#### DEBT OF HONOR

*Penguin* Don't Miss the Original Series Tom Clancy's Jack Ryan Starring John Krasinski! THE #1 NEW YORK TIMES BESTSELLING JACK RYAN NOVEL "A harrowing tale...Clancy keeps you riveted with political intrigue and military maneuvering [and] sends you rushing headlong to the book's stunning conclusion."—USA Today Bestselling author Tom Clancy takes a bold, incisive look at what our nation's leaders are calling "the new world order." The time and place: a world at peace, where yesterday's enemies are tomorrow's allies. The players: Jack Ryan as the new U.S. President's National Security Advisor, and his CIA colleagues, John Clark and Domingo Chavez. The crisis: a shocking chain of events in which the wages of peace are as fully complex—and devastating—as those of war. "[Debt of Honor] traces the financial, political, military, and personal machinations that drive America into the next major global war...A SHOCKER."—Entertainment Weekly

#### CLEAR AND PRESENT DANGER

*Penguin* Don't Miss the Original Series Tom Clancy's Jack Ryan Starring John Krasinski! In this #1 New York Times bestselling thriller from Tom Clancy, Jack Ryan gets caught in a war between the United States and a Colombian drug cartel and uncovers a shocking conspiracy. When Colombian drug lords assassinate both the U.S. ambassador and the visiting head of the FBI, their actions trigger a covert response from the American government—a response that goes horribly wrong... As the newly named Deputy Director of Intelligence for the CIA, Jack Ryan should be privy to operations like the one in Colombia, but he's been left completely in the dark. With the help of field officer John Clark, Ryan intends to find out what's really going on. But while they expect danger from without, the greatest threat of all may come from within.

#### RED STORM RISING

*HarperCollins UK* The superpowers hurtle towards global conflict, in this chillingly authentic vision of modern warfare.

#### DEBT OF HONOR

*Berkley Books* Every novel by Tom Clancy has been "a jaw-tightener and a nail-biter of the first order," as the San Diego Union described *Without Remorse*. But *Debt of Honor* surpasses them all, with Jack Ryan facing his greatest challenge - against a peril that may become all too real. In retrospect, it would seem an odd way to start a war. . . . The end of history. The new world order. Fine phrases, but as Jack Ryan is about to discover, history isn't dead yet - and only the nature of the threat is new. On the Pacific island of Saipan, a wealthy Japanese businessman regards his new-bought land with satisfaction. In the Indian Ocean off Sri Lanka, a foreign navy begins a series of highly unusual exercises. At the headquarters of America's major stock-clearing corporation, an engineer brings a customized computer program on-line for the first time, and smiles at his own private joke. Three seemingly unrelated incidents, but all just the first links in a chain of events that will stun the world. Called out of retirement to serve as the new President's National Security Advisor, Jack Ryan quickly realizes that the problems of peace are fully as complex as those of war. Enemies have become friends, friends enemies, and even the form of conflict has changed. What he cannot realize, however, is just how close the next conflict is. And when one of those new enemies readies a strike not only at America's territory, but at the heart of her economy, it is Ryan, with the help of CIA officers John Clark and Domingo Chavez, who must prepare an untested President to meet the challenge, if Ryan can only figure out how. For there is a debt of honor to be paid - and the price will be terrifyingly high. . . .

#### TOM CLANCY ENEMY CONTACT

*Penguin* Jack Ryan, Jr.'s race to stop an international criminal conspiracy is intertwined with the fate of an old friend in this blistering entry in the #1 New York Times bestselling series. The CIA's deepest secrets are being given away for a larger agenda that will undermine the entire Western intelligence community. Director of National Intelligence Mary Pat Foley wants it stopped but doesn't know who, how or why. Jack Ryan, Jr., is dispatched to Poland on a different mission. The clues are thin, and the sketchy trail dead ends in a harrowing fight from which he barely escapes with his life. If that's not bad enough, Jack gets more tragic news. An old friend, who's dying from cancer, has one final request for Jack. It seems simple enough, but before it's done, Jack will find himself alone, his life hanging by a thread. If he survives, he'll be one step closer to finding the shadowy figure behind the CIA leak and its true purpose, but in the process, he'll challenge the world's most dangerous criminal syndicate with devastating consequences.

#### THE SKILLED HELPER: A PROBLEM-MANAGEMENT AND OPPORTUNITY-DEVELOPMENT APPROACH TO HELPING

*Cengage Learning* Over the past 30 years, Egan's THE SKILLED HELPER has taught thousands of students like you a proven, step-by-step counseling process that leads to increased confidence and competence. Internationally recognized for its successful problem-management and opportunity development approach to effective helping, the text emphasizes the collaborative nature of the therapist-client relationship and uses a practical, three-stage model that drives client problem-managing and opportunity-developing action. As you read, you'll also gain a feeling for the complexity inherent in any helping relationship. In this tenth edition, Egan now makes use of his version of the "common factors" approach, which gives new meaning and vitality to the book's themes, as well as to the use of the

problem-management model to organize and give coherence to those themes. Available with InfoTrac Student Collections <http://goengage.com/infotrac>. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

*Penguin* Don't Miss the Original Series Tom Clancy's Jack Ryan Starring John Krasinski! Tom Clancy delivers a #1 New York Times bestselling Jack Ryan novel that will remind readers why he is the acknowledged master of international intrigue and nonstop military action. It is The Campus. Secretly created under the administration of President Jack Ryan, its sole purpose is to eliminate terrorists and those who protect them. Officially, it has no connection to the American government—a necessity in a time when those in power consider themselves above such arcane ideals as loyalty, justice, and right or wrong. Now covert intelligence expert Jack Ryan Jr. and his compatriots at The Campus—joined by black ops warriors John Clark and “Ding” Chavez—have come up against their greatest foe: a sadistic killer known as the Emir. Mastermind of countless horrific attacks, the Emir has eluded capture by every law enforcement agency in the world. But his greatest devastation is yet to be unleashed as he plans a monumental strike at the heart of America. On the trail of the Emir, Jack Ryan Jr. will find himself following in his legendary father's footsteps on a manhunt that will take him and his allies across the globe, into the shadowy arenas of political gamesmanship, and back onto U.S. soil in a race to prevent the possible fall of the West...

#### **EVERY MAN A TIGER**

---

#### **THE BEAR AND THE DRAGON**

---

A truly brilliant thriller by Tom Clancy, The Bear and the Dragon is a Jack Ryan novel. Newly elected in his own right, Jack Ryan has found that being President has gotten no easier: domestic pitfalls await him at every turn; the Asian economy is going down the tubes; and now, in Moscow, someone may have tried to take out the chairman of the SVR - the former KGB - with a rocket-propelled grenade. Things are unstable enough in Russia without high-level assassination, but even more disturbing may be the identities of the potential assassins. Were they political enemies, the Russian Mafia, disaffected former KGB? Or, Ryan wonders, is something far more dangerous at work here? Ryan is right to wonder. For even while Russian investigators pursue the case, and some of his most trusted eyes and ears, including antiterrorism specialist John Clark, head to Moscow, forces in China are moving forward with a plan of truly audacious proportions. Tired of what they view as the presumption of the West, eager to fulfill their destiny, they are taking matters into their own hands. If they succeed, the world as we know it will never look the same. If they fail, . . . the consequences may be unspeakable. The Bear and the Dragon is Tom Clancy at his best - and there is none better. This is the third Jack Ryan thriller, following Without Remorse and Rainbow Six. Praise for Tom Clancy: 'A brilliantly constructed thriller' Daily Mail 'Truly riveting, a dazzling read' Sunday Express Thirty years ago Tom Clancy was a Maryland insurance broker with a passion for naval history. Years before, he had been an English major at Baltimore's Loyola College and had always dreamed of writing a novel. His first effort, The Hunt for Red October, sold briskly as a result of rave reviews, then catapulted on to the New York Times bestseller list after President Reagan pronounced it 'the perfect yarn'. From that day forward, Clancy established himself as an undisputed master at blending exceptional realism and authenticity, intricate plotting, and razor-sharp suspense. He passed away in October 2013.

*Penguin UK* INSPIRATION FOR THE THRILLING AMAZON PRIME SERIES JACK RYAN . . . \*\*'Exhilarating. No other novelist is giving so full a picture of modern conflict' Sunday Times\*\* Someone wants Jack Ryan Dead - and fast... Covert operative Jack Ryan Jr is enjoying some well-earned R&R when an attempt is made on his life. He survives, only to learn that another attempt on his life is imminent. Having

barely survived the first time, Jack sets out to find out who wants him dead, and why... Using clues left by his would-be assassin, Jack follows a trail that leads through France and Switzerland to Rostock, a shadowy security firm based in Germany. Jack knows its head, Jurgen Rostock, from a previous operation - one that has apparently drawn the man's fury. Without the resources of The Campus - the elite agency from which he is on a leave-of-absence - but with the help of an investigative journalist, Jack embarks on his own secret campaign to uncover the truth about Rostock. And what he finds is that they are up to something both big and very, very bad. But what can one man do against all Rostock's might? The world is about to find out.

### TOM CLANCY TARGET ACQUIRED

---

*Penguin* Jack Ryan, Jr., will do anything for a friend, but this favor will be paid for in blood in the latest electric entry in the #1 New York Times bestselling series. Jack Ryan, Jr. would do anything for Ding Chavez. That's why Jack is currently sitting in an open-air market in Israel, helping a CIA team with a simple job. The man running the mission, Peter Beltz, is an old friend from Ding's Army days. Ding hadn't seen his friend since Peter's transfer to the CIA eighteen months prior, and intended to use the assignment to reconnect. Unfortunately, Ding had to cancel at the last minute and asked Jack to take his place. It's a cushy assignment--a trip to Israel in exchange for a couple hours of easy work, but Jack could use the downtime after his last operation. Jack is here merely as an observer, but when he hastens to help a woman and her young son, he finds himself the target of trained killers. Alone and outgunned, Jack will have to use all his skills to protect the life of the child.

### AGENCY AND NARRATIVE IN VIDEO GAMES

---

*Walter de Gruyter* Incontestably, Future Narratives are most conspicuous in video games: they combine narrative with the major element of all games: agency. The persons who perceive these narratives are not simply readers or spectators but active agents with a range of choices at their disposal that will influence the very narrative they are experiencing: they are players. The narratives thus created are realizations of the multiple possibilities contained in the present of any given gameplay situation. Surveying the latest trends in the field, the volume discusses the complex relationship of narrative and gameplay.

### THE SECRET MILITARY HISTORY OF THE INTERNET

---

*Icon Books* Featured as a Guardian Long Read in December 2018 EVERYTHING WE HAVE BEEN TOLD ABOUT THE DEMOCRATIC NATURE OF THE INTERNET IS A MARKETING PLOY. As the Cambridge Analytica scandal has shown, private corporations consider it their right to use our data (and by extension, us) which ever way they see fit. Tempted by their appealing organisational and diagnostic tools, we have allowed private internet corporations access to the most intimate corners of our lives. But the internet was developed, from the outset, as a weapon. Looking at the hidden origins of many internet corporations and platforms, Levine shows that this is a function, not a bug of the online experience. Conceived as a surveillance tool by ARPA to control insurgents in the Vietnam War, the internet is now essential to our lives. This book investigates the troubling and unavoidable truth of its history and the unfathomable power of the corporations who now more or less own it. Without this book, your picture of contemporary society will be missing an essential piece of the puzzle.

### THE IRISH WOMEN'S MOVEMENT

---

---

### FROM REVOLUTION TO DEVOLUTION

---

*Springer* This book provides a comprehensive analysis of the emergence, consolidation and development of the Irish women's movement, as a social movement, in the course of the twentieth century. It seeks to address several lacunae in Irish studies by illuminating the processes through which the movement and, in particular, networks of constituent organisations, came to fruition as agencies of social change. The central argument advanced is that when viewed historically, the Irish women's movement is characterised by its interconnectedness and continuity: the central tensions, themes and organising strategies of the movement connects diverse organisations and constituencies, over time and space. This book will be essential reading for those interested in Irish studies, sociology, history, women's studies, and politics.

---

### THE TROUBLES IN NORTHERN IRELAND AND THEORIES OF SOCIAL MOVEMENTS

---

*Amsterdam University Press* This volume seeks to move beyond structure and agency perspectives by suggesting that social movement theories are best suited to foster a perspective that entails 1) an actor-based approach to the Troubles; and 2) the contextualization of contentious politics, or how the contingent and ever-evolving political contexts/opportunities/threats shaped the trajectory of the Troubles. Recent social movement scholarship has proved to be particularly useful in situating the emergence, continuation, and demise of political violence within a larger context of multiple conflicts, in which radical contention is only one possible outcome. Social movement theories also avoid the essentialization of political groups as 'radical' or 'violent'; instead, they place all political actors participating to contention, from paramilitaries to state authorities, within their complex organizational fields, emphasizing their shifting strategies as they interact with each other and adapt to the political context.

### THE BIG BOUNCE

---

*Hachette UK* The beguiling story of a man, a woman and a nasty crime, from 'the hottest thriller writer in the US' [Time]. "But the whole deal, staying and going along with her idea, both, depended really on how much nerve he had. Which she would have to find out..." Nancy Hayes has plenty of feminine charm - and the instincts of a shark. Jack Ryan is handy with his fists, and has all the cunning of an ex-con. Now, in a Michigan resort town, a rich man wants Jack gone and Nancy for himself. For Jack, the choice is clear: Nancy's promises of pleasure, her crazy, thrill-seeking schemes of breaking into homes, shooting guns and maybe stealing a whole lot of money is driving him mad. But there is one thing Jack doesn't know yet. Nancy is planning the deadliest thrill of all...
