Common European Framework of Reference for Languages: Learning, Teaching, assessment Companion volume [Council of Europe](#) The CEFR Companion volume broadens the scope of language education. It reflects academic and societal developments since the publication of the Common European Framework of Reference for Languages (CEFR) and updates the 2001 version. It owes much to the contributions of members of the language teaching profession across Europe and beyond. This volume contains: ► an explanation of the key aspects of the CEFR for teaching and learning; ► a complete set of updated CEFR descriptors that replaces the 2001 set with: - modality-inclusive and gender-neutral descriptors; - added detail on listening and reading; - a new Pre-A1 level, plus enriched description at A1 and C levels; - a replacement scale for phonological competence; - new scales for mediation, online interaction and plurilingual/pluricultural competence; - new scales for sign language competence; ► a short report on the four-year development, validation and consultation processes. The CEFR Companion volume represents another step in a process of engagement with language education that has been pursued by the Council of Europe since 1971 and which seeks to: ► promote and support the learning and teaching of modern languages; ► enhance intercultural dialogue, and thus mutual understanding, social cohesion and democracy; ► protect linguistic and cultural diversity in Europe; and ► promote the right to quality education for all. Teachers of particular languages working on their own can use the ELP to promote learner autonomy, but the goals of intercultural awareness and plurilingualism invite us to use the ELP in all foreign language classes at all levels in the school. The guide introduces the language education policy that underpins the ELP, explores the key concepts that it embodies, and explains how to plan, implement and evaluate whole-school ELP projects. The ten case studies published on the project website illustrate various dimensions of ELP use and include practical suggestions and activities for teachers and learners.**

Chinese for Working Professionals A Textbook for Intermediate-High to Advanced Learners [Routledge](#) **Chinese for Working Professionals is for learners who intend to use Chinese in a multinational global workplace. It has eight thematic units focusing on developing learners' transferrable skills in addition to expanding the cross-cultural competences required in a real-world work-place. Key features: Topical themes expose the ongoing changes in China for working professionals such as career preparation, economic development, business etiquette, the working environment, and overall lifestyle. Authentic reading materials and live videos on a companion website to incorporate understandings of the norm and expectations of the workplace and society at large, and also prepare learners for a quick transition from classroom to targeted scenarios. Abundant simulated real-life collaborative tasks, case studies, and projects enhance learners' problem-solving skills in Chinese, in addition to work strategies in different scenarios such as communication for work and leisure, and teamwork projects necessary and crucial for professions in multilingual and cross-cultural global settings. This textbook is a key resource for learners of Chinese at an ACTFL Intermediate-High proficiency level and above, or CEFR (Common European Framework of Reference for Language) B1.2 to B2.1 level in terms of language control, extensive and applicable vocabulary and expressions, communication strategies, as well as cultural awareness.**

English Language Learning and Technology Lectures on applied linguistics in the age of information and communication technology [John Benjamins Publishing](#) **This book explores implications for applied linguistics of recent developments in technologies used in second language teaching and assessment, language analysis, and language use. Focusing primarily on English language learning, the book identifies significant areas of interplay between technology and applied linguistics, and it explores current perspectives on perennial questions such as how theory and research on second language acquisition can help to inform technology-based language learning practices, how the multifaceted learning accomplished through technology can be evaluated, and how theoretical perspectives can offer insight on data obtained from research on**

interaction with and through technology. The book illustrates how the interplay between technology and applied linguistics can amplify and expand applied linguists' understanding of fundamental issues in the field. Through discussion of computer-assisted approaches for investigating second language learning tasks and assessment, it illustrates how technology can be used as a tool for applied linguistics research. English for Professional and Academic Purposes [Rodopi](#) English in academic and professional settings has received great attention over the last 50 years, as its use has become a key asset for anyone interested in improving his/her chances of communicating internationally. However, it still offers rich opportunities for teachers and researchers working on English in specific settings. The aim of English for Professional and Academic Purposes is to offer an overview of several topics within the field of discourse analysis applied to English in academic and professional domains. The book compiles contributions from different origins, ranging from Japan to the USA and several European countries, and covers English as a native, second, foreign and international language. It also deals with various specialities, including academic writing, business discourse or English for medicine, nursing, maritime industry and science and engineering. This volume is divided into three sections: Discourse Analysis of English for Academic Purposes, Professional English and EPAP Pedagogy, since it was conceived as a contribution to the research on how English is analysed as both the discourse of and for effective communication in academic and professional settings, and how it can be applied to teaching. This manuscript offers some fresh insights for those involved or interested in this field of expertise, in an attempt to shed some light on its latest innovations. Curriculum Development in English for Academic Purposes A Guide to Practice [Springer Nature](#) This book introduces and explains a series of tools for curriculum renewal and revitalization in English for Academic Purposes (EAP) programs, based on the experiences of the authors in successfully implementing a new curriculum in a large EAP program in North America. The book focuses on the why and how of introducing curriculum change, while also engaging critically with the realities of day-to-day classroom practice and the important issue of teacher engagement. While maintaining a principles-driven approach, each chapter is also filled with tools, samples and case study examples, grounding the book in practice and making it an essential resource for language teachers, teacher trainers, and students on TESOL and related courses. English as a Global Language [Cambridge University Press](#) David Crystal's classic English as a Global Language considers the history, present status and future of the English language, focusing on its role as the leading international language. English has been deemed the most 'successful' language ever, with 1500 million speakers internationally, presenting a difficult task to those who wish to investigate it in its entirety. However, Crystal explores the subject in a measured but engaging way, always backing up observations with facts and figures. Written in a detailed and fascinating manner, this is a book written by an expert both for specialists

in the subject and for general readers interested in the English language. Handbook for Arabic Language Teaching Professionals in the 21st Century [Taylor & Francis](#) Drawing on the collective expertise of language scholars and educators in a variety of subdisciplines, the Handbook for Arabic Language Teaching Professionals in the 21st Century, Volume II, provides a comprehensive treatment of teaching and research in Arabic as a second and foreign language worldwide. Keeping a balance among theory, research and practice, the content is organized around 12 themes: Trends and Recent Issues in Teaching and Learning Arabic Social, Political and Educational Contexts of Arabic Language Teaching and Learning Identifying Core Issues in Practice Language Variation, Communicative Competence and Using Frames in Arabic Language Teaching and Learning Arabic Programs: Goals, Design and Curriculum Teaching and Learning Approaches: Content-Based Instruction and Curriculum Arabic Teaching and Learning: Classroom Language Materials and Language Corpora Assessment, Testing and Evaluation Methodology of Teaching Arabic: Skills and Components Teacher Education and Professional Development Technology-Mediated Teaching and Learning Future Directions The field faces new challenges since the publication of Volume I, including increasing and diverse demands, motives and needs for learning Arabic across various contexts of use; a need for accountability and academic research given the growing recognition of the complexity and diverse contexts of teaching Arabic; and an increasing shortage of and need for quality of instruction. Volume II addresses these challenges. It is designed to generate a dialogue—continued from Volume I—among professionals in the field leading to improved practice, and to facilitate interactions, not only among individuals but also among educational institutions within a single country and across different countries. The aim of this book is to share experiences and reflections on English for Specific Purposes pedagogy in Western European higher education. Taking as a starting point the development of the EU policies during the past couple of decades and their national implementations, the chapters in this book provide various perspectives, both theoretical and practical, on the ways in which the reform has been implemented and its effects on the teaching of ESP. Experiences of developing programmes and courses incorporating Content and Language Integrated Learning and Autonomous and Lifelong Learning are described, as well as Problem-Based Learning and Process-Genre Pedagogies. The book also includes chapters on the crucial, but often neglected issue of teacher support in meeting the challenges of teaching content through the

medium of English. The changing face of ESP in today's classroom and workplace [Vernon Press](#) Despite the growth and development of English for Specific Purposes (ESP) as an area of study since the 1960s, few books related to classroom applications in combination with other disciplines such as Content and Language Integrated Learning (CLIL), English Language Teaching (ELT), or English as a Medium of Instruction (EMI), exist. Each section of this volume includes scholarly written studies from across the globe, indicating the extent and the importance ESP has in the current academic world. Filling the present void in available material on this subject, this book contains various useful and effective applications of ESP, teaching activities for classroom settings, as well as insights on how ESP can be combined with, and adopted by, other disciplines. Written from a variety of backgrounds and perspectives, this text is sure to contribute to this field and will be of interest to ESP teachers, as well as postgraduate and undergraduate students.

Needs Analysis for Language Course Design A Holistic Approach to ESP [Cambridge University Press](#) An essential toolkit for language teachers who need to design language courses for working professionals, vocational schools, undergraduate and graduate students. **Needs Analysis for Language Course Design** is a handbook for those who prepare and teach courses in ESP. The book shows the reader how needs analysis can be used to create a detailed profile of the professional learner and how this profile can then be used to tailor make a course in language and communication for working professionals and for those studying towards a professional or vocational qualification.

Second Language Needs Analysis [Cambridge University Press](#) No language teaching program should be designed without a thorough analysis of the students' needs. The studies in this volume explore Needs Analysis in the public, vocational and academic sectors, in contexts ranging from service encounters in coffee shops to foreign language needs assessment in the U.S. military. In each chapter, the authors explicitly discuss the methodology they employed, and in some cases also offer research findings on that methodology. Several studies are task-based, making the collection of special interest to those involved in task-based language teaching. Contributions include work on English and other languages in both second and foreign language settings, as well as a comprehensive overview of methodological issues in Needs Analysis by the editor.

With the increasing awareness of the importance of English as a global link language and the widespread use of the Internet and the globalization of business and education, the need for learning English effectively is being felt more than ever before. This international awakening has spurred nations like China and Russia that kept away from English in the past to educate their populations in the English language. In India too, there is a renewed interest in learning English for communication. This book takes the most pragmatic and current approach to the teaching and learning of English

which offers learners ready-to-use expressions in their day-to-day communication. The book offers conversations in various social contexts, in formal and informal situations, and lists in an exhaustive way all the expressions used within the particular communicative function. In addition, there are exercises at the end of each unit which provide the learners an opportunity to go through the actual use of those expressions, thereby enhancing their confidence to use English. Designed primarily as a text in communicative or functional English, this book should also be useful to all those who wish to improve their English for socially appropriate communication. **KEY FEATURES**

- Provides learners with ready-to-use and socially appropriate expressions through conversations.
- Presents a full range of expressions for choice within the language functions such as requests, suggestions, asking and giving opinions, asking and giving advice, and agreeing and disagreeing.
- Offers practice opportunity through exercises at the end of each unit.
- Brings communication in English within the reach of all learners through steps like read-practice-develop-use.
