## **KEY=SCUPOLI - JUNE MOONEY**

---

---

## **VIRTUE IN THE UNSEEN WARFARE**

---

Vol. 2 in Father Jack Spark's popular adaptation of the classic western treatise Spiritual Combat, as earlier edited by St. Theophan the Recluse.

---

## **THE SPIRITUAL COMBAT**

---

---

## **UNSEEN WARFARE**

---

---

## **THE SPIRITUAL COMBAT AND PATH TO PARADISE OF LORENZO SCUPOLI**

---

St Vladimir's Seminary Press Rich in references to the teaching of the saints and Fathers, this book combines the insights of West & East. A classic of Orthodox spirituality.

---

## **THE DIVINE EMBRACE (ANCIENT-FUTURE)**

---

---

## **RECOVERING THE PASSIONATE SPIRITUAL LIFE**

---

Baker Books One of the most popular current views on spirituality is that there are varied paths to God. In this new Ancient-Future series book, Bob Webber evaluates this common misunderstanding of spirituality as separated from God's story, extremely self-focused, and shaped by our surrounding culture. This challenging work offers a corrective, calling us to an alternative Christian spirituality, one that reveals two sides-that of God's "divine embrace" of us and our passionate response. The Divine Embrace is a fresh, grounded look at true spirituality that will be embraced by pastors, thinking Christians, and anyone looking for an engaging and thorough treatment of this topic.

---

## **POETRY OF CONTEMPLATION**

---

---

### **JOHN DONNE, GEORGE HERBERT, HENRY VAUGHAN, AND THE MODERN PERIOD**

---

SUNY Press This is the first systematic and thorough study of mysticism or contemplation in these three seventeenth-century poets and in three modern writers. It not only clarifies the very confused issue of mysticism in seventeenth-century poetry but also connects seventeenth-century poets with modern literature and science through the contemplative tradition; from the Bible and Plato and Church fathers and important mystics of the Middle Ages through Renaissance and modern contemplatives. The transformative and redemptive power of contemplative poetry or "holy writing" (regardless of genre or discipline) is prominent throughout the book, and the relevance, indeed the vital necessity, of such poetry and of the living contemplative tradition to our apocalyptic modern world is discussed in the last chapter. In this chapter, attention is given to modern science, especially to the new physics, and to philosophical and mystical writings of eminent scientists.

---

## **A HISTORY OF THE ATHONITE COMMONWEALTH**

---

---

### **THE SPIRITUAL AND CULTURAL DIASPORA OF MOUNT ATHOS**

---

Explores the role played by Athos in the spread of Orthodoxy and Orthodox monasticism throughout Eastern Europe and beyond.

---

## **MYSTICS OF THE CHRISTIAN TRADITION**

---

Routledge From divine visions to self-tortures, some strange mystical experiences have shaped the Christian tradition as we know it. Full of colourful detail, *Mystics of the Christian Tradition* examines the mystical experiences that have determined the history of Christianity over two thousand years, and reveals the often sexual nature of these encounters with the divine. In this fascinating account, Fanning reveals how God's direct revelation to St Francis of Assisi led to his living with lepers and kissing their sores, and describes the mystical life of Margery Kempe who 'took weeping to new decibel levels'. Through presenting the lives of almost a hundred mystics, this broad survey invites us to consider what it means to be a mystic and to explore how people such as Joan of Arc had their lives determined by divine visions. *Mystics of the Christian Tradition* is a comprehensive guide to discovering what mysticism means and who the mystics of the Christian tradition actually were.

---

## **ORDINARY GRACES**

---

---

## **CHRISTIAN TEACHINGS ON THE INTERIOR LIFE**

---

Harmony/Bell Tower The fruit of two thousand years of inner experience and insight from Christians of all denominations, *Ordinary Graces* embodies the great themes of Christ's teachings: will, presence, the neighbor, struggle, grace, and awakening. While each passage stands alone, the different voices call to one another across the centuries and over vast geographical and cultural divides. Some of the names will be familiar, but many of them will be new to readers. Lorraine Kisly has sought out not only unfamiliar passages by famous Christians, but also writers we may have overlooked. As each voice joins the chorus, our understanding of Christianity's inner tradition deepens, and we can see more clearly ways of incorporating its truths into our daily lives.

## **THE LITTLE FLOWERS**

---

Pomona Press These three works form the chief sources of the saint's life and the beginnings of the Franciscan Order which he founded in 1212. Born at Assisi in 1182, St Francis embraced a life of holy poverty after a gay and sometimes extravagant youth. At

the age of twenty-two he fought with great spirit and was taken prisoner in a petty feud between the town of Assisi and Perugia. During his captivity he reflected on his former mode of life, but attempted to take up arms once more on his recovery. However, a second illness intervened, and after a period in which wordly pleasure and spiritual counsels sought mastery and he finally determined to dedicate his life and work to God. Through pilgrimage, devotion, example and simple teaching he became one of the great Christian reformers. 'Whatever accretions of legendary material', says Fr McKay in his Introduction, 'have crept in here and there to heighten the colours of St Francis's portrait, they are undoubtedly in keeping with the total impressions which St. Francis made upon the world of his day.' Moreover St Francis was the very opposite of a sour Puritan: we are told he was the 'most joyous of saints, and would have no sad, long faces about him, and always rebuked any friar that was gloomy or melancholy.' He wanted his friars to be *joculatores Dei* ('the minstrels of God'). The Little Flowers is translated from the 'Fioretti', an Italian translation of a Latin original of which the earliest extant manuscript is one of 1390. It is a narration of miracle and hymn connected with the saint and his friars. The Mirror of Perfection is based on documents and memoirs left by Friar Leo, St Francis's favourite disciple, and was completed about 1318. St Bonaventure wrote the Life of St Francis c. 1260, intending it to stand as an authoritative Life and to supersede the numerous fragmentary biographies then in circulation.

---

### **A JOURNAL OF EASTERN CHRISTENDOM**

---

---

### **PRIMARY SPEECH**

---

---

### **A PSYCHOLOGY OF PRAYER**

---

Westminster John Knox Press Prayer is our basic expression of religious belief. It is our personal and most private act of devotion. Words cannot do justice to the feelings, wishes, terrors, pains, or pleasures that we exchange with God. This book sets out to define prayer as both a means of drawing nearer to God everyday and as a coping tool that people can use in order to achieve harmony, balance, and satisfaction in their in their lives.

---

### **PRAYER IN THE UNSEEN WARFARE**

---

Father Jack sparks has drawn upon several versions of a classic sixteenth-century treatise, "Spiritual Combat," originally written to guide monks in their labors to attain union with God. Though Western in origin, the profound spiritual insights of "Spiritual Combat"

were recognized by Eastern writers such as Nicodemus of the Holy Mountain and Saint Theophan the Recluse, who subsequently edited and revised it in accordance with traditional Orthodox beliefs. In one form or another, this work has been revered as a classic on the spiritual warfare for over four hundred years. Father Sparks has selected passages from this timeless work, reorganized the material, and recast it in contemporary language, all with the lay reader in mind. The result is a profound but highly practical resource for those who seek to strive with all their might against the enemies of our souls—the world, the flesh, and the devil. masterfully adapted the material from this highly treasured monastic work specifically for today's lay Christian living in the midst of a modern world. The result is a profound but highly practical resource for those who seek to strive with all their might against the enemies of our souls—the world, the flesh, and the devil. Study questions at the end of each chapter facilitate individual or small group study. A companion volume to "Victory in the Unseen Warfare" and "Virtue in the Unseen Warfare." Each volume can be read separately from a set.

---

---

## **AN ORTHODOX ANTHOLOGY**

---

---

---

---

## **FAITHFUL TRANSLATORS**

---

---

---

## **AUTHORSHIP, GENDER, AND RELIGION IN EARLY MODERN ENGLAND**

---

Northwestern University Press With Faithful Translators Jaime Goodrich offers the first in-depth examination of women's devotional translations and of religious translations in general within early modern England. Placing female translators such as Queen Elizabeth I and Mary Sidney Herbert, Countess of Pembroke, alongside their male counterparts, such as Sir Thomas More and Sir Philip Sidney, Goodrich argues that both male and female translators constructed authorial poses that allowed their works to serve four distinct cultural functions: creating privacy, spreading propaganda, providing counsel, and representing religious groups. Ultimately, Faithful Translators calls for a reconsideration of the apparent simplicity of "faithful" translations and aims to reconfigure perceptions of early modern authorship, translation, and women writers.

---

## **GNOSIS: THE EXOTERIC CYCLE**

---

Praxis Research Institute Boris Mouravieff was an enigmatic 'third man', known to Gurdjieff and Ouspensky, who found and learned to practice what he clearly believed to be the complete system of which only 'fragments' had been previously published in Ouspensky's In Search of the Miraculous. On this basis, he formed the 'Center for Christian Esoteric Studies' in Geneva - now closed. Many of his discoveries are described in his book Gnosis, which contains in its three volumes the fundamental components of that Christian esoteric teaching revealed by Ouspensky in fragmentary form. This Gnosis is not a modern statement of the second century texts known as 'Gnosticism', but a previously unpublished ancient Christian knowledge tradition. Boris Mouravieff taught Eastern Esotericism at Geneva University for many years, and Gnosis is the result of his teaching. First published in French in 1961, the three volumes of Mouravieff's Gnosis have since been translated into Greek and Arabic. During the 1980's and early 1990's, Praxis Research Institute published the English translation of all three volumes. Volume I contains the first level of this teaching, designated as 'exoteric' for outer or surface.

## MANUAL FOR SPIRITUAL WARFARE

---

TAN Books A fierce war rages for your soul. Are you ready for battle? Like it or not, you are at war. You face a powerful enemy out to destroy you. You live on the battlefield, so you can't escape the conflict. It's a spiritual war with crucial consequences in your everyday life and its outcome will determine your eternal destiny. You must engage the Enemy. And as you fight, you need a Manual for Spiritual Warfare. This guide for spiritual warriors will help you recognize, resist, and overcome the Devil's attacks. Part One, "Preparing for Battle," answers these critical questions: • Who is Satan, and what powers does he have? • What are his typical strategies? • Who fights him alongside us in battle? • What spiritual weapons and armor do we possess? • How do we keep the Enemy out of our camp? Part Two, "Aids in Battle," provides you these essential resources: • Teaching about spiritual warfare from Scripture and Church documents • Scripture verses for battle • Wisdom and inspiration from saints who fought Satan • Prayers for protection, deliverance, and victory • Rosary meditations, hymns, and other devotions for spiritual combat St. Paul urges us to "fight the good fight of the faith" (1 Tim 6:12). Take this Manual for Spiritual Warfare with you into battle. The beautiful Premium UltraSoft gift edition features sewn binding, ribbon marker and silver edges.

---

## CHRISTIAN SPIRITUALITY IN THE CATHOLIC TRADITION

---

Ignatius Press This history not only serves to acquaint us with the origins and development of Christian spirituality, but, equally importantly in the author's view, projects into our contemporary world the lives and teachings of men and women who have reached a high degree of sanctity through the ages. His study is Catholic in both senses of the word. He has concentrated his attention on the

history of spirituality in the Roman Catholic Church; and he has taken a comprehensive view of the full range of forms of that Catholic tradition, including -- so that we can learn from the mistakes of the past -- the heterodox tendencies and movements that have arisen from time to time.

## **TAN CLASSICS (SET OF 12)**

---

Tan Books

---

### **HUMILITY OF HEART**

---

CreateSpace Cardinal Vaughn wrote these reflections over a century ago, and they are as pertinent today as when they were first assembled into a book. "There is no Saint however holy and innocent who may not truly consider himself the greatest sinner in the world. It is enough that he knows himself to be man to recognize that he is liable to commit all the evil of which man is capable." This thought alone will inspire us to humility and this book is a great aid to true humility, which is essential to salvation. St. Alphonsus writes: "a single bad book will be sufficient to cause the destruction of a monastery." Pope Pius XII wrote in 1947 at the beatification of Blessed Maria Goretti: "There rises to Our lips the cry of the Saviour: 'Woe to the world because of scandals!' (Matthew 18:7). Woe to those who consciously and deliberately spread corruption-in novels, newspapers, magazines, theaters, films, in a world of immodesty!" We at St. Pius X Press are calling for a crusade of good books. We want to restore 1,000 old Catholic books to the market. We ask for your assistance and prayers. This book is a photographic reprint of the original The original has been inspected and many imperfections in the existing copy have been corrected. At Saint Pius X Press our goal is to remain faithful to the original in both photographic reproductions and in textual reproductions that are reprinted. Photographic reproductions are given a page by page inspection, whereas textual reproductions are proofread to correct any errors in reproduction.

**DIVIDED LOYALTIES? PUSHING THE BOUNDARIES OF GENDER AND LAY ROLES IN THE CATHOLIC CHURCH, 1534-1829**

---

---

Palgrave Macmillan This book explores changing gender and religious roles for Catholic men and women in the British Isles from Henry VIII's break with the Catholic Church in 1534 to full emancipation in 1829. Filled with richly detailed stories, such as the suppression of Mary Ward's Institute of English Ladies, it explores how Catholics created and tested new understandings of women's and men's roles in family life, ritual, religious leadership, and vocation through engaging personal narratives, letters, trial records, and other rich primary sources. Using an intersectional approach, it crafts a compelling narrative of three centuries of religious and social experimentation, adaptation, and change as traditional religious and gender norms became flexible during a period of crisis. The conclusions shed new light on the Catholic Church's long-term, ongoing process of balancing gendered and religious authority during this period while offering insights into the debates on those topics taking place worldwide today.

---

---

**THE DEVIL IN THE CASTLE: ST. TERESA OF AVILA, SPIRITUAL WARFARE, AND THE PROGRESS OF THE SOUL**

---

---

Sophia We often think of demons appearing only in extravagant and extraordinary manifestations or working only through "bad" people. But the truth is more frightening than that. Most demonic activity takes place undetected, under the radar, and can even be hidden in our own prayer lives and in the churches where we attend Mass. Subtlety, illusion, and deceit are the preferred tactics of Satan's army of fallen angels, and they are waging an invisible battle for souls -- right now -- within and around us all. With St. Teresa of Avila's masterpiece The Interior Castle as his guide, bestselling author Dan Burke takes you on an illuminating journey through the seven levels of spiritual progress, explaining what God is accomplishing within your soul at each stage, as well as the finely tailored demonic strategies applied to throw you off your path. You'll learn how the devil is as active in your prayer life as you are, and how the saints were able to counter Satan as he adapted his schemes to correspond with where they were on their spiritual journeys. By discovering the myriad challenges St. Teresa faced and the remedies she employed to advance the spiritual progress of her soul, you'll know precisely what to expect as you progress in your current state to your final spiritual destination. You'll also learn: The marks of authentic contemplative encounter with God Why God uses dryness in prayer to advance the progress of our souls How to know if you're still in the "Purgative Way" How desolation can work for the good of the soul Why it's dangerous to assume that your

decisions are correct if you feel at peace How to fight distraction in prayer The 11 ways to test the authenticity of charismatic gifts

## **WRITING ABOUT LIVES IN SCIENCE**

---

### **(AUTO)BIOGRAPHY, GENDER, AND GENRE**

---

V&R unipress GmbH This volume addresses processes of human mobility in times of crisis from different scientific perspectives and at a global and trans-regional level. The first part sets out to discuss established paradigms in migration studies and politics in order to suggest new approaches to analyse mobility, migration and to challenge boundary making approaches. The second part presents empirical cases from Latin America and Spain to demonstrate how migrants challenge, negotiate and mobilize citizenship and belonging. The third part deals with the question how belonging is produced and identity is constructed at a transnational level. New information and communication technologies, human mobility but also the mobility of concepts, ideas and values foster these collectivization processes across and within physical and symbolic borders.

---

## **THE SINNER'S GUIDE**

---

### **SAINTS & SINNERS**

---

### **CARAVAGGIO & THE BAROQUE IMAGE**

---

University of Chicago Press This exhibition at Boston College's McMullen Museum of Art (February-May 1999) takes an interdisciplinary approach to studying the style, subject matter, and functions of religious art in Italy between 1580-1680. The conceptual centerpiece of the exhibition is Caravaggio's recently rediscovered The Taking of Christ. The catalogue reproduces in color all of the paintings in the exhibition and includes a collection of essays that analyze how some of the period's most important artistic, religious, and social concerns are encapsulated within the various images. Contributors include Franco Mormando (Exhibition Organizer and Catalogue Editor), Gauvin Bailey, Noel Barber, Sergio Benedetti, Pamela Jones, John W. O'Malley, John Varriano, Josephine von Henneberg, and Thomas Worcester.

**NICODEMOS OF THE HOLY MOUNTAIN**

---

---

**A HANDBOOK OF SPIRITUAL COUNSEL**

---

Paulist Press Nicodemos (1749-1809), a monk of Saint Athos dedicated to asceticism and learning, was one of the most influential Orthodox writers of the last two centuries. His Handbook, written during the Age of Enlightenment in Europe, shares an exalted vision of human nature, but a vision that proceeds from the truths of revelation as interpreted by the Greek Fathers, not Descartes.
