### KEY=SHEPHERD - BRIANA LEILA

---

---

#### DESCENDING SON

---

47North If Jess Stark really knew what was on the other side of the coffin lid, he might just decide to remain six feet under . . . Jess stayed away from Palm Springs for seven years, avoiding his family and the girl who broke his heart. It took a desperate call from his mother to force him home to see his ailing father. As soon as he returned, Jess found himself embroiled in two suspicious deaths, emotional turmoil with his family, and a supernatural secret that involved them all--winding up in an unmarked grave in the middle of the Coachella Desert. In a tale that spreads from the California Desert to the jungles of Mexico and set in a town that time has practically forgotten, Descending Son is rooted in the sins of Jess's past and a future that threatens his life. Sure, Jess can go home again, but there's a heavy price to pay.

---

#### THE LAST COMMANDMENT

---

Head of Zeus Ltd In this transatlantic thriller, Scotland Yard detective Austin Grant must track a serial killer targeting those who transgress the Ten Commandments from London to New York.

---

#### SHOULD I FALL

---

Mysterious Press A retired Scotland Yard Inspector races to prove the innocence of a falsely accused fugitive--his daughter's fiancée--in this whodunnit from "a marvellous storyteller" (Michael Koryta). When John Frankel's ex-wife is discovered dead on the floor of his Manhattan studio apartment, the NYPD Detective instantly becomes the prime suspect in her murder. Then more information surfaces, linking his gun to the fatal bullet, a motive is discovered, and Frankel flees the city, all of which further convinces his colleagues of his guilt. In spite of the mounting evidence, Frankel's bride-to-be, Rachel Grant, and her father, Austin Grant, formerly of Scotland Yard, are certain of his innocence. But with the police under orders to use whatever force necessary to stop what they view as a dangerous criminal, the duo will have to act fast, before the manhunt goes violently wrong. The investigation and relentless chase after Frankel takes them across the country, from the tropical shores of Hawaii to a deadly midnight rendezvous in a cemetery in northern Maine. And as that game of cat-and-mouse unfurls, so too does a complex murder plot with multiple victims--the ultimate solution of which will keep readers baffled and breathless until the very end. The second mystery from Scott Shepherd, the showrunner and screenwriter whose credits include The Equalizer, The Dead Zone and Miami Vice, Should I Fall is a fast-paced and expertly-crafted whodunnit that is as puzzling as it is entertaining.

---

#### DNA EVIDENCE, ARCHEOLOGY, ANALYSIS OF MIGRATIONS, AND PUBLIC AND FAMILY RECORDS SHOW TWELFTH CENTURY SEMITIC ROOTS

---

McFarland The popular image of Scotland is dominated by widely recognized elements of Celtic culture. But a significant non-Celtic influence on Scotland's history has been largely ignored for centuries? This book argues that much of Scotland's history and culture from 1100 forward is Jewish. The authors provide evidence that many of the national heroes, villains, rulers, nobles, traders, merchants, bishops, guild members, burgesses, and ministers of Scotland were of Jewish descent, their ancestors originating in France and Spain. Much of the traditional historical account of Scotland, it is proposed, rests on fundamental interpretive errors, perpetuated in order to affirm Scotland's identity as a Celtic, Christian society. A more accurate and profound understanding of Scottish history has thus been buried. The authors' wide-ranging research includes examination of census records, archaeological artifacts, castle carvings, cemetery inscriptions, religious seals, coinage, burgess and guild member rolls, noble genealogies, family crests, portraiture, and geographic place names.

---

**THE NEW SULTAN**

---

---

Bloomsbury Publishing In a world of rising tensions between Russia and the United States, the Middle East and Europe, Sunnis and Shiites, Islamism and liberalism, Turkey is at the epicentre. And at the heart of Turkey is its right-wing populist president, Recep Tayyip Erdoğan. Since 2002, Erdoğan has consolidated his hold on domestic politics while using military and diplomatic means to solidify Turkey as a regional power. His crackdown has been brutal and consistent - scores of journalists arrested, academics officially banned from leaving the country, university deans fired and many of the highest-ranking military officers arrested. In some senses, the nefarious and failed 2016 coup has given Erdoğan the licence to make good on his repeated promise to bring order and stability under a 'strongman'. Here, leading Turkish expert Soner Cagaptay will look at Erdoğan's roots in Turkish history, what he believes in and how he has cemented his rule, as well as what this means for the world. The book will also unpick the 'threats' Erdogan has worked to combat - from the liberal Turks to the Gulen movement, from coup plotters to Kurdish nationalists - all of which have culminated in the crisis of modern Turkey.

---

---

**SCOTTISH ROMANTICISM AND THE WORKING-CLASS AUTHOR**

---

---

Routledge Responding to the resurgence of interest in the Scottish working-class writer James Hogg, Sharon Alker and Holly Faith Nelson offer the first edited collection devoted to an examination of the critical implications of his writings and their position in the Edinburgh and London literary marketplaces. Writing during a particularly complex time in Scottish literary history, Hogg, a working shepherd for much of his life, is seen to challenge many of the aesthetic conventions adopted by his contemporaries and to anticipate many of the concerns voiced in discussions of literature in recent years. While the essays privilege Hogg's primary texts and read them closely in their immediate cultural context, the volume's contributors also introduce relevant research on oral culture, nationalism, transnationalism, intertextuality, class, colonialism, empire, psychology, and aesthetics where they serve to illuminate Hogg's literary ingenuity as a working-class writer in Romantic Scotland.

**A 12-WEEK STUDY**

---

Crossway The Knowing the Bible series is a new resource designed to help Bible readers better understand and apply God's Word. Each 12-week study leads participants through one book of the Bible and is made up of four basic components: (1) Reflection questions designed to help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlighting the gospel of grace throughout the book; (3) "Whole-Bible Connections" showing how any given passage connects to the Bible's overarching story of redemption culminating in Christ; and (4) "Theological Soundings" identifying how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from a wide array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on each and every page of the Bible. In this study of John's Gospel, pastor and author Justin Buzzard helps readers understand the most theologically and philosophically profound account of Jesus's life, death, and resurrection in the New Testament. From revealing his cosmic identity as being with the Father "in the beginning," to recounting the many miraculous signs attesting to his divinity, Buzzard illuminates John's unmatched portrait of Jesus Christ, the unique Son of God, sent from heaven to save all who would turn to him. This insightful guide encourages Christians to worship Christ as Lord and follow him on mission to the world.

**TO THE LIGHTHOUSE**

---

Renard Press Ltd Described by Virginia Woolf herself as 'easily the best of my books', and by her husband Leonard as a 'masterpiece', To the Lighthouse, first published in 1927, is one of the milestones of Modernism. Set on the Isle of Skye, over a decade spanning the First World War, the narrative centres on the Ramsay family, and is framed by Mrs Ramsay's promise to take a trip to the lighthouse the next day - a promise which isn't to be fulfilled for a decade. Flowing from character to character and from year to year, the novel paints a moving portrait of love, loss and perception. Bearing all the hallmarks of Woolf's prose, with her delicate handling of the complexities of human relationships, To the Lighthouse has earned its reputation - frequently appearing in lists of the best novels of the twentieth century, it has lost not an iota of brilliance.

**VETERINARY HERBAL MEDICINE**

---

Elsevier Health Sciences This full-color text and practical clinical reference provides comprehensive information on herbal remedies for both large and small animal species. Key coverage includes clinical uses of medicinal plants, specific information on how to formulate herbal remedies, a systems-based review of plant-based medicine, and in-depth information on the different animal species--dog, cat, avian and exotic, equine, food animal, and poultry.

---

**STUDIES ON THE EPISTLE TO THE HEBREWS**

---

"Over the last few decades scholarly interest in the Epistle to the Hebrews has experienced something of a renaissance. Focusing on three major sections of the Epistle to the Hebrews (chapters 1-2, 8-10, and 13), the essays in this volume offer fresh and illuminating insights into some of the most puzzling aspects of this early Christian text." --back cover
