### PH Balanced for Life!

## The Easiest Way to Alkalize

What Is It That Your Body Needs? You know you're not your optimal self. Though you may feel reasonably healthy, something is not quite right. No wonder. Toxic modern life is turning your body into an acidic mess, out of sync with the natural balance required for optimal health. We can't escape all life's toxifying influences, but we can fight them with the tools provided in... pH Balanced for Life! Counteract life's overwhelmingly acidic effects simply and effectively with inexpensive, natural, and off-the-shelf medical supplements that can be incorporated into your daily life as easily as pouring yourself a glass of water. Discover what Alkalizing really is! Become the #1 expert on the state of your own health. Find out just how much the human diet has changed in these last decades--and not for the better! Learn about Ted's overall Health Defense Diet. Uncover the easiest ways to Alkalize. Choose a form of alkalizing best suited to your health needs! "pH Balanced for Life!" is a straightforward but comprehensive account of how to completely turn your health around. Written by the man who has spent the last three decades formulating these acclaimed remedies and assisted by the colleague who brought himself back from the brink by applying them to his own life and health. Too easy and too powerful to be missed!

## Candida

### Killing So Sweetly

Candida - Conquering an Invisible Disease You may be among the many suffering systemic ill health - exhaustion, digestive issues, brain fog and other symptoms - due to a condition doctors refuse to diagnose. Stop suffering in silence! Do you have a mystery illness that neither allopathic nor alternative treatments are able to cure? Have you had a vaginal yeast infection or intestinal candida for years? Decades? Find out why in these pages! Do you want to fully understand and completely eradicate your own serious candida problem? Discover the truth about how a candida infection really works and get a clearly defined strategy - verified by research - that will quickly eradicate systemic candida and all its symptoms. Do you want to know why doctors' treatments rarely work against serious candida problems? And one final question. Do you want to be truly healthy? If so, this is the comprehensive anti-candida strategy that can resolve all your candida-related health problems. Anti-Candida and Anti-Pathogen Protocols Anti-Biofilm Protocols Alkalizing Protocols Essential Body Detox Liver and Kidney Support Vitamin and Mineral Support The Anti-Candida Diet (The Health Defense Diet) This proven anti-candida regimen is fully detailed, with Example Daily Protocol Schedules included to help the candida sufferer defeat their own difficult candida fungal problems. Return to a state of health, and feel like yourself again!

## The Death and Life of Great American Cities

**Random House** In this classic text, Jane Jacobs set out to produce an attack on current city planning and rebuilding and to introduce new principles by which these should be governed. The result is one of the most stimulating books on cities ever written. Throughout the post-war period, planners temperamentally unsympathetic to cities have been let loose on our urban environment. Inspired by the ideals of the Garden City or Le Corbusier's Radiant City, they have dreamt up ambitious projects based on self-contained neighbourhoods, super-blocks, rigid 'scientific' plans and endless acres of grass. Yet they seldom stop to look at what actually works on the ground. The real vitality of cities, argues Jacobs, lies in their diversity, architectural variety, teeming street life and human scale. It is only when we appreciate such fundamental realities that we can hope to create cities that are safe, interesting and economically viable, as well as places that people want to live in. 'Perhaps the most influential single work in the history of town planning...' Jacobs has a powerful sense of narrative, a lively wit, a talent for surprise and the ability to touch the emotions as well as the mind' New York Times Book Review

## Precious Remedies Against Satan's Devices

## Being a Companion for Christians of All Denominations

## "Leave None to Tell the Story"

## Genocide in Rwanda

\*\*\* Law and Order

## The Wretched of the Earth

**Grove Press**

## To the Lighthouse

**Renard Press Ltd** Described by Virginia Woolf herself as ‘easily the best of my books’, and by her husband Leonard as a ‘masterpiece’, *To the Lighthouse*, first published in 1927, is one of the milestones of Modernism. Set on the Isle of Skye, over a decade spanning the First World War, the narrative centres on the Ramsay family, and is framed by Mrs Ramsay’s promise to take a trip to the lighthouse the next day – a promise which isn’t to be fulfilled for a decade. Flowing from character to character and from year to year, the novel paints a moving portrait of love, loss and perception. Bearing all the hallmarks of Woolf’s prose, with her delicate handling of the complexities of human relationships, *To the Lighthouse* has earned its reputation – frequently appearing in lists of the best novels of the twentieth century, it has lost not an iota of brilliance.

## Mockingjay (Hunger Games, Book Three)

**Scholastic Inc.** The greatly anticipated final book in the New York Times bestselling Hunger Games trilogy by Suzanne Collins.

## The Brain That Changes Itself

## Stories of Personal Triumph from the Frontiers of Brain Science

**Penguin UK** An introduction to the science of neuroplasticity recounts the case stories of patients with mental limitations or brain damage whose seemingly unalterable conditions were improved through treatments that involved the thought re-alteration of brain structure.

## Amusing Ourselves to Death

## Public Discourse in the Age of Show Business

**Penguin** What happens when media and politics become forms of entertainment? As our world begins to look more and more like Orwell’s 1984, Neil’s Postman’s essential guide to the modern media is more relevant than ever. “It’s unlikely that Trump has ever read *Amusing Ourselves to Death*, but his ascent would not have surprised Postman.” -CNN Originally published in 1985, Neil Postman’s groundbreaking polemic about the corrosive effects of television on our politics and public discourse has been hailed as a twenty-first-century book published in the twentieth century. Now, with television joined by more sophisticated electronic media—from the Internet to cell phones to DVDs—it has taken on even greater significance. *Amusing Ourselves to Death* is a prophetic look at what happens when politics, journalism, education, and even religion become subject to the demands of entertainment. It is also a blueprint for regaining control of our media, so that they can serve our highest goals. “A brilliant, powerful, and important book. This is an indictment that Postman has laid down and, so far as I can see, an irrefutable one.” –Jonathan Yardley, *The Washington Post Book World*

## A Time To Kill

**Random House** \_\_\_\_\_ THE MULTI-MILLION COPY BESTSELLER John Grisham’s first and most shocking novel, adapted as a film starring Samuel L. Jackson and Matthew McConaughey When Carl Lee Hailey guns down the violent racists who raped his ten-year-old daughter, the people of the small town of Clanton, Mississippi see it as justice done, and call for his acquittal. But when extremists outside Clanton – including the KKK – hear that a black man has killed two white men, they invade the town, determined to destroy anything and anyone that opposes their sense of justice. A national media circus descends on Clanton. As tensions mount, Hailey hires the inexperienced Jake Brigance to defend him. It’s the kind of case that could make a young lawyer’s career. But it’s also the kind of case that could get a young lawyer killed. \_\_\_\_\_ The original, epoch-defining Jake Brigance novel. Brigance returns in SYCAMORE ROW and A TIME FOR MERCY. \_\_\_\_\_ ‘A master at the art of deft characterisation and the skilful delivery of hair-raising crescendos’ - Irish Independent ‘John Grisham is the master of legal fiction’ - Jodi Picoult ‘The best thriller writer alive’ - Ken Follett ‘John Grisham has perfected the art of cooking up convincing, fast-paced thrillers’ - Telegraph ‘Grisham is a superb, instinctive storyteller’ - The Times ‘Grisham’s storytelling genius reminds us that when it comes to legal drama, the master is in a league of his own.’ - Daily Record ‘Masterful – when Grisham gets in the courtroom he lets rip, drawing scenes so real they’re not just alive, they’re pulsating’ - Mirror ‘A giant of the thriller genre’ - TimeOut

## Managing Death Investigations

## Life of Pi

**Vintage Canada** *Life of Pi* is a masterful and utterly original novel that is at once the story of a young castaway who faces immeasurable hardships on the high seas, and a meditation on religion, faith, art and life that is as witty as it is profound. Using the threads of all of our best stories, Yann Martel has woven a glorious spiritual adventure that makes us question what it means to be alive, and to believe.

## I Know Why the Caged Bird Sings

**Random House** Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou’s debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local “powhitetrash.” At eight years old and back at her mother’s side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors (“I met and fell in love with William Shakespeare”) will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. “*I Know Why the Caged Bird Sings* liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity.”—James Baldwin *From the Paperback edition.*

## The Children of Men

**Vintage** Told with P. D. James’s trademark suspense, insightful characterization, and riveting storytelling, *The Children of Men* is a story of a world with no children and no future. The human race has become infertile, and the last generation to be born is now adult. Civilization itself is crumbling as suicide and despair become commonplace. Oxford historian Theodore Faron, apathetic toward a future without a future, spends most of his time reminiscing. Then he is approached by Julian, a bright, attractive woman who wants him to help get her an audience with his cousin, the powerful Warden of England. She and her band of unlikely revolutionaries may just awaken his desire to live . . . and they may also hold the key to survival for the human race.

## The Art Of Seduction

**Profile Books** Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. The Art of Seduction is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of *The 48 Laws of Power*, *Mastery*, and *The 33 Strategies Of War*.

## A Guide to the Bodhisattava's Way of Life

**Library of Tibetan Works and Archives** Shantideva's Bodhisattvacharyavatara (A Guide to the Bodhisattva's Way of Life) holds a unique place in Mahayana Buddhism akin to that of the Dhammapada in Hinayana Buddhism and the Bhagavadgita in Hinduism. In combining those rare qualities of scholastic precision, spiritual depth and poetical beauty, its appeal extends to a wide audience of Buddhists and non-Buddhists alike. Composed in India during the 8th century of the Christian era, it has since been an inspiration to millions of people throughout the world. This present translation by Stephen Batchelor is based upon a 12th century Tibetan commentary as orally explained by Ven. Geshe Ngawang Dhargyey. The ninth chapter on wisdom has been expanded for this edition with relevant commentarial passages.

## 120 Days of Sodom

**GENERAL PRESS** First published in 1904, '120 Days of Sodom' is a 1785 novel by Marquis de Sade, a French nobleman, revolutionary politician, philosopher, and writer celebrated for his literary portrayals of a primarily imagined libertine sexuality. His works include novels, short stories, plays, dialogues, and political tracts. It is the tale of four noble male libertines who choose to follow ultimate sexual gratification in the form of orgies. To this end, they seclude themselves in an isolated castle in the heart of the Black Forest for four months, along with a harem of 46 victims-most of whom are young male and female teenagers.

## Good Night, Mr. Tom

**Harper Collins** London is poised on the brink of World War 11. Timid, scrawny Willie Beech -- the abused child of a single mother -- is evacuated to the English countryside. At first, he is terrified of everything, of the country sounds and sights, even of Mr. Tom, the gruff, kindly old man who has taken him in. But gradually Willie forgets the hate and despair of his past. He learns to love a world he never knew existed, a world of friendship and affection in which harsh words and daily beatings have no place. Then a telegram comes. Willie must return to his mother in London. When weeks pass by with no word from Willie, Mr. Tom sets out for London to look for the young boy he has come to love as a son.

## A Fine Balance

**McClelland & Stewart** A Fine Balance, Rohinton Mistry's stunning internationally acclaimed bestseller, is set in mid-1970s India. It tells the story of four unlikely people whose lives come together during a time of political turmoil soon after the government declares a "State of Internal Emergency." Through days of bleakness and hope, their circumstances -- and their fates -- become inextricably linked in ways no one could have foreseen. Mistry's prose is alive with enduring images and a cast of unforgettable characters. Written with compassion, humour, and insight, A Fine Balance is a vivid, richly textured, and powerful novel written by one of the most gifted writers of our time.

## Human, All Too Human

## A Book for Free Spirits

## The Kill Order

**Chicken House** When sun flares hit the Earth, intense heat, toxic radiation and flooding followed, wiping out much of the human race. Those who survived live in basic communities in the mountains, hunting for food. For Mark and his friends, surviving is difficult, and then an enemy arrives, infecting people with a highly contagious virus. Thousands die, and the virus is spreading. Worse, it's mutating, and people are going crazy. It's up to Mark and his friends to find the enemy - and a cure - before the Flare infects them all ...

## The Hunger Games

## Dracula

**BiBook** Disfruta de este clásico de Bram Stoker en versión original. Drácula (en inglés, Dracula), es una novela de fantasía gótica escrita por Bram Stoker, publicada en 1897. Publicada en castellano por Ediciones Hyma bajo la colección 'La novela aventura' en 1935, con portada de Juan Pablo Bocquet e ilustraciones de 'Femenía'. Drácula, fue elogiada por Arthur Conan Doyle y es considerada como la novela de terror más hermosa jamás escrita. Hasta el día de hoy no ha dejado de publicarse, ha sido traducida a más de 50 idiomas y ha logrado vender alrededor de 12 millones de copias.

## Tartuffe; Or, The Hypocrite

## Popular Books by Molière : All times Bestseller Demanding Books

**BEYOND BOOKS HUB** Tartuffe; Or, The Hypocrite by French playwright Molière (Jean-Baptiste Poquelin) was first performed in 1664 for Louis XIV. The representation in the play that pious men are not as pious as they make themselves out to be, was what got the play almost immediately banned. Those opposed to it were members of upper-class French society, and the Roman Catholic Church. Louis XIV actually liked the play. However, it took several rewrites before it was finally performed as a five-act play without controversy in 1669. It is a comic tale that features the characters of Tartuffe, Elmire, and Orgon - considered some of the best roles in theatre. Tartuffe, a so-called pious man who claims to speak with divine authority is taken in by a family, the head of which is Orgon. Whilst Orgon and his mother fall completely for Tartuffe's pious act, the rest of the family hate him and devise a scheme to show him for what he really is. All in all, the play exposes the folly of believing things without checking facts or appealing to reason. Much like how Machiavellian became part of the language after 'The Prince' was published, Tartuffe became a word used to describe a religious hypocrite. № 78

in Anne Haight's List of Banned Books. Part of the Encyclopaedia Britannica's Great Books of the Western World set. Part of the Harvard Classics set.

## The Birth of Tragedy Or Hellenism and Pessimism

**The Floating Press** This classic work of creative criticism from German philosopher Friedrich Nietzsche argues that ancient Greek drama represents the highest form of art ever produced. In the first section of the book, Nietzsche presents an in-depth analysis of Athenian tragedy and its many merits. In the second section, Nietzsche contrasts the refinement of classical tragedy with what he regards as the cultural wasteland of the nineteenth-century.

## Factfulness

### Ten Reasons We're Wrong About the World--and Why Things Are Better Than You Think

**Flatiron Books** INSTANT NEW YORK TIMES BESTSELLER "One of the most important books I've ever read—an indispensable guide to thinking clearly about the world." – Bill Gates "Hans Rosling tells the story of 'the secret silent miracle of human progress' as only he can. But Factfulness does much more than that. It also explains why progress is so often secret and silent and teaches readers how to see it clearly." —Melinda Gates "Factfulness by Hans Rosling, an outstanding international public health expert, is a hopeful book about the potential for human progress when we work off facts rather than our inherent biases." - Former U.S. President Barack Obama Factfulness: The stress-reducing habit of only carrying opinions for which you have strong supporting facts. When asked simple questions about global trends—what percentage of the world's population live in poverty; why the world's population is increasing; how many girls finish school—we systematically get the answers wrong. So wrong that a chimpanzee choosing answers at random will consistently outguess teachers, journalists, Nobel laureates, and investment bankers. In Factfulness, Professor of International Health and global TED phenomenon Hans Rosling, together with his two long-time collaborators, Anna and Ola, offers a radical new explanation of why this happens. They reveal the ten instincts that distort our perspective—from our tendency to divide the world into two camps (usually some version of us and them) to the way we consume media (where fear rules) to how we perceive progress (believing that most things are getting worse). Our problem is that we don't know what we don't know, and even our guesses are informed by unconscious and predictable biases. It turns out that the world, for all its imperfections, is in a much better state than we might think. That doesn't mean there aren't real concerns. But when we worry about everything all the time instead of embracing a worldview based on facts, we can lose our ability to focus on the things that threaten us most. Inspiring and revelatory, filled with lively anecdotes and moving stories, Factfulness is an urgent and essential book that will change the way you see the world and empower you to respond to the crises and opportunities of the future. --- "This book is my last battle in my life-long mission to fight devastating ignorance...Previously I armed myself with huge data sets, eye-opening software, an energetic learning style and a Swedish bayonet for sword-swallowing. It wasn't enough. But I hope this book will be." Hans Rosling, February 2017.

## The Murder on the Links

Lulu.com

## The Candida Cure

### The 90-Day Program to Balance Your Gut, Beat Candida, and Restore Vibrant Health

**HarperCollins** Foreword by David Perlmutter, MD, author of Grain Brain The cult-classic health book, now revised and updated with a quick start cleanse, easy recipes, and more. It's not news that Americans are sicker than ever. Seventy million of us suffer from digestive problems like acid reflux, irritable bowel syndrome (IBS), or gastro esophageal reflux disorder (GERD). Another forty million have been diagnosed with anxiety and/or depression and a staggering fifty million Americans live with an autoimmune disease. But what is newsworthy is that all of these conditions share a common thread you've probably never heard of: candida. "Candida" is the term for a group of yeast organisms that have lived in our digestive tract for millennia, in harmony with the other thousands of bacteria, viruses, and archaea that make up our microbiome. But due to poor diets, processed foods, overuse of antibiotics, environmental toxins, and increased stress, our microbiome has been under steady and constant attack for decades. Yeast are of a heartier stock than bacterial microbes, and as bacteria die off, yeast begins to overgrow in the digestive tract, a condition known as candidiasis. Mild and moderate cases of candidiasis present with fatigue, IBS, eczema, depression, brain fog, migraines, and weight gain. Severe cases allow the afflicted to develop autoimmune disease (such as Multiple Sclerosis), cancer, and Alzheimer's. Ann Borocho's self-published book, The Candida Cure, has been the #1 resource in candida treatment since 2008. Her program—which she used to heal herself from a life-threatening autoimmune disorder—has stood the test of time, and has become a life-changing resource for more than 65,000 people. Now, in this revised edition, readers have even more tools, with updated information and case histories, a quick start cleanse, and all-new recipes and eating plans.

## The Ideal Muslimah

**Dar-Salam.Org** The Ideal Muslimah This an incredibly sane book, which can help a woman (who is truly female), keep her head on straight and not get lost in a very dangerous game where she only stands to lose. Satan will try to convince women that they have the right to challenge the boundaries of their existence. This book more than anything can help a woman become a decent, loving, compassionate and honest person, which is a huge challenge for most people. This is an excellent book to not only have as a reference book, but to read many times. The book covers everything from the relationship to Allah (God), hospitality to Marriage and family.

## Letters From The Earth

**Youcanprint** The Creator sat upon the throne, thinking. Behind him stretched the illimitable continent of heaven, steeped in a glory of light and color; before him rose the black night of Space, like a wall. His mighty bulk towered rugged and mountain-like into the zenith, and His divine head blazed there like a distant sun. At His feet stood three colossal figures, diminished to extinction, almost, by contrast -- archangels -- their heads level with His ankle-bone. When the Creator had finished thinking, He said, "I have thought. Behold!" He lifted His hand, and from it burst a fountain-spray of fire, a million stupendous suns, which clove the blackness and soared, away and away and away, diminishing in magnitude and intensity as they pierced the far frontiers of Space, until at last they were but as diamond nailheads sparkling under the domed vast roof of the universe. At the end of an hour the Grand Council was dismissed. They left the Presence impressed and thoughtful, and retired to a private place, where they might talk with freedom. None of the three seemed to want to begin, though all wanted somebody to do it.

## Hard Times for These Times

## In the Realm of Hungry Ghosts Close Encounters with Addiction

**Knopf Canada** In this timely and profoundly original new book, bestselling writer and physician Gabor Maté looks at the epidemic of addictions in our society, tells us why we are so prone to them and what is needed to liberate ourselves from their hold on our emotions and behaviours. For over seven years Gabor Maté has been the staff physician at the Portland Hotel, a residence and harm reduction facility in Vancouver's Downtown Eastside. His patients are challenged by life-threatening drug addictions, mental illness, Hepatitis C or HIV and, in many cases, all four. But if Dr. Maté's patients are at the far end of the spectrum, there are many others among us who are also struggling with addictions. Drugs, alcohol, tobacco, work, food, sex, gambling and excessive inappropriate spending: what is amiss with our lives that we seek such self-destructive ways to comfort ourselves? And why is it so difficult to stop these habits, even as they threaten our health, jeopardize our relationships and corrode our lives? Beginning with a dramatically close view of his drug addicted patients, Dr. Maté looks at his own history of compulsive behaviour. He weaves the stories of real people who have struggled with addiction with the latest research on addiction and the brain. Providing a bold synthesis of clinical experience, insight and cutting edge scientific findings, Dr. Maté sheds light on this most puzzling of human frailties. He proposes a compassionate approach to helping drug addicts and, for the many behaviour addicts among us, to addressing the void addiction is meant to fill. I believe there is one addiction process, whether it manifests in the lethal substance dependencies of my Downtown Eastside patients, the frantic self-soothing of overeaters or shopaholics, the obsessions of gamblers, sexaholics and compulsive internet users, or in the socially acceptable and even admired behaviours of the workaholic. Drug addicts are often dismissed and discounted as unworthy of empathy and respect. In telling their stories my intent is to help their voices to be heard and to shed light on the origins and nature of their ill-fated struggle to overcome suffering through substance use. Both in their flaws and their virtues they share much in common with the society that ostracizes them. If they have chosen a path to nowhere, they still have much to teach the rest of us. In the dark mirror of their lives we can trace outlines of our own. —from *In the Realm of Hungry Ghosts*

## The Complete Stories

**McClelland & Stewart** Winner of the National Book Award for Fiction, these thirty-one powerful and disturbing stories cement Flannery O'Connor as one of the preeminent fiction writers of the twentieth century. This collection includes twelve stories that did not appear in the two story collections O'Connor put together in her lifetime. This collection includes the following short stories: "The Geranium" "The Barber" "Wildcat" "The Crop" "The Turkey" "The Train" "The Peeler" "The Heart of the Park" "A Stroke of Good Fortune" "Enoch and the Gorilla" "A Good Man Is Hard to Find" "A Late Encounter with the Enemy" "The Life You Save May Be Your Own" "The River" "A Circle in the Fire" "The Displaced Person" "A Temple of the Holy Ghost" "The Artificial Nigger" "Good Country People" "You Can't Be Any Poorer Than Dead" "Greeleaf" "A View of the Woods" "The Enduring Chill" "The Comforts of Home" "Everything That Rises Must Converge" "The Partridge Festival" "The Lame Shall Enter First" "Why Do the Heathen Rage" "Revelation" "Parker's Back" "Judgement Day" Penguin Random House Canada is proud to bring you classic works of literature in e-book form, with the highest quality production values. Find more today and rediscover books you never knew you loved.

## Convergence Culture

## Where Old and New Media Collide

**NYU Press** "What the future fortunes of [Gramsci's] writings will be, we cannot know. However, his permanence is already sufficiently sure, and justifies the historical study of his international reception. The present collection of studies is an indispensable foundation for this." —Eric Hobsbawm, from the preface Antonio Gramsci is a giant of Marxian thought and one of the world's greatest cultural critics. Antonio A. Santucci is perhaps the world's preeminent Gramsci scholar. Monthly Review Press is proud to publish, for the first time in English, Santucci's masterful intellectual biography of the great Sardinian scholar and revolutionary. Gramscian terms such as "civil society" and "hegemony" are much used in everyday political discourse. Santucci warns us, however, that these words have been appropriated by both radicals and conservatives for contemporary and often self-serving ends that often have nothing to do with Gramsci's purposes in developing them. Rather what we must do, and what Santucci illustrates time and again in his dissection of Gramsci's writings, is absorb Gramsci's methods. These can be summed up as the suspicion of "grand explanatory schemes," the unity of theory and practice, and a focus on the details of everyday life. With respect to the last of these, Joseph Buttigieg says in his Nota: "Gramsci did not set out to explain historical reality armed with some full-fledged concept, such as hegemony; rather, he examined the minutiae of concrete social, economic, cultural, and political relations as they are lived in by individuals in their specific historical circumstances and, gradually, he acquired an increasingly complex understanding of how hegemony operates in many diverse ways and under many aspects within the capillaries of society." The rigor of Santucci's examination of Gramsci's life and work matches that of the seminal thought of the master himself. Readers will be enlightened and inspired by every page.

## Opening the Door of Your Heart

## And other Buddhist Tales of Happiness

**Hachette UK** The whole world has fallen in love with this international bestseller - hundreds of thousands of copies have been sold across 25 countries. Now it's Australia's turn to rediscover this jewel of a book on mindfulness. In times of uncertainty, words of comfort are essential, and the stunning overseas sales of this title are testament to its universal appeal. These modern tales of hope, forgiveness, freedom from fear and overcoming pain cleverly relate the timeless wisdom of the Buddha's teachings and the path to true happiness in a warm and accessible way. Ajahn Brahm was born and raised in the West and in his more than thirty years as a Buddhist monk he has gathered many poignant, funny and profound stories. He has tremendous ability to filter these stories through the Buddha's teaching so that they can have meaning for all sorts of readers. There are many thousands of Australians who don't even know that they need this book yet, but who will no doubt embrace it just as overseas readers have. It is the perfect gift book as there is truly something in it for everyone. 'Ajahn Brahm is the Seinfeld of Buddhism' - Sumi Loundon, editor of *Blue Jean Buddha: Voices of Young Buddhists and The Buddha's Apprentices*

Eat your way to symptom relief--The Natural Candida Cleanse makes it easy and tasty.

## A Lover's Discourse

### Fragments

**Random House** Here, Barthes addresses the language of love, a language of solitude, of mythology, of what he calls an 'image repertoire'. It is aimed at those who have been in love, and those who've not. A range of examples are included, from Nietzsche to Zen.
