Legal Ease

Sutton Capital, #1

"Breathless" "Couldn't put it down" "Captivating and steamy" "Loved it!!!!!"The first in the wildly popular Sutton Capital Series from Lori Ryan. Fall in love with Jack and Kelly as they're swept away by each other! When Kelly Bradley sees her dream of attending the law school of her choice going up in smoke, she digs deep and finds the nerve to grab what she wants instead of letting it slip through her fingers. It doesn't take long for her to realize, she's in way over her head. Jack Sutton is a man who's used to getting his way. So when his mother's will forces his hand, he does the only thing he can. He cuts a deal with the confident, sexy law school student who had the guts to walk into his office with a proposition he can't refuse. The deal may have gotten Kelly what she needs and kept Jack in control at Sutton Capital, but their private lives quickly spiral out of control. Just when Jack realizes that he wants more than a year with Kelly, his wealth puts her in great danger and he is left scrambling to save her life and their future together. Legal Ease is book one in the Sutton Capital Series, but it can be read as a stand-alone book.

Cutthroat (Sutton Capital Intrigue

Book 1)

Cara Shannon **He's wounded by war. She's scarred by rejection. Can a shared quest for redemption heal their hearts for a second chance at love? Even though he's out of the combat zone, Jaxon Cutter can't shake his memories of war. And when he encounters a down-on-his-luck veteran living on the streets, his sense of duty towards a comrade-in-arms comes rushing back. Refusing to leave a soldier behind, he vows to help his new friend pull together the pieces of his broken past and reconcile with his estranged daughter. Still wounded from her father's abandonment, Mia Kent doesn't know if she can find it in her heart to forgive. But after she receives his remorseful letter, she's finally ready to listen to his side of the story. Before they can reunite, a brutal criminal conspiracy rips them apart and unites her with the charming soldier who stood by her father's side. Thrown together by tragedy, Jaxon and Mia grow closer as they plunge into a dark world of violence. Can they catch the culprits and find love or will their hearts push past the breaking point? Cutthroat is the first novel in the gripping Sutton Capital Intrigue romantic suspense series. If you like damaged characters, second-chance love stories, and gritty criminal underworlds, then you'll love Lori Ryan's powerful page-turner.**

Legal Ease

Sutton Capital Series, Book One

Lori Ryan **Kelly Bradley has played by the rules all her life. When she gets into Yale Law School, she should be happy. The only problem is, Kelly didn't get enough scholarship money to pay for Yale. When her best friend overhears her boss -- sexy, steamy Jack Sutton -- trying to solve a problem of his own, Kelly decides she's tired of following the rules and behaving herself. It's time to grab life by the horns and get what she wants. When Kelly waltzes into Jack's office and proposes they marry for a year, giving them a solution to both of their problems, Jack can't resist her bold beauty or the quick fix she's able to provide. Within days, Jack's business life is back under control but his personal life is turned upside down. And just when Jack realizes he doesn't want to live without Kelly, his fame and fortune puts Kelly in danger and Jack has to fight against all odds to get her back.**

Sutton Capital Series Box Set

With over 300 five star reviews for the books in the set, you're sure to love this one! Fall in love with the Sutton Capital Series! Legal Ease: a marriage-of-convenience that ends with hearts and lives on the line. Penalty Clause: an unusual preup is the only way for Andrew to win Jill's heart, but will he

lose her anyway? **The Baker's Bodyguard (novella):** Jesse doesn't know if she'll ever have the courage to face the world again, until Zach comes along and holds her up, showing her just how strong she really is. **Negotiation Tactics:** when well-meaning friends push Chad and Jennie together, Jennie ends up on the run from dangerous criminals...and her own heart. **The Billionaire's Suite Dreams:** A pop star seeks help from an old friend when a blackmailer threatens to reveal her secrets. **The Baker, the Bodyguard, and the Wedding Bell Blues (novella):** When mishap after mishap keep getting in the way, can Jesse and Zach figure out a way to tie the knot and start their life together? **Her SEALed Fate:** Returning from the battlefield proves more challenging than Logan had planned. The Billionaire Deal (The Sutton Billionaires Book 1)

Cara Shannon **He needs a wife. She needs a paycheck. But neither expect the heat in their marriage of convenience. No one puts CEO Jack Sutton in a corner, not even his mother... or her will. If he wants his inheritance, he needs to be married, but no one said the marriage had to be anything other than a business arrangement. There are plenty of willing women, and they'll play by the rules: stick to the script and don't fall in love. He only has to find one in time. Too bad he only left himself a few hours. Kelly Bradley made it into the law school of her dreams, but she has no way to pay and the tuition deadline is fast approaching. Marrying a billionaire might be a bit drastic, but spending one year on his arm will make all her problems go away... if she can keep her heart in check. That's never been a problem in the past. It's a business arrangement, but when one thing leads to another will Jack be able to let Kelly go? Or can he find a way to renegotiate the deal of his life? This is a standalone book in the Sutton Billionaires Series. A shorter version of this book was previously published in the Sutton Capital Series under the title Legal Ease.**

The Billionaire Op (The Sutton Billionaires Book 3)

Cara Shannon **Can she ever get over her broken heart? Jennie Evans has known true love, and it died with her husband. But she's found balance in her life: friends and a job she loves at Sutton Capital. And there might be a man that caught her eye, but she'll never give him her heart. Chad Thompson sees what others don't: Jennie's hurting inside and hiding it from the world. Their chemistry may be off the charts, but he vows not to push. Even if true happiness might be within reach. When their meddling**

friends throw Jennie and Chad together in a plot designed to push them out of their comfort zones, she ends up in more danger than anyone could have imagined. To keep her safe, Chad will have to risk his body and his heart, and no matter how things end, one of them is going to get hurt. The **Billionaire Op** is a standalone book in the **Sutton Billionaires Series**. A shorter version of it was previously published as part of the **Sutton Capital Series**.

Serve and Protect

A Small Town Romantic Suspense Novel

Lori Ryan **She's hiding from memories that could tear her apart. He knows getting her to face her past is the key to the most important murder investigation he'll ever handle. Ashley Walker was one of the lucky ones. Adopted when she was fourteen years old by a family who loved her as their own and stuck beside her through all she put them through. She can't outrun the hell of her past, though. A hell that would haunt her forever. Garret Hensley never imagined he'd be chasing the killer of the woman who'd set him on the path to law enforcement. She'd given him reason to believe in himself, to believe he could make a difference. He suspects her giving heart was the reason her life had been cut so short. When the evidence leads him to Ashley Walker, he knows he has to ignore the feelings she stirs in him, because getting her to reveal the truth of her past is the key to finding a killer. Serve and Protect was previously published under the same title but with a different publisher. Please check to be sure you haven't already purchased it! It is book three in the series, but it is a stand-alone complete story and can be read in any order within the series.**

The Baker's Bodyguard

Lori Ryan **Jesse Bradley knows it's wrong to lust after her bodyguard, but she can't help it. Zach Harris is stunningly sexy, down to earth, funny, and around 24/7. How can she fight the attraction?**

Understanding the Long-Term Evolution of the Coupled Natural-

Human Coastal System

The Future of the U.S. Gulf Coast

National Academies Press **The U.S. Gulf Coast provides a valuable setting to study deeply connected natural and human interactions and feedbacks that have led to a complex, interconnected coastal system. The physical landscape in the region has changed significantly due to broad-scale, long-term processes such as coastal subsidence and river sediment deposition as well as short-term episodic events such as hurricanes. Modifications from human activities, including building levees and canals and constructing buildings and roads, have left their own imprint on the natural landscape. This coupled natural-human coastal system and the individual aspects within it (physical, ecological, and human) are under increased pressure from accelerating environmental stressors such as sea level rise, intensifying hurricanes, and continued population increase with its accompanying coastal development. Promoting the resilience and maintaining the habitability of the Gulf Coast into the future will need improved understanding of the coupled natural-human coastal system, as well as effective sharing of this understanding in support of decision-making and policies. Understanding the Long-term Evolution of the Coupled Natural-Human Coastal System presents a research agenda meant to enable a better understanding of the multiple and interconnected factors that influence long-term processes along the Gulf Coast. This report identifies scientific and technical gaps in understanding the interactions and feedbacks between human and natural processes, defines essential components of a research and development program in response to the identified gaps, and develops priorities for critical areas of research.**

Intuitive Eating, 2nd Edition

A Revolutionary Program That Works

St. Martin's Griffin **We've all been there-angry with ourselves for overeating, for our lack of willpower, for failing at yet another diet that was supposed to be the last one. But the problem is not you, it's that dieting, with its emphasis on rules and regulations, has stopped you from listening to your body. Written by two prominent nutritionists, Intuitive Eating focuses on nurturing your body rather than starving it, encourages natural weight loss, and helps you find the weight you were meant to be. Learn: *How to reject diet mentality forever *How our three Eating Personalities define our**

eating difficulties *How to feel your feelings without using food *How to honor hunger and feel fullness *How to follow the ten principles of Intuitive Eating, step-by-step *How to achieve a new and safe relationship with food and, ultimately, your body With much more compassionate, thoughtful advice on satisfying, healthy living, this newly revised edition also includes a chapter on how the Intuitive Eating philosophy can be a safe and effective model on the path to recovery from an eating disorder.

Dark Legacy

Rhys Evans Fourteen years... For fourteen years he'd lived with the certainty that they'd caught the right guy...convicted the right guy...punished the right guy. While life behind bars didn't make up for what the bastard had done, the families he'd destroyed, or the lives he'd stolen, the fact he'd died a broken, lonely man locked in a cell had been a small comfort. But now Ariel Hamilton was back-the onetime love of his life and the daughter of Dark Fall's infamous serial killer. She rolled into town with her snarky smile, furious eyes and baseless accusations of police corruption. Damn it to hell, Hamilton had been the X-factor killer, Rhys was certain of that-no matter how desperately Ariel was trying to prove him wrong. Ariel Hamilton Fourteen years... For fourteen years she'd lived with the knowledge her father had been framed, and watched him waste away in prison for crimes he hadn't committed. Nobody had believed her back then. Even Rhys, the boy she'd loved with all her heart, had walked away. It had been a hard lesson, but she'd learned it well-count on no one. Well she finally had proof of her dad's innocence. Proof that Dark Falls police department had framed an innocent man and covered it up...were still covering it up. She wasn't nineteen anymore, she wouldn't be cowed and ran out of town. She'd stay and fight to clear her father's name. Even if that meant drawing the real killer out...even if that meant making herself a target and losing a second chance with the only man she'd ever loved.

Human Enhancement Technologies and Our Merger with Machines

MDPI A cross-disciplinary approach is offered to consider the challenge of emerging technologies designed to enhance human bodies and minds. Perspectives from philosophy, ethics, law, and policy are applied to a wide variety of enhancements, including integration of technology within human bodies, as well as genetic, biological, and pharmacological modifications. Humans may be permanently or temporarily enhanced with artificial parts by manipulating (or reprogramming) human DNA and through other

enhancement techniques (and combinations thereof). We are on the cusp of significantly modifying (and perhaps improving) the human ecosystem. This evolution necessitates a continuing effort to re-evaluate current laws and, if appropriate, to modify such laws or develop new laws that address enhancement technology. A legal, ethical, and policy response to current and future human enhancements should strive to protect the rights of all involved and to recognize the responsibilities of humans to other conscious and living beings, regardless of what they look like or what abilities they have (or lack). A potential ethical approach is outlined in which rights and responsibilities should be respected even if enhanced humans are perceived by non-enhanced (or less-enhanced) humans as “no longer human” at all.

An Introduction to Industrial and Organisation Psychology

The Billionaire's Navy SEAL (The Sutton Billionaires Book 5)

Cara Shannon **A man struggling to leave the battlefield behind, a woman powerful enough to help him all the way home. Logan Stone should be happy. More than happy, in fact. He's Sutton Capital's newest executive, no longer a Navy SEAL in the line of fire, fighting for his country and his brothers-in-arms. Now he spends his days working side-by-side with Samantha Page, the sexy, brilliant woman of his dreams. But Logan is fighting a different kind of battle; one no one realizes he's in. While he's focused on managing his PTSD, something much more sinister enters his world and he must battle to save Samantha's life and their growing love. When her life is threatened, he spirals downward. If he succumbs to the PTSD clawing at him, she'll be left to fend for herself against threats neither of them could see coming. Steamy romance meets heart-stopping suspense in the Sutton Billionaires Series. This is the fifth book in the series but it can be read as a standalone story with no cliffhangers. If you'd rather start at book one, grab *The Billionaire Deal* by Lori Ryan. A shorter version of this book was previously released as part of the Sutton Capital Series.**

Everlasting

Book Two in the Evers, Texas Series

A perilous homecoming... Everlasting is the second book in the heart-soaring and electrifying Evers, Texas, series by New York Times and USA Today bestselling author Lori Ryan. A true masterwork of contemporary romantic suspense, it is the story of a beautiful artist returning home to danger, and to a love she never imagined. Exiled by her father, the town sheriff, at age four following the murder of her mother, Katelyn Bowden is finally coming back to tiny Evers, against the wishes of her now-dying parent. The new sheriff, ex-New York cop John Davies, fears Katelyn's life is in jeopardy from a killer who was never caught. Though she resents the handsome lawman her father has always loved like a son, Katelyn is confused by the passionate sparks that fly whenever they are together. But, will John be able to save her when a murderer finally emerges from hiding?

Ever Hopeful

Book One in the Evers, Texas Series

Laura Kensington's abusive husband dies suddenly, but Laura realizes she can never escape his family, the ruthless and powerful Kensingtons, who consider the baby she's carrying to be their own. She flees to Evers, Texas and takes refuge on the ranch of Cade Bishop.

An Investment Perspective on Global Value Chains

World Bank Publications **This report investigates the role of foreign direct investment (FDI) in helping developing countries participate in global value chains (GVCs). It combines the perspectives and strategies from three types of players: multinational corporations, domestic firms and governments. It aims to provide practical guidance for developing countries to develop strategies that use FDI to strengthen GVC participation and upgrading. The report has six main chapters: 1. FDI and GVCs. Assesses the trade-investment nexus and analyzes the effect of FDI in countries' GVC participation and upgrading at the country level. 2. MNCs shape GVC development. Highlights MNCs' contribution to global economy and how their business strategies shape the evolution of GVCs. The chapter also compares MNCs' business strategies in terms of outsourcing**

and offshoring, risk mitigation and increasing market power across GVC archetypes. 3. Domestic firm perspectives on GVC participation. Looks at the various paths domestic firms can take to internationalize their production and trade. Investigates domestic firm characteristics that predict higher GVC participation, and the effect of GVC participation on firm performance. 4. Investment policy and promotion: what is in a government's toolbox? Summarizes the various policy instruments governments have at their disposal to help attract MNCs to their country and facilitate GVC participation of domestic firms. 5. Integrating countries into GVCs. Draws on a range of case studies to illustrate how governments can develop coherent strategies and policy packages to integrate their countries into GVCs. 6. FDI and GVCs in the wake of COVID-19. Reflects the impact of COVID-19 on FDI and GVCs, the response from multinationals and suppliers, and the implications for GVC reconfiguration. In addition, there are seven case studies that offer more nuanced analysis on the GVC participation in selected countries and sectors: • Five qualitative case studies: Five countries have been selected that managed to use FDI to stimulate GVC participation using a range of approaches. By design, these five countries also cover five different GVC archetypes. These countries are: (1) Kenya (horticulture); (2) Dominican Republic (textiles); (3) Mauritius (tourism); (4) Malaysia (electronics); (5) China (software). • Two quantitative case studies: Rwanda, West-Bengal (India). These use a combination of firm- and transaction level datasets to study firm-level dynamics that explain the role of multinational and domestic firms across GVCs.

Cut to the Chase (Sutton Capital Intrigue Book 3)

Cara Shannon **Starting over just doesn't seem possible. Warrick Staunton had faced loss before. He'd lost his wife and their unborn baby, and he'd barely survived that. This time, instead of losing his wife, the business he's buried himself in for years is threatened. When an Army veteran dealing with her own ghosts partners with him to save his company, she seems determined to get him to start over. The only problem is, he isn't sure he can. Sara Blackburn is determined as hell, though, and she's not going to take no for an answer. Soon, a madman takes the choice out of Warrick's hands, and he finds himself fighting for his life and Sara's. As he and Sara race to uncover the truth, he'll find himself falling for her in ways that leave him questioning whether there's enough left of his heart to love again. All the heart-stopping suspense and heartwarming romance readers of Lori Ryan have come to expect! Cut to the Chase is the third of three new Sutton Capital Intrigue novels from NY Times Bestselling Author, Lori Ryan. Romantic suspense at its best.**

Cut and Run (Sutton Capital Intrigue Book 2)

Cara Shannon What do you do when the search for truth only leads to more questions? Detective Jarrod Harmon has a lot of dead bodies and very few leads that make any kind of sense. Finding out who is using the city's homeless population to test a deadly drug becomes even more complicated when the evidence fails to add up and his feelings for the assistant director of the local homeless shelter begin to get in the way. Carrie Hastings knows she has her work cut out for her if she's going to keep her shelter's new clinic open. With the police looking at one of her physicians as the prime suspect in the deaths of several homeless people, she'll need to keep her wits about her if she's going to save the clinic. Sadly, her wits seem to fly out the window when a certain detective comes asking tough questions. In a case where there are more questions than answers, Jarrod and Carrie will have to race against the clock to find out who's behind such a ruthless crime. All the heart-stopping suspense and heartwarming romance readers of Lori Ryan have come to expect! Cut and Run is the

second of three new Sutton Capital Intrigue novels from NY Times Bestselling Author, Lori Ryan. Romantic suspense at its best.

The Transgender Exigency

Defining Sex and Gender in the 21st Century

"At no other point in human history have the definitions of "woman" and "man," "male" and "female," "masculine" and "feminine," been more contentious than now. This book advances a pragmatic approach to the act of defining that acknowledges the important ethical dimensions of our definitional practices. Increased transgender rights and visibility has been met with increased opposition, controversy, and even violence. Who should have the power to define the meanings of sex and gender? What values and interests are advanced by competing definitions? Should an all-boys' college or high school allow transgender boys to apply? Should transgender women be allowed to use the women's bathroom? How has growing recognition of intersex conditions challenged our definitions of sex/gender? In this timely intervention, Edward Schiappa examines the key sites of debate and including schools, bathrooms, the military, sports, prisons, and feminism, drawing attention to the political, practical, and ethical dimensions of the act of defining itself. This is an important text for students and scholars in gender studies, philosophy, communication, and sociology"--

The Billionaire's Rock Star (The Sutton Billionaires Book 4)

Cara Shannon "I don't think there's anything you can do to help me," she whispered, even though his arms around her made her want to lean into this man and trust him with it all. "What if all I want to do is listen?" When this pop star's world crumbles, she turns to the one man who might understand: hunky hotel mogul, Gabe Sawyer. Pop star PJ Cantrell's career is being shredded by an angry blackmailer who uncovered the truth about her hidden past. She knows it has to be someone close, someone she trusts, and that makes the betrayal hurt all the more. She turns to long-time friend Gabe Sawyer for help but finds more than she bargained for in his strong arms and sizzling kiss. As she quickly discovers she wants more from him than friendship and support, she has to wonder what he'll think of her when he finally learns the truth about her past. Steamy romance meets heart-stopping suspense in the Sutton Billionaires Series. This is the fourth book in the series but it can be read as a standalone story with no

cliffhangers. If you'd rather start at book one, grab **The Billionaire Deal** by Lori Ryan. A shorter version of this book was previously released as part of the Sutton Capital Series and under the title **The Billionaire Rocks**.

Handbook of the Sociology of Emotions

Springer Science & Business Media **Since the 1970s, the study of emotions moved to the forefront of sociological analysis. This book brings the reader up to date on the theory and research that have proliferated in the analysis of human emotions. The first section of the book addresses the classification, the neurological underpinnings, and the effect of gender on emotions. The second reviews sociological theories of emotion. Section three covers theory and research on specific emotions: love, envy, empathy, anger, grief, etc. The final section shows how the study of emotions adds new insight into other subfields of sociology: the workplace, health, and more.**

Legal Research and Writing

"Legal Research and Writing, Third Edition" seeks to explain the practical skills needed for print and online legal research and for legal writing. It provides a current and comprehensive look at the topic, consolidating information on legal research and writing into one handy, easy-to-use resource. The book is written for both seasoned practitioners, seeking to add the latest sources and techniques to their research arsenals, and for beginning law students who face a bewildering array of information. It includes chapters on legal research malpractice, the acquisition of research resources, and knowledge management. In addition, it covers searching the new platforms of the major proprietary online legal databases, the increasing digitization of legal materials, and the Web 2.0. "Legal Research and Writing" is the most up-to-date book of its kind available in Canada today.

Good Data

[Lulu.com](#) **Moving away from the strong body of critique of pervasive 'bad data' practices by both governments and private actors in the globalized digital economy, this book aims to paint an alternative, more optimistic but still pragmatic picture of the datafied future. The authors examine and propose 'good data' practices, values and principles from an interdisciplinary, international perspective. From ideas of data sovereignty and justice, to manifestos for change and calls for activism, this collection opens a multifaceted conversation on the kinds of futures we want to see, and presents concrete steps on how we can start realizing good data in practice.**
