### **COMPELLING EVIDENCE OF THE INCURSION OF GIANTS, THEIR EXTRAORDINARY TECHNOLOGY, AND IMMINENT RETURN**

---

*Defender* **UNEARTHING THE LOST WORLD OF THE CLOUDEATERS** is a book unlike any other, one that demands the Smithsonian to open its hidden warehouses so the history of ancient America can be rewritten! As chronicled by Dr. Thomas R. Horn, radio legend Stephen Quayle, and two teams of investigators and film crews (following a secret conference with leaders of the Ute Nation, Zuni, and Hopi tribes) the most compelling evidence is finally unveiled involving pre-Columbian, dragon/giant-worshipping interlopers who traversed the Atlantic Ocean and secret Anasazi routes to corrupt the earliest Americans with portal-opening sorcery, human sacrifices, ritual cannibalism, and technology of the fallen ones. **NOW, FOR THE FIRST TIME, IN UNEARTHING THE LOST WORLD OF THE CLOUDEATERS:** The truth behind the great Smithsonian cover up; The pre-Flood architecture of the Giant King; Pre-Flood angel civilizations and the remnants of Watchers; The secret of the Anasazi and why they disappeared overnight; Ancient hidden stargates that medicine-men still use to see the future; The sacred mountains where the giant bones are kept; What tribal

elders confessed about returning giants; Giant, cannibalistic gods that demanded human sacrifice; Children of Cloudeaters, six-fingered, six-toed mutants; Shapeshifters, Skinwalkers, and other sky people; And where the gates will open when the Cloudeaters return. Learn the secrets to Americas earliest history and the truth about the giants in its past and future as you travel with Dr. Thomas R. Horn and Stephen Quayle into the most groundbreaking, history-altering investigation primed to challenge predominant, institutional dogma and scientific orthodoxy.

### NO TRAVELER RETURNS: THE LOST YEARS OF BELA LUGOSI

---

*BearManor Media* "Gary Rhodes and Bill Kaffenberger have added the final chapter to Bela Lugosi's career, combining fascinating unknown details of his film and stage activities with post-WWII film history. Superbly researched and written as an engrossing story of an actor's struggle against professional decline. A must-read!" - Robert Cremer, author of *Lugosi: The Man Behind the Cape* (Henry Regnery, 1976). "Gary Rhodes represents that elusive Gold Standard in narrative research into the full depth and breadth of Bela Lugosi's complicated career. Rhodes' devotion to the banishment of myth, and to its replacement with frank and humanizing truth, has provided a wealth of historical storytelling that, in

turn, renders the actor's known body of work all the more fascinating and comprehensible. Just when I catch myself believing I know all there is to be known about Lugosi — along comes Gary Rhodes and Bill Kaffenberger with a fresh brace of revelations. The process advances immeasurably in *No Traveler Returns: The Lost Years of Bela Lugosi.*” - Michael H. Price, coauthor of the *Forgotten Horrors* series. In *No Traveler Returns*, Bela Lugosi scholar extraordinaire Gary D. Rhodes and Bill Kaffenberger provide a fascinating time travel journey back to the late 1940s/early 1950s, when Lugosi - largely out of favor in Hollywood - embarked on a Gypsy-like existence of vaudeville, summer stock, and magic shows. While many historians have considered this era a limbo in Lugosi's career, with precious few facts unearthed, Rhodes and Kaffenberger take the reader along for a wide-eyed ride as Bela performs in a nightclub so notorious that armed guards keep watch on the roof, dresses as Dracula in a magic show where he and a gorilla (a man in a suit) play football with the guillotined head of a woman (a dummy), and races from one stock engagement to another without ever missing a cue. Never in his American career was Bela so busy, and never did his light shine so brightly as he valiantly troupes to support his family, dominate age and illness, and please his audiences. It's a fastidiously researched education in the show business world of the time - and a stirring tribute to the charm, brilliance and inexhaustible professionalism of the star who was Dracula. - Gregory William Mank, author of *Bela Lugosi and Boris Karloff: The Expanded Story of a Haunting Collaboration* (McFarland, 2009). “With preeminent Bela Lugosi scholar Rhodes as co-author, and a foreword by 90-something Schnitzer, who worked with Lugosi at Monogram Studios during the 1940s, *No Traveler Returns* is a valuable history lesson. For decades it's been said that Bela was unemployable for most of the late 1940s until his death in 1956. This book sets the record straight. “While Hollywood may have tossed the actor aside, live theater remained an open door for him. Authors Rhodes and Kaffenberger trace Bela's path through those postwar years up until 1951, when Lugosi was still able to earn a living, appearing not only in revivals of *Dracula* but in original plays performed in big-city houses. The book in fact derives its title from a same-named play which starred Lugosi in the immediate aftermath of his collapsed Hollywood career. The play was not well received at the time, but it now sounds like the kind of fun thriller that makes Lugosi fans drool. “With admirable meticulousness, the authors trace every step Bela took during those years. Just about every theater he appeared in, from major venues like the Curran in San Francisco to summer stock productions, is fully documented, complete with original publicity photographs, newspaper clippings, and a wealth of jaw-dropping behind-the-scenes information. Rhodes and Kaffenberger have done their homework. Through it all, an impressive portrait of Bela Lugosi is painted. “He was an actor who loved his craft and took his work very seriously. Whether he was appearing in a B-grade melodrama, another revival of *Dracula*, or in a classical theater piece, he gave his all. As the authors point

out, this was a man in his mid-to-late 60s, maintaining a hectic tour schedule that would have exhausted most people, including those much younger than himself. Your respect for Lugosi, both as an actor and a man, can only grow after reading how hard he worked. "Most movingly, the book concludes with a few words from Bela Lugosi, Jr., the actor's son, who spent those years in a military academy. It's quite touching to read his newfound understanding as to why his parents left him behind during that period of his young life. They went where they had to go in order to provide for him. "One can only hope that, wherever in the universe his spirit might be, Bela Sr. knows how well remembered, loved and respected he is." --David-Elijah Nahmod for VideoScope

## **PRIMORDIA 2**

---

*Severed Press* It was true - it was all true - and we were never meant to be there. In December 2018, Ben Cartwright, former Special Forces soldier, and a team of naive explorers, followed the clues left by his ancestor to a hidden plateau in the middle of the Amazon jungle. It was said that once every 10 years, a secret pathway was revealed to a world long since gone. They went, and what they found was a place of wonders and of horrors. Only Ben and his childhood love, Emma, survived. But when the doorway to the hidden world closed, Ben was trapped on the wrong side. Now, Emma has waited 10 long years for the doorway to open again. This time she'd be ready. This time she had everything she needed to go back to that hellish place and survive. All she needed was for Ben to be alive when she got there. PRIMORDIA II explores a prehistoric world and travels over mountains, through swamps, strange jungles, and dives below a primordial ocean, in the stunning sequel to the blockbusting PRIMORDIA. ..". a cocktail of prehistoric cool." ## **AYESHA SERIES - COMPLETE COLLECTION: SHE (A HISTORY OF ADVENTURE) + AYESHA (THE RETURN OF SHE) + SHE & ALLAN +**

---

---

## WISDOM'S DAUGHTER

---

---

### THE STORY ABOUT THE LOST KINGDOM IN AFRICA RULED BY THE SUPERNATURAL AYESHA OR "SHE-WHO-MUST-BE-OBEYED"

---

*e-artnow* This carefully crafted ebook: "AYESHA SERIES - Complete Collection: She (A History of Adventure) + Ayesha (The Return of She) + She & Allan + Wisdom's Daughter" is formatted for your eReader with a functional and detailed table of contents: "She" is one of the classics of imaginative literature, and one of the best-selling books of all time. She was extraordinarily popular upon its release and has never been out of print. The story is a first-person narrative that follows the journey of Horace Holly and his ward Leo Vincey to a lost kingdom in the African interior. There they encounter a primitive race of natives and a mysterious white queen named Ayesha who reigns as the all-powerful "She", or "She-who-must-be-obeyed". In this work, Rider Haggard developed the conventions of the Lost World subgenre, which many later authors emulated. "Ayesha, the Return of She" is a gothic-fantasy novel, a sequel to his far more popular and well known novel, She. "She and Allan" is a novel, in which Haggard brought together his two most popular characters, Ayesha from She (to which it serves as a prequel), and Allan Quatermain from King Solomon's Mines. Wisdom's Daughter is the final book in the Ayesha series. Sir Henry Rider Haggard (1856-1925) was an English writer of adventure novels set in exotic locations, predominantly Africa, and a pioneer of the Lost World literary genre. His stories, situated at the lighter end of Victorian literature, continue to be popular and influential. His novels portray many of the stereotypes associated with colonialism, yet they are unusual for the degree of sympathy with which the native populations are portrayed.

## RETURN OF THE RING

---

---

## LOST IN MIDDLE EARTH

---

So you couldn't get into Lord of the Rings? A lot of people find it tough going with some pretty strange stuff about yarning gaffers, pages and pages of hobbit family history and a hell of a lot of tramping through the wilds, but then there's also the fact that the whole premise of the story is

essentially the destruction of magic in the world. Yep, destroy the ring and the power of the eleven rings wane and, well, to cut a long story short, they just want to leave middle earth. Well, what about a story that started out basically the same but with a few key variations and then gradually separated along the way to a very different outcome? Here it is. Archers are more elf like and they really can hunt. Two of the initial party are plucky and determined girls. Godolphin (Gandalf like figure) is more openly a servant of the godlike beings (Valar) and wishes to destroy the High Ring because it might allow those in mortal lands to challenge or even eclipse the power of those godlike beings that he serves. Axel (Aragorn) is the leader of a fortress town called Briar (Bree) that could conceivably, and does, protect the peace-loving peoples of the north. Siegmund (Saruman) has not fallen to evil but has developed a rebellious loyalty to the men and elves of middle earth and wants to find a way to purify and modify the vast power of the ring. Tolkien was a master at envisaging an ancient magical world and something about the basic scenario drew many of us in, yet traditionally, writers have stood on the shoulders of great icons like Tolkien and added new dimensions to create fascinating new stories. I'm not going to argue with tradition, and I like where it goes, so I give you the first part out of six in this new tale that only starts in a very similar place.

## **RETURN OF THE DIVINE SOPHIA**

---

### **HEALING THE EARTH THROUGH THE LOST WISDOM TEACHINGS OF JESUS, ISIS, AND MARY MAGDALENE**

---

*Bear* An initiatic journey into the Mysteries of the Goddess and humanity's return to an age of peace and celestial light • Details the ceremonies and rituals of initiation into the Fellowship of Isis • Reveals the lost teachings of Jesus about the Divine Mother and Father and how the goddess Sophia is connected to Mary Magdalene as the Female Christ • Explores the many archetypes of the Goddess, including Isis, Brigit, and the Black Madonna, and how we can transform into Homo luminous, spiritual beings of light Called through her dreams by the Priestesses of Isis, Tricia McCannon set out on a spiritual journey into the Mysteries of the Goddess. After a fateful encounter with a high initiate of the ancient Fellowship of Isis, she began researching the history of Judaism and Christianity to find out how and when the Divine Feminine became lost. She discovered a forgotten age when the Creator was honored as female and humanity lived in peaceful societies completely free of war. She shows how we can return to an age of peace and celestial light if we work to bring the masculine and feminine energies of the world back into balance. Sharing her journey into the heart of the Divine Mother, McCannon details her initiation into the Fellowship of Isis, a process rich with ceremony, ritual, and myths of the Goddess from ancient Egyptian, Celtic, Greek, Hebrew, and Native American traditions. She reveals how the many archetypes of the Goddess, including Isis, Ishtar, Brigit, and the Black Madonna, can become our allies for self-

transformation. She explores Mysteries at the heart of Christianity that have remained hidden for nearly 2,000 years and how the Gnostic goddess Sophia is tied to the Second Coming, Mary Magdalene, and the Female Christ. She reveals the lost teachings of Jesus about the Divine Mother and Father and about the Divine Daughter and Son. Through her story and her in-depth research, McCannon takes us on a journey to awaken the creative power of the Divine Feminine within each of us. Equipped with the teachings of the Goddess, we gain the mastery to overcome the deeply rooted masculine-feminine imbalance of the patriarchy and to embark into the future as Homo luminous, beings of light.

## **THE EAGLE AND THE DRAGON**

---

## **GLOBALIZATION AND EUROPEAN DREAMS OF CONQUEST IN CHINA AND AMERICA IN THE SIXTEENTH CENTURY**

---

*John Wiley & Sons* In this important new book the renowned historian Serge Gruzinski returns to two episodes in the sixteenth century which mark a decisive stage in global history and show how China and Mexico experienced the expansion of Europe. In the early 1520s, Magellan set sail for Asia by the Western route, Cortes seized Mexico and some Portuguese based in Malacca dreamed of colonizing China. The Aztec Eagle was destroyed but the Chinese Dragon held strong and repelled the invaders - after first seizing their cannon. For the first time, people from three continents encountered one other, confronted one other and their lives became entangled. These events were of great interest to contemporaries and many people at the time grasped the magnitude of what was going on around them. The Iberians succeeded in America and failed in China. The New World became inseparable from the Europeans who were to conquer it, while the Celestial Empire became, for a long time to come, an unattainable goal. Gruzinski explores this encounter between civilizations that were different from one another but that already fascinated contemporaries, and he shows that our world today bears the mark of this distant age. For it was in the sixteenth century that human history began to be played out on a global stage. It was then that connections between different parts of the world began to accelerate, not only between Europe and the Americas but also between Europe and China. This is what is revealed by a global history of the sixteenth century, conceived as another

way of reading the Renaissance, less Eurocentric and more in tune with our age.

**5 JULES VERNE CLASSICS: AROUND THE WORLD IN 80 DAYS, FROM THE EARTH TO THE MOON, THE MYSTERIOUS ISLAND & 20 000 LEAGUES UNDER THE SEA**

---

*DigiCat* Writing in France in the nineteenth century, Jules Verne was fascinated by adventure and exploration. Collecting "A Journey to the Center of the Earth", "Around the World in 80 Days", "From the Earth to the Moon", "Twenty Thousand Leagues Under the Sea" and "The Mysterious Island", this omnibus offers a unique compilation of five of Verne's Voyages, stories in which he extrapolated developing technology and invention into marvellous fiction. This volume offers readers a generous introduction to Jules Verne, whose books are as alive today as they were for readers new to the ideas expressed in them during his time. Jules Gabriel Verne (1828 - 1905) was a French novelist, poet, and playwright best known for his adventure novels and his profound influence on the literary genre of science fiction.

**COUNTDOWN TO THE SECRET DESTINY OF AMERICA? THE LOST PROPHECIES OF QUMRAN, AND? THE RETURN OF OLD SATURN'S REIGN**

---

*Defender* Before and after the presidency of Donald Trump, the United States was--and now is again--on an intentional trajectory to fulfill what famous Freemason Manly P. Hall described as The Secret Destiny of America. Hall's book includes future national and global subservience to the god of Freemasonry, a deity most Americans would not imagine when reciting the pledge of allegiance to "one nation under God." Unknown to most Americans and certainly many Christians is the fact that the Great Seal of the United States is a prophecy hidden in plain sight by the Founding Fathers for more than two hundred years, foretelling the return of this terrifying, demonic god who seizes control of Earth in the New Order of the Ages. This supernatural entity was known and feared in ancient times by different names: Apollo, Osiris, and even farther back as Nimrod, whom Masons consider to be the father of their institution.

---

### **HEARINGS BEFORE THE COMMITTEE ON MILITARY AFFAIRS, HOUSE OF REPRESENTATIVES, SIXTY-SIXTH CONGRESS, THIRD SESSION; FEBRUARY 1, 1921 (CLASSIC REPRINT)**

---

*Forgotten Books* Excerpt from Return of Body of Unknown American Who Lost His Life During World War: Hearings Before the Committee on Military Affairs, House of Representatives, Sixty-Sixth Congress, Third Session; February 1, 1921 Mr. Crago. It seems to me that with so many unidentified it would be possible to pick out one who had served in each branch. Mr. Mckenzie. If the statement made by the chairman awhile a o is correct that all but perhaps three or four have been identified I No not see how you could get a dozen unidentified. Mr. Crago. There are hundreds unidentified. He only referred to one organization. Gen. Lejeune. I meant that they had traced the records of these men so that they knew whether a man was killed or absent, but they had not gotten the specific information as to his identity. They do know whether he was killed or absent without leave. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. ## **THE GULF CRISIS AND ITS GLOBAL AFTERMATH**

---

*Routledge* **The crisis in the Gulf of 1990-1 affected more than just the regional powers in the area. Rippling outward, its military, economic and political effects were felt throughout the international political system, testing US steadfastness in the face of Saddam Hussein's political survival, European ability to form a united front on foreign policy issues and the effectiveness of the UN in confronting international aggression. The rationale behind this book, first published in 1993, is to investigate and analyse the various aspects of the crisis, especially in regard to the interactions between internal and international prospects for a new order in the Middle East. It also examines the wider effects of the war, and includes analysis of Europe, America and the Soviet Union. Each one of the essays chosen for this volume has been written by an expert in their field. This collaboration between historians, regional specialists and political scientists, integrating a variety of research methods in the framework of one book, will be useful to a wide range of readers.**

---

### **THE CULTURAL ENCYCLOPEDIA OF BASEBALL, 2D ED.**

---

*McFarland* More than any other sport, baseball has developed its own niche in America's culture and psyche. Some researchers spend years on detailed statistical analyses of minute parts of the game, while others wax poetic about its players and plays. Many trace the beginnings of the civil rights movement in part to the Major Leagues' decision to integrate, and the words and phrases of the game (for example, pinch-hitter and out in left field) have become common in our everyday language. From AARON, HENRY onward, this book covers all of what might be called the cultural aspects of baseball (as opposed to the number-rich statistical information so widely available elsewhere). Biographical sketches of all Hall of Fame players, owners, executives and umpires, as well as many of the sportswriters and broadcasters who have won the Spink and Frick awards, join entries for teams, owners, commissioners and league presidents. Advertising, agents, drafts, illegal substances, minor leagues, oldest players, perfect games, retired uniform numbers, superstitions, tripleheaders, and youngest players are among the thousands of entries herein. Most entries open with a topical quote and conclude with a brief bibliography of sources for further research. The whole work is exhaustively indexed and includes 119 photographs.

---

---

### **SHADOWS RECOLLECTING**

---

---

### **THE ETERNAL OBLIVION OF LOST WISDOM**

---

*Poseidon Books* *Shadows Recollecting* is the story of four people. One is a shaman, the next is an archaeologist. Together the shaman and archaeologist come across a dark secret, that at the start of time Earth was colonised by a superior species. This race called the Kaltaseans on the planet of Tendragos, was seen to pass on their derelict technologies to earth and the final frontier is space technology. The Kaltaseans are

represented on earth by a villain called Black, who is the head of an organisation ages old called the Shadow Assembly. Along the way the shaman is mentored by a spirit guide called Santorias. Even though the shaman succeeds in wiping out the Shadow Assembly, the people of Tendragos are still inclined to wipe Earth out. The shaman Antonie, is forced to return to Tendragos where he becomes possessed by a God. This God, the Walker of Shadows wipes out the entire planet in a catastrophe and after a period of years, the shaman who has been travelling in the spirit world lost, returns to Tendragos and finds that it has become a Wasteland. The quest then becomes a search for meaning without civilisation where the final answer is to return to a medieval like existence in a village. When the shaman fights Black again and wins, he is elevated to the stars and takes up residence among the Gods in a citadel of light.

## THE COMMITTEE TO DESTROY THE WORLD

---

---

## INSIDE THE PLOT TO UNLEASH A SUPER CRASH ON THE GLOBAL ECONOMY

---

*John Wiley & Sons* An updated examination of what's weakening the U.S. economy, and how to fix it **The Committee to Destroy the World: Inside the Plot to Unleash a Super Crash on the Global Economy** is a passionate and informed analysis of the struggling global economy. In this masterfully conceived and executed work, Michael Lewitt, one of Wall Street's most respected market strategists and money managers, updates his groundbreaking examination of the causes of the 2008 crisis and argues that economic and geopolitical conditions are even more unstable today. His analysis arrives in time for the impending economic and geopolitical debates of the 2016 election season. Lewitt explains in detail how debt has now overrun the world's capacity, how federal policies of the past few decades have created a downward vortex sapping growth and vitality from the American economy, and how greed and corruption are preventing reform. The financial crisis created tens of trillions of debt, leaving investors to pay a huge price for these policy failures: The highest asset inflation we've seen in our lifetimes, although the government claims there isn't enough inflation More than \$2 trillion of stock buybacks funded with low cost debt that are artificially inflating stock prices The Federal Reserve and other global central banks becoming the largest buyers of government debt in order to suppress interest rates An M&A boom resulting from companies needing to find growth outside of their core businesses While the financial media misses the story, Lewitt pulls no punches explaining how all of these trends are leading to the brink of another crisis. Lewitt lays out a survival plan for the average investor to protect their assets

when the debt bubble bursts. The first edition of this book expressed hope that policymakers would not let the financial crisis go to waste. This book urges investors to learn from the crushed hope and take action before the next crisis.

---

## **THE RETURN OF THE FEMININE AND THE WORLD SOUL**

---

*The Golden Sufi Center* The feminine holds the mystery of creation. This simple and primordial truth is often overlooked, but at this time of global crisis, which also carries the seeds of a global transformation, we need to reawaken to the spiritual power and potential of the feminine. Feminine qualities belong to both men and women, and they draw us into the depths within us, into the mysteries of the soul whose wisdom is called Sophia. Without the feminine nothing new can be born, nothing new can come into existence—we will remain caught in the materialistic images of life that are polluting our planet and desecrating our souls. We need to return to the core of our being, to where the sacred comes into existence. And the mystical feminine holds the key to this work of redemption and transformation. Over the past two decades Llewellyn Vaughan-Lee has given different teachings on the feminine and the anima mundi, the World Soul. They are compiled here for the first time. “Llewellyn Vaughan-Lee presents us with a clear picture of the Feminine which is now essential to building a new vision and value for our dear planet earth.” —MARION WOODMAN, Ph.D., Jungian Analyst and author “This book is the work of an alchemist—a vitally important contribution to the Great Work of rescuing the human soul from the darkness that currently shrouds it. In this dangerous transitional time, where ignorance, confusion and cruelty abound, its theme of the need for us to recover and comprehend the Feminine is of absolute and urgent relevance. Few people are able to define and evoke the Feminine in the way that Llewellyn Vaughan-Lee does; in poetic and beautiful prose, he speaks directly from his soul to ours, acting as advocate for the longing of the anima mundi, the World Soul, to be welcomed once again into our lives and our culture. He knows that this is the time of humanity’s awakening: each one of us participates in the mystery of the light hidden within us and within all nature that is being awakened. For exploring this mystery so directly and deeply and with such insight, he deserves our deepest gratitude. Women and men alike will welcome and treasure this book.” —ANNE BARING, co-author, *The Myth of the Goddess: Evolution of an Image and The Dream of the Cosmos: A Quest for the Soul*

## **RETURN TO THE CHARLEVAUX**

---

*Lulu.com* Once again, Lost Battalion historian and author Robert J. Laplander takes his readers back to France in September and October of

1918...into the famous 'Pocket' of the Charlevaux Ravine, deep in the heart of the Argonne Forest, where the 'Lost Battalion' made its historic stand. Meant as a companion volume to his tremendously successful book 'Finding the Lost Battalion: Beyond the Rumors, Myths and Legends of America's Famous WW1 Epic', Mr Laplander again dips into his decade long research into the events surrounding this heroic story in order to present another view of what is arguably the most important episode to come from America's involvement in WW1. Told mostly in the words of the men involved (most of which have never been seen by the general public), 'The Lost Battalion: Return to the Charlevaux' brings even more depth to a story which has fascinated readers for nearly 90 years now, and will definitely earn an honored spot on your shelf next to Mr. Laplander's first volume!

## **THE LOST VILLAGE**

---

## **A HEARTBREAKING WORLD WAR 2 HISTORICAL NOVEL**

---

*Bookouture* 1945, Italy. Two sisters give birth to two little girls on the same night, huddled under blankets, deep in the black woods that surround the village of Bosconero. They hold their babies close as footsteps approach. If they make even the slightest sound, the German soldiers will find them... 2006. Luce Nardini searches the cobbled streets of a remote Italian village for a house with a faded blue door. Since her only child left home, and with her estranged husband more distant than ever, she's been completely untethered. Discovering why her mother cut all contact with her family and the village she loved feels like Luce's last hope at understanding who she is. Inside the house, she's relieved to find the grandmother she never knew living out her final days. With a longing look at an ornate wooden box on her nightstand, her grandmother is just beginning to tell the heart-wrenching story of a little village ravaged by war, and why Luce's mother swore never to return, when then the unthinkable happens: an earth-shattering disaster that shakes the little village of Bosconero to its core. Feeling more lost than ever before, Luce fears that the secrets of her past have been buried forever. Her only hope is to win back the trust of the small community and find her grandmother's little wooden box amongst the rubble of the village. But will the surprise arrival of the husband she thought she'd lost help sew Luce's family back together, or tear it apart for good? And will anything have prepared her for the devastating betrayal she finds hidden inside the box...? An unputdownable historical novel about the secrets we keep to protect the ones we love by the author of million-copy Amazon No 1. bestseller, Watch Over Me. Perfect for anyone who loves Fiona Valpy, Lily Graham or The Letter by Kathryn Hughes. Everyone is talking about Daniela Sacerdoti: 'I really loved it... makes you

want to curl up in a chair with a warm drink and read this slowly. I found myself not wanting to devour this, but to savour every page. It's emotional and empowering and the characters fill your mind completely long after you have finished the story.' Crossroad Reviews

## **DINOWORLD**

---

---

### **INCREDIBLE ENCOUNTERS WITH THE WORLD'S LOST DINOSAURS**

---

Return to an era when fossil hunting was very much the craze. Dinoworld is a visual feast for young enthusiasts, recreating the exciting era of the 19th-century Bone Wars. Sketchbook-like studies of these terrible lizards combine with awesome CGI scenes that capture the beasts in their natural habitats, as though still roaming the Earth to this day. From classic dino favourites to exciting new discoveries, there's a wealth of fascinating information to be discovered. For all lovers of prehistoric creatures, this is a book to pore over and to treasure.

### **MASTERPIECES OF THE WORLD'S BEST LITERATURE**

---

---

#### **ROBERT PENN WARREN'S MODERNIST SPIRITUALITY**

---

*University of Missouri Press* As a man who disclaimed any kind of religious orthodoxy, Robert Penn Warren nonetheless found in Christianity "the deepest and widest metaphor for life." The significance he drew from it was one he expressed strictly in humanistic and natural terms: spiritual renewal and redemption were possible through engagement with literature and participation in the world. In *Robert Penn Warren's Modernist Spirituality*, Robert Koppelman explores the spiritual or religious dimension to Warren's work in light of his admitted agnosticism. Beginning with an overview of Warren's career as a Fugitive at Vanderbilt and then, later, as a formidable New Critic, Koppelman argues that Warren's regard for the spiritual aesthetic of both literary language and form can be traced to his early study of poetic metaphor. To illustrate Warren's mature vision, Koppelman centers his study on two novels and two poetry collections: *All the King's Men*, *A Place to Come To*, *Promises: Poems 1954-1956*, and *Now and Then: Poems 1976-1978*. He also examines the critical studies that concentrate on Warren's vision of time, history, and spiritual fulfillment, as well as those essays by Warren that complement his poems and novels in such a way as to elicit the reader's participation in the redemption of their narrators. *Robert Penn Warren's Modernist Spirituality* renews Warren's commitment to experiencing both literature and life as opportunities to participate in a realm of beauty and vision that is still open to contemporary readers.

### **LITURGICAL THEOLOGY REVISITED**

---

---

**OPEN TABLE, BAPTISM, CHURCH**

---

*Wipf and Stock Publishers* **Something happens at the eucharistic table. When Jesus' story meets Jesus' presence, Jesus happens there, and the hungry are fed. Christians' beliefs--that they believe and what they believe--are formed by Jesus happening. This book explores the theology inscribed on communities through their encounter with Jesus at the table. It begins with the theology of radical grace embodied in the invitation of everyone, baptized or not, to the table, and it addresses from this vantage the whole of the Christian life: the truth of Jesus, the work of the Spirit, the significance of baptism, and the integrity and mission of the church.**
