PREVENT STRATEGY

The Stationery Office The Prevent strategy, launched in 2007 seeks to stop people becoming terrorists or supporting terrorism both in the UK and overseas. It is the preventative strand of the government's counter-terrorism strategy, CONTEST. Over the past few years Prevent has not been fully effective and it needs to change. This review evaluates work to date and sets out how Prevent will be implemented in the future. Specifically Prevent will aim to: respond to the ideological challenge of terrorism and the threat we face from those who promote it; prevent people from being drawn into terrorism and ensure that they are given appropriate advice and support; and work with sectors and institutions where there are risks of radicalization which need to be addressed

THE FOUNDER'S DILEMMAS

ANTICIPATING AND AVOIDING THE PITFALLS THAT CAN SINK A STARTUP

Princeton University Press The Founder's Dilemmas examines how early decisions by entrepreneurs can make or break a startup and its team. Drawing on a decade of research, including quantitative data on almost ten thousand founders as well as inside stories of founders like Evan Williams of Twitter and Tim Westergren of Pandora, Noam Wasserman reveals the common pitfalls founders face and how to avoid them.

ELECTION LAW

VOLUME 1

*Independently Published THIS CASEBOOK contains a selection of U. S. Court of Appeals decisions that analyze and discuss issues stemming from election law. Volume 1 of the casebook covers the District of Columbia Circuit and the First through the Fifth Circuit Court of Appeals. Any restrictions on access to the ballot necessarily "implicate substantial voting, associational[,] and expressive rights protected by the First and Fourteenth Amendments." *McLaughlin v. N.C. Bd. of Elections*, 65 F.3d 1215, 1221 (4th Cir. 1995). However, states have the power to regulate the time, place, and manner of their own elections, see U.S. Const. art. 1, §*

4, cl. 1, to ensure that "some sort of order, rather than chaos, ... accompan[ies] the democratic processes," *Burdick*, 504 U.S. at 433, 112 S.Ct. 2059 (quoting *Storer v. Brown*, 415 U.S. 724, 730, 94 S.Ct. 1274, 39 L.Ed.2d 714 (1974)). Accordingly, in evaluating a challenge to a ballot-access law, courts must weigh the character and magnitude of the asserted injury to the rights protected by the First and Fourteenth Amendments that the plaintiff seeks to vindicate against the precise interests put forward by the State as justifications for the burden imposed by its rule, taking into consideration the extent to which those interests make it necessary to burden the plaintiff's rights. *Id.* at 434, 112 S.Ct. 2059 (citation omitted). When election laws "impose a severe burden on ballot access," those laws "are subject to strict scrutiny," and will be upheld only if the laws are "narrowly drawn" to support a compelling state interest. *Pisano v. Strach*, 743 F.3d 927, 933 (4th Cir. 2014) (citation omitted). Election laws that impose only a "modest" burden will be upheld if the state can "articulate" its "important regulatory interests." *Libertarian Party of Va. v. Alcorn*, 826 F.3d 708, 716, 719 (4th Cir. 2016) (citations omitted). A "state's important regulatory interests are generally sufficient to justify reasonable, nondiscriminatory restrictions." *Anderson v. Celebrezze*, 460 U.S. 780, 788, 103 S.Ct. 1564, 75 L.Ed.2d 547 (1983). *Buscemi v. Bell*, 964 F. 3d 252 (4th Cir. 2020)

IMMUNIZATION IN PRACTICE

A PRACTICAL GUIDE FOR HEALTH STAFF

World Health Organization This practical guide contains seven modules targeted at district and health facility staff. It intends to meet the demands to improve immunization services so as to reach more infants in a sustainable way, building upon the experiences of polio eradication. It includes materials adapted from polio on planning, monitoring and use of data to improve the service, that can be used at any level. Revising the manual has been a team exercise. There are contributions from a large number of experts, organizations and institutions. This new edition has seven modules. Several new vaccines that have become more readily available and used in recent years have been added. Also the section on integration with other health interventions has been expanded as exciting opportunities and experiences have become evident in the years following the previous edition. Module 1: Target diseases and vaccines Module 2: The vaccine cold chain Module 3: Ensuring safe injections Module 4: Microplanning for reaching every community Module 5: Managing an immunization session Module 6: Monitoring and surveillance Module 7: Partnering with communities.

CATCH-22

Random House A classic novel set in the closing months of World War II - It is used to highlight the madness of twentieth century warfare and the individual's desire to survive it.

ELECTORAL SYSTEMS AND CONFLICT IN DIVIDED SOCIETIES

National Academies Press This paper is one of a series being prepared for the National Research Council's Committee on International Conflict Resolution. The committee was organized in late 1995 to respond to a growing need for prevention, management, and resolution of violent conflict in the international arena, a concern about the changing nature and context of such conflict in the post-Cold War era, and a recent expansion of knowledge in the field. The committee's main goal is to advance the practice of conflict resolution by using the methods and critical attitude of science to examine the effectiveness of various techniques and concepts that have been advanced for preventing, managing, and resolving international conflicts. The committee's research agenda has been designed to supplement the work of other groups, particularly the Carnegie Corporation of New York's Commission on Preventing Deadly Conflict, which issued its final report in December 1997. The committee has identified a number of specific techniques and concepts of current interest to policy practitioners and has asked leading specialists on each one to carefully review and analyze available knowledge and to summarize what is known about the conditions under which each is or is not effective. These papers present the results of their work.

PROMOTING AND PROTECTING MINORITY RIGHTS

A GUIDE FOR ADVOCATES

United Nations Publications Minorities make significant contributions to the richness and diversity of society, and States that recognise and promote minority rights are more likely to remain tolerant and stable. The United Nations and other intergovernmental organisations recognise that minority rights are essential to protect those who wish to preserve and develop values and practices which they share with other members of their community. This Guide offers information related to norms and mechanisms developed to protect the rights of persons belonging to national, ethnic, religious or linguistic minorities. It provides detailed information about procedures and forums in which minority issues may be raised within the United Nations system and in regional systems. It is hoped that this Guide will be useful in assisting minority advocates to make full and effective use of existing international mechanisms and, ultimately, to promote and protect the rights guaranteed under international instruments.

THE SOCIAL CONTRACT

e-artnow This eBook edition of "The Social Contract" has been formatted to the highest digital standards and adjusted for readability on all devices. The Social Contract, originally published as On the Social Contract; or, Principles of Political Rights by Jean-Jacques Rousseau, is a 1762 book in which Rousseau theorized about the best way to establish a political community in the face of the problems of commercial society, which he had already identified in his Discourse on Inequality (1754). The Social Contract helped inspire political reforms or revolutions in Europe, especially in France. The Social Contract argued against the idea that monarchs were divinely empowered to legislate. Rousseau asserts that only the people, who are sovereign, have that all-powerful right.

PREGNANCY DAY BY DAY

Penguin The complete guide to pregnancy, day-by-day No other pregnancy book provides this level of detail, allied with such extraordinary photographs, 3D scans and illustrations which reveal in unprecedented clarity exactly what is happening to you and your baby every single day. From early fetal development to how your hormones prepare you for birth, learn from world-class experts. Plus, obstetricians, midwives and parents advise on your baby's development, medical matters, your changing body, diet, fitness and much more. A special hour-by-hour rundown of what to expect during and immediately after birth, plus further reassurance for the first two weeks of your baby's life, will give a helping hand through the culmination of your pregnancy, from pain relief to those first intimate and unique moments

between you and your child.
