## Picturing America

## The Golden Age of Pictorial Maps

**University of Chicago Press** In the United States, the art form flourished during the 1920s to the 1970s, when thousands of innovative maps were mass-produced for use as advertisements and decorative objects the golden age of American pictorial maps. *Picturing America* is the first book to showcase this vivid and popular genre of maps. Geographer and collector Stephen J. Hornsby gathers together 158 delightful pictorial jewels, most drawn from the extensive collections of the Library of Congress. In his informative introduction, Hornsby outlines the development of the cartographic form, identifies several representative artists, describes the process of creating a pictorial map, and considers the significance of the form in the history of Western cartography. Organized into six thematic sections, *Picturing America* covers a vast swath of the pictorial map tradition during its golden age, ranging from "Maps to Amuse" to "Maps for War."

### Dream a Little Dream

**Choc Lit** A man and a woman want the same thing, and are ready to fight each other for it . . . "I love all of Sue Moorcroft's books!" (Katie Fforde) Liza Reece has a dream of running her own business. So when she's given an opportunity to take over the holistic center she works at, she jumps at the chance. The only problem is money—which she has none of. And unfortunately for her, someone else has his eyes on her prize . . . Dominic Christy has his own dream and he's not going to be stopped. He has the money that's needed to turn a somewhat low-rent holistic center into something special that he can call his own. And his plans definitely don't include Liza and her team of misfits. But dreams have a way of changing—and as Dominic and Liza scramble to get what they want for themselves, they start wanting something else too, in this emotional, romantic novel by the award-winning author of *The Christmas Promise*.

### Warmans Antiques and Collectibles Price Guide

### Schroeder's Antiques Price Guide

Antique dealers and collectors are quite aware that bargains are getting harder and harder to come by each and every day. Schroeder's Antiques Price Guide is still a real bargain at \$12.95. Collectors, dealers, and our customers continue to ask how we can produce this huge 612-page book each year for such a low price. It's simple -- we do it by numbers. It's no secret with publishing that the more you print, the less expensive each book is. So, thanks to all our loyal customers who continue to buy our #1 bestselling title, we are able to keep the retail price low without sacrificing one bit of quality. That is why you get the best for less. In August 1999 we will begin shipping the 18th edition of America's top antiques price guide. Once again we have included over 50,000 listings, each one from all-new sources and carefully checked by an authority on each particular subject. These 600+ expert advisors make sure only the best and most accurate information remains. No one person could possibly be an authority on the over 600 categories that fill this reference, but Bob and Sharon Huxford and their highly respected team of advisors work year-round to make this the most respected, up-to-date guide in the field of antiques and collectibles. Hundreds of sharp original photographs illustrate not only the rare and unusual, but also the common collectibles -- not postage-stamp photographs, but large, close-up shots that show important details clearly. Each subject is presented with history and other background information. Our editors keep abreast of newly developing trends, often adding several new categories a year. If it merits the interest of today's collector, you'll find it in Schroeder's. You can feel confident that the information we publish is up to the minute and accurate. Without a doubt, you'll find Schroeder's Antiques Price Guide the one to buy for factual information, quality, and the lowest retail price.

### Little Cruelties

**Gallery/Scout Press** Hailed by New York Times bestselling author Lisa Jewell as "a force to be reckoned with," Liz Nugent is back with a powerful and unsettling new novel that will invite comparison to the bitter relationships in HBO's blockbuster series *Succession*, as it follows three brothers, bound by blood but split by fate, and delves into the many ways families can wreak emotional havoc across generations. All three of the Drumm brothers were at the funeral. But only one of them was in the coffin. William, Brian, and Luke: three boys, born a year apart, trained from birth by their wily mother to compete for her attention. They play games, as brothers do...yet even after the Drumms escape into the world beyond their windows, those games—those little cruelties—grow more sinister, more merciless, and more dangerous. And with their lives entwined like the strands of a noose, only two of the brothers will survive. Crisply written and quickly paced, perfect for fans of breathtaking suspense, *Little Cruelties* gazes unflinchingly into the darkness: the darkness collecting in the corners of childhood homes, hiding beneath marriage beds, clasped in the palms of two brothers shaking hands. And it confirms Liz Nugent—whose work has invited comparisons to Patricia Highsmith and Barbara Vine and has been celebrated as "captivating" (People) and "highly entertaining" (The Washington Post)—as one of the most exciting, perceptive voices in contemporary fiction.

## Carmen & Rose - A Love to Remember, Book 2

**Cassandra Barnes** ["Ordinary People" is Book Two of the "Carmen & Rose: A Love to Remember" Series. Carmen La Pierre met Rose Oliver when she was working at Jiffy's Seven-Eleven Sunoco in Piney Knoll, North Carolina. For both, it was love at first sight and a love that was destined to grow with them. It is their destiny that becomes this book, ten years after their first meeting in Volume 1, "Secret Love". They have survived a hurricane, homophobic relatives, robbery, a claustrophobic rural town - rebuilding their lives emotionally in creative ways, learning to grow together. After all these years, they are still in love. A loving May-December romance, pure and simple...](#)

## Invaders from the North

## How Canada Conquered the Comic Book Universe

**Dundurn** [Short-listed for the 2007 CBA Libris Awards for Book Design of the Year What do Superman, Prince Valiant, Cerebus the Aardvark, and Spawn have in common? Their creators Joe Shuster, Harold Foster, Dave Sim, and Todd McFarlane are Canadians. And while many of the cutting-edge talents of contemporary comix and graphic novels are also from Canada artists such as Chester Brown, Seth, Dave Cooper, and Julie Doucet far too few Canadians realize their country had a remarkable involvement with the "funnies" long before. Invaders from the North profiles past and present comic geniuses, sheds light on unjustly neglected chapters in Canadas pop history, and demonstrates how this nation has vaulted to the forefront of international comic art, successfully challenging the long-established boundaries between high and low culture. Generously illustrated with black-and-white and colour comic covers and panels, Invaders from the North serves up a cheeky, brash cavalcade of flamboyant and outrageous personalities and characters that graphically attest to Canadas verve and invention in the world of visual storytelling.](#)
