritual warfare prayers as a "device," **Powerful Devices** shows how the rituals of prayer enable an apprehension of time, paradigms of self-enhancement, and the subversion of politics and authority. A critical intervention, **Powerful Devices** explores charismatic Christianity's relationship to science and secular authority, technology and temporality, neoliberalism, and reactionary ideology. **Become the Solution You Are Created to Be** Xlibris Corporation This book is going to push out the world changer in you. The Blood-triumph An Introduction to Theology in Africa and the Kpelelogical Foundations of Christian Theology [Wipf and Stock Publishers](#) In this book, African Christian theology is introduced as a Kpelelogical reflection about life in the context of Africa, which exists in the context of the cosmos. Kpelelogy is the ontological mode of being grasped by the agape of God in Christ by grace through faith in the power of the Holy Spirit. By this mode, African theology is introduced by way of a definition, a principle of paradox, and a description, as well as a critical view of the works of African theologians. It examines the issues of method, criteria, and sources of doing theology in Africa and introduces the method of Kpelelogy as an African theological method. This is explored further as a holistic theological method that is conscious of its being in existence, and its life in history, that is driven by faith in the triune God in a pneumatic experience that has been termed in this book as the Kpelelogical ontological mode. The book is ecumenical in view of its engagement with Christian tradition. It presents a Kpelelogical theology that is concretely African and universally Christian in the Okpelejen Wulormor—the cosmic Jesus Christ who is and was, but beyond the munus triplex (Priest, King and Prophet, threefold office of Jesus Christ) that is to come. Hence it is a theology which embraces elements of Reformed, Lutheran, Methodist, Pentecostal, Charismatic, Roman Catholic, and Eastern Orthodox theological insights in the African context.
