Decoding Your Dreams

What the Lord May Be Saying to You While You Sleep

Thomas Nelson What is God saying to you in your dreams? *Decoding Your Dreams* is a beginner's guide to understanding the true source of our dreams, dream classifications, and even dream symbols. This book answers questions like: Can we control our dreams? I used to dream all the time. Why has my dream life suddenly ceased? Should I pray for the gift of dream interpretation? What does it mean if I see people in my dreams who have already passed away? When do I share a dream I've received and when do I keep it to myself? Where does déjà vu fit into the world of dreams? Why should I pay attention to my children's dreams? There are dozens of mentions of dreams in the Bible. From Abraham to Joseph, from Daniel all the way to Pontius Pilot's wife, God has communicated with His people through dreams throughout recorded history. Why would God choose to speak to us while we sleep? Perhaps it's because we are too distracted during the day to sit still long enough for Him to share the deep secrets of His heart. **Jennifer LeClaire** is convinced God speaks to us in ways that are very personal. At times he may use pictures, memories, impressions, or even a still small voice. Let *Decoding Your Dreams* help you embrace your Spirit-inspired dreams!

God Conversations

Stories of How God Speaks and What Happens When You Listen

Authentic **How do I know it's God?** is one of the most commonly asked questions of new and mature Christians alike, and the aim of **God Conversations** is to both equip and inspire the reader and show them that hearing the voice of the Spirit is accessible to everyone who chooses to follow Jesus. Most Christians know that God speaks, yet struggle with how to recognise his voice in their everyday lives. What does God's voice sound like? How do we know if what we're hearing is from God? Stories of God talking to his people abound throughout the Bible, but we usually only get the highlights. We read; "And God said to Joseph; 'Go to Egypt'," and then; "Mary and Joseph left for Egypt." We don't get a blow-by-blow description of how God spoke. We don't receive a detailed explanation of how they knew it was God, and we don't get to see what was going on inside their heads as they acted on what they'd heard. In **God Conversations**, international speaker and pastor Tania Harris shares insights from her own journey about hearing God's voice. You'll get to eavesdrop on some contemporary conversations with God in the light of his communication with the ancient characters of the Bible. Part memoir, part teaching, this unique and creative collection of stories will help you to recognise God's voice when he speaks and how to respond when you do.

A to Z Christian Dream Symbols Dictionary

Unlock Your Dream Meaning and Message

Createspace Independent Publishing Platform Many Christians believe we are living in both the most exciting and also the most precarious worldwide state of affairs in all of history as God is moving to bring the ages to a close. Therefore it is imperative and even critical for God's people to place themselves in a position to hear what He is speaking and directing us to do in these times. From the beginning of time, dreams have been a major way that God speaks to His people, therefore it is important for us to understand the messages in the dreams that He gives us. Because dreams and visions are filled with symbolic language it is essential to properly interpret what the symbols mean, if we are to understand the message God is communicating to us through our dreams. There are many excellent Christian teachings on dream interpretation, and rather than bring forth material that is already available, my desire instead is to place in your hands over 2400 symbols, with most of them having a multitude of meanings; to assist and train you in unlocking the mysteries of not only your dreams, but also the dreams of others. Since it is God's voice alone we want to hear and understand, we have no interest in knowing how the world that is out of touch with God interprets dream symbols. Every interpretation must be God derived; otherwise we will not be receiving the truth of what He desires us to know. For that reason, the overwhelming majority of the symbol meanings found in this book are derived from the Bible; with the remainder sourced from tested Christian dream courses, teachers, and from interpreting the dreams of Christians. God desires you to know what He is speaking to you, so be encouraged that with the help of this book, you will be able to unlock the meanings and messages of your dreams.

Interpreting the Symbols and Types

Rich Brott This book by Kevin Conner undertakes to interpret signs, symbols, and types that he discovers beneath the surface in biblical text.

Understanding Biblical Israel

A Reexamination of the Origins of Monotheism

Mercer University Press According to Stanley Rosenbaum, the Bible resembles what a family would retrieve after a tornado hits a trailer park -- some of the family's own possessions mixed with those of others, overlapping, contradicting, and disordered. **Understanding Israelite History** is a revolutionary attempt to fill in the many gaps left in the historical record. Rosenbaum begins by demonstrating that Israel's religion was not a clean, divinely inspired break with humanity's past, but derives from the long sweep of events that began when Homo sapiens first acquired language. Strata of earlier religions are still visible beneath the surface of Israelite monotheism. Early Israel was not "one man's family", however dysfunctional. It was a collection of individuals and groups, mainly outcasts or lower social elements, who coalesced into a nation and developed -- though they did not always follow -- a religion of ethical monotheism and principles of democratic government and social justice that still today move and inspire more than half the world's population. Like all religions, Israel's was shaped by the language, in this case Hebrew, in which it is expressed. Expressing monotheism in a language that is essentially dualistic conduced to the suppression of the female elements of earlier religions which had nurtured Israel's religion, and consequently, to a lack of appreciation for the part played by women in Israel's religious life. This skewed view of Israel's religion and its history that the Bible contains is a result of its having been collected, edited and in part written by Judeans, southern survivors, and heirs of David's kingdom who were moved to record it in the wake of the destruction of Jerusalem in 586 BCE.

Dream Interpretation Made Simple

Where do dreams come from and what do they mean? There is much discussion today about where dreams come from and what they mean. The Bible teaches that dreams are spiritual messages from God. Because they're spiritual in nature, they are (usually) symbolic. The meaning of a dream can be understood once its symbolic elements are decoded. Dreams reveal our future, our talents, our assignments and our divine destiny. With the same down-to-earth teaching style used in **Hearing God's Voice Made Simple** and **Seeing in the Spirit Made Simple**, **Praying Medic** provides Bible-based teaching on the nature of dreams and their meaning. The most common dreams types and themes are examined. Dozens of dreams are provided and their meanings are explained. You'll learn to distinguish between literal and symbolic dreams, you'll discover how to have more dreams and how to deal with nightmares. A glossary of over 700 dream symbols is included as well as a list of more than 400 names and their meanings. If you want to know what God is saying through your dreams, this book is for you! Topics covered: The origin of dreams The purpose of dreams How to record dreams How to apply dreams How to receive dreams Dreams and emotions Dreams of future events Your unique dream language Dreams and your divine destiny The most common dream subjects Principles of dream interpretation Understanding dream complexity How to interpret conceptual dreams The meaning of words and symbols The meaning of recurring dreams and nightmares The symbolic meaning of buildings, vehicles and certain people The symbolic meaning of names, colors, numbers and directions How to tell if a dream should be interpreted literally or symbolically

The Bible as Dream

A Jungian Interpretation

In *The Bible as Dream*, Murray Stein shares important themes and images in the biblical narrative that from a psychological perspective, stand out as essential features of the meaning of the Bible for the modern reader. The Bible presents a world elaborated with reference to a specific God image. As the mythographer Karl Kerényi puts it in writing about the Greek gods and goddesses, every god and every goddess constitutes a world. So it is too with the biblical God, whose name Stein exceptionally capitalizes throughout out of cultural respect. The biblical world is the visionary product of a particular people, the ancient Hebrews and the early Christians, who delved deeply into their God image and pulled from it the multitude of perspectives, rules for life, spiritual practices, and practical implications that all together created the tapestry that we find depicted in the canonical Bible. Yahweh is the heart and soul of this world, its creator, sustainer, and destroyer. The Bible is a dream that tells the story of how this world was brought into being in space and time and what it means. Don't miss these these timeless lectures--a work of respectful and loving interpretation.
