**Sunrise at Sunset Rutherford Literary Group** "We vampires are focused and tend to shape our own realities." My name is Katrina Rawlings, and I am a vampire. I declare that with neither pride nor ego. I am simply nature's most dangerous predator. On occasion, it's a very helpful quality. It helped me protect Caleb Taylor one day when he was very young. But that single, traumatic day is behind him now; wiped from his memory, or so I hope. He has finally matured into a rather striking young man, and believe me, I like what I see. I'm feeling hopeful for our future together, in fact. But an adversary from my past has returned to haunt me, and she's trying to get back at me through Caleb. That was her first...and last...mistake. I'll protect my Caleb at all costs, and I'll make her regret the day she was born. So, I suppose that I'm not just a vampire. I'm about to become someone's worst nightmare. **Wicked Sunset** After exploring urban fantasy with *Bringer of Fire*, and young adult romance with the award-winning *Gwen Reaper*, author Jaz Primo returns to his beloved and extremely popular *Sunset Vampire* series with the eagerly-awaited fourth novel, *Wicked Sunset*. Security, more than ever, is an illusion. The world's vampires are on a terrifying course of destruction, putting everyone in mortal danger. Katrina has a confrontation with dire consequences. Caleb, surrounded by darkness, and facing challenges at every turn, makes a surprising decision- that has even more surprising results. Even his relationship with Katrina, something he could always believe in, may be changed forever. But if Caleb can finally come into his own, he may be able to claim a legacy he never dared imagine. **A Bloody London Sunset** The eagerly anticipated sequel to *Sunrise at Sunset* has finally arrived! Katrina Rawlings is a vampire who has finally rediscovered happiness for the first time in centuries. But unwanted complications erupt with a vengeance. Decisions of necessity combined with dark memories from a forgotten past threaten her relationship with the love of her life. When a sacrifice must be made, can she endure her decision? Caleb Taylor's life is finally back on track. He has rebounded from a near mortal injury, both physically and emotionally. Yet, his reality is shaken by the suggestion of a betrayal of trust from the woman he loves. Can the power of love overcome the power of a lie? Paige Turner is a century old vampire who fearlessly revels in a simple existence pursuing blood, dancing, and sex. Simple needs, and all met in the same manner: hot, fast, and without regrets. But a spontaneous visit leads to heartfelt sacrifice, and unexpected complications strike fear to the core of her soul. Will she survive the revelations? In the exciting second novel in the *Sunset Vampire Series*, a trust is betrayed, bonds of friendship are strained, relationships may end, and a tenuous neutrality among the world's vampire population is threatened. With stakes so high, some will not survive *A Bloody London Sunset*! **Knight Karen Lynch** Jesse risked everything to bring her mother and father home, but her life is far from back to normal. With her parents' memories of their abduction gone, Jesse is no closer to finding answers, and the threat still looms over her family. When the Agency announces that a powerful Fae artifact is missing, Jesse suspects it's connected to her parents' disappearance. Until the artifact is found, her family will never be safe. This job might be more than she can handle alone, but is she willing to accept help from the people who betrayed her, from the one person she is trying hard to forget? The only thing Jesse knows for sure is that the game is not over. The rules have changed, there are dangerous new players on the board, and the stakes are higher than ever. She's always been smart and resourceful, but it might take the goddess herself to save Jesse from what comes next. **Bringer of Fire Rutherford Literary Group L.L.C.** "In the twenty-first century, the world is a darker place where international superpowers tenuously jockey for both political and economic supremacy. It's a time when the rights and interests of the individual carry little weight. But a medical breakthrough spontaneously blossoms telekinetic abilities with the body of one man, altering humanity's evolution and threatening to tip the world's balance of power." -- Back cover. **Brazil Life, Blood and Soul Summersdale Publishing** Brazil is an eclectic nation that evokes images of vibrant carnivals, crowded shanty towns and football on the beach. Shaped by its many cultures, the Portuguese, African, Native Indian and European communities have ensured the evolution of a colourful, diverse population. John Malathronas fell prey to Brazil's seductive allure in the early 1980s, a fascination that continues to this day. His odyssey through the adrenaline-fuelled, chaotic city bars, the extravagant carnival, the lush rainforest and the destitute shanty towns reveals the throbbing heartbeat of the country. **Sunset Rising** In *Sunset Rising*, the exciting fifth installment in Jaz Primo's *Sunset Vampire* series, life is the ultimate prize in a race against time. Vowing retribution, Katrina tenaciously seeks out those behind the attack against Caleb. Mounting challenges prey upon Caleb, creating a crisis of conviction that unravels his world. Paige's conflicted feelings erupt, altering the lives of those she loves and leaving emotional disaster in her wake. Battle lines are drawn as the vampire world's fiercest beings choose sides, rendering those undecided few as hotly contested spoils in a growing war. **Twelve Years a Slave Prabhat Prakashan** "Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt **Geek Chic (Bleack Shifters 2) Lesli Richardson City of Dredd Lulu.com** CITY OF DREDD is an unofficial guide to all the official Mega-City One locations to have ever featured in the vast JUDGE DREDD mythology and will overload the 'thrill-receptors' of even the most hard-core 'Dreddhead'! **Vocational Interests of Youth in Ecuador Inventory of the Occupational Preferences of Youth Jagiellonian University Press** This methodologically sound psychometric tool has been handed to Ecuadorian psychologists and teachers as a guide in the career counselling field. The tool will have a significant impact on the democratization of youth, assisting them to make well-targeted choices when planning their education and career. The authors' study may be viewed as pioneering work, due to its consideration of the significant cultural and geographic regional differentiation among graduates from the Pacific coast, the Andes, the Amazon rainforest and the Galapagos Islands. Reaching to the classics of literature on the subject, the authors have performed a momentous work, which is the construction of a psychometric tool that will be helpful in diagnosing career interests in the entire population of Ecuadorian youth. Worth additional acknowledgement are the high reliability indicators of the career interests questionnaire conducted on a representative and large study group, as well as the defined psychometric accuracy of the scale. This publication makes a civilizational quantum leap in the education of Ecuadorian youth, guaranteeing them a career choice that corresponds to their interests and ambitions. This pioneering publication on the Polish and world markets confirms the fact that Polish psychologists have the capability to "export" the psychometric school of thought to the Latin American region, with all of the scientific, social and humanitarian consequences involved.

**Black-Like-Me** This is a heartwarming, ever-evolving story about a socially transplanted Caucasian brother and sister thrust by circumstance into life and love in the hood. Its chemistry is exquisitely perfect. It presents situations that evoke only empathy, and characters that everyone will relate to and ultimately embrace. *Black-Like-Me* is the realization of American life and its true promise of human manifest destiny. Read this and swell up inside. Hey, you are about to fall in love!

**Slave Stealers True Accounts of Slave Rescues: Then and Now** Follow two abolitionists who fought one of the most shockingly persistent evils of the world: human trafficking and sexual exploitation of slaves. Told in alternating chapters from perspectives spanning more than a century apart, read the riveting 19th century first-hand account of Harriet Jacobs and the modern-day eyewitness account of Timothy Ballard. Harriet Jacobs was an African-American, born into slavery in North Carolina in 1813. She thwarted the sexual advances of her master for years until she escaped and hid in the attic crawl space of her grandmother's house for seven years before escaping north to freedom. She published an autobiography of her life, *Incidents in the Life of a Slave Girl*, which was one of the first open discussions about sexual abuse endured by slave women. She was an active abolitionist, associated with Frederick Douglass, and, during the Civil War, used her celebrity to raise money for black refugees. After the war, she worked to improve the conditions of newly-freed slaves. As a former Special Agent for the Department of Homeland Security who has seen the horrors and carnage of war, Timothy Ballard founded a modern-day "underground railroad" which has rescued hundreds of children from being fully enslaved, abused, or trafficked in third-world countries. His story includes the rescue and his eventual adoption of two young siblings--Mia and Marky, who were born in Haiti. Section 2 features the lives of five abolitionists, a mix of heroes from past to present, who call us to action and teach us life lessons based on their own experiences: Harriet Tubman--The "Conductor"; Abraham Lincoln--the "Great Emancipator"; Little Mia--the sister who saved her little brother; Guesno Mardy--the Haitian father who lost his son to slave traders; and Harriet Jacobs--a teacher for us all.
