## Timescape

**Thomas Nelson Which door would you go through to save the world? David, Xander, and Toria King never know what new adventures--and dangers--await them beyond the mysterious portals hidden on the top floor of their new house. They have battled gladiators and the German army, dodged soldiers on both sides of the Civil War, and barely escaped a fierce attack in their own home. Still they are no closer to finding their mother, who was pulled by powerful forces through a portal and lost in time. Their only hope is to turn the tables on Taksidian, the menacing stranger who wants them out of the house so he can use it for his own twisted purposes. But everything changes when a trip into the near future reveals the devastating outcome of Taksidian's schemes--a destroyed city filled with mutant creatures. It is only then that the Kings realize what they're really fighting for--the fate of humanity itself.**

## Germ

**Thomas Nelson Publishers A new weapon--a virus that moves from host to host until it locks onto the targeted victim's DNA--is in the hands of a man who has spent years collecting DNA from the American populace. He holds the heart of the world's only superpower in his hands--and it's time to start squeezing.**

## Watcher in the Woods

**Thomas Nelson** It's not just the house that's keeping secrets. Pretending everything's all right is harder than it sounds. But the Kings know that even if they told the truth about the bizarre things happening in their house, no one would believe them. They're hyper-focused on rescuing their lost family member before anyone finds out what's going on. But when a stranger shows up to take their house, their options start dwindling fast. Why would he be so interested in a run-down old place? And what secret is he hiding--just as he hides the scars that crisscross his body? The mystery gets stranger with each passing day. Will the Kings be able to find a way to harness the house's secrets and discover who is watching their every move before another gets snatched into an unknown world?

## The Indigo King

**Simon and Schuster** "Answer the question unanswered for more than two millennia, and perhaps you may yet restore the world." On a September evening in 1931, John and Jack, two of the Caretakers of the Imaginarium Geographica, discover a cryptic warning on a medieval manuscript -- which is not only addressed to them but seems to have been written by their friend, Hugo Dyson! But before they can discover the origin of the strange book, Hugo walks through a door in time -- and vanishes into the past. And in that moment, the world begins to change. The Frontier, which separates our world from the Archipelago of Dreams, has fallen. Dark and terrible beasts roam throughout England. No one can be summoned from the Archipelago. And both worlds have fallen into darkness under the reign of a cruel and terrible king. The only hope to restore the proper order of things lies on a forgotten island at the edge of the Archipelago, where a time travel device left by Jules Verne must be used to race through history itself -- from the Bronze Age to ancient Alexandria and the founding of the Silver Throne -- in one night. And in that single night, John and Jack will find that the only way to save their friend and stop the chaos destroying the world is to solve a 2,000-year-old mystery: Who is the Cartographer?

## Gatekeepers

**Thomas Nelson** The house talks. It breathes. And it's hungry. The Kings have been in the creepy old place, their new home, for only a few days, but they've experienced enough terror to last a lifetime. And the mystery is growing even more baffling. Shadowy and shifting, the big house conceals doors into other worlds that blur the line between memories and dreams—and the slightest misstep can change history forever. At least, that's if they believe the trembling old man who shows up claiming to know them. "There's a reason you're in the house," he tells them. "As

gatekeepers, we must make sure only those events that are supposed to happen get through to the future." The problem is that horrors beyond description wait on the other side of those gates. As if that weren't enough, the Kings are also menaced by sinister forces on this side—like the dark, ancient stranger Taksidian, who wants them out now. Xander, David, and Toria must venture beyond the gates to save their missing mother—and discover how truly high the stakes have become.

While Dr. Warthrop is attempting to disprove that *Homo vampiris*, the vampire, could exist, his former fiancée asks him to save her husband, who has been captured by a Wendigo—a creature that starves even as it gorges itself on human flesh. Although Dr. Warthrop considers the Wendigo to be fictitious, he relents and performs the rescue—but is he right to doubt the Wendigo's existence? Can the doctor and Will Henry hunt down the ultimate predator, who, like the legendary vampire, is neither living nor dead, and whose hunger for human flesh is never satisfied? This second book in *The Monstrumologist* series explores the line between myth and reality, love and hate, genius and madness.

## The 13th Tribe

Thomas Nelson When a group of immortal vigilantes threatens millions, only one man is brave enough to stand in their way. Their story didn't start this year...or even this millennium. It began when Moses was on Mt. Sinai. Tired of waiting on the One True God, the twelve tribes of Israel began worshipping a golden calf through pagan revelry. Many received immediate death for their idolatry, but 40 were handed a far worse punishment—endless life on earth with no chance to see the face of God. This group of immortals became the 13th Tribe, and they've been trying to earn their way into heaven ever since—by killing sinners. Though their logic is twisted, their brilliance is undeniable. Their wrath is unstoppable. And the technology they possess is beyond anything mere humans have ever seen. Jagger Baird knows nothing about the Tribe when he's hired as head of security for an archaeological dig on Mt. Sinai. The former Army Ranger is still reeling from an accident that claimed the life of his best friend, his arm, and his faith in God. The Tribe is poised to execute their most ambitious attack ever and the lives of millions hang in the balance. When Jagger's wife and son are caught in the crossfire, he'll stop at nothing to save them. But how can one man stand against an entire tribe of immortals? Seriously!" —TED DEKKER, New York Times best-selling author of *Forbidden* and the *Circle Series* "The author of *Comes a Horseman* ushers in an exciting new series with this action-packed and intricately plotted spiritual thriller that should appeal to fans of Frank Peretti and Oliver North." —Library Journal "A fantasy-thriller with overt (but not overly intrusive) Christian themes . . . The book can be read as a story of a man's spiritual transition, or it can be read as a fast-paced thriller with fantasy elements. Either way, it's a success." —Booklist "Liparulo opens the *Immortal Files* series with a bang . . . Liparulo has concocted a fast-moving, imaginative narrative that examines moral questions . . . every reader is in for roller-coaster action, competently done, with a late-breaking major plot curve that leaves the door open for more." —Publishers Weekly "If you're a fan of suspense or biblical fiction, this is one book you won't want to miss. Its mind-blowing action will keep readers totally immersed." —RT Book Review, 4 1/2 stars

## The Butcher's Boy

Random House The Edgar Award-winning novel by the “master of nail-biting suspense”(Los Angeles Times) Thomas Perry exploded onto the literary scene with *The Butcher’s Boy*. Back in print by popular demand, this spectacular debut, from a writer of “infernal ingenuity” (The New York Times Book Review), includes a new Introduction by bestselling author Michael Connelly. Murder has always been easy for the Butcher’s Boy—it’s what he was raised to do. But when he kills the senior senator from Colorado and arrives in Las Vegas to pick up his fee, he learns that he has become a liability to his shadowy employers. His actions attract the attention of police specialists who watch the world of organized crime, but though everyone knows that something big is going on, only Elizabeth Waring, a bright young analyst in the Justice Department, works her way closer to the truth, and to the frightening man behind it. Praise for *The Butcher’s Boy* “A stunning debut . . . a brilliantly plotted thriller.”—The Washington Post “A shrewdly planned and executed thriller.”—The New York Times Book Review “Thomas Perry has hit the mark.”—Houston Chronicle “Totally enthralling.”—The New Yorker
