THE PHOTOGRAPHER'S MIND

Taylor & Francis The source of any photograph is not the camera or even the scene viewed through the viewfinder-it is the mind of the photographer: this is where an image is created before it is committed to a memory card or film. In *The Photographer's Mind*, the follow-up to the international best-seller, *The Photographer's Eye*, photographer and author Michael Freeman unravels the mystery behind the creation of a photograph. The nature of photography demands that the viewer constantly be intrigued and surprised by new imagery and different interpretations, more so than in any other art form. The aim of this book is to answer what makes a photograph great, and to explore the ways that top photographers achieve this goal time and time again. As you delve deeper into this subject, *The Photographer's Mind* will provide you with invaluable knowledge on avoiding cliché, the cyclical nature of fashion, style and mannerism, light, and even how to handle the unexpected. Michael Freeman is the author of the global bestseller, *The Photographer's Eye*. Now published in sixteen languages, *The Photographer's Eye* continues to speak to photographers everywhere. Reaching 100,000 copies in print in the US alone, and 300,000+ worldwide, it shows how anyone can develop the ability to see and shoot great digital photographs.

HOW WILDLIFE PHOTOGRAPHY BECAME ART

55 YEARS OF WILDLIFE PHOTOGRAPHER OF THE YEAR

Wildlife Photographer of the Y Featuring many of the greatest nature photographs of all time, this book charts the development of nature photography, from the first hand-held cameras and the color film revolution of the 1960s, to the increasingly sophisticated photographs of wild animals and unexplored places that are taken today. The prize-winning images include ground-breaking portraits, breathtaking aerial shots, underwater photography, close-up imagery, and much more. The images are accompanied by captions that put the photographs in context, explaining their importance, and revealing the vision, talent, passion, and technique of the world's leading wildlife photographers. All those who are passionate about photography and who have followed this compelling competition since its inception 55 years ago will treasure this magnificent volume.

COCO CHANEL

REVOLUTIONARY WOMAN

White Star Publishers Coco Chanel was founder and queen of a fashion empire, and her name is forever linked to an unmistakable style. Before all this, Mademoiselle Coco was Gabrielle, a poor orphan

who rejected convention and put her independence above all else. With her grit and tenacity, she made her fortune and restored freedom to women. This volume celebrates a true icon 50 years after her passing, coinciding with the 100th anniversary of the timeless Chanel N°5. ▶ She revolutionized the concept of feminine elegance with straight dresses and inventions that would later become icons: these were the little black dress, Chanel N° 5, costume jewelry, the suit with gold buttons, the quilted bag. ▶ Her myth lives again in a biography illustrated by images portraying her as the perfect embodiment of the timeless elegance. Because, as Coco said, "fashion passes; style remains."

THE DAY AFTER ROSWELL

Simon and Schuster Since 1947, the mysterious crash of an unidentified aircraft at Roswell, New Mexico, has fueled a firestorm of speculation and controversy with no conclusive evidence of its extraterrestrial origin -- until now. Colonel Philip J. Corso (Ret.), a member of President Eisenhower's National Security Council and former head of the Foreign Technology Desk at the U.S. Army's Research & Development department, has come forward to tell the whole explosive story. Backed by documents newly declassified through the Freedom of Information Act, Colonel Corso reveals for the first time his personal stewardship of alien artifacts from the crash, and discloses the U.S. government's astonishing role in the Roswell incident: what was found, the cover-up, and how these alien artifacts changed the course of 20th century history.

MASTERING PORTRAIT PHOTOGRAPHY

Ammonite Press Presenting an alternative to the formal, corporate-style poses of yesteryear, this book offers a modern, vibrant approach that aims to capture a moment in the lifestyle of the person or persons in the picture. Clear, concise text discusses the essential technical aspects of photography from choosing a camera and equipment to an appreciation of exposure, aperture, metering, shutter speed, depth of field and white balance settings, in addition to how natural light, color and movement affect a photograph. A guide to posing helps to ensure dynamic and arresting images. Along with advice on setting up a small studio at home, choice of backgrounds and using artificial light, there are hints and tips on pre-shoot preparations such as make-up, hair styling and suitable clothing for the subject of the portrait. Post-production techniques include skin retouching and color correction, plus a guide to printing options and presentation.

THE COMPLETE DANTEWORLDS

A READER'S GUIDE TO THE DIVINE COMEDY

University of Chicago Press Dante Alighieri's Divine Comedy has, despite its enormous popularity and importance, often stymied readers with its multitudinous characters, references, and themes. But until the publication in 2007 of Guy Raffa's guide to the Inferno, students lacked a suitable resource to help them navigate Dante's underworld. With this new guide to the entire Divine Comedy, Raffa provides readers—experts in the Middle Ages and Renaissance, Dante neophytes, and everyone in between—with a map of the entire poem, from the lowest circle of Hell to the highest sphere of Paradise. Based on Raffa's original research and his many years of teaching the poem to undergraduates, The CompleteDanteworlds charts a simultaneously geographical and textual journey, canto by canto, region by region, adhering closely to the path taken by Dante himself through Hell, Purgatory, and Paradise. This invaluable reference also features study questions, illustrations of the realms, and regional summaries. Interpreting Dante's poem and his sources, Raffa fashions detailed entries on each character encountered as well as on many significant historical, religious, and cultural allusions.

THE BOOK OF DISQUIET

Profile Books Sitting at his desk, Bernardo Soares imagined himself free forever of Rua dos Douradores, of his boss Vasques, of Moreira the book-keeper, of all the other employees, the errand boy, the post boy, even the cat. But if he left them all tomorrow and discarded the suit of clothes he wears, what else would he do? Because he would have to do something. And what suit would he wear? Because he would have to wear another suit. A self-deprecating reflection on the sheer distance between the loftiness of his feelings and the humdrum reality of his life, The Book of Disquiet is a classic of existentialist literature.

THE IMAGINED IMMIGRANT

IMAGES OF ITALIAN EMIGRATION TO THE UNITED STATES BETWEEN 1890 AND 1924

Fairleigh Dickinson Univ Press Using original sources--such as newspaper articles, silent movies, letters, autobiographies, and interviews--Ilaria Serra depicts a large tapestry of images that accompanied mass Italian migration to the U.S. at the turn of the twentieth century. She chooses to translate the Italian concept of immaginario with the Latin imago that felicitously blends the double

English translation of the word as "imagery" and "imaginary." Imago is a complex knot of collective representations of the immigrant subject, a mental production that finds concrete expression; impalpable, yet real. The "imagined immigrant" walks alongside the real one in flesh and rags.

THE SLANT BOOK

Good Press "The Slant Book" by Peter Newell. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

CAPTURING THE MOMENT

THE ESSENCE OF PHOTOGRAPHY

CRC Press This is not a book about the fundamentals of shutter speed or how your camera works; it is a book that will teach photographers of all levels how to work with their cameras to capture moments whether they are occurring quickly or unfolding over many hours. Capturing the Moment is about a gesture, an expression, a ball in the net, a whale breaching, like Marilyn Monroe's skirt flying up or Alfred Eisenstaedt's image of a kiss between a soldier and nurse in Times Square. Moments in all forms are the true core of photography, and this book will explain how to anticipate them, recognise them, choose them, and capture them, through the eyes and wisdom of award-winning photographer and celebrated author Michael Freeman.

NATIONAL GEOGRAPHIC GREATEST LANDSCAPES

STUNNING PHOTOGRAPHS THAT INSPIRE AND ASTONISH

National Geographic Books From one majestic nature landscape to the next, this is an iconic collection of National Geographic's photography of the world's most beautiful locations that will immortalize the beauty of the great outdoors, showcasing evocative, and often unseen, images of extraordinary landscapes around the world. With vast deserts in twilight, snowcapped mountain ranges at the brink of dawn, a forest in the height of autumn colors, these indelible images will magnify the beauty, emotion, and depth that can be captured in the split second of a camera flash, taking readers on a spectacular visual journey and offering an elegant conduit to the world around them. Paired with illuminating insights from celebrated photographers, this beautiful book weaves a vibrant tapestry of images that readers will turn to again and again.

MARIO GIACOMELLI

FIGURE/GROUND

Getty Publications A new look at the work of Mario Giacomelli, one of Italy's foremost photographers of the twentieth century. Mario Giacomelli (1925-2000) was born into poverty and lived his entire life in Senigallia, a seaside town along the Adriatic coast in Italy's Marche region. He purchased his first camera in 1953 and quickly gained recognition for the raw expressiveness of his images. His preference for grainy, high-contrast film and paper produced bold, geometric compositions with glowing whites and deep blacks. Giacomelli most frequently focused his camera on the people, landscapes, and seascapes of the Marche, and he often spent several years expanding and reinterpreting a single body of work or repurposing an image made for one series for inclusion in another. By applying titles derived from poetry and literature to his photographs, he transformed ordinary subjects into meditations on time, memory, and existence. Spanning the photographer's earliest pictures to those made in the final years of his life, this publication celebrates the J. Paul Getty Museum's extensive Giacomelli holdings, formed in large part through a significant gift from Daniel Greenberg and Susan Steinhauser.

MESSAGE IN A BOTTLE

Grand Central Publishing In this New York Times bestseller, a single mother sets out to find the North Carolina man who sent a message meant for someone else . . . and the journey may change her life forever. Divorced and disillusioned about relationships, Theresa Osborne is jogging when she finds a bottle on the beach. Inside is a letter of love and longing to "Catherine," signed simply "Garrett." Challenged by the mystery and pulled by emotions she doesn't fully understand, Theresa begins a search for this man that will change her life. What happens to her is unexpected, perhaps miraculous—an encounter that embraces all our hopes for finding someone special, for having a love that is timeless and everlasting.... Nicholas Sparks exquisitely chronicles the human heart. In his first bestselling novel, *The Notebook*, he created a testament to romantic love that touched readers around the world. Now in this New York Times bestseller, he renews our faith in destiny, in the ability of lovers to find each other no matter where, no matter when...

THE DIGITAL PHOTOGRAPHY BOOK

Rocky Nook, Inc.

Learn how to take professional-quality photographs using the same tricks today's top photographers use (surprisingly, it's easier than you'd think)!

This is a completely, totally updated version of the #1 best-selling digital photography book of all time! It's the award winning, worldwide smash hit, written by Scott Kelby, that's been translated into dozens of different languages.

Here's how Scott describes this book's brilliant premise: "If you and I were out on a shoot, and you asked me, 'Hey, how do I get this flower to be in focus, with the background out of focus?,' I wouldn't stand there and give you a photography lecture. In real life, I'd just say, 'Put on your zoom lens, set your f-stop to f/2.8, focus on the flower, and fire away.' That's what this book is all about: you and I out shooting where I answer questions, give you advice, and share the secrets I've learned just like I would with a friend—without all the technical explanations and techie photo speak."

This isn't a book of theory—full of confusing jargon and detailed concepts. This is a book on which button to push, which setting to use, and when to use it. With over 200 of the most closely guarded photographic "tricks of the trade," this book gets you shooting dramatically better-looking, sharper, more colorful, more professional-looking photos every time.

Each page covers a single concept that makes your photography better. Every time you turn the page, you'll learn another pro setting, tool, or trick to transform your work from snapshots into gallery prints. If you're tired of taking shots that look "okay," and if you're tired of looking in photography magazines and thinking, "Why don't my shots look like that?" then this is the book for you.

TABLE OF CONTENTS

- Chapter 1: Pro Tips for Getting Sharp Photos
- Chapter 2: The Scoop on Lenses
- Chapter 3: Shooting Landscapes Like a Pro
- Chapter 4: Shooting Travel Like a Pro
- Chapter 5: Making Portraits Like a Pro
- Chapter 6: Making Portraits with Flash Like a Pro
- Chapter 7: Shooting Weddings Like a Pro
- Chapter 8: Shooting Sports Like a Pro
- Chapter 9: Shooting Other Stuff Like a Pro
- Chapter 10: Pro Tips for Getting Better Photos
- Chapter 11: How to Print Like a Pro
- Chapter 12: Photo Recipes to Help You Get the Shot

THE ARNOLFINI BETROTHAL

MEDIEVAL MARRIAGE AND THE ENIGMA OF VAN EYCK'S DOUBLE PORTRAIT

Univ of California Press Edwin Hall's accessible study of Jan van Eyck's 1434 painting known as the "Arnolfini Wedding" makes a unique contribution to the fascinating history of betrothal and marriage custom, ritual, and ceremony, and offers a compelling new interpretation of this wonderful work of art. 16 color plates. 62 b&w illustrations.

VERTIGINOUS MOSCOW

STALIN'S CITY TODAY

Over the last fifteen years, Moscow has undergone vast and radical transformations, which have turned it into an extraordinary urban laboratory. This photographic project by Gabriele Basilico was inspired by a desire to document this metamorphosis, and takes as its focal point the city's seven Stalinist towers, known in Russian as the vysootnye zdanija, or 'high buildings'. Basilico's images use the towers as a privileged viewpoint for exploration and contemplation of the changing fabric of Moscow. After half a century of history, his work allows these striking buildings to be re-evaluated in the context of the new urban landscape of the 21st century.

IMPERIAL CITY

ROME UNDER NAPOLEON

University of Chicago Press In 1798, the armies of the French Revolution tried to transform Rome from the capital of the Papal States to a Jacobin Republic. For the next two decades, Rome was the subject of power struggles between the forces of the Empire and the Papacy, while Romans endured the unsuccessful efforts of Napoleon's best and brightest to pull the ancient city into the modern world. Against this historical backdrop, Nicassio weaves together an absorbing social, cultural, and political history of Rome and its people. Based on primary sources and incorporating two centuries of Italian, French, and international research, her work reveals what life was like for Romans in the age of Napoleon. "A remarkable book that wonderfully vivifies an understudied era in the history of Rome. . . . This book will engage anyone interested in early modern cities, the relationship between religion and daily life, and the history of the city of Rome."—Journal of Modern History "An engaging account of Tosca's Rome. . . . Nicassio provides a fluent introduction to her subject."—History Today "Meticulously researched, drawing on a host of original manuscripts, memoirs, personal letters, and secondary sources, enabling [Nicassio] to bring her story to life."—History

1/1000TH

THE SPORTS PHOTOGRAPHY OF BOB MARTIN

From his famous and iconic shot of a diver, arched in the air above the Barcelona skyline that became the seminal shot of the Barcelona Olympics, to his multi award-winning photograph of Paralympic swimmer Xavi Torres leaving his prosthetic legs behind as he dives into the pool, the book features page after page of stunning, awe-inspiring pictures from the world's greatest sporting events. Beautifully printed on pages of the highest quality art paper, 1/1000th presents a unique selection of some of the best sports photographs ever taken, alongside stories.

ERECTIONS, EJACULATIONS, EXHIBITIONS AND GENERAL TALES OF ORDINARY MADNESS

THIS IS LOS ANGELES

Drago The definitive collection of photographs depicting the city of Los Angeles; from "homies" to Hollywood.

THE PHOTOGRAPHER'S EYE: GRAPHIC GUIDE

COMPOSITION AND DESIGN FOR BETTER DIGITAL PHOTOS

CRC Press First published in 2013. Routledge is an imprint of Taylor & Francis, an informa company.

POST-DIGITAL PRINT

THE MUTATION OF PUBLISHING SINCE 1894

Digital technology is now a normal part of everyday life. The mutation of music and film into bits and bytes, downloads and streams is now taken for granted. For the world of book and magazine publishing however, this transformation has only just begun. Still, the vision of this transformation is far from new. For more than a century now, avant-garde artists, activists and technologists have been anticipating the development of networked and electronic publishing. Although in hindsight the reports of the death of paper were greatly exaggerated, electronic publishing has now certainly become a reality. How will the analog and the digital coexist in the post-digital age of publishing? How will they transition, mix and cross over? In this book, Alessandro Ludovico rereads the history of the avant-garde arts as a prehistory of cutting through the so-called dichotomy between paper and electronics. Ludovico is the editor and publisher of Neural, a magazine for critical digital culture and media arts. For more than 20 years now, he has been working at the cutting edge (and the outer fringes) of both print publishing and politically engaged digital art.

HISTORY OF THE ITALIAN AGRICULTURAL LANDSCAPE

Princeton University Press Emilio Sereni's classic work is now available in an English language edition. History of the Italian Agricultural Landscape is a synthesis of the agricultural history of Italy in its economic, social, and ecological context, from antiquity to the mid-twentieth century. From his perspective in the Italian tradition of cultural Marxism, Sereni guides the reader through the millennial changes that have affected the agriculture and ecology of the regions of Italy, as well as through the successes and failures of farmers and technicians in antiquity, the middle ages, the Renaissance, and the Industrial Revolution. In this sweeping historical survey, he describes attempts by successive generations to adapt Italy's natural environment for the purposes of agriculture and to respond to its changing ecological problems. History of the Italian Agricultural Landscape first appeared in 1961. At the time of its publication it was a pathbreaking work, parallel in its importance for Italy to Marc Bloc's masterwork of 1931, The Original Characteristics of French Rural History. Sereni invented the concept of the historical "agricultural landscape": an interdisciplinary characterization of rural life involving economic and social history, linguistics, archeology, art history, and ecological studies. Originally published in 1997. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

THE GARDEN OF THE FINZI-CONTINIS

SLIGHTLY OUT OF FOCUS

Pickle Partners Publishing In 1942, a dashing young man who liked nothing so much as a heated game of poker, a good bottle of scotch, and the company of a pretty girl hopped a merchant ship to England. He was Robert Capa, the brilliant and daring photojournalist, and Collier's magazine had put him on assignment to photograph the war raging in Europe. In these pages, Capa recounts his terrifying journey through the darkest battles of World War II and shares his memories of the men and women of the Allied forces who befriended, amused, and captivated him along the way. His photographs are masterpieces — John G. Morris, Magnum Photos' first executive editor, called Capa "the century's greatest battlefield photographer" — and his writing is by turns riotously funny and deeply moving. From Sicily to London, Normandy to Algiers, Capa experienced some of the most trying conditions imaginable, yet his compassion and wit shine on every page of this book. Charming and profound, Slightly Out of Focus is a marvelous memoir told in words and pictures by an extraordinary man.—Print Ed.

FRANCE FROM THE AIR

Harry N. Abrams More than two hundred full-color aerial photographs reveal the rich variety of landscapes and landmarks of France, in a visual study that captures the country's coasts, hills, vineyards, towns, farms, churches, and such famed sites as Notre Dame, the Loire Valley chateaux, and Pont du Gard.

COLLECT THE WWWORLD. THE ARTIST AS ARCHIVIST IN THE INTERNET AGE

The last decade has seen an incredible growth in the production and distribution of images and other cultural artefacts. The internet is the place where all these cultural products are stored, classified, voted, collected and trashed. What is the impact of this process on art making and on the artist? Which kind of dialogue is going on between amateur practices and codified languages? How does art respond to the society of information? This is a book about endless archives, image collections, bees plundering from flower to flower and hunters crawling through the online wilderness. Alterazioni Video,

Kari Altmann, Cory Arcangel, Gazira Babeli, Kevin Bewersdorf, Luca Bolognesi, Natalie Bookchin, Petra Cortright, Aleksandra Domanovic, Harm van den Dorpel, Constant Dullaart, Hans-Peter Feldmann, Elisa Giardina Papa, Travis Hallenbeck, Jodi, Oliver Laric, Olia Lialina & Dragan Espenshied, Guthrie Loneran, Eva and Franco Mattes, Seth Price, Jon Rafman, Claudia Rossini, Evan Roth, Travers Smalley, Ryan Trecartin.

BRAVE NEW WORLD REVISITED

Turtleback Books Describes the shocking scientific devices and techniques available to any group in a position to manipulate society

THE GRAND INQUISITOR

The Floating Press This excerpt from the Russian literary masterpiece *The Brothers Karamazov* is a parable set against the backdrop of the Spanish Inquisition, which Dostoyevsky uses to explore questions about God's existence and human freedom. This bite-size text is a great way for beginners to acquaint themselves with Dostoyevsky's style.

FROM COLUMBUS TO CONAGRA

THE GLOBALIZATION OF AGRICULTURE AND FOOD

This examination of the role of agriculture and food in the new international division of labor argues that the globalized economy creates new winners and losers.

NETWORKED

THE NEW SOCIAL OPERATING SYSTEM

MIT Press How social networks, the personalized Internet, and always-on mobile connectivity are transforming—and expanding—social life. Daily life is connected life, its rhythms driven by endless email pings and responses, the chimes and beeps of continually arriving text messages, tweets and retweets, Facebook updates, pictures and videos to post and discuss. Our perpetual connectedness gives us endless opportunities to be part of the give-and-take of networking. Some worry that this new environment makes us isolated and lonely. But in *Networked*, Lee Rainie and Barry Wellman show how the large, loosely knit social circles of networked individuals expand opportunities for learning, problem solving, decision making, and personal interaction. The new social operating system of “networked individualism” liberates us from the restrictions of tightly knit groups; it also requires us to develop networking skills and strategies, work on maintaining ties, and balance multiple overlapping networks. Rainie and Wellman outline the “triple revolution” that has brought on this transformation: the rise of social networking, the capacity of the Internet to empower individuals, and the always-on connectivity of mobile devices. Drawing on extensive evidence, they examine how the move to networked individualism has expanded personal relationships beyond households and neighborhoods; transformed work into less hierarchical, more team-driven enterprises; encouraged individuals to create and share content; and changed the way people obtain information. Rainie and Wellman guide us through the challenges and opportunities of living in the evolving world of networked individuals.

PHOTOGRAPHS

Random House Incorporated Brings together a collection of seventy photographs—including portraits of musicians, actors, writers, and other celebrated personalities of American popular culture—taken by the chief photographer for “Rolling Stone” magazine over the past fifteen years

LA PORTRAITS

Drago Arts & Comm Iconic photographer/director Estevan Oriol releases a follow-up to his cornerstone *LA Woman* book: *Portraiture of Los Angeles Volume 1*. The release of Oriol's first published book, *LA Woman* (2009), caught fans and followers by surprise. Capturing the women of Los Angeles in their most confronting, gritty environments it was not the subject matter he was most well-known for. It established Estevan Oriol as the king of female street photography, cementing his reputation as Los Angeles' most respected street photographer. *LA Woman* was a smash hit, selling out globally in a very short time. *Portraiture of Los Angeles Volume 1* is the next compelling installment of Oriol's work to date. This series will comprise hundreds of photos documenting the most amazing, real L.A. street life the public has ever witnessed, from the lense of its originator Estevan Oriol. Dealing with sensitive environments and highly guarded subjects, Oriol has earned the trust and respect of the streets at all levels - from taking images on set of Hollywood's A list, to the most reclusive hoods in Los Angeles and all over the world. In commemoration of the release, the following activities will take place: a series of

viral videos will be launched bringing you up close with the subject matter; Gallery shows and events will take place strategically around the world. Apart from pioneering genres of street photography, Estevan Oriol is also creating a new road map of how the normal systems of publishing have been working, inviting his fans to be a part of the process and to easily access content. Drago and SA Studios Global (SASG) - Oriol's creative conglomerate - have entered into a partnership with the intention of revisiting the current publishing model. Recognizing the importance of digital in this new frontier, the physical is just as important.

BRAVE NEW WORLD REVISITED

A NOVEL

Harper Collins When Aldous Huxley wrote his famous novel Brave New World, he did so with the sincere belief that the dystopian world he created was a true possibility given the direction of the social, political and economic world order. Written almost thirty years later, Brave New World Revisited is a re-evaluation of his predictions based on the changes he had witnessed in the meantime. In this twelve-part essay, Huxley argues that society is moving toward his dystopian vision even faster than he had originally assumed, and provides his own suggestions on how to bring an end to this decadent decline. Brave New World Revisited condemns symptoms of modern life such as overpopulation, propaganda and extreme government control while providing a staunch defence of individualism. Despite being published over fifty years ago, the problems identified in Brave New World Revisited are still startlingly relevant, lending a chilling credibility to Aldous Huxley's unsettling predictions. HarperTorch brings great works of non-fiction and the dramatic arts to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperTorch collection to build your digital library.

REGARDS COUPABLES

777 Regards Coupables: Volume One is the highly anticipated debut from one of the most recognized artists in the world. Erotic, intimate, romantic and available in paperback, hardcover, and as an ebook featuring over 70 illustrations and 60 quotes by the artist. Regards Coupables: Volume One is the first in a series and features the some of the most popular work the artist has created. It is encouragement to love as intensely as you can, especially yourself, and a dedication to the essence of what makes us human. Most art is accompanied by something written on the opposite page with sections throughout the book divided by a special white on black series.

MEET THE FINNS

POLAROIDS

Taschen America Llc Instant Newton: A collection of Helmut Newton's test Polaroids Polaroids occupy a special place in the hearts of many photo enthusiasts who remember a time when "instant photography" meant one-of-a-kind prints that developed within minutes of clicking the shutter. What was once a crucial tool for photographers to test their shots before shooting on film has now become obsolete in the face of digital photography. Luckily for us, legendary photographer Helmut Newton saved his test Polaroids, allowing a privileged and rare chance to see the tests from a selection of his greatest shoots over a period of decades, including many from the TASCHEN titles SUMO, A Gun for Hire, and Work. Selected by his widow, June Newton, from over 300 photos featured at the 2011 exhibition "Helmut Newton Polaroids" at the Museum für Fotografie in Berlin, this collection captures the magic of Helmut Newton photo shoots as only Polaroids can. Text in English, French, and German
