Surf, Sand and Secrets HarperCollins Children's Books Meet Mary-Kate and Ashley, the Tween Queen Twins Your new best friends have just arrived... After the Endurathon, the White Oak crowd takes a much-needed break. They stay at a super-luxury resort that provides tons of fun in the sun. But Mary-Kate and Ashley are down in the dumps. Their best friends Phoebe and Campbell are anything but relaxed. IT's up to the sisters to find out why Part 2 of a special 2-part Diary series Surf, Sand and Secrets Tan Lines Sand, Surf, and Secrets; Rays, Romance, and Rivalry; Beaches, Boys, and Betrayal Simon and Schuster Summer can't wait to get back to the Florida Keys. She, Marquez, and Diana have already decided to get an apartment so they can spend the whole summer together. But even with her friends by her side, Summer is in for more boy trouble. Summer's boyfriend, Seth, is ready to take their relationship to the next level, but he's all the way across the country in California. Enter Austin, the hottie from spring break whom Summer hasn't stopped thinking about. With Austin flirting 24/7 and Seth hundreds of miles away, Summer is about to learn about true love... Sand, Surf, and Secrets Simon Pulse Summer is back and the heat is on! Surf, Sand, and Secrets Mary-Kate and Ashley. Two of a kind. Diaries. 24 Surf, Sand, and Secrets Turtleback While vacationing in Hawaii, Ashley learns that Dana Woletsky has found out a secret about her that could get Ashley sent home, and Mary-Kate's accusations that now-ex-friend Campbell stole from her are proven wrong. Hawaii Place Names Shores, Beaches, and Surf Sites University of Hawaii Press This title gives us the many captivating stories behind the hundreds of Hawai'i place names associated with the ocean - the names of shores, beaches, and other sites where people fish, swim, dive, surf, and paddle. Significant features and landmarks on or near shores, such as fishponds, monuments, shrines, reefs, and small islands, are also included. The names of surfing sites are the most numerous and among the most colourful: from the purely descriptive (Black Rock, Blue Hole) to the humorous (No Can Tell, Pray for Sex). The Riddle of the Sands: A Record of Secret Service Recently Achieved Library of Alexandria The Riddle of the Sands: A Record of Secret Service Oxford Paperbacks One of the first great spy novels, The Riddle of the Sands is set during the long suspicious years leading up to the First World War. The story builds in excitement as two young men on a sailing holiday discover a German plot to invade England. This edition is complemented by a fine introduction which examines the novel in its political and historical context. - ;` About this coast... In the event of war it seems to me that every inch of it would be important, sand and all.' Executed in 1922 for his involvement in Irish republicanism, Childers is remembered most vividly for his ground-breaking spy novel, The Riddle of the Sands (1903). In spite of good prospects in the Foreign Office, the sardonic civil servant Carruthers is finding it hard to endure the emptiness and boredom of his life in London. He reluctantly accepts an invitation from a college friend, Davies, the shyly intrepid yachtsman, and joins him on a sailing holiday in the Baltic. The regeneration of Carruthers begins as he is initiated into the mysteries of seamanship, but the story builds in excitement as Carruthers and Davies discover a German plot to invade England. Like much contemporary British spy fiction, The Riddle of the Sands reflects the long suspicious years leading up to the First World War and the intricacy of its conception and its lucid detail make it a classic of its genre. This edition is complemented by a fine introduction which examines the novel in its political and historical context. - Cabo & Coral's Secret Surf Spot! CaboandCoral Cabo and Coral's Secret Surf Spot! Children go on a surf trip and have adventure and misadventure. They learn and pledge to reduce single use plastic and keepour beaches clean. They learn that taking short cuts is not always best. They learn the meaning of the aloha spirit. Partial proceeds go to Surfrider Foundation. Zenith Secret The conspiracy that killed the Kennedy brothers finally revealed by Army Ranger-CIA veteran Dorrance Publishing Bradley E. Ayers was born on March 7, 1935 in St. Paul Minnesota, of second-generation English/Scandinavia-French-Canadian/Cree Indian Descent. At the age of eighteen, Bradley enlisted in the U.S. Army paratroopers. This began a twelve-year period of active duty military service during which he was promoted through infantry ranks from private to caption. He served in command and staff assignments, from rifle company to Department of Defense level, at various stations in the United States and overseas. His military specialties were: unconventional and paramilitary warfare, ranger-commando, anti-terrorist, and cover operations. Bradley is qualified as a master parachutist, underwater demolitions swimmer, mountaineer, aircraft pilot, and flight instruct. He received various awards and decorations for his military exploits. In early 1963, Bradley was selected by the Department of Defense for a sensitive undercover assignment with the U.S. Central Intelligence Agency. Upon completion of this top-secret mission he resigned his Regular Army commission. He was one of the first career officers to voice opposition to the Vietnam War and to speak out publicly against the influence of private and

special interests in American foreign and domestic policy. Bradley was honorably discharged from active duty in 1965. He remained active in the U.S. Army Reserve until early 1981. Since then, he has served on special assignments with the U.S. Justice and Treasury departments. Bradley has lectured widely and received national media exposure in connection with his various writing, research, and investigative activities. His commentaries on a variety of contemporary issues are regularly published in regional newspapers. His political view is one of pragmatic social liberalism and reality democracy reflecting an independent and free-spirited personal philosophy he characterizes as "cynical idealism." Bradley presently resides in the Wisconsin north woods with seven adopted dogs and seven cats.

Secret Beaches of Southern Vancouver Island Qualicum to the Malahat Heritage House Publishing Co This is your guide to dozens of spectacular and often hidden beaches on the eastern coast of Vancouver Island between Qualicum and the Malahat. While some of them are well used by people living nearby, many are virtually impossible to find without combing through official maps and back-road guides. From tiny rocky coves to broad sandy beaches, these public-access spots are enormously diverse. Just as important as finding these spots is knowing what to expect. Thus each location is accompanied by detailed information that any beach explorer should know before setting out. Is the beach a few level steps from a vehicle or down a high, steep bank? Is the beach suitable for children? Large groups? Kayakers? All of these questions and many more are answered in this book, which includes Theo's hand-drawn maps, photographs and artwork. Watch sea lions in the winter (Higginson Road) Paint one of the few great views of Mt. Arrowsmith—go before noon for dramatic light (Rowland Road) Head to the most child-friendly beach between Crofton and the Malahat (Cherry Point Nature Park) Splash and swim in warm water over sand (Benwalden Road) Refresh your pleasure in the shore and head out to picnic, play, launch kayaks, watch winter storms or just enjoy the waves. One Secret Night, One Secret Baby Harlequin "An unforgettable baby dilemma"--Page 4 of cover. Surfside Girls 1 The Secret of Danger Point Surfside Girls Things are getting weird in Surfside. Lately, Samantha's best friend Jade explodes into fits of giggles whenever she sees a boy, and it's throwing a wrench into the kick-back summer of surfing and hanging out that Sam had planned. But after swimming through a secret underwater cave, Sam starts to... see things. Like ghosts. And pirates. And maybe something even scarier! Can she and Jade get to the bottom of this mystery in time to save their town?

Secret Trails and Buried Treasure The Midwife's Heritage Book 2 Outskirts Press Within every human spirit there exists a special place, a place where the hopes and dreams of the imagination soar, unchained from the slavery of logic and the tangible, physical world. A place where the supernatural culture of Heaven's Kingdom is the fullest reality. For some, visiting this unique place is a frivolous waste of time, a mental blowing of dust bunnies. For others this place becomes the mountain meadow within the soul, the sweeping expanse of rugged peaks, wildflowers and fragrant grasses, where steams of pure glacial water tumble and crash in prismatic waterfalls, where the spirit runs free, dancing in worship and joy. It is a place where the impossible flourishes, where dreams survive the inferno of reality to become the miraculous wonders that draw us forward into the Father's presence. It is a spiritual journey for the spiritual pilgrim - it is the place where the supernatural is the expected reality. It is a place where hardships, devastations, sorrow, pain and peril pass through the savage cleansing fire to be transformed into a rare and priceless masterpiece of exquisite beauty. If you are this kind of pilgrim on a spiritual journey come along on the secret trails to discover buried treasure in Heavens Kingdom on the earth. This Book 2 is a continuation of Book 1 of the Midwife's Heritage series and continues the exciting adventure that just happens to occur in the lives of two midwives. These true stories will hopefully stir up curiosity, expand your vision and wonder, and awaken a hunger for the things unseen that can impact the birth of each new spirit-vessel exponentially. It is His story written through the lives of His people. This is the Midwife's Heritage, one that brings Glory to God our Father and brings us closer to the Father that is our God.

Big Bang [The Cosmic Secret] Original Version-2013/14* Xlibris Corporation **BIG BANG (THE COSMIC SECRET) UNCENSORED, UNRIVALED, TERRIFYING** A computer-generated Armageddon, straight out the brilliant and imaginative mind of creative genius Marco Thoft, this exhilarating read depicts the frightening image of the earths doom and explores the dark and playful plausibility of technology overpowering mans capacity and power. **AT MAXWELL CORPORATE UNIVERSITY**, five scientists from different creeds and backgrounds working on a military project, attempt to discover the secret for outright creation but find themselves affected by a mysterious cosmic force issued from **COMSAT ANTONOF KARETCHEV**. The story peaks when four PhD students in nuclear physics and a computer scientist, connected by super-computer **TRINITY** to a powerful atom-smasher **CREATRON**, re-enact the exact conditions of cosmic creation or Big Bang from a point outside space-time - inadvertently threatening the small beach resort town of Yapoona close-by. Added to the novels complex plot, is a planetary wobble caused by the gargantuan weight of river damming schemes, removal of mineral deposits and acute oil and gas shifts. The resulting weight list, throwing planet Earth like a marooned freighter, off -balance. Taking queues from some Hindu beliefs, the human race is also equated to Shiva the Destroyer, whose task is to destroy creation... A race of voracious and feisty omnivores which are having a blast and dont mind wrecking the joint they are partying on.

The Secret in Sandcastles A Poppy Creek Novel Secret Garden Press Two childhood enemies. One adventure-filled summer. And an unexpected romance they're trying hard to resist.... Penny Heart likes to play it safe... in life and in love. When

she's asked to brave her town's most thrilling adventures to revamp their outdated guidebook, things quickly go from bad to worse. The person assigned to help? None other than her childhood nemesis. His dimpled grin and endearing charm might fool other women, but she wouldn't trust the notorious prankster with her potted cactus... let alone her heart. Colt Davis has spent his entire life fulfilling his father's dying wish. But something about being home—and the intriguing redhead who owns the local antiques store—has him questioning everything. As they tackle each adventure, and the rush of adrenaline grows to a genuine connection, will their differences push them further apart? Or could a long-kept secret be the key to their happily ever after? Discover your new favorite fictional town where the characters feel like friends. Each book in the reader-favorite, best-selling romance series is a complete story, but they're much more fun when read in order. Also includes: An original recipe and book club questions. **BOOKS IN THE POPPY CREEK SERIES**
Book One: The Clause in Christmas Book Two: The Truth in Tiramisu Book Three: The Secret in Sandcastles Book Four: The Meaning in Mistletoe Book Five: The Faith in Flowers Book Six: The Whisper in Wind Book Seven: The Hope in Hot Chocolate Kosher Billionaire's Secret Recipe Simon and Schuster A tour of some of the world's most luxurious healthy cuisines profiles dishes designed to appeal to all of the senses while bolstering overall well-being, in a volume that combines recipes with celebrity vignettes and lavish photography. 35,000 first printing. Sun, Sand, and Seduction Independently Published I watch him from the beach everyday. Bodhi Slater cuts through the giant Hawaiian waves like he was born to surf. He's gorgeous. That shaggy hair. Those dark eyes. Mmmmm... And his shredded tattooed body is pure perfection. Every twist on his surfboard shows off a new ab muscle that I didn't even know existed. I thought I was too large for him, but one look at me and this rich billionaire surfer becomes obsessed. Who knew that Bodhi Slater likes his girls with curves? He's a possessive alpha who owns the island and gets whatever he wants. But what happens when all he wants is me? Who's ready for the beach? Grab your bathing suit and a cold drink because you're about to spend some time in the sand with a hot Over The Top surfer with a possessive attitude and a big board! **The Secret of the Reef BoD - Books on Demand** Reproduction of the original: **The Secret of the Reef** by Harold Bindloss **Poppy Pym 3: Poppy Pym and the Smuggler's Secret** Scholastic UK Winner of the Scholastic Montegrappa Prize for New Children's Writing **Poppy** is thrilled that they're spending the summer at Smuggler's Cove. It might even take her mind off the mystery of her past. But **Poppy** is about to make some amazing discoveries - and solve more than one mystery... **The Secret Life of Sharks** A Leading Marine Biologist Reveals the Mysteries of **Simon and Schuster** Marine biologist Pete Klimley swims with the sharks. He was one of the first scientists to free-dive among sharks, and he has spent nearly thirty years studying shark behavior, sometimes swimming in schools of several hundred sharks. From his firsthand observations he has learned that sharks are not the vicious man-eaters that we imagine, but fascinating animals with complex behaviors. Most people who think of sharks at all think immediately of great white sharks. But there are more than four hundred species of shark. Dr. Klimley has studied several species, most notably the great white and the hammerhead. (He describes the great white as the athlete among sharks, and the hammerhead as the Ph.D. of the shark world.) In **The Secret Life of Sharks** Dr. Klimley reveals the significant discoveries he made about hammerhead navigation and great white eating habits. By studying hammerheads gathered around underwater seamounts, Dr. Klimley learned that hammerheads rely on sophisticated tracking of ocean-floor magnetism to navigate. His long-term study of great white sharks off the California coast demonstrated that these huge sharks prefer to eat seals and sea lions because of the energy contained in their fatty bodies. They are selective eaters, not the man-eaters we expect, and they sometimes go weeks between meals. But Dr. Klimley did observe a ritualized behavior that great whites practice in order to avoid deadly disputes over prey that one shark has captured and another wants. Although we have learned a great deal about shark behavior, says Dr. Klimley, there is much that we do not know. Unfortunately we are destroying these magnificent creatures of the deep through overfishing and degradation of the oceans. Already some populations of sharks have declined steeply. Vividly written by one of the foremost authorities on sharks, **The Secret Life of Sharks** is a fascinating account of some of the world's most magnificent animals. **Keeper of Secrets** Tate Publishing Beach bum Jason Riley doesn't have a lot on his mind: "surfing, partying, drugs, and girls. After travelling around the world on a yearlong surfing trip, Jason thinks it's time to get serious about his education, or as serious as he can get. He enrolls at Waterbury Community College, a party school near one of California's prime surf spots. He moves in with his grandparents, who provide him with free room and board. With friends nearby and killer waves, what more could he ask for? Little does he know that his grandfather hides a dark secret, a secret that will send Jason into a fight for survival. Can Jason survive the war that is churning within? Will he learn his grandfather's secret before it's too late? From white-sand beaches to the beaches of Normandy, Jason must unlock what is hidden by **The Keeper of Secrets**." **The Secretary's Secret** Harlequin Expecting a secret bundle of joy! With one last look in the mirror, Kit Mercer prepares to face her boss—surely he can't wait to sweep her into his arms again and declare his love? Actually, what Alex Hallam does is tell her their fling can't continue. He knows it's the right thing to do—after his ex-wife's lies, is he really ready for a relationship with sweet, lovely Kit? Until Kit reveals she's pregnant! Swapping the boardroom and working lunches for the baby clinic and wake-up feeds, they'll get more than they bargained for.... Maybe even swapping their business contract for a marriage certificate! **Bikini, Surfing & Beach Party Movies** Lulu.com **The Secret Cardinal** Simon and Schuster Ex-Navy Seal Nolan Kilkenny is still grieving a personal tragedy when he is unexpectedly called to the Vatican, where the dying Pope Leo XIV has a secret mission for him: rescue Chinese religious prisoner Yin Daoming, who—unbeknownst to the rest of the world—has been a secret cardinal for 20 years. Entrusted with the dangerous truth about an unreported atrocity committed against the underground Church in China and its link to the mysterious Yin Daoming, Kilkenny grimly sets out on a complicated journey that will take him from the Vatican to the U.S., China, and Mongolia, and will ultimately involve the C.I.A., the Mafia, American Special Forces, a conclave of cardinals, and the U.S. President.

"Grace builds a suspenseful head of steam as Kilkenny and friends overcome twists and obstacles in a dangerous race against Liu's forces." —Publishers Weekly

The Secret of the Sand Castle While visiting Fire Island on a cold November weekend to inspect some oceanfront property, Judy Bolton and her friends become stranded, and glimpse a mysterious woman in black, who is said to be a ghost.

Dorothy's Mystical Adventures in Oz Xlibris Corporation This book is not your average Oz story. It certainly captures the whimsical style of L. Frank Baum and faithfully retains his main characters, however, while the author introduces many new characters he also weaves into the story a most interesting but perhaps controversial philosophy. We feel that Baum might have said some of these things in his time had he dared. (After all, he was a Theosophist), but because of the times he lived in he had to bring his beliefs through in a very subtle way. Having said that, we do think that the spiritual lessons given by this author, although much more obvious in their intent, could be very helpful to a young person just beginning to formulate his or her values. In fact, we venture to say that if children everywhere were to adopt just a few these principles, they would find themselves, as adults, in a vastly improved world, one that would be relatively free of violence (both in the media, and in reality), and perhaps more importantly, free of intolerance. A world where a new sense of honesty would exist -- not only in individual citizens, but in corporate America, and in politics. (An Oz-like reality on earth?) The story itself takes place prior to Dorothy's moving to Oz permanently. Still back in Kansas our heroine is reminiscing on Oz when she begins to feel faint. She is caught up in a terrible vortex not unlike the original twister that first transported her to Oz when she suddenly finds back once more in that magical kingdom. Upon being reunited with her charming old friends the Cowardly Lion, the Scarecrow, and the Tin Woodman, Dorothy soon learns of yet another Wicked Witch, the Wicked Witch of the Deep South, who spends a good deal of her time in a fascinating place called Negativethoughtland where cruel or evil thoughts take on tangible physical form. The Fabulous Four embark on a quest to stop the evil Witch from filling Oz with these repugnant forms and to bring back the beauty and happiness that we all associate with Baum's delightful fairyland. Along the way, we are treated to encounters with various new residents of Oz such as the Fuzzy Yellow Woggle Bugs, not to mention several strange creatures with names like Ticklemonsters, Girrephalumps, and Octapong.... During the journey there is a beautiful sojourn with a community of American Indians, as well as a meeting of the minds with members of a unique club consisting entirely of United States presidents. (Topics covered range from George Washington's economic system to the importance of education, and of treating one another with respect and dignity.) During the good natured bantering between themselves some of the presidents provide interesting historical information on their lives. Another chapter is devoted to an important meeting with UFO people who represent an extremely advanced civilization. They make some remarkable revelations and speak with great wisdom, but since the dialogue is extensive, younger children could safely skip most of this without losing any of the story.) Following is a brief quotation from this segment to give you some idea of its content:

"...You see, beloved friends, it is much easier for you to doubt your abilities, your powers, than it is to try to realize the potentials that lie within you. Accept your challenges of today. Cope with them and be not concerned for the future ... Each of you has tasks before you that you will perform and, if you will allow yourself to flow with the tide, you shall find that these things will come to you in proper sequence. There is a constant flow of energy around your planet. The entire cosmos is energy. We, too, are energy. Swim in it! Feel yourself as a pulsating, living part of the universal energy; feel yourself to be in tune with this energy - to be flowing along with it, in harmony with it. If you become disturbed or distressed, you have stepped out of the flow. If you go against your conscience, you will go against the flow and be pu

The Secret Surfer Head of Zeus Ltd **SHORTLISTED FOR THE EDWARD STANFORD TRAVEL WRITING AWARDS.** Recovering from a hip replacement operation, and suffering from a mid-life crisis, Iain Gately sets out to catch a tube. This is no London underground train, but rather that evanescent space, beneath the lip of a breaking wave, that every surfer yearns to visit. In all his years of surfing, Iain Gately has never caught one. He realises it is now or never. His quest takes him to the Atlantic beaches of England's West Country, and to the sandbars and reefs of Galicia and the Canary Island. By turns funny, energetic and inspiring, *The Secret Surfer* is a tale of self-knowledge through endeavour, a beguiling blend of black humour, adventure and soul searching. Above all, it is a rousing call to all of us not to give up too soon.

Hollywood Surf and Beach Movies *The First Wave, 1959-1969* McFarland Surfers loathed them, teenagers flocked to them, critics dismissed them, producers banked on them—surf and beach movies. For a short time in the 1960s they were extremely popular with younger audiences—mainly because of the shirtless surfer boys and bikini-clad beach girls, the musical performers, and the wild surfing footage. This lavishly illustrated filmography details 32 sizzling fun-in-the-sun teenage epics from *Gidget* to the *Beach Party* movies with Frankie and Annette to *The Sweet Ride* plus a few offshoots in the snow!) Entries include credits, plot synopses, memorable lines, reviews and awards, and commentary from such as Aron Kincaid of *The Girls on the Beach*, Susan Hart of *The Ghost in the Invisible Bikini*, Peter Brown of *Ride the Wild Surf*, Chris Noel of *Beach Ball*, and Ed Garner of *Beach Blanket Bingo*. Biographies of actors and leading actresses who made their marks in the genre are included.

A Girl, A City, A Secret In A Funny Life Clube de Autores This story is about Mary, a girl who travels to New York during her summer vacation. Suellen, Lola, Louis and David, her four friends, go along with her on this adventure. Their vacation will have many surprises when some terrorists appear in the city.

Staying on Top and Keeping the Sand Out of Your Pants A Surfer's Guide to the Good Life HCI Using surfing as a metaphor for motivational and self-improvement concepts and written in accessible, everyday language peppered with surfer slang, *Staying on Top* proves that the good life is available right now. Making these essential lessons fun, cartoon character Surf Master Alva appears throughout the book to dispense nuggets of wisdom that point the way to the good life, illustrating in a humorous and wise way that experts and gurus are not needed to understand and make the most of life. In other words, we don't have to learn how to achieve the good life through retreats, pills, hospitals or programs, nor do we have to wait until we find the "perfect time". In surfer parlance, "Surfz up, dude!

Get your board and get to the beach." Assessing their understanding of prevailing societal values portrayed through surfing metaphors and Surf Master Alva's quirky wisdom, Staying on Top will awaken people to the reality that living life to the fullest requires living in the present. Life right now is all anyone can truly be sure of: The secret to achieving and maintaining balance and serenity lies in accepting and embracing that truth. For long-term devotees of self-help literature and newcomers to the genre, everyone will delight in this wise yet whimsical journey to enlightenment. The Jersey Surf Diaries A Ten-Year Logbook of Fishing Adventures, Catches, and Tips Stackpole Books • Seasonal strategies from a veteran of the surf • Ten-year compilation of detailed journals • Rigs and effective methods for bass, blues, weakfish, sharks, and more • Best spots along the Jersey coast Surfing USA! Beaches of O'ahu, Revised Edition University of Hawaii Press Now completely revised and updated, this edition of Beaches of O'ahu offers color photos of the island's spectacular beaches and coastline by photographer Mike Waggoner plus information on the historic and cultural significance of the island. 58 illustrations. 22 maps. Gold Beneath the Waves Treasure Hunting the Surf and Sand "Finding gold on the beach or in the surf with a metal detector is not luck. Successful beach/surf hunters hunt hard and EARN every gold ring. But they also hunt smart. They use the right equipment. They know how to 'read' the beach and surf. They analyze the clues, good and bad, to determine where to put in their time to maximize their gold finds ... This book is your treasure map. It will increase the number of ring dance you do and give you the power to build your pile of gold."--Back cover.
