## Animation: A World History

## Volume II: The Birth of a Style - The Three Markets

**CRC Press** A continuation of 1994's groundbreaking Cartoons, Giannalberto Bendazzi's Animation: A World History is the largest, deepest, most comprehensive text of its kind, based on the idea that animation is an art form that deserves its own place in scholarship. Bendazzi delves beyond just Disney, offering readers glimpses into the animation of Russia, Africa, Latin America, and other often-neglected areas and introducing over fifty previously undiscovered artists. Full of first-hand, never before investigated, and elsewhere unavailable information, Animation: A World History encompasses the history of animation production on every continent over the span of three centuries. Volume II delves into the decades following the Golden Age, an uncertain time when television series were overshadowing feature films, art was heavily influenced by the Cold War, and new technologies began to emerge that threatened the traditional methods of animation. Take part in the turmoil of the 1950s through 90s as American animation began to lose its momentum and the advent of television created a global interest in the art form. With a wealth of new research, hundreds of photographs and film stills, and an easy-to-navigate organization, this book is essential reading for all serious students of animation history. Key Features Over 200 high quality head shots and film stills to add visual reference to your research Detailed information on hundreds of never-before

researched animators and films Coverage of animation from more than 90 countries and every major region of the world Chronological and geographical organization for quick access to the information you're looking for

## Global Media Discourse

### A Critical Introduction

**Routledge** Featuring a wide range of exercises, examples, and images, this textbook provides a practical way of analyzing the discourses of the global media industries. Building on a comprehensive introduction to the history and theory of global media communication, specific case studies of lifestyle and entertainment media are explored with examples from films, global women's magazines, Vietnamese news reporting and computer war games. Finally, this book investigates how global media communication is produced, looking at the formats, languages and images used in creating media materials, both globally and in localized forms. At a time when the media is becoming increasingly global, often with the same films, news and television programmes shown all over the world; Global Media Discourse provides an accessible, lively introduction into how globalization is changing the language and communicative practices of the media. Integrating a range of approaches, including political economy, discourse analysis and ethnography, this book will be of particular interest to students of media and communication studies, applied linguistics, and (critical) discourse analysis.

## Kabul Disco

In 2005, Nicolas Wild, a wandering French writer, found a job and somewhere to live at the same time. The only problem was that the place was Kabul, in Afghanistan, a country left unstable after several destructive years of war. When the carefree young man arrived at a capital in crisis, his first mission was to write a comic book explaining the Afghan constitution to children. His second project was to work on a recruitment campaign for the Afghan army. Consequently, he became a privileged observer of the hesitant reconstruction of the country whilst leading the unusual life of a Western expat in Kabul. Gradually, he fell in love with the country and decided to extend his contract despite the risks of living in Afghanistan. Honest and perceptive, inquisitive and unsettling, this book casts an ironic yet affectionate look at the realities of a country that never strays far from the headlines.

## 'Love Me Or Kill Me'

## Sarah Kane and the Theatre of

# Extremes

**Manchester University Press** Love Me or Kill Me is the first study of Sarah Kane, the most significant British dramatist in post-war theater. It covers all of Kane's major plays and productions, contains hitherto unpublished material and reviews, and looks at her continuing influence after her tragic early death. Locating the main dramatic sources and features of her work as well as centralizing her place within the 'new wave' of emergent British dramatists in the 1990's, Graham Saunders provides an introduction for those familiar and unfamiliar with her work.

# Arab Comic Strips

## Politics of an Emerging Mass Culture

The discipline of Middle Eastern studies in the West has often been resistant to incorporating new theoretical and conceptual paradigms. Arab Comic Strips provides at least one indicator that this trend has begun to change. The study reflects the influence of both political economy and post-modernism. The former's influence can be seen in the authors' focus on mass culture and "history from below," while the latter's manifests itself in the authors' use of semiotics and their eschewal of any linear model of social change or totalizing discourse. The strengths of Arab Comic Strips lie in its comprehensive treatment of the genre it scrutinizes. The authors present extensively detailed studies of comic strips that range from Iraq and the Gulf to North Africa and France. Further, the strips they select cover a wide thematic and ideological terrain. Pan-Arabist, Islamist, hybrid Western-Arab, and radical leftist strips all receive in-depth analysis. Through this analysis, the reader gains great insight into political and cultural debates specific to particular regions of the Arab world. The juxtaposition of strips representing different thematic, ideological, and geographical perspectives constitutes comparative analysis at its best. -- From <http://www.jstor.org> (Dec. 4, 2013).

# Freedom Hospital

## A Syrian Story

**Random House** 'With the intimacy of a person who has lived the tragedy himself but with the restraint of a true artist, Hamid Sulaiman tells a powerful tale of Syria's descent into cataclysm while reminding us of those still tending the seeds of the revolutionary spring.' Joe Sacco Winner of the 2017 PEN Translates Award Winner of the 2017 Burgess Grant It is spring 2012 and 40,000 people have died since the start of the Syrian Arab Spring. In the wake of this, Yasmin has set up a clandestine hospital in the north of the country. The town that she lives in is controlled by Assad's brutal regime, but is relatively stable. However, as the months pass, the situation becomes increasingly complex and violent. Told in stark, beautiful black-and-white imagery, Freedom Hospital illuminates a complicated situation with gut-wrenching detail and very dark humour. The story of Syria is one of the most devastating narratives of our age and Freedom Hospital is an important and timely book from a new international talent.

# A Companion to Translation Studies

**Multilingual Matters** *A Companion to Translation Studies* is the first work of its kind. It provides an authoritative guide to key approaches in translation studies. All of the essays are specially commissioned for this collection, and written by leading international experts in the field. The book is divided into nine specialist areas: culture, philosophy, linguistics, history, literary, gender, theatre and opera, screen, and politics. Contributors include Susan Bassnett, Gunilla Anderman and Christina Schäffner. Each chapter gives an in-depth account of theoretical concepts, issues and debates which define a field within translation studies, mapping out past trends and suggesting how research might develop in the future. In their general introduction the editors illustrate how translation studies has developed as a broad interdisciplinary field. Accompanied by an extensive bibliography, this book provides an ideal entry point for students and scholars exploring the multifaceted and fast-developing discipline of translation studies.

## The Intelligent Universe

**Book Sales** Examines the origins of life on earth, analyzes the Darwinian theory of evolution, and argues that life is the result of a deliberate plan

## Key Cultural Texts in Translation

**John Benjamins Publishing Company** In the context of increased movement across borders, this book examines how key cultural texts and concepts are transferred between nations and languages as well as across different media. The texts examined in this book are considered fundamental to their source culture and can also take on a particular relevance to other (target) cultures. The chapters investigate cultural transfers and differences realised through translation and reflect critically upon the implications of these with regard to matters of cultural identity. The book offers an important contribution to cultural approaches in translation studies, with ramifications across different disciplines, including literary studies, history, philosophy, and gender studies. The chapters offer a range of cultural and methodological frameworks and are written by scholars from a variety of language and cultural backgrounds, Western and Eastern.

## Gender in Translation

**Routledge** *Gender in Translation* is a broad-ranging, imaginative and lively look at feminist issues surrounding translation studies. Students and teachers of translation studies, linguistics, gender studies and women's studies will find this unprecedented work invaluable and thought-provoking reading. Sherry Simon argues that translation of feminist texts - with a view to promoting feminist perspectives - is a cultural intervention, seeking to create new cultural meanings and bring about social change. She takes a close look at specific issues which include: the history of feminist theories of language and translation studies; linguistic issues, including a

critical examination of the work of Luce Irigaray; a look at women translators through history, from the Renaissance to the twentieth century; feminist translations of the Bible; an analysis of the ways in which French feminist texts such as De Beauvoir's The Second Sex have been translated into English.

## Three Elegies for Kosovo

**Random House** 28 June 1389, the Field of the Blackbirds. A Christian army made up of Serbs, Bosnians, Albanians and Romanians confront an Ottoman army. In ten hours the battle is over, and the Muslims possess the field; an outcome that has haunted the vanquished ever since. 28 June 1989, the Serb Leader Slobodan Milosevic launches his campaign for a fresh massacre of the Albanians, the majority population of Kosovo. In three short narratives Kadare shows how legends of betrayal and defeat simmered in European civilisation for six hundred years, culminating in the agony of one tiny population at the end of the twentieth century.

## A Higher Standard

## Leadership Strategies from America's First Female Four-Star General

**Hachette UK** On June 23, 2008, President George W. Bush nominated Ann Dunwoody as a four-star general in the US Army-the first time a woman had ever achieved that rank. The news generated excitement around the world. Now retired after nearly four decades in the Army, Dunwoody shares what she learned along the way, from her first command leading 100 soldiers to her final assignment, in which she led a 60 billion enterprise of over 69,000 employees, including the Army's global supply chain in support of Iraq and Afghanistan. What was the driving force behind Dunwoody's success? While her talent as a logistician and her empathy in dealing with fellow soldiers helped her rise through the ranks, Dunwoody also realized that true leaders never stop learning, refining, growing, and adapting. In A Higher Standard, Dunwoody details her evolution as a soldier and reveals the core leadership principles that helped her achieve her historic appointment. Dunwoody's strategies are applicable to any leader, no matter the size or scope of the

organization. They include lessons such as "Never Walk by a Mistake," a mandate to recognize when something is wrong, big or small, and to hold people accountable. Not only can this save billions for industry, it can sometimes save the lives of soldiers and citizens. She also advises that "Leaders Aren't Invincible-Don't Try to Be": to be our best, we have to acknowledge our worst. And she encourages readers to "Leverage the Power of Diversity" by creating teams of people from different backgrounds to provide a broad range of ideas and devise the best-informed decisions. With these and other guiding principles, *A Higher Standard* offers practical, tactical advice that everyone can use to lead and achieve with maximum success.

## The Necessary Angel

**SUNY Press** Cacciari, academic (aesthetics, U. of Venice) and mayor of Venice as of 1993, surveys the history of angels in Judaic, Islamic, and Christian traditions; and how Dante, Rilke, Kafka, and other writers have used the metaphor of angels to speak about the phenomenology of language. Translated from the

## The Binder of Lost Stories

**AmazonCrossing** From international bestselling author Cristina Caboni comes an exquisite and engrossing novel of two women, centuries apart, bound by a love of books and a longing for self-discovery. With her delicate touch, Sofia Bauer restores books to their original splendor. In this art she finds refuge from her crumbling marriage and the feeling that her once-vibrant life is slipping away. Then an antique German edition takes her breath away. Slipped covertly into the endpapers is an intriguing missive, the first part of a secret...from one bookbinder to another. Two hundred years ago, Clarice von Harmel defied the constraints of family and society to engage in a profession forbidden to women. Within three separate volumes, Clarice bound her own hidden story filled with pain, longing, and love beyond all reason. A confession that now crosses centuries to touch the heart of a stranger. With the help of book collector Tomaso Leoni, Sofia connects the threads of Clarice's past, page by page, line by line, town by town. She's determined to make Clarice's voice heard. With each new revelation, Clarice is giving Sofia the courage to find her own voice and hope for the future she thought was lost.

## A Death In Tuscany

**Hachette UK** In the picturesque Tuscan hill town of Scandicci, the body of a girl is discovered. Scantly dressed, she is lying by the edge of the woods. The local police investigate the case - but after a week, they still haven't even identified her, let alone got to the bottom of how she died. Frustrated by the lack of progress, Chief Superintendent Michele Ferrara, head of Florence's elite Squadra Mobile, decides to step in. Because toxins were discovered in the girl's body, many assumed that she died of a self-inflicted drugs overdose. But Ferrara quickly realises that the truth is

darker than that: he believes that the girl was murdered. And when he delves deeper, there are many aspects to the case that convince Ferrara that the girl's death is part of a sinister conspiracy - a conspiracy that has its roots in the very foundations of Tuscan society... ## The Improvising Society

### Social Order in a Boundless World

**Eleven International Pub** This book sheds new light on the complexity of today's society. Feelings of chaos and confusion are common. There is discontent among citizens, and uncertainty and lack of direction among administrators, managers, and public officials. It seems as though no one has a clear perspective on what is happening to society, and yet... perhaps we have overlooked something? Hans Boutellier delivers a realistic and inspiring picture of a new social order. His book deals with identity and rage, values and norms, participation and integration, and law and security. It offers a broad, well-founded, and constructive vision of contemporary society.

# The Diary of Kaspar Hauser

Part notebook, part ethical treatise, part fantasized autobiography, The Diary of Kaspar Hauser is a striking collection of forty or so haiku-like compositions, diary entries imagined to have been penned by the "idiot" Kaspar Hauser and discovered, by chance, after his death by brutal murder, among the papers of his patron, Franz Paul Webern.

## Dispatches

**Vintage** "The best book to have been written about the Vietnam War" (The New York Times Book Review); an instant classic straight from the front lines. From its terrifying opening pages to its final eloquent words, Dispatches makes us see, in unforgettable and unflinching detail, the chaos and fervor of the war and the surreal insanity of life in that singular combat zone. Michael Herr's unsparing, unorthodox retellings of the day-to-day events in Vietnam take on the force of poetry, rendering clarity from one of the most incomprehensible and nightmarish events of our time. Dispatches is among the most blistering and compassionate accounts of war in our literature.
