La voz interior del amor desde la angustia a la libertad

"La voz interior del amor" es el "diario secreto" de Henri J. M. Nouwen, escrito durante el periodo más difícil de su vida, cuando repentinamente perdió la autoestima y las ganas de vivir y de trabajar e, incluso, su esperanza en Dios. Aun así, fue capaz de llevar un diario en el que cada día iba plasmado una "exhortación espiritual" fruto de las conversaciones con sus guías espirituales y sus amigos.

Caminar con Jesús

El Via Crucis

Editorial SAL TERRAE En su incansable deambular por las ciudades y aldeas de Palestina, Jesús caminó en medio de la gente, ofreciendo a todos la Buena Nueva del Reino y la caricia sanante de su compasión. Al final tuvo que recorrer el camino desde Gestsemaní hasta el Calvario. Este libro de meditaciones de HENRI NOUWEN, inspirado en una serie de dibujos de la HNA. HELEN DAVID, es una recreación del tradicional Via Crucis, centrado en la pasión y el sufrimiento de los pobres del mundo. Un preso político encerrado tras unos barrotes, un campesino soportando una pesada carga de madera, un niño abandonado, una madre llorando a su hijo asesinado, un labrador agotado, cuatro religiosas martirizadas...: en estas y otras imágenes percibe Nouwen la incesante pasión de Cristo, una y otra vez renovada. Los dibujos de la HNA. HELEN son duros y conmovedores, pero en modo alguno inducen a la desesperación. Más bien "nos ayudan a unir nuestra humanidad rota a

la de los hombres, mujeres y niños que aparecen en ellos... Una unión que se hace posible a través del cuerpo doliente y resucitado de Jesús. En Jesús y a través de él, nuestro mundo puede hacerse uno, porque él nos abraza a todos en su amor divino y desea que todos seamos uno, como el Padre y él son uno".

Escritos esenciales

Editorial SAL TERRAE *"Durante esos meses se apoderó de mí una angustia delirante. Llegué incluso a preguntarme si sería capaz de seguir viviendo. Todo se me venía abajo: mi autoestima, mi deseo de vivir y de trabajar, mi sensación de ser amado, mi esperanza de curación, mi confianza en Dios..., todo. Allí estaba yo, un escritor sobre la vida espiritual, conocido como alguien que ama a Dios y transmite esperanza a las personas, postrado en el polvo de la desesperación y rodeado de una oscuridad total". Pocas veces los grandes guías espirituales revelan sus "dudas y heridas" a sus lectores de forma tan transparente y sincera. Henri Nouwen es una excepción. El lector tiene en sus manos un conjunto de textos esenciales que nos transmiten con una maestría insólita la paradoja de uno de los mayores maestros de espiritualidad de nuestro tiempo: él supo encontrar al Dios que se revela en lo secreto y recibió la gracia de ser fuerte en su debilidad. Bebiendo en el pozo de la contemplación de Dios y de los pobres, especialmente de los discapacitados, logró una creatividad espiritual en la que se daban cita la penetración psicológica y la fidelidad total a la experiencia humana. El lector encontrará en los textos seleccionados - aproximadamente la mitad de ellos se publican en castellano por primera vez en esta compilación- a un amigo que quiere ser su compañero de camino. ROBERT A.*

JONAS ha seleccionado con gran sensibilidad los textos que se recogen en esta obra y es el autor de la magnífica introducción a la figura de Henri Nouwen, donde muestra al hombre que hay detrás de las palabras, tan lleno de gracia espiritual y fe probada como torpe para la realización de tareas físicas. Robert A. Jonas es psicoterapeuta, acompañante espiritual y director de retiros.

With Open Hands

Ave Maria Press *With Open Hands, Henri Nouwen's first book on spirituality and a treasured introduction to prayer, has been a perennial favorite for over thirty years because it gently encourages an open, trusting stance toward God and offers insight to the components of prayer: silence, acceptance, hope, compassion, and prophetic criticism. Provocative questions invite reflection and self-awareness, while simple and beautiful prayers provide comfort, peace, and reassurance. With over half a million copies printed in seven languages, this spiritual classic has been reissued for a new generation with moving photography and a foreword by Sue Monk Kidd.*

The Wounded Healer

Ministry in Contemporary Society

Image *A hope-filled and profoundly simple book that speaks directly to those who want to be of service in their church or community, but have found the traditional ways often threatening and ineffective. In this book, Henri Nouwen combines*

*creative case studies of ministry with stories from diverse cultures and religious traditions in preparing a new model for ministry. Weaving keen cultural analysis with his psychological and religious insights, Nouwen has come up with a balanced and creative theology of service that begins with the realization of fundamental woundedness in human nature. Emphasizing that which is in humanity common to both minister and believer, this woundedness can serve as a source of strength and healing when counseling others. Nouwen proceeds to develop his approach to ministry with an analysis of sufferings—a suffering world, a suffering generation, a suffering person, and a suffering minister. It is his contention that ministers are called to recognize the sufferings of their time in their own hearts and make that recognition the starting point of their service. For Nouwen, ministers must be willing to go beyond their professional role and leave themselves open as fellow human beings with the same wounds and suffering—in the image of Christ. In other words, we heal from our own wounds. Filled with examples from everyday experience, *The Wounded Healer* is a thoughtful and insightful guide that will be welcomed by anyone engaged in the service of others.*

The Return of the Prodigal Son

A Story of Homecoming

Image With over a million copies sold, this classic work is essential reading for all who ask, “Where has my struggle led me?” A chance encounter with a reproduction of Rembrandt’s *The Return of the Prodigal Son* catapulted Henri Nouwen on an unforgettable spiritual adventure. Here he shares the deeply personal and resonant meditation that led him to discover the place within where God has chosen to dwell. As Nouwen reflects on Rembrandt’s painting in light of his own life journey, he evokes a powerful drama of the classic parable in a rich, captivating way that is sure to reverberate in the hearts of readers. Nouwen probes the several movements of the parable: the younger son’s return, the father’s restoration of sonship, the elder son’s resentfulness, and the father’s compassion. The themes of homecoming, affirmation, and reconciliation will be newly discovered by all who have known loneliness, dejection, jealousy, or anger. The challenge to love as God loves, and to be loved as God’s beloved, will be seen as the ultimate revelation of the parable known to Christians throughout time, and is here represented with a vigor and power fresh for our times.

Life of the Beloved

Hachette UK The real ‘work’ of prayer is to become silent and listen to the voice that says good things about me. *Life of the Beloved* asks how one can live a spiritual life in a Western secular culture. The greatest challenge, concludes Nouwen, is to bridge the gap between secular and sacred within the self as a human being loved by God.

A Spirituality of Living

The Henri Nouwen Spirituality Series

Upper Room Books *What's the secret to living a spiritual life? So much is happening in our world that we often get distracted and listen to voices other than the voice of God. "If we want to be disciples of Jesus, we have to live a disciplined life," Nouwen asserts. In the spiritual life, discipline requires conscious effort to keep every area in life from being filled up. It means creating space in our life for God to act and speak. Nouwen identifies 3 essential disciplines for maintaining a life of discipleship: solitude, community, and ministry. In solitude we learn to listen to God through prayer. We realize that we are beloved sons and daughters of God. In community we learn to celebrate, as well as to practice vulnerability and forgiveness. After we have experienced solitude and community, we feel God's call to minister to a hurting world. God empowers us to do amazing things. This encouraging, insightful book will inspire you to practice solitude, community, and ministry. The result, Nouwen promises, is a fruitful, Spirit-filled life.*

This Economy Kills

Pope Francis on Capitalism and Social Justice

Liturgical Press When Pope Francis wrote in his apostolic letter *The Joy of the Gospel* that the economy of the West is one that "kills," he was immediately labeled by some as a Marxist. Criticisms came fast and furious, not only from financial columnists and conservative cable personalities, but also from some Catholic commentators, especially in the United States. In *This Economy Kills*, two of the most respected journalists covering the Vatican today explore the Pope's teaching and witness on the topic; the ways it relates to other topics like war, the environment, and family life; its connections to the teaching of his predecessors; and the criticism it has generated, especially from the direction of the United States. This fascinating book includes the full text of an extended interview the authors conducted with Francis on the topic of capitalism and social justice, appearing here in English for the first time. *This Economy Kills* is essential reading for anyone who wants to understand Pope Francis's convictions about the world we live in and the way he believes Christians are called to shape it.

Here And Now: Living In The Spirit

St Pauls BYB

A Pilgrim's Journey

The Autobiography of St. Ignatius of Loyola

Ignatius Press Saint Ignatius of Loyola was a man who saw above and beyond his century, a man of vision and calm hope, who could step comfortably into our era and the Church of our time and show us how to draw closer to Christ. Ignatius' autobiography spans eighteen very important years of this saint's 65-year life...from his wounding at Pamplona (1521) through his conversion, his university studies and his journey to Rome in order to place his followers and himself at the disposal of the Pope. These critical years reveal the incredible transformation and spiritual growth in the soul of a great saint and the events that helped to bring about that change in his life. This classic work merits a long life. Apart from providing a splendid translation of the saint's original text, Father Tylenda has included an informative commentary which enables the modern reader to grasp various allusions in the text-and to gain a better view of a saintly man baring his soul.
