Snow Hunters

A Novel

Simon and Schuster *Though he is a stranger in a strange land, a North Korean war refugee, seeking a new life in a port town on the coast of Brazil, longs to connect with four people who slip in and out of his life, but must confront his traumatic past so he might let go and move on.*

Hunters in the Snow

Random House *After his death, a young woman returns to her grandfather's farm in Yorkshire. At his desk she finds the book he left unfinished when he died. Part story, part scholarship, his eccentric history of England moves from the founding of the printing press into virtual reality, linking four journeys, separated by the centuries, of four great men. The exiled Edward IV lands in England and marches on London for one final attempt to win back the throne; Tsar Peter the Great, implausibly disguised as a carpenter, follows his own retinue around frozen London; the former African slave Olaudah Equiano takes his book-tour down a Welsh coal-mine; and Herbert, Lord Kitchener, mysteriously disappears at sea in 1916. These are the stories she remembers him telling her, and others too - about medieval miracles and EU agricultural subsidies; old people and fallen kings; homemade fireworks and invented dogs; Arctic ice cores, sunk ships, drowning horses, salt, sperm, carbon and miners. The history of great men loses its way in the stories of ordinary great-grandparents, grandparents and parents, including the historian's own. Hunters in the Snow marks the debut of a truly remarkable young writer.*

Hunters in the Snow

The Cornovia Press *Vienna in the early 20th century was, in the words of our protagonist and narrator, a soulless, syphilitic whore of a city; a turbulent and bubbling melting pot of races, creeds and politics, rapidly expanding as it strained to contain the ever-increasing multitudes. In such places the nightmare moments of modern history are conceived. This novel is a fictionalised account of those who were to change the very collective psyche of mankind. It is a vivid and poignant portrayal of the sometimes thin dividing line between becoming good or evil.*

Hunters in the Snow

CreateSpace *Hunters in the Snow is a classic short story by Tobias Wolff centered around the suburbs of Spokane and featured in In the Garden of the North American Martyrs. The story deals with three characters hunting together in the woods; Kenny, who is hard and brutal; Tub, who is fat, a target of ridicule, and lags behind the rest of the party; and Frank, who is the most "frank" of the group. Each character has a distinct personality which changes as the story progresses. The story reaches its climax when Tub shoots Kenny in what appears to be an accident. Tub and Frank seem to be taking Kenny to a hospital, but wind up stopping in a diner and a roadhouse in a strange chain of events. The story ends with them driving in a direction that is opposite to the one of the hospital. This story is believed to be based upon the painting Hunters in the Snow by Pieter Bruegel, a painter involved in the realism movement.*

Once the Shore

Stories

Sarabande Books *New York Times Notable Book: "Yoon writes stories the way Fabergé made eggs: with untold craftsmanship, artistry, and delicacy." —Ann Patchett An NPR "Best Debut Fiction" and a Los Angeles Times "Favorite Fiction" selection Spanning over half a century—from the years just before the Korean War to the present—these stories reveal an intricate and unforgettable portrait of a single island in the South Pacific. Novelistic in scope, daring in its varied environments, Once the Shore is a remarkable work of international fiction by the acclaimed author of Snow Hunters. "So persuasive are Yoon's powers of invention that I went searching for his Solla Island somewhere off the mainland of South Korea—not realizing that it exists only in this breathtaking collection of eight interlinked stories . . . a fully formed, deftly executed debut." —San Francisco Chronicle "These are lovely stories, rendered with a Chekhovian elegance. They span from post-World War II to the new millennium, with characters of different ethnicities, yet each story has a timelessness and relevance that's haunting and unforgettable." —Don Lee "Yoon's collection of eight richly textured stories explore the themes of family, lost love, silence, alienation and the effects of the Japanese occupation and the Korean War on the poor communities of a small South Korean island . . . Yoon's stories are introspective and tender while also painting with bold strokes the details of the lives of the invisible." —Publishers Weekly (starred review)*

Hunter's Way

Bella Books *Homicide detective Tori Hunter was used to doing things her way. But even after having six different partners in seven years, Tori isn't prepared when she's forced to team up with the hot-tempered Samantha Kennedy. Samantha, on the other hand, is trying to juggle a new job, a demanding boyfriend, and now finds herself with an even greater challenge—being partnered with the most difficult detective in the entire squad. After a brief terrorist scare disrupts their serial killer investigation, the two women find themselves growing closer. Samantha begins to question the relationship with her longtime boyfriend, and Tori, never one to allow anyone to get close, begins to feel her defenses slipping in Sam's presence. A serial killer and drug deals gone bad; the two detectives struggle with their feelings, trying to maintain their professional relationship while keeping their nearly flammable physical relationship in check. With Hunter's Way, Gerri Hill masterfully blends suspense and intrigue with her unique style of romance.*

Blaze Orange

Whitetail Deer Hunting in Wisconsin

Wisconsin Historical Society *In Blaze Orange, photographer Travis Dewitz captures the joy, excitement, and camaraderie of deer hunting in Wisconsin. A lone hunter in a tree stand as dawn arrives. A girl and her grandfather scanning a field in the fresh snow. Tired hunters laughing around the evening fire back at camp. These are snapshots of a culture touchstone. With more than 600,000 hunters taking to the fields and woods of the state each year, the whitetail deer season is by far Wisconsin's largest sporting event. Dewitz documents the hunt and more as he rides along with hunters and a game warden, visits local mom-and-pop stores where hunters gather, and records the industries that operate alongside the deer season—a taxidermist and knife maker, butchers and sausage makers. The result is a stunning and keen-eyed chronicle of one season of the Wisconsin deer hunt.*

Moon of the Crusted Snow

A Novel

ECW Press *A daring post-apocalyptic novel from a powerful rising literary voice With winter looming, a small northern Anishinaabe community goes dark. Cut off, people become passive and confused. Panic builds as the food supply dwindles. While the band council and a pocket of community members struggle to maintain order, an unexpected visitor arrives, escaping the crumbling society to the south. Soon after, others follow. The community leadership loses its grip on power as the visitors manipulate the tired and hungry to take control of the reserve. Tensions rise and, as the months pass, so does the death toll due to sickness and despair. Frustrated by the building chaos, a group of young friends and their families turn to the land and Anishinaabe tradition in hopes of helping their community thrive again. Guided through the chaos by an unlikely leader named Evan Whitesky, they endeavor to restore order while grappling with a grave decision. Blending action and allegory, Moon of the Crusted Snow upends our expectations. Out of catastrophe comes resilience. And as one society collapses, another is reborn.*

The Snow Geese

Pan Macmillan *An amazing story about a journey, and - more importantly - a return home.Snow geese spend their Summers in the Canadian Arctic, on the tundra. Each Autumn they migrate south, to Delaware, California and the Gulf of Mexico. In the Spring they fly north again. William Fiennes decided to go with them and to write about his travels.What he produced turned out to be about very much more than geese. A blend of autobiography and reportage, its subject was also homecoming: the birds on their long journeys home, the grace of homecomings, the strange gravity that home exerts. The arc of Fiennes extraordinary physical adventure formed the backbone for meditations on philosophy, natural science and personal memoir. The book thrums with ideas, with stories and anecdotes, with humankind as well as wild fowl, with the funny and observant insights of an assured and highly entertaining writer."With this beautiful, haunting debut Fiennes joins that small, very special band of writer-explorers - Emerson and Thoreau, Annie Dilard and Bruce Chatwin - who give us another pair of eyes: he has renewed the variety and wonder of the world." Marina Warner*

Unleash The Night

Hachette UK *An extremely rare Tigarian Katagaria, Wren is half snow leopard and half white tiger. Both species are extremely dangerous. Combined, they are lethal. He's reclusive and anti-social. Marguerite Godoeau has spent her lifetime trying to please her politician father. But has come to the recent conclusion that she wants her freedom. Missing her friend Nick Gautier who was a voice of reason in her insane life, she goes to Nick's favorite bar, Sanctuary. From the moment he sees her, Wren is completely captivated by Marguerite. Compelled, he follows after her and starts a most forbidden courtship. Wren knows he has no business with a human. He has too many enemies as it is. Yet he can't seem to let go of the only thing in his life that means something to him. Through enemies, both human and other, they have to learn to stand together or be devoured.*

Into the Wild

Pan Macmillan With an introduction by novelist David Vann In April 1992, Chris McCandless set off alone into the Alaskan wild. He had given his savings to charity, abandoned his car and his possessions, and burnt the money in his wallet, determined to live a life of independence. Just four months later, Chris was found dead. An SOS note was taped to his makeshift home, an abandoned bus. In piecing together the final travels of this extraordinary young man's life, Jon Krakauer writes about the heart of the wilderness, its terribly beauty and its relentless harshness. *Into the Wild* is a modern classic of travel writing, and a riveting exploration of what drives some of us to risk more than we can afford to lose.

Snow Hunters

A Novel

Simon and Schuster Winner of the Young Lions Fiction Award, *Snow Hunters* is "a subtle, elegant, poignant read" (*Oprah.com*), featuring a Korean War refugee who emigrates to Brazil to become a tailor's apprentice and confronts the wreckage of his past. "Exquisitely enigmatic...a small but radiant star in the current literary firmament" (*The Dallas Morning News*), *Snow Hunters* traces the extraordinary journey of Yohan, a twenty-five-year-old North Korean POW refugee who defects from his country at the end of the Korean War, leaving his friends and family behind to seek a new life in a port town on the coast of Brazil. Though he is a stranger in a strange land, throughout the years in this town, four people slip in and out of Yohan's life: Kiyoshi, the Japanese tailor for whom he works, and who has his own secrets and a past he does not speak of; Peixe, the groundskeeper at the town church; and two vagrant children named Santi and Bia, a boy and a girl, who spend their days in the alleyways and the streets of the town. Yohan longs to connect with these people, but to do so he must sift through the wreckage of his traumatic past so he might let go and move on. In *Snow Hunters*, "quotidian-surreal craft-master" (*New York magazine*) Paul Yoon proves love can dissolve loneliness; that hope can wipe away despair; and that a man who lost a country can find a new home. "The brief, simple sentences that form this elegant tone poem of a novel...have the effect of making you slow down to read them—which is a fitting way to experience the story of a man unmoored by memory and time" (*Entertainment Weekly*). This is a heartrending story of second chances, told with unerring elegance and absolute tenderness.

People lived because she killed. People died because he lived. Zafira is the Hunter, disguising herself as a man when she braves the cursed forest of the Arz to feed her people. Nasir is the Prince of Death, assassinating those foolish enough to defy his autocratic father, the sultan. If Zafira was exposed as a girl, all of her achievements would be rejected; if Nasir displayed his compassion, his father would punish him in the most brutal of ways. Both Zafira and Nasir are legends in the kingdom of Arawiya—but neither wants to be. War is brewing, and the Arz sweeps closer with each passing day, engulfing the land in shadow. When Zafira embarks on a quest to uncover a lost artifact that can restore magic to her suffering world and stop the Arz, Nasir is sent by the sultan on a similar mission: retrieve the artifact and kill the Hunter. But an ancient evil stirs as their journey unfolds—and the prize they seek may pose a threat greater than either can imagine.

Guns and Snowshoes; Or, the Winter Outing of the Young Hunters

CreateSpace "Hurrah, boys, it's snowing at last! Aren't you glad?" "Glad? You bet I'm glad, Snap! Why I've been watching for this storm for about six months!" "There you go, Whopper!" answered Charley Dodge, with a grin. "Six months indeed! Why, we haven't been home six months." "Well, it seems that long anyway," said Frank Dawson, who was usually called Whopper by his chums, because of his exaggerations when speaking. "I've just been aching to see it snow."

Broken Snow

All she was doing was heading to town for supplies ... but ... catching the eye of one of the money hunters' spotters, Mel walks into a danger that she didn't realise had been following her all along. There's a secret, though. These money hunters aren't just looking for criminals ... they were looking for her. A shifter caught in a race, and she is the prize.

A Woman in the Polar Night

Greystone Books In this extraordinary adventure, a reluctant visitor to the Arctic thrives in the awesome and unforgiving landscape. In 1933, Christiane Ritter, a painter from Austria, travelled to Spitsbergen, an Arctic island north of Norway, to be with her husband. He had been taking part in a scientific expedition and stayed on to hunt and fish. "Leave everything as it is and follow me to the Arctic," he wrote to his wife; but for Christiane, "as for all central Europeans, the Arctic was just another word for freezing and forsaken solitude. I did not follow at once." Eventually she gave in, lured by his compelling stories about the remarkable wildlife and alluring light shows. She says: "They told of journeys by water and over ice, of the animals and the fascination of the wilderness, of the strange light over the landscape, of the strange illumination of one's own self in the remoteness of the polar night. In his descriptions there was practically never any mention of cold or darkness, of storms or hardships."
