DREAM WARS

RISING

Createspace Independent Publishing Platform A gripping story, of love, loss, and the fight for humanity. My name is Kit Steele and I was ten years old when thousands of alien ships landed all over the world in the year 2020. We thought for sure that we'd be goners, about to be obliterated or terraformed out of existence. But when the ship doors opened, they were... empty. Maybe they were just communication vessels, we thought. But that night, when humanity fell asleep, we were sucked into an alternate dimension. The Dream Wars. A place where the alien ghouls fed off of your body unless you fought back. If you're killed in the Dream War, your body dies on earth. That was ten years ago and I've been training for the Dream War every night since then. Each time I close my eyes and drift off to sleep I become a merciless killer. Taking out as many ghouls as I can. It's earned me the rightful title of Commander and now I protect the rich in their sleep with my team of warriors. But the one thing I didn't expect was that my new client Damien Striker might be able to put a stop to this war, if I can keep him alive long enough. Meet the team: Commander Kit Steele - Carnivore, protector of billionaires, has a penchant for blue hair and anything sweet, hates cats, despises the color pink, and loves 80's rock music. Medic Ronnie Sotto - Kit's best friend, graduated Harvard medical school at age 15, loves cats, favorite color pink, and once did leg surgery on a cat in the dream war to save its life. Lieutenant Brisk Hutchins - Slept with Kit one time, is in love with Ronnie even though she turns him down because he slept with Kit, pretends to like cats, has one of the highest ghouls kill records second to Kit, secretly loves old Britney Spears songs. Pyrotechnic expert Nox Lightfoot - nickname 'pretty boy', likes to light things on fire, thinks cats are okay, would jump in front of a bus if it would bring bacon back and misses the times when the skies were filled with birds. Maxine Cross - Miss USA runner up, has rage issues but won't go to anger management, is proudly promiscuous, and wouldn't be caught dead in the same room as a cat. She enjoys dancing in the rain, first kisses and killing ghouls. *This book is for upper YA/NA audience, beware of language.

OBSESSION (REGENCY LOVERS 2)

Carole Mortimer OBSESSION (Regency Lovers 2) is the 2nd book in Amazon #1 & USA Today Bestselling Author, Carole Mortimer's, NEW Regency series, Regency Lovers. Author's note: The books in the Regency Lovers series are steaming hot! Three years ago Lord Alexander Stirling, younger brother of the Duke of Hawkwood, had been shocked to learn he had been made the guardian of fifteen-year-old Miss Amanda Fullerton, the daughter of a man he had once served with in the army. Having absolutely no room in his bachelor life for a young ward Alex immediately enrolled Amanda into Miss Marchmont's School for Young Ladies, and apart from paying the school fees, had promptly forgotten about her. Unfortunately, he has now received a letter from Miss Marchmont informing him Amanda Fullerton is now past the age for continuing as a pupil at her school. The headmistress now requires Alex's instruction as to whether Amanda should remain at the school as one of the teachers or be returned to him. There was no question in Alex's mind that Amanda

Fullerton should remain at the school. Having spent the past three years languishing in the strict confines of Miss Marchment's school Amanda had no intention of remaining there a moment longer that she had to. Nor did she intend being forced to do so, by the headmistress, or the man who was her guardian but had not so much as visited her at the school once nor requested she ever join him for the holidays. As far as Amanda is concerned Lord Alexander Stirling has avoided his responsibilities for quite long enough. She was completely unprepared for the shock of arriving at Lord Stirling's London home and finding him in bed with an equally naked and beautiful red-haired woman. Alex is furious at the manner in which his ward has chosen to take it upon herself to arrive completely unannounced and uninvited at his residence in London. That anger is added to by his feeling completely wrong-footed by the timing of Amanda's intrusion into that bachelor establishment. But having arrived, Amanda Fullerton refuses to leave, and without resorting to actually physically removing her, Alex has no choice but to accept his beautiful and disobedient ward is here to stay. An acceptance that is immediately complicated by the unexpected desire Alex quickly realizes he feels for his ward. When a series of "accidents" put Amanda's life in danger Alex finds himself stepping up to the role of guardian and protector when he would far rather be Amanda's lover. THE PRICE GUIDE TO THE OCCULT

Candlewick Press (MA) From the author of *The Strange and Beautiful Sorrows of Ava Lavender* comes a haunting maelstrom of magic and murder in the lush, moody Pacific Northwest. When Rona Blackburn landed on Anathema Island more than a century ago, her otherworldly skills might have benefited friendlier neighbors. Guilt and fear instead led the island's original eight settlers to burn "the witch" out of her home. So Rona cursed them. Fast-forward one hundred-some years: All Nor Blackburn wants is to live an unremarkable teenage life. She has reason to hope: First, her supernatural powers, if they can be called that, are unexceptional. Second, her love life is nonexistent, which means she might escape the other perverse side effect of the matriarch's backfiring curse, too. But then a mysterious book comes out, promising to cast any spell for the right price. Nor senses a storm coming and is pretty sure she'll be smack in the eye of it. In her second novel, Leslye Walton spins a dark, mesmerizing tale of a girl stumbling along the path toward self-acceptance and first love, even as the Price Guide's malevolent author -- Nor's own mother -- looms and threatens to strangle any hope for happiness.

RELEASING THE GODS

It all started with a dare. A single dare on Maisey Parker's twenty first birthday and her entire life changed.
